#### **Involvement in Certain Legal Proceedings**

To the best of our knowledge, there have been no events under any bankruptcy act, criminal proceedings, judgments, injunctions, orders or decrees material to the evaluation of the ability and integrity of any director, executive officer, promoter or control person of the Company during the past ten years.

#### **Board Leadership Structure and Role in Risk Oversight**

The Board of Directors believes that Ms. Ting Zheng's service as both Chairperson of the Board and Chief Executive Officer is in the best interest of the Company and its shareholders. Ms. Zheng possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. Her combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's shareholders, employees, customers and suppliers.

The board has not designated a lead director. Given the limited number of directors comprising the board, the independent directors call and plan their executive sessions, including which director will preside over a give executive session, collaboratively and, between board meetings, communicate with management and one another directly. Given the circumstances, the directors believe that formalizing in a lead director functions in which they all participate might detract from rather than enhance performance of their responsibilities as directors.

The Board of Directors is responsible for the overall supervision of the Company's risk oversight efforts as they relate to the key business risks facing the organization. Management identifies, assesses, and manages the risks most critical to the Company's operations on a day-to-day basis. The Board's role in risk oversight of the Company is consistent with the Company's leadership structure, with senior management having responsibility for assessing and managing the Company's risk exposure, and the Board and its Committees providing oversight as necessary in connection with those efforts.

During the year ended March 31, 2010, the Board of Directors met in person or in the form of teleconference and took action by written consent on fourteen occasions. All of the directors attended all the meetings of the board of directors and meetings of any committee which such director is a member. Each director is expected to participate, either in person or via teleconference, in meetings of our Board of Directors and meetings of committees of our Board of Directors in which each director is a member, and to spend the time necessary to properly discharge such director's respective duties and responsibilities. We do not have a written policy with regard to directors' attendance at annual meetings of shareholders; however, all directors are encouraged to attend the annual meeting.

### Board Committees

The Board of Directors has standing audit, compensation, and nominating and corporate governance committees, comprised solely of independent directors. Each committee has a charter, which is available at Company's website, [www.chinacordbloodcorp.com](http://www.chinacordbloodcorp.com).

Management has the responsibility for the implementation of these activities. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements in the Company's Annual Report on Form 20-F/A for the fiscal year ended March 31, 2010, including a discussion of the quality and the acceptability of the Company's financial reporting and controls.

The Company's independent registered public accounting firm is responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles and on the effectiveness of the Company's internal control over financial reporting. With respect to the audit of Company's financial statements for the year ended March 31, 2010, the Audit Committee has reviewed and discussed the audited financial statements with management; has discussed with Company's independent accountants the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and has received the written disclosures and the letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with the independent accountant the independent accountant's independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 20-F/A for the fiscal year ended March 31, 2010.

The members of the audit committee are:

Our board of directors has adopted a compensation committee charter, providing for the following responsibilities of the compensation committee:

- reviewing and making recommendations to the board regarding our compensation policies and forms of compensation provided to our directors and officers;
- reviewing and making recommendations to the board regarding bonuses for our officers and other employees;
- reviewing and making recommendations to the board regarding share-based compensation for our directors and officers;
- annually reviewing and reassessing the adequacy of the charter;
- administering our share option or incentive plans in accordance with the terms thereof; and
- such other matters that are specifically delegated to the compensation committee by our board of directors from time to time.

**Compensation Committee Report.**

The compensation committee has reviewed and discussed with management the Executive Compensation Discussion and Analysis set forth beginning on page 13 and, based on the review and discussions, recommended to the board of directors that the Executive Compensation Discussion and Analysis be included in this proxy statement.

The members of the compensation committee are:

Mark D. Chen, Chair  
Dr. Ken Lu  
Jennifer J. Weng

**Nominating and Corporate Governance Committee.** The nominating and corporate governance committee consists of Mr. Mark D. Chen, Dr. Ken Lu and Ms. Jennifer J. Weng. Dr. Lu is the chair of our nominating and corporate governance committee. Mr. Chen, Dr. Lu and Ms. Weng do not have any direct or indirect material relationship with CCBC other than as a director.

Our board of directors has adopted a nominating and corporate governance committee charter, providing for the following responsibilities of the nominating and corporate governance committee:

- overseeing the process by which individuals may be nominated to our board of directors;
- identifying potential directors and making recommendations as to the size, functions and composition of our board of directors;

- considering nominees proposed by our shareholders;
- annually reviewing and reassessing the adequacy of the charter;
- establishing and periodically assessing the criteria for the selection of potential directors; and
- making recommendations to the board of directors on new candidates for board membership.

In making nominations, the nominating and corporate governance committee is required to submit candidates who have the highest personal and professional integrity, who have demonstrated exceptional ability and judgment and who shall be most effective, in conjunction with the other nominees to the board, in collectively serving the long-term interests of the shareholders. In evaluating nominees, the nominating and corporate governance committee is required to take into consideration the following attributes, which are desirable for a member of the board: leadership; independence; interpersonal skills; financial acumen; business experiences; industry knowledge; and diversity of viewpoints.

The nominating and corporate governance committee will consider director candidates recommended by security holders. Potential nominees to the board of directors are required to have such experience in business or financial matters as would make such nominee an asset to the board of directors and may, under certain circumstances, be required to be “independent”, as such term is defined under Section 303A.02 of the listing standards of the New York Stock Exchange and applicable SEC regulations. Security holders wishing to submit the name of a person as a potential nominee to the board of directors must send the name, address, and a brief (no more than 500 words) biographical description of such potential nominee to the nominating and corporate governance committee at the following address: Nominating and Corporate Governance Committee of the Board of Directors, c/o China Cord Blood Corporation, 48<sup>th</sup> Floor, Bank of China Tower, 1 Garden Road, Central, Hong Kong S.A.R. Potential director nominees will be evaluated by personal interview, such interview to be conducted by one or more members of the nominating and corporate governance committee, and/or any other method the nominating and corporate governance committee deems appropriate, which may, but need not, include a questionnaire. The nominating and corporate governance committee may solicit or receive information concerning potential nominees from any source it deems appropriate. The nominating and corporate governance committee need not engage in an evaluation process unless (i) there is a vacancy on the board of directors, (ii) a director is not standing for re-election, or (iii) the nominating and corporate governance committee does not intend to recommend the nomination of a sitting director for re-election. A potential director nominee recommended by a security holder will not be evaluated differently from any other potential nominee. Although it has not done so in the past, the nominating and corporate governance committee may retain search firms to assist in identifying suitable director candidates.

The board does not have a formal policy on board candidate qualifications. The board may consider those factors it deems appropriate in evaluating director nominees made either by the board or shareholders, including judgment, skill, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other board members, and specialized knowledge or experience. Depending upon the current needs of the board, certain factors may be weighed more or less heavily. In considering candidates for the board, the directors evaluate the entirety of each candidate’s credentials and do not have any specific minimum qualifications that must be met.

## **Corporate Governance**

Our board of directors has adopted a code of business conduct and ethics applicable to our directors, offices and employees. In addition, it has adopted a set of corporate governance guidelines. The guidelines reflect certain guiding principles with respect to our board structure, procedures and committees. These guidelines are not intended to change or interpret any law, or our amended and restated memorandum and articles of association.

There are no material differences in the Company's corporate governance practices from those of U.S. domestic companies under the listing standards of the NYSE.

## **Insider Trading Policy**

Directors, executive officers and employees may acquire confidential information from time to time through their employment or fiduciary relationship with CCBC. Golden Meditech is a publicly traded company on the Main Board of the Hong Kong Stock Exchange. ### **Executive Compensation Discussion and Analysis**

This section discusses the compensation we paid in previous fiscal years to certain executive officers, which we refer to as the “named executive officers.” These named executive officers include:

- Ms. Ting Zheng, who is our chairperson of the board and the chief executive officer.
- Mr. Albert Chen, who is our chief financial officer and director.
- Ms. Yue Deng, who is our chief executive officer of the Beijing division.
- Ms. Rui Arashiyama, who is our chief executive officer of the Guangdong division.
- Ms. Xin Xu, who is our chief technology officer.

#### ***Compensation Discussion and Analysis***

The primary objectives of our compensation policies with respect to executive compensation are to attract and retain the best possible executives to lead it and to properly motivate these executives to perform at the highest levels of which they are capable. Compensation levels established for our executives are designed to promote loyalty, long-term commitment and the achievement of its goals, to motivate the best possible performance and to award achievement of budgetary goals to the extent such responsibility is within the executive’s job description. Compensation decisions with respect to our named executive officers have historically focused on attracting and retaining individuals who could help us to meet and exceed our financial and operational goals. Our board of directors considered the growth of the company, individual performance and market trends when setting individual compensation levels.

For the fiscal years ended March 31, 2008, 2009 and 2010, the compensation of the above executive officers substantially consisted of a base salary, and an annual bonus and other benefits, each of which is described in more detail below:

- **Base salary.** We believe that the base salary element is required in order to provide these executive officers with a stable income stream that is commensurate with their responsibilities and competitive market conditions. Our board of directors established base salaries payable to the named executive officers with the goal of providing a fixed component of compensation, reflecting the executive officer’s skill set, experience, role and responsibilities. The determination of our board of directors and compensation committee of whether any of the named executive officers merited an increase in base salary during any particular year depended on the individual’s performance during the prior fiscal year, our performance during the prior fiscal year and competitive market practices. In establishing the current base salary levels, our board of directors and compensation committee did not engage in any particular benchmarking activities or engage any outside compensation advisors.

For the years ended March 31, 2008 and 2009, Ms. Ting Zheng and Mr. Albert Chen received a portion of their compensation from Golden Meditech. During these periods, Ms. Zheng, as executive director of Golden Meditech, and Mr. Chen, as vice president of corporate finance of Golden Meditech, were responsible for our development and Golden Meditech's other businesses, which include medical devices manufacturing, healthcare services, natural herbal medicine manufacturing, and Golden Meditech's various merger and acquisition initiatives. The compensation that Ms. Ting Zheng and Mr. Albert Chen received from Golden Meditech for services rendered to us for the years ended March 31, 2008 and 2009 were not material. On June 30, 2009, Ms. Zheng and Mr. Chen entered into employment agreements with us providing for annual base salaries of HK\$1,300,000 and HK\$1,300,000, respectively (or US\$167,742 and US\$167,742, respectively, based on the noon buying rate as of March 31, 2010, which was HK\$7.75 to US\$1.00).

- **Annual bonus.** Bonus for any of the above executive officers are discretionary and is generally linked to his or her individual performances for the year, including contribution to our strategic and corporate operating plans, with individual performance and providing executive officers performance incentives for attaining specific goals.
- **Severance benefits.** Prior to June 30, 2009, there were no written employment contracts between us and any of the named executive officers. In compliance with PRC law, however, Jiachenhong has entered into standard employment contracts with Ms. Deng and Ms. Xu, and Nuoya has entered into standard employment contracts with Ms. Arashiyama. These contracts provide for severance payments under limited circumstances as required by PRC law.

## CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

### General Principles on Related Party Transactions

Our audit committee has adopted an internal policy regarding the identification, review, consideration and oversight of any transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which we and any “related party” are participants. Transactions involving compensation for services provided to us as an employee, director, consultant or similar capacity by a related person are not covered. A related party is any executive officer, director or a holder of more than five percent of our ordinary shares, including any of their immediate family members and any entity owned or controlled by such persons.

Under our policy, where a transaction has been identified as a related party transaction, management must present information regarding the proposed related party transaction to the audit committee of our board of directors for review. The presentation must include a description of, among other things, the material facts, the direct and indirect interests of the related parties, the benefits of the transaction to us and whether any alternative transactions are available. To identify related party transactions in advance, we rely on information supplied by our executive officers, directors and certain significant shareholders. In considering related party transactions, the audit committee of our board of directors takes into account the relevant available facts and circumstances including, but not limited to the risks, costs and benefits to us; the impact on a director’s independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated; the terms of the transaction; the availability of other sources for comparable services or products; and the terms available to or from, as the case may be, unrelated third parties or to or from our employees generally. In the event a director has an interest in the proposed transaction, the director must excuse himself or herself from the deliberations and approval.

Prior to the establishment of our audit committee in connection with the closing of the Business Combination, CCBS’s board of directors performed similar functions in approving related party transactions. CCBC’s board of directors reviewed each of the following related party transactions and has concluded that, in light of known circumstances, each transaction is in, and is consistent with, its best interests and its shareholders.

**PROPOSAL NO. 3**  
**APPROVAL OF THE INCENTIVE PLAN**

The discussion in this proxy statement of the 2011 China Cord Blood Corporation Restricted Share Unit Scheme, or the Incentive Plan, is subject to, and is qualified in its entirety by reference to, the Incentive Plan. The full text of the Incentive Plan is attached hereto as Appendix A, which is incorporated by reference herein. Terms used but not defined in this description have the meaning given to them in the Incentive Plan.

**General Description of the Incentive Plan**

The purpose of the Incentive Plan is to attract skilled and experienced personnel, to incentivise them to remain with the Company and to motivate them to strive for the future development and expansion of the Company by providing them with the opportunity to own equity interests in the Company. The Incentive Plan shall be subject to the administration of the board whose decision as to all matters arising in relation to the Incentive Plan or its interpretation or effect shall (save as otherwise provided herein) be final and binding on all parties. The board shall have the right to (a) interpret and construe the provisions of the Incentive Plan, (b) determine the persons (if any) who will be granted awards pursuant to the Incentive Plan, the terms on which awards are granted, when the contingent right to receive shares (“RSU”) is granted pursuant to the Incentive Plan may vest and the number of Shares underlying the RSUs granted, (c) subject to terms of the Incentive Plan, make such adjustments to the terms of the awards granted pursuant to the Incentive Plan to the relevant grantee as the board deems necessary and shall notify the relevant grantee of such adjustment by written notice and (d) make such other decisions or determinations as it shall deem appropriate in relation to the awards and/or the administration of the Incentive Plan provided that the same are not inconsistent with the provisions of the Incentive Plan.

The Incentive Plan shall take effect on the date when it is adopted by a resolution of the shareholders of the Company (“Adoption Date”). Subject to other terms and condition set forth in the Incentive Plan, the Incentive Plan shall be valid and effective for a period of 10 years commencing on the Adoption Date (“Term”), after which period no further awards shall be offered or granted but the provisions of the Incentive Plan shall remain in full force and effect in all other respects. Awards granted during the life of the Incentive Plan shall continue to be valid in accordance with their terms of grant after the end of the Term. No member of the board shall be personally liable by reason of any contract or other instrument executed by such member or on his behalf in his capacity as a member of the board nor for any mistake of judgment made in good faith in relation to the administration or interpretation of the Incentive Plan, and the Company shall indemnify on demand and hold harmless each employee or officer of the Company or any director to whom any duty or power relating to the administration or interpretation of the Incentive Plan may be allocated or delegated, against any cost or expense (including legal fees) or liability (including any sum paid in settlement of a claim with the approval of the board) arising out of any act or omission to act in connection with the Incentive Plan unless arising out of such person’s own negligence, fraud or bad faith.

On and subject to the terms of the Incentive Plan, the board shall be entitled (but shall not be bound) at any time during the Term to make a grant to any participant, as the board may in its absolute discretion select. Awards may be granted on such terms as the board, at its absolute discretion, may determine, provided such terms shall not be inconsistent with any other terms and conditions of the Incentive Plan. Such terms may include, among other things, (a) a minimum period before an RSU will vest in whole or in part, (b) a performance target that must be reached before an RSU will vest in whole or in part and/or (c) any other terms, all of which may be imposed (or not imposed) either on a case-by-case basis or generally. A grant shall be made to a participant by a letter (“Notice of Grant”) in such form as the board may from time to time determine requiring the participant to undertake to hold the award on the terms on which it is to be granted and to be bound by the terms of the Incentive Plan and shall remain open for acceptance by the participant for such time to be determined by the board, provided that no such grant shall be open for acceptance after the expiry of the Term or after the Incentive Plan has been terminated in accordance with the terms of the Incentive Plan or after the participant to whom the grant is made has ceased to be an eligible recipient. No grant shall be made to any participant at a time when such participant would be prohibited from trading in the Shares pursuant to the Company’s guidelines regarding trading while in possession of material non-public information, unless the grant does not vest until such time as such prohibition would no longer be applicable to such participant. A grant is deemed to be accepted when the Company receives from the grantee the duplicate Notice of Grant duly signed by the grantee and a remittance of the sum of US\$1.00 or such other amount in any other currency as may be determined by the board as consideration for the grant of the award. Any grant to any director, chief executive or substantial shareholder of the Company, or any of their respective associates, shall be subject to the prior approval of the independent non-executive directors.

Subject to the terms of the Incentive Plan and the specific terms applicable to each award, an RSU shall vest on the vesting date in respect of all or such proportion of the Shares underlying the award. If the vesting of an RSU is subject to the satisfaction of performance or other conditions and such conditions are not satisfied, the RSU shall be cancelled automatically on the date on which such conditions are not satisfied. Notwithstanding the foregoing, if the Company or any grantee would or might be prohibited from dealing in the Shares by any applicable laws, regulations or rules within the period specified above, the date on which the relevant Shares shall be allotted and issued or transferred (as the case may be) to the grantee shall occur as soon as possible after the date when such dealing is permitted by any applicable laws, regulations or rules. A grantee shall not be entitled to any dividends or distributions in respect of any Shares underlying the RSUs granted until such Shares have been allotted and issued or transferred (as the case may be) to the grantee. Subject to the foregoing, the Shares to be allotted and issued or transferred (as the case may be) upon the vesting of the RSUs granted pursuant to the Incentive Plan shall be subject to all the provisions of the memorandum of association and bye-laws of the Company for the time being in force and shall rank *pari passu* in all respects with, and shall have the same voting, dividend, transfer and other rights (including those rights arising on a liquidation of the Company) as, the existing fully paid Shares in issue on the date on which those Shares are allotted and issued or transferred (as the case may be) upon the vesting of the RSUs granted and, without prejudice to the generality of the foregoing, shall entitle the holders to participate in all dividends or other distributions paid or made on or after the date on which Shares are allotted and issued or transferred (as the case may be), other than any dividends or distributions previously declared or recommended or resolved to be paid or made if the record date thereof shall be before the date on which the Shares are allotted and issued or transferred (as the case may be).

At any time during the Term, the maximum aggregate number of Shares that may underlie the RSUs granted pursuant to the Incentive Plan shall be calculated in accordance with the following formula:

$$X = A - B$$

where:

- X** = the maximum aggregate number of Shares that may underlie the RSUs granted pursuant to the Incentive Plan;
- A** = the scheme mandate limit which is 10% of the Shares in issue on the Adoption Date (“Scheme Mandate Limit”); and

**B** = the maximum aggregate number of Shares underlying the RSUs already granted pursuant to the Incentive Plan.

As of January 12, 2011, we had an aggregate of 75,406,875 shares outstanding. Assuming the same number of shares outstanding on the Adoption Date, the Scheme Mandate Limit will be 7,540,687.

Shares underlying the RSUs cancelled in accordance with the terms of the Incentive Plan will not be counted for the purposes of determining the maximum aggregate number of Shares that may underlie the RSUs granted pursuant to the Incentive Plan. The Scheme Mandate Limit may be renewed subject to prior shareholders' approval, but in any event, the total number of Shares that may underlie the RSUs granted following the date of approval of the renewed limit (the "New Approval Date") under the limit as renewed must not exceed 10 percent of the Shares in issue as at the New Approval Date. Shares underlying the RSUs granted pursuant to the Incentive Plan (including those outstanding, cancelled or vested RSUs) prior to the New Approval Date will not be counted for the purpose of determining the maximum aggregate number of Shares that may underlie the RSUs granted following the New Approval Date under the limit as renewed. For the avoidance of doubt, Shares issued prior to the New Approval Date pursuant to the vesting of RSUs granted pursuant to the Incentive Plan will be counted for the purpose of determining the number of Shares in issue as at the New Approval Date.

An award shall be personal to the grantee and shall not be assignable or transferable by the grantee, provided that (a) during the validity period of the award, the grantee may transfer RSUs to his family members by gift or pursuant to a court order relating to the settlement of marital property rights; and (b) following the grantee's death, RSUs may be transferred by will or by the laws of testacy and distribution. Subject to condition set forth in the Incentive Plan, a grantee shall not in any way sell, transfer, charge, mortgage, encumber or create any interests in favour of any third party over or in relation to any RSU.

An unvested RSU shall be cancelled automatically upon the earliest of: (a) the date of the termination of the grantee's employment or service by the Company or any of its subsidiaries for cause, (b) the date the grantee becomes an officer, director, employee, consultant, adviser, partner of, or a stockholder or other proprietor owning more than a 5 percent interest in, any competitor; or knowingly performs any act that may confer any competitive benefit or advantage upon any competitor; (c) the date on which the grantee commits a breach of according to the terms of the Incentive Plan; and (d) the date on which the condition(s) to vesting are not satisfied. The board shall have the right to determine what constitutes the cancelation. The board may at any time cancel any unvested RSUs granted to a grantee.

In the event of an alteration in the capital structure of the Company whilst any RSU has not vested by way of a capitalisation of profits or reserves, bonus issue, rights issue, open offer, subdivision or consolidation of shares or reduction of the share capital of the Company in accordance with legal requirements and requirements of the stock exchange (other than any alteration in the capital structure of the Company as a result of an issue of Shares as consideration in a transaction to which the Company or any of its subsidiaries is a party or in connection with any share option, restricted share or other equity incentive schemes of the Company), such corresponding adjustments (if any) shall be made to the number or nominal amount of Shares underlying the RSU so far as unvested, provided that any such adjustments give a grantee the same proportion of the share capital of the Company as that to which that grantee was previously entitled.

The RSUs do not carry any right to vote at general meetings of the Company, or any dividend, transfer or other rights (including those arising on the liquidation of the Company). No grantee shall enjoy any of the rights of a shareholder by virtue of the grant of an RSU pursuant to the Incentive Plan, unless and until the Shares underlying the RSU are actually allotted and issued or transferred (as the case may be) to the grantee upon the vesting of such RSU. Any disputes arising in connection with the Incentive Plan shall be referred to the decision of the auditors or the independent financial adviser to the Company (as the case may be) who shall act as experts and not as arbitrators and whose decision shall, in the absence of manifest error, be final and binding on the Company and the grantee.

Save as provided in the Incentive Plan, the board may alter any of the terms of the Incentive Plan at any time. The Company by ordinary resolution in general meeting or the board may at any time terminate the Incentive Plan and in such event, no further RSUs may be granted but in all other respects the provisions of the Incentive Plan shall remain in full force and effect in respect of RSUs which are granted during the life of the Incentive Plan and which remain unvested immediately prior to the termination of the operation of the Incentive Plan.

Any liability of a grantee to tax or social security contributions in respect of an award shall be for the account of the grantee. All allotments and issues and/or transfers of Shares will be subject to all necessary consents under any relevant legislation for the time being in force in the Cayman Islands and such other jurisdictions where a grantee is located, resident or employed. A grantee shall be responsible for obtaining any governmental or other official consent and going through any other governmental or other official procedures that may be required by any country or jurisdiction for the grant or vesting of his RSU. A grantee shall pay all tax and discharge all other liabilities to which he may become subject to as a result of his participation in the Incentive Plan or the vesting of any RSU. The Company or any of its subsidiaries may coordinate or assist a grantee in complying with such applicable requirements and taking any other actions as may be required by any applicable laws, regulations or rules, however, neither the Company nor any of its subsidiaries shall be responsible for any failure by a grantee to obtain any such consent or for any tax or other liability to which a grantee may become subject as a result of his participation in the Incentive Plan. A grantee shall, on demand, indemnify the Company in full against all claims and demands which may be made against the Company (whether alone or jointly with other party or parties) for or in respect of or in connection with any failure on the part of the grantee to obtain any necessary consent referred to above or to pay tax or other liabilities referred to above and against all incidental costs and expenses which may be incurred by the Company.

The board shall have the power from time to time to make or vary regulations for the administration and operation of the Incentive Plan, provided that the same are not inconsistent with the other provisions of the Incentive Plan. The board shall also have the power to delegate its powers to grant awards to participants to any of the directors or any duly authorised committee of the board from time to time.

The board shall be entitled to establish such arrangements as it deems reasonably necessary with respect to the mechanisms to implement the vesting of RSUs and the related registration, recordation and reporting matters to ensure that the grantees and the Company can comply with all applicable securities, foreign exchange and tax regulations of all relevant jurisdictions, including without limitation, the Cayman Islands. Each grantee shall authorise the Company to establish all necessary brokerage and other accounts on the grantee's behalf and shall provide to the Company such information as the board deems necessary in connection with the Company's and the grantee's compliance with the foregoing obligations. The Incentive Plan and all RSUs granted hereunder shall be governed by and construed in accordance with the laws of the Cayman Islands.

The Board shall have the right to (a) interpret and construe the provisions of this Scheme, (b) determine the persons (if any) who will be granted Awards pursuant to this Scheme, the terms on which Awards are granted, when the RSUs granted pursuant to this Scheme may vest and the number of Shares underlying the RSUs granted, (c) subject to **paragraphs 8 and 11**, make such adjustments to the terms of the Awards granted pursuant to this Scheme to the relevant Grantee as the Board deems necessary and shall notify the relevant Grantee of such adjustment by written notice and (d) make such other decisions or determinations as it shall deem appropriate in relation to the Awards and/or the administration of this Scheme provided that the same are not inconsistent with the provisions of this Scheme.

### **3. GRANT OF AWARDS**

3.1 On and subject to the terms of this Scheme, the Board shall be entitled (but shall not be bound) at any time during the Term to make a Grant to any Participant, as the Board may in its absolute discretion select.

3.2 Awards may be granted on such terms as the Board, at its absolute discretion, may determine, provided such terms shall not be inconsistent with any other terms and conditions of this Scheme. Such terms may include, among other things, (a) a minimum period before an RSU will vest in whole or in part, (b) a performance target that must be reached before an RSU will vest in whole or in part and/or (c) any other terms, all of which may be imposed (or not imposed) either on a case-by-case basis or generally.

3.3 A Grant shall be made to a Participant by a letter (the **Notice of Grant**) in such form as the Board may from time to time determine requiring the Participant to undertake to hold the Award on the terms on which it is to be granted and to be bound by the terms of this Scheme and shall remain open for acceptance by the Participant for such time to be determined by the Board, provided that no such Grant shall be open for acceptance after the expiry of the Term or after this Scheme has been terminated in accordance with the terms of this Scheme or after the Participant to whom the Grant is made has ceased to be a Participant.

3.4 No Grant shall be made to any Participant at a time when such Participant would be prohibited from trading in the Shares pursuant to the Company's guidelines regarding trading while in possession of material non-public information, unless the Grant does not vest until such time as such prohibition would no longer be applicable to such Participant.

3.5 A Grant is deemed to be accepted when the Company receives from the Grantee the duplicate Notice of Grant duly signed by the Grantee and a remittance of the sum of US\$1.00 or such other amount in any other currency as may be determined by the Board as consideration for the grant of the Award. Such remittance is not refundable in any circumstances.

3.6 Any Grant to any Director, chief executive or substantial shareholder of the Company, or any of their respective associates, shall be subject to the prior approval of the independent non-executive Directors (excluding the independent non-executive Director who is the proposed Grantee of the Awards in question).

#### 4. VESTING

4.1 Subject to the terms of this Scheme and the specific terms applicable to each Award, an RSU shall vest on the vesting date in respect of all or such proportion of the Shares underlying the Award. If the vesting of an RSU is subject to the satisfaction of performance or other conditions and such conditions are not satisfied, the RSU shall be cancelled automatically on the date on which such conditions are not satisfied.

RSUs which have vested shall be satisfied within 10 Business Days of the vesting date by the Company allotting and issuing the relevant number of Shares to the Grantee credited as fully paid and issuing to the Grantee (or his custodian agent) share certificates in respect of the Shares so allotted.

Notwithstanding the foregoing, if the Company or any Grantee would or might be prohibited from dealing in the Shares by any applicable laws, regulations or rules within the period specified above, the date on which the relevant Shares shall be allotted and issued or transferred (as the case may be) to the Grantee shall occur as soon as possible after the date when such dealing is permitted by any applicable laws, regulations or rules.

4.2 In the event a general offer by way of takeover or otherwise (other than by way of scheme of arrangement pursuant to **paragraph 4.3** below) is made to all the Shareholders (or all such Shareholders other than the offeror and/or any person controlled by the offeror and/or any person acting in association or concert with the offeror) and such offer becomes or is declared unconditional prior to the vesting date of any RSU, the Board shall, prior to the offer becoming or being declared unconditional, determine at its absolute discretion whether such RSU shall vest and the period within which such RSU shall vest. If the Board determines that such RSU shall vest, it shall notify the Grantee that the RSU shall vest and the period within which such RSU shall vest.

4.3 In the event a general offer for Shares by way of scheme of arrangement is made by any person to all the Shareholders and has been approved by the necessary number of Shareholders at the requisite meetings prior to the vesting date of any RSU, the Board shall, prior to such meetings, determine at its absolute discretion whether such RSU shall vest and the period within which such RSU shall vest. If the Board determines that such RSU shall vest, it shall notify the Grantee that the RSU shall vest and the period within which such RSU shall vest.

4.4 If, pursuant to the Companies Law, a compromise or arrangement between the Company and the Shareholders and/or the creditors of the Company is proposed for the purposes of or in connection with a scheme for the reconstruction of the Company or its amalgamation with any other company or companies prior to the vesting date of any RSU, the Board shall determine at its absolute discretion whether such RSU shall vest and the period within which such RSU shall vest. If the Board determines that such RSU shall vest, it shall notify the Grantee that the RSU shall vest and the period within which such RSU shall vest.

4.5 In the event a notice is given by the Company to the Shareholders to convene a general meeting for the purpose of considering and, if thought fit, approving a resolution to voluntarily wind-up the Company prior to the vesting date of any RSU, the Board shall determine at its absolute discretion whether such RSU shall vest and the period within which such RSU shall vest. If the Board determines that such RSU shall vest, it shall notify the Grantee that the RSU shall vest and the period within which such RSU shall vest.

4.6 A Grantee shall not be entitled to any dividends or distributions in respect of any Shares underlying the RSUs granted until such Shares have been allotted and issued or transferred (as the case may be) to the Grantee. Subject to the foregoing, the Shares to be allotted and issued or transferred (as the case may be) upon the vesting of the RSUs granted pursuant to this Scheme shall be subject to all the provisions of the memorandum of association and bye-laws of the Company for the time being in force and shall rank *pari passu* in all respects with, and shall have the same voting, dividend, transfer and other rights (including those rights arising on a liquidation of the Company) as, the existing fully paid Shares in issue on the date on which those Shares are allotted and issued or transferred (as the case may be) upon the vesting of the RSUs granted and, without prejudice to the generality of the foregoing, shall entitle the holders to participate in all dividends or other distributions paid or made on or after the date on which Shares are allotted and issued or transferred (as the case may be), other than any dividends or distributions previously declared or recommended or resolved to be paid or made if the record date thereof shall be before the date on which the Shares are allotted and issued or transferred (as the case may be).

## 5. MAXIMUM NUMBER OF SHARES UNDERLYING THE RSUs

5.1 At any time during the Term, the maximum aggregate number of Shares that may underlie the RSUs granted pursuant to this Scheme shall be calculated in accordance with the following formula:

$$X = A - B$$

where:

**X** = the maximum aggregate number of Shares that may underlie the RSUs granted pursuant to this Scheme;

**A** = the Scheme Mandate Limit; and

**B** = the maximum aggregate number of Shares underlying the RSUs already granted pursuant to this Scheme.

Shares underlying the RSUs cancelled in accordance with the terms of this Scheme will not be counted for the purposes of determining the maximum aggregate number of Shares that may underlie the RSUs granted pursuant to this Scheme.

5.2 The Scheme Mandate Limit may be renewed subject to prior Shareholders' approval, but in any event, the total number of Shares that may underlie the RSUs granted following the date of approval of the renewed limit (the ***New Approval Date***) under the limit as renewed must not exceed 10 per cent. of the Shares in issue as at the New Approval Date. Shares underlying the RSUs granted pursuant to this Scheme (including those outstanding, cancelled or vested RSUs) prior to the New Approval Date will not be counted for the purpose of determining the maximum aggregate number of Shares that may underlie the RSUs granted following the New Approval Date under the limit as renewed. For the avoidance of doubt, Shares issued prior to the New Approval Date pursuant to the vesting of RSUs granted pursuant to this Scheme will be counted for the purpose of determining the number of Shares in issue as at the New Approval Date.

## 6. TRANSFERABILITY

6.1 An Award shall be personal to the Grantee and shall not be assignable or transferable by the Grantee, provided that:

- (a) during the validity period of the Award, the Grantee may transfer RSUs to his Family Members by gift or pursuant to a court order relating to the settlement of marital property rights; and
- (b) subject to **paragraph 7.3** below, following the Grantee's death, RSUs may be transferred by will or by the laws of testacy and distribution.

The terms of this Scheme and the Notice of Grant shall be binding upon the executors, administrators, legal personal representatives, heirs, successors and permitted assigns and transferees of the Grantee.

6.2 Subject to **paragraph 6.1**, a Grantee shall not in any way sell, transfer, charge, mortgage, encumber or create any interests in favour of any third party over or in relation to any RSU.

## 7. CANCELLATION

7.1 An unvested RSU shall be cancelled automatically upon the earliest of:

- (a) the date of the termination of the Grantee's employment or service by the Company or any of its Subsidiaries for Cause;
- (b) the date the Grantee:
  - (i) becomes an officer, director, employee, consultant, adviser, partner of, or a stockholder or other proprietor owning more than a 5 per cent. interest in, any Competitor; or
  - (ii) knowingly performs any act that may confer any competitive benefit or advantage upon any Competitor;
- (c) the date on which the Grantee commits a breach of **paragraph 6**; and
- (d) the date on which the condition(s) to vesting are not satisfied.

7.2 The Board shall have the right to determine what constitutes Cause, whether the Grantee's employment has been terminated for Cause, the effective date of such termination for Cause and whether someone is a Competitor, and such determination by the Board shall be final and conclusive.

7.3 If the Grantee's employment or service with the Company or any of its Subsidiaries is terminated for any reason other than for Cause (including by reason of resignation, retirement, death, Disability or non-renewal of the employment or service agreement upon its expiration for any reason other than for Cause), the Board shall determine at its absolute discretion and shall notify the Grantee whether any unvested RSU granted to such Grantee shall vest and the period within which such RSU shall vest. If the Board determines that such RSU shall not vest, such RSU shall be cancelled automatically with effect from the date on which the Grantee's employment or service is terminated.

7.4 The Board may at any time cancel any unvested RSUs granted to a Grantee. Where the Company cancels unvested RSUs and makes a Grant of new RSUs to the same Grantee, such Grant may only be made with available RSUs to the extent not yet granted (excluding the cancelled RSUs) within the limits prescribed by **paragraph 5**.

## **8. REORGANISATION OF CAPITAL STRUCTURE**

8.1 In the event of an alteration in the capital structure of the Company whilst any RSU has not vested by way of a capitalisation of profits or reserves, bonus issue, rights issue, open offer, subdivision or consolidation of shares or reduction of the share capital of the Company in accordance with legal requirements and requirements of the Stock Exchange (other than any alteration in the capital structure of the Company as a result of an issue of Shares as consideration in a transaction to which the Company or any of its subsidiaries is a party or in connection with any share option, restricted share or other equity incentive schemes of the Company), such corresponding adjustments (if any) shall be made to the number or nominal amount of Shares underlying the RSU so far as unvested, provided that any such adjustments give a Grantee the same proportion of the share capital of the Company as that to which that Grantee was previously entitled.

## **9. SHARE CAPITAL**

9.1 The RSUs do not carry any right to vote at general meetings of the Company, or any dividend, transfer or other rights (including those arising on the liquidation of the Company).

9.2 No Grantee shall enjoy any of the rights of a Shareholder by virtue of the grant of an RSU pursuant to this Scheme, unless and until the Shares underlying the RSU are actually allotted and issued or transferred (as the case may be) to the Grantee upon the vesting of such RSU.

## **10. DISPUTES**

10.1 Any disputes arising in connection with this Scheme shall be referred to the decision of the Auditors or the independent financial adviser to the Company (as the case may be) who shall act as experts and not as arbitrators and whose decision shall, in the absence of manifest error, be final and binding on the Company and the Grantee. The costs of the Auditors or the independent financial adviser to the Company (as the case may be) shall be shared equally between the Company and the relevant Grantee.

## **11. ALTERATION OF THIS SCHEME**

11.1 Save as provided in this Scheme, the Board may alter any of the terms of this Scheme at any time.

## **12. TERMINATION**

12.1 The Company by ordinary resolution in general meeting or the Board may at any time terminate this Scheme and in such event, no further RSUs may be granted but in all other respects the provisions of this Scheme shall remain in full force and effect in respect of RSUs which are granted during the life of this Scheme and which remain unvested immediately prior to the termination of the operation of this Scheme.

## **13. MISCELLANEOUS**

13.4 Any notice or other communication served by post:

13.5 Any liability of a Grantee to tax or social security contributions in respect of an Award shall be for the account of the Grantee.

A Grantee shall be responsible for obtaining any governmental or other official consent and going through any other governmental or other official procedures that may be required by any country or jurisdiction for the grant or vesting of his RSU. A Grantee shall pay all tax and discharge all other liabilities to which he may become subject to as a result of his participation in this Scheme or the vesting of any RSU. The Company or any of its Subsidiaries may coordinate or assist a Grantee in complying with such applicable requirements and taking any other actions as may be required by any applicable laws, regulations or rules, however, neither the Company nor any of its Subsidiaries shall be responsible for any failure by a Grantee to obtain any such consent or for any tax or other liability to which a Grantee may become subject as a result of his participation in this Scheme. A Grantee shall, on demand, indemnify the Company in full against all claims and demands which may be made against the Company (whether alone or jointly with other party or parties) for or in respect of or in connection with any failure on the part of the Grantee to obtain any necessary consent referred to above or to pay tax or other liabilities referred to above and against all incidental costs and expenses which may be incurred by the Company.

13.7 The Board shall have the power from time to time to make or vary regulations for the administration and operation of this Scheme, provided that the same are not inconsistent with the other provisions of this Scheme. The Board shall also have the power to delegate its powers to grant Awards to Participants to any of the Directors or any duly authorised committee of the Board from time to time.

13.8 This Scheme shall not form part of any contract of employment or engagement of services between the Company or any of its Subsidiaries and any Participant and the rights and obligations of any Participant under the terms of his office, employment or engagement in services shall not be affected by the participation of the Participant in this Scheme or any right which he may have to participate in it and this Scheme shall afford such Participant no additional rights to compensation or damages in consequence of the termination (howsoever caused) of such office, employment or engagement for any reason (whether lawful or unlawful).

13.9 The Board shall be entitled to establish such arrangements as it deems reasonably necessary with respect to the mechanisms to implement the vesting of RSUs and the related registration, recordation and reporting matters to ensure that the Grantees and the Company can comply with all applicable securities, foreign exchange and tax regulations of all relevant jurisdictions, including without limitation, the Cayman Islands. Each Grantee shall authorise the Company to establish all necessary brokerage and other accounts on the Grantee's behalf and shall provide to the Company such information as the Board deems necessary in connection with the Company's and the Grantee's compliance with the foregoing obligations.

13.10 This Scheme and all RSUs granted hereunder shall be governed by and construed in accordance with the laws of the Cayman Islands.
