

MUSIC ICON JANET JACKSON ANNOUNCES ADDITIONAL TOUR DATES: TICKETS FOR ROCK WITCHU TOUR ON SALE BEGINNING JUNE 7TH

LOS ANGELES, CA (June 3, 2008) Live Nation, the world's largest live music company, announced today newly added dates to Janet Jackson's Rock Witchu tour, her first tour in seven years. The announcement of the new tour dates coincides with her appearance on BET's 106 & Park today where she will discuss what fans can expect from the upcoming tour, and reflect on her previous groundbreaking tours including Rhythm Nation 1814. The Rhythm Nation 1814 tour solidified Janet's status as a trailblazing entertainer with cutting edge choreography, unparalleled stage production and theatrics, and won over audiences and broke global box office records along the way.

Additional television appearances this week include MTV's TRL and Entertainment Tonight. Janet Jackson has undeniably influenced pop culture with not only her current album "Discipline," which debuted at number one on the charts, but over a 100 million total albums sold, countless hit singles, awards and accolades. The tour will feature new songs from her album "Discipline," as well as all of the hit singles and innovative dance routines that have made her one of the most celebrated artists in history.

The Live Nation produced tour which kicks off in Vancouver, BC on September 10th, will also visit Oakland, Las Vegas, Chicago, Detroit, Boston, Philadelphia, Greensboro, Atlanta, Fort Lauderdale, San Diego Houston and Dallas, as well as the already announced dates in Vancouver, Toronto, Montreal, Washington, DC and New Jersey. Tickets are available at www.livenation.com (see below for a complete list of on-sale dates in various cities). Additional dates are expected to be announced in the coming weeks.

Janet has left an indelible mark on pop music, selling more than 100 million albums and, having achieved the number one spot on Billboard Magazine's Top 200 Album Chart 6 times, is among just 3 female artists that have achieved such status. She is the only performer male or female to be nominated for Grammy Awards in each of the Pop, Rock, Dance, Rap and R&B categories, and the first female recording artist of color to be nominated for a Producer of the Year Grammy. With literally hundreds of awards and nominations from everyone from the American Music Awards, where she holds the title for most nominations from one album, to MTV, where she was awarded the first ICON award, to the Academy Awards, Golden Globes, Radio Music Awards, World Music Awards, Billboard, Rolling Stone, NAACP, etc., the recognitions of her musical contributions are astounding.
