(1) INFORMATION WITH RESPECT TO CERTAIN SECURITIES

(A) Subordinated Debt Warrants:

Each Subordinated Debt Warrant entitles the holder thereof to three shares (each share a "Share") of Telenet Group Holding NV ("Telenet Group Holding") upon payment of an exercise price of €40. Alternatively, holders may opt for a "cashless" exercise of the Subordinated Debt Warrants. In such a case, they will be entitled to acquire a reduced number of Shares, using the value of their warrants (measured by the market value of the Shares at the time of exercise less the exercise price of the warrants) to acquire Shares at their market value. Transfers of the Subordinated Debt Warrants are subject to the same restrictions on transfers applicable to Shares under the Syndicate Agreement (as defined below). The Shares obtained by Syndicate Shareholders (other than Evercore, CDPQ and MLPE) upon exercise of the warrants are subject to the terms of the Syndicate Agreement, including the restrictions on transfers. The warrants can be exercised at any time during the exercise period ending on August 9, 2009.

(B) Profit Certificate Options

Telenet Group Holding adopted employee plans pursuant to which 1,500,000 rights have been issued (the "Class A Options") which entitle the holders thereof to subscribe for Class A profit certificates of Telenet Group Holding (the "Class A Profit Certificates"), respectively 1,083,000 rights have been issued (the "Class B Options") to subscribe for Class B profit certificates of Telenet Group Holding (the "Class B Profit Certificates"). The Class A and the Class B Options must be exercised in multiples of three, giving the right to acquire three Class A Profit Certificates against payment of €20 or three Class B Profit Certificates for €25. The HRO Committee of Telenet Group Holding determines the vesting scheme of the options at the time of grant. The HRO Committee can decide that a certain percentage of the options or, in certain circumstances, all of the options, will immediately vest and become exercisable. The portion of the options that does not immediately vest will generally vest in equal installments over a period of time following the grant, being 36 equal installments in the case of Class A Options and 48 equal installments in the case of Class B Options. In accordance with the terms of the grants, the Board of Directors of Telenet Group Holding decided at its September 2, 2005 meeting, on the advice of the HRO Committee, to accelerate vesting of a portion of the Class B Options, bringing the vesting date forward to September 22, 2005 for 122,076 of the Class B Options that had not yet vested. The Class A Options vesting scheme may be accelerated in the case of an initial public offering or a change of control. The exercise period for the Class A and the Class B Options ends on June 15, 2009 and December 22, 2009, respectively.

The Class A and the Class B Profit Certificates obtained following exercise of the options do not represent the share capital of Telenet Group Holding and do not carry voting rights or give right to attend the general shareholders' meeting, except in certain limited circumstances provided by the Belgian Company Code. The certificates give a right to dividend, if any, and any other distribution on equal footing with other Telenet Group Holding Shares as from the year of exercise of the Class A or B Option.

Holders of Class A and B Profit Certificates are entitled to convert their Class A and Class B Profit Certificates into Shares of Telenet Group Holding as from the fifth month following exercise of the relevant Class A or Class B Options. Each certificate gives right to one Share.

(C) BCI Call Options

The options (the "BCI Call Options") can be exercised at €25 and €20 per option, each giving the right to acquire one Share. The BCI Call Options are subject to three different exercise periods:

- (i) an initial option period ending on August 9, 2007 and allowing BCI to acquire up to 10,093,041

Shares (the “Initial Period Options”), (ii) an extended option period expiring on August 9, 2009 and covering up to 8,575,785 Shares (the “Extended Period Options”) and (iii) a new option period covering up to 6,750,000 Shares (the “New Period Options”). The exercise period for the New Option Period Shares expires on the earlier of (i) August 9, 2009, (ii) 18 months after the Shares have traded at or above €20 for 30 consecutive days, (iii) 18 months after a trade sale or a transaction or series of related transactions directly or indirectly consisting in the transfer of 15% of the outstanding Shares to a person at a consideration at or above €20 per Share, or (iv) 15 days after a trade sale as a result of which a person and its affiliates would own more than 50% of the outstanding Shares.

The options can be exercised at any time prior to expiration of the relevant period. BCI may elect to exercise options falling under either of the three categories, either jointly or separately. In the case of partial exercises that do not solely relate to New Period Options, however, certain provisions specify the proportions according to which the exercises must be allocated among the three categories of options. One of the provisions requires that if the options are exercised during the exercise period of the Initial Option Period ending on August 9, 2007, the options must be exercised in the same proportion to, on the one hand, the Initial Option Period Options and the Extended Option Period Options, and on the other hand, the New Option Period Options, unless solely the New Option Period Options are exercised. The option agreement stipulates that the underlying Shares can only be transferred in accordance with the transfer restrictions set forth in the Syndicate Agreement.

On November 13, 2006, BCI exercised the New Period Options. As a result thereof, no New Period Options remain outstanding as per November 13, 2006.

In the tables shown in the next sections, negative Share numbers listed in connection with the BCI Call Options reflect, for information purposes only, the number of Shares that are subject to the option, whereas positive Share numbers reflect the number of Shares that can be acquired upon exercise of the options. For the avoidance of doubt, unless indicated otherwise, negative Share numbers reflecting Shares to be disposed of upon exercise of the options are not included in the total of financial instruments held by a party or a group of parties.

(D) Interkabel Call Option

The call option could be exercised in certain circumstances, including in the event of an initial public offering. The exercise price is €100 for three Shares and the options expired on March 30, 2006.

In the tables shown in the next sections with respect to the previous Transparency Declaration, negative Share numbers listed in connection with the Interkabel Call Options reflect, for information purposes only, the number of Shares that were subject to the options, whereas positive Share numbers reflect the number of Shares that could be acquired upon exercise of the options. For the avoidance of doubt, unless indicated otherwise, negative Share numbers reflecting Shares to be disposed of upon exercise of the options are not included in the total of financial instruments held by a party or a group of parties.

(E) Penny Warrant Share Options

Certain Syndicate Shareholders (as defined below) hold options in relation to 563,286 Shares (the “Penny Warrants Shares”). The exercise price of the options is €25 per option, the exercise period expires on November 30, 2006 and each option gives the right to acquire one Share.

In the tables shown in the next sections, negative Share numbers listed in connection with the Penny Warrant Share Options reflect, for information purposes only, the number of Shares that are

subject to the options, whereas positive Share numbers reflect the number of Shares that can be acquired upon exercise of the options. For the avoidance of doubt, unless indicated otherwise, negative Share numbers reflecting Shares to be disposed of upon exercise of the options are not included in the total of financial instruments held by a party or a group of parties.

(F) Employee Offering

In connection with the initial public offering of Shares by Telenet Group Holding with listing of Shares on the Eurolist by Euronext of Euronext Brussels in 2005 (the "IPO"), Telenet Group Holding carried out an Employee Offering. Further reference is made to the prospectus prepared by Telenet Group Holding in connection with the IPO (the "Prospectus"). The first tranche of the Employee Offering was closed, and 14,269 new shares were issued.

On May 26, 2006, the extraordinary general shareholders' meeting of Telenet Group Holding approved a new capital increase for a maximum amount of €22,000,000.00, with the issuance of new shares. In the context of this capital increase, the preferential subscription right of the existing shareholders was cancelled. The new shares can be offered to members of the personnel of Telenet Group Holding and its subsidiaries. The capital increase and the issuance of the new shares has not yet been completed.

5. Additional information to be provided if the number of securities held is equal to or greater than 20 % (see Article 8, § 1, paragraph 3, of the Royal Decree of 10 May 1989)

a. Description of the overall strategy in the course of which the acquisition or sale is made:

(a) **Syndicate Agreement**

The Mixed Intercommunales (“MICs”), Interkabel Vlaanderen CVBA (“Interkabel”), GIMV, the Financial Consortium and Electrabel NV (together, the “Belgian Shareholders”) and the Liberty Global Consortium (together with the Belgian Shareholders, the “Syndicate Shareholders”) entered into a Syndicate Agreement (the “Syndicate Agreement”). The Syndicate Agreement sets forth provisions that govern the business purpose of the Telenet group, the composition of the Boards of Directors of the respective companies of the Telenet group and special voting majorities in respect of certain decisions of the Boards of Directors, including in respect of acquisitions, affiliate transactions, incurrence of debt, changes to the budget and the appointment of the Chief Executive Officer of the Telenet group. The Syndicate Agreement also contains certain voting rights and majority requirements for shareholders’ votes, restricts the transferability of the Shares that are held by the Syndicate Shareholders and includes rights of first offer and a right for Syndicate Shareholders to join in the case of any sales to third parties that would acquire a majority of the Shares. Furthermore, the agreement protects the Syndicate Shareholders against dilution. In particular, it contains restrictions on increases of the share capital of Telenet Group Holding and provides that, in circumstances where the Belgian Company Code does not grant existing shareholders preferential rights, the Syndicate Shareholders will not vote in favor of such capital increase unless they are given the ability to subscribe for Shares so as to enable them to maintain their stake. For further information with respect to the foregoing, reference is made to the Prospectus that has been prepared by Telenet Group Holding in connection with its IPO in 2005. As a result of the Syndicate Shareholders having entered into a Syndicate Agreement, the Syndicate Shareholders could be considered as parties acting in concert.

(b) Liberty Global Consortium

The members of the Liberty Global Consortium have entered into a separate shareholders’ agreement containing certain arrangements between the members of the Liberty Global Consortium relating to the shares and warrants held in Telenet Group Holding. The Shares that are directly owned by Evercore are subject to the same voting, transfer and other restrictions as the Shares that are held by Investco Belgian Cable 1 and Investco Belgian Cable 2 pursuant to internal arrangements among the Liberty Global Consortium members. As a result of the Liberty Global Consortium members having entered into such separate shareholders’ agreement, the Liberty Global Consortium members could be considered as parties acting in concert.

(c) The present transparency declaration

The present transparency declaration is filed, as far as needed, as a result of the exercise by BCI of BCI Call Options on, and the acquisition by BCI of, 6,750,000 New Option Period Shares held by the Mixed Intercommunales effective November 13, 2007 (the “Acquisition”). The Acquisition took place within the framework of the option agreement described in section (1), (C) (starting on page 7 of this declaration). The Acquisition results in the Liberty Global Consortium owning a majority of the shares in the Syndicate, which provides the Liberty Global Consortium with sufficient governance rights such that Liberty Global will be consolidating Telenet Group Holding for financial reporting purposes. In addition, for as long as the Liberty Global Consortium has the majority of the shares in the Syndicate, it is entitled to nominate the majority of the board of directors of Telenet Group Holding. The rationale of the acquisition was to enhance the value of the existing investment of the Liberty Global Consortium in Telenet Group Holding.
