**Cautionary Statement on Forward-Looking Statements**

Certain statements in Item 1. Business and Item 7. Management’s Discussion and Analysis of Financial Condition and Results of Operations may contain forward-looking statements that involve risks and uncertainties that could cause actual results to differ materially from those projected in the forward-looking statements. The words “anticipate”, “believe”, “estimate”, “expect”, “objective”, and “think” or similar expressions are intended to identify forward-looking statements. The forward-looking statements are based on the Company’s current views and assumptions and involve risks and uncertainties that include, among other things, the effects of weather on the purchasing patterns of the Company’s customers and end use purchasers of the Company’s engines; the seasonal nature of the Company’s business; actions of competitors; changes in laws and regulations, including accounting standards; employee relations; customer demand; prices of purchased raw materials and parts; domestic economic conditions, including housing starts and changes in consumer disposable income; foreign economic conditions, including currency rate fluctuations and other factors that may be disclosed from time to time in our SEC filings or otherwise. Some or all of the factors may be beyond the Company’s control.
