CHARLES COBLE

Vice President Field Services and Purchasing

As Vice President of Field Services and Purchasing, Chuck Coble controls more than \$400 million in annual expenditures and directs over 1,500 employees. He manages customer processing for approximately 1,500 daily flights in more than 175 markets, and oversees purchasing and warehousing of aircraft parts for a 274-jet fleet.

Chuck has been instrumental in building ExpressJet into a top performer with operating metrics among the industry's best. He guided the operational transition to an all-jet fleet during skyrocketing growth, and helped drive investment in state-of-the-art maintenance, service and refurbishment programs to revitalize efficiency. He was a key player in overhauling Continental Airlines Newark Hub operation in the mid '90s, helping the carrier achieve industry revenue premiums. During his 30-year aviation industry career, Chuck has empowered consistent gains in operational efficiency, staff retention and customer satisfaction.
