Continental Resources, Inc. Celebrates Recent Initial Public Offering on the NYSE Harold G. Hamm Chairman and CEO, to Ring The Opening BellSM

EVENT:

Executives and guests of Continental Resources, Inc. will visit the New York Stock Exchange on Mon., Aug. 13 to celebrate the company's recent initial public offering. Continental Resources, Inc. began trading on the Exchange on May 15, 2007 under the ticker symbol "CLR."

In honor of this occasion, Harold G. Hamm, Chairman and Chief Executive Officer will ring The Opening Bell.

Continental Resources, Inc. (NYSE: CLR):

Continental Resources is an independent oil and natural gas exploration and production company with operations in the Rocky Mountain, Mid-Continent and Gulf Coast regions of the United States. The company focuses its operations in large new or developing plays where horizontal drilling, advanced fracture stimulation and enhanced recovery technologies provide the means to economically develop and produce oil and natural gas reserves from unconventional formations. The company completed its initial public offering in May 2007.
