### Radisson SAS Opens its 4th hotel in Poland

#### Now open: Radisson SAS Hotel, Krakow

Brussels, June 19, 2003.... The newly built Radisson SAS Hotel in Krakow opens its doors to the public today. This hotel will be the fourth hotel for Radisson SAS Hotels & Resorts in Poland. Radisson SAS further continues its aggressive expansion in Poland having two other projects under construction in Lublin and Katowice.

The first-class full service Radisson SAS Hotel is located on the modern shopping street Zwierzyniecka in the centre of Krakow. The hotel offers 196 rooms in "City" or "Ocean" style, including business-class rooms, junior and executive suites. The all day dining restaurant is situated in the hotel's glass covered courtyard, further there is a Lounge Bar and a Milk & Co café.

Meeting facilities include a spacious function area with four conference rooms hosting up to 60 delegates and five boardrooms, able to accommodate 10 persons each. The health and fitness centre offers a fully equipped training room as well as a sauna. The hotel is facing the Plants, a large green park and is within a short walking distance from shops and other places of interest. Thanks to restricted car traffic, this central location is at the same time very quiet. There is an underground parking available for all hotel guests.

Krakow, located in the south of Poland, used to be Poland's capital until the late 16<sup>th</sup> century. The city is believed to be one of the oldest cities in the country.
