

Clearwire Markets

Clearwire Corporation (NASDAQ:CLWR) offers a robust suite of advanced high-speed Internet services to consumers and businesses. The company is building the first, nationwide 4G mobile Internet wireless network, bringing together an unprecedented combination of speed and mobility. Clearwire's open all-IP network, combined with significant spectrum holdings, provides unmatched network capacity to deliver next-generation broadband access.

Mobile WiMAX Markets

Clearwire currently provides mobile WiMAX-based service, to be branded Clear™, in Baltimore, Md., and Portland, Ore.
