

Clearwire Internet Phone Service Features

Clearwire Internet Phone Service is a great alternative to the local phone and cable companies. Providing unlimited local and long-distance calling in the U.S., Canada and Puerto Rico, the service comes with all the features that customers expect and an array of advanced capabilities that can be accessed and managed from any web browser

Basic Features

- ☐ Caller ID
- ☐ Call Waiting
- ☐ Call Forwarding
- ☐ 3-Way Calling
- ☐ Voicemail
- ☐ e911¹ Compliance

Advanced Features

- ☐ **Advanced Voice Mail** Receive voice mails in an email account.
- ☐ **Advanced Call Forwarding** Forward calls by time of day, day of week, caller type and number. Choose to simultaneously ring multiple phones or single number to locate user no matter where they are.
- ☐ **Call Screening** Call Screening is available by call type or telephone number.
- ☐ **Caller ID Block** Block outgoing caller ID with *67.
- ☐ **Visual Call Waiting** Show the caller's number even when the phone is being used. Service requires a compatible display phone.
- ☐ **Do Not Disturb** Set a specific time or create a schedule where all incoming calls are automatically sent to voicemail.
- ☐ **Call Blocking** Block any calls to numbers outside of North America.
- ☐ **Secondary Numbers** Add up to 16 phone numbers to the phone line. The monthly rate for a Clearwire secondary number is only \$9.99.
- ☐ **Keep the Same Number²** Transfer current number to Clearwire. Available in select Clearwire markets.

¹ VoIP 911 is different than traditional 911; availability may be delayed or disrupted by power failures, unavailability of broadband connections or delays in moving or establishing your phone number or address; details at Clearwire.com/911.

² Transferring your phone number to Clearwire should complete within 10 days; in some cases, it may take up to 30 days. During the transfer process, we will provide a temporary number. You can begin using all of the features of your phone service immediately. You can track the progress of your request anytime from your My Account page.
