JAY PEREZ

Staff Vice President Material Services

Jay Perez works with internal groups, suppliers and partners to address material and distribution challenges characteristic of the aviation industry.

Jay has delivered millions of dollars of cost savings to ExpressJet, building and leading a strong Material Services operation in the efficient purchasing, warehousing and distribution of all of the airline's products, parts and services. During his tenure, he has continuously driven down costs through innovative sourcing strategies, originated creative service concepts and negotiated all essential contracts and agreements. He has maintained order, efficiency and teamwork within ExpressJet's Warehousing and Distribution organization.

Jay studied business at Winthrop College.
