PENSEC JOINS MUELLER WATER PRODUCTS AS DIRECTOR OF COMMUNICATIONS

ATLANTA - Mueller Water Products, Inc. (NYSE: MWA.B, MWA) today announced that John Pensec has joined Mueller Water Products as Director of Communications and Public Affairs.

In his new position, Pensec is responsible for internal and external corporate communications for the \$1.85 billion manufacturer and marketer of infrastructure and flow control products used in water distribution networks and treatment facilities.

"John has extensive experience in communications for public companies, including aligning employee and investor communications, which will be critical as we grow our business," said Martie Edmunds Zakas, Senior Vice President, Strategic Planning & Investor Relations for Mueller Water Products.

Pensec has 20 years of communications experience, most recently with John H. Harland Company (now Harland Clarke) where he was Vice President of Corporate Communications and Community Relations. Prior to Harland, Pensec was in account management positions with several leading public relations and marketing agencies, including Hill and Knowlton, Inc. and Weber Shandwick. He is a graduate of Washington and Lee University where he majored in journalism.

About Mueller Water Products

Mueller Water Products is a leading North American manufacturer and marketer of infrastructure and flow control products for use in water distribution networks and treatment facilities. Its broad product portfolio includes engineered valves, hydrants, ductile iron pipe and pipe fittings, which are utilized by municipalities, as well as the commercial and residential construction, oil and gas, HVAC and fire protection industries. With revenues of approximately \$1.85 billion, the Company is comprised of three main operating segments: Mueller Co., U.S. Pipe and Anvil. Based in Atlanta, Georgia, the Company employs approximately 6,800 people. Mueller Water Products Series B common stock and Series A common stock trade on the New York Stock Exchange under the ticker symbols MWA.B and MWA, respectively. For more information about Mueller Water Products, please visit the Company's Web site at www.muellerwaterproducts.com.
