

To the shareholders of
Friedman, Billings, Ramsey Group, Inc.:

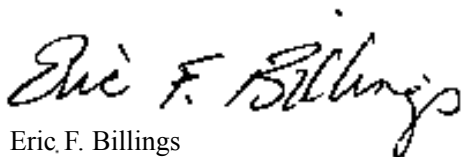

FBR has established the Investors Choice Dividend Reinvestment & Direct Stock Purchase and Sale Plan (the "Plan") for the convenience of our shareholders. Our purpose in providing the Plan is to promote long-term investment in FBR stock.

The Plan offers an affordable alternative for buying and selling common stock of FBR. If you participate in the Plan, you may also reinvest your cash dividends and make periodic supplemental cash payments to purchase additional shares. FBR shares that are held in the Plan may be sold directly without the issuance of physical certificates or the involvement of a broker. The shares represented by stock certificates that you currently hold at home may be deposited directly into the Plan for safekeeping or sale. You may also withdraw or transfer all or a portion of your shares held in the Plan at any time. There are small fees associated with certain features of the Plan, which fees are outlined within this booklet.

This booklet provides you with a summary and the complete details of the Plan. If you have additional questions after reading through this material, please contact the Plan Administrator:

Plan Account

- When you enroll in the Plan, an account will be opened in your name and shares purchased will be held by the Plan Administrator in book-entry

form. You will receive periodic statements instead of stock certificates. You may request stock certificates for shares held by the Plan Administrator in your account at any time, upon request and without charge.

Dividends

- You are able to reinvest dividends to purchase additional shares of FBR common stock. You may reinvest all your dividends or a portion thereof, or you may elect to receive cash dividends without reinvesting. The dividends on all shares held by the Plan Administrator will be reinvested unless you elect the Cash Payments Only box on the Application Form. The fee for dividend reinvestment is 2% of the dividend to a maximum of \$2.50, and \$.10 per share brokerage commission. Both will be automatically deducted from your account before additional shares are purchased on the open market.

Additional Purchases

- You may desire to purchase additional shares of FBR common stock through the Plan. You may buy from \$25 up to \$10,000 of stock per transaction and as often as daily. Purchases may be made by mailing a check or money order to the Plan Administrator. You are also allowed to make automatic monthly purchases for a constant dollar value by instructing the Plan Administrator to electronically debit and transfer funds from your bank. There is a \$2.50 transaction fee for each purchase as well as brokerage commission of \$.10 per share.

Selling shares from your account

- You may instruct the Plan Administrator to sell shares held in your Plan account at any time. Shares will be sold at the then-current market price. A transaction fee of \$15 plus brokerage commission of \$.10 per share will be automatically deducted from your proceeds when your payment check is mailed.

Safekeeping of certificates

- You may mail your FBR stock certificates to the Plan Administrator at any time for deposit to your Plan account. The shares will be maintained in book-entry form and held in your Plan account. You may request stock

certificates at any time for some or all of the shares held in your Plan account. There is a fee of \$7.50 for depositing your certificates, unless you instruct the Administrator to sell the shares, in which case only the sales fee will be applied.

Transferring shares

- You may transfer or provide a stock gift to another person at any time and without charge. Individual accounts will be set up for reinvestment of all cash dividends unless the Plan Administrator is instructed to pay dividends in cash.

Statements and forms

- Each participant who elects to reinvest some or all of his or her dividends will receive a quarterly statement that reflects all investment activity and all dividends applied toward reinvestment. Each time a purchase is made for you, you will also receive a confirmation advice reflecting your purchase price and the number of shares purchased for you. **Each confirmation will contain a tear-off stub that can be used for any future Plan transactions you may desire.** The Plan Administrator's automated telephone system and internet site can also accept your transaction instructions more conveniently and quickly than instructions sent by mail.

HOW THE PLAN WORKS

1. How to get started and enroll:

- To make an investment online, log on to WWW.AMSTOCK.COM and choose FBR. Then select "Invest Now" and follow the step-by-step instructions, which will guide you through the six-step process. Upon completion, you will receive an e-mail confirming receipt of your transaction, and within two business days you will receive an email confirming the number of shares purchased and their price.
- To invest by mail, simply fill out an Enrollment Application, which can be obtained by calling 1-877-366-6439 (toll free).
- If you own FBR common stock and it is held at a broker, bank, or trust company in a name other than yours, request that entity to transfer at least one share of stock into your name. If you do not wish to transfer shares into your name, you can still enroll and buy shares as instructed in "b" above but will be subject to a \$250 minimum initial purchase.

2. How to purchase additional shares:

- You can easily purchase additional shares of FBR common stock at any time by making optional cash payments. Your optional cash payments, less applicable service charges and

brokerage commissions, are used to purchase shares of FBR common stock in the open market for your account. Every effort will be made to effect purchases daily; however the Plan Administrator may, at its discretion, invest funds up to, but not more than, five trading days after receipt. No interest will be paid to investors on cash payments pending investment.

- You can make an optional cash investment when joining the Plan by enclosing a check or money order with your Enrollment Application. Thereafter, optional cash payments should be mailed with the tear-off portion of your account statement or the purchase transaction advice mailed to you after a purchase is completed by the Plan Administrator. To make an investment online, log on to WWW.AMSTOCK.COM and select "American Stock Transfer Account Holders". Enter your ten digit account number (as provided to you in your account statement) and the last four digits of your social security number. You may then complete your optional cash investment confirmation in two simple steps.
- For first-time investors (those without shares held in their own name) the minimum initial investment is \$250. For existing investors who have shares already registered in their name, the minimum investment is \$25. The maximum investment for any investors is \$10,000 per investment.
- New investors may call the Plan Administrator for an Enrollment Application to accompany their initial investment. The Plan may also be downloaded from the Plan Administrator's internet site and mailed or transmitted to the Plan Administrator directly on the internet.
- On the enrollment application you may authorize the Plan Administrator to make monthly purchases of a specified dollar amount, automatically withdrawn from your bank account by electronic funds transfer. You may also sign up for monthly electronic funds transfer by accessing the Plan Administrator's internet site WWW.AMSTOCK.COM and following the simple instructions for a faster way to invest. Funds will be withdrawn from your bank account on the 10th day of each month (or the next following day if the 10th is not a business day). All purchases will apply the total

funds toward shares as both full shares and fractional shares to three decimal places will be credited to your Plan account. To terminate monthly purchases by automatic withdrawal, you must send the Plan Administrator written, signed instructions.

- **If a check submitted is returned to the Plan Administrator as “unpaid” for any reason, the Plan Administrator will resell the shares just purchased and liquidate additional shares, if necessary, to reimburse itself for any fees or loss incurred when reselling the shares from your account.**

3. Must I reinvest dividends?

- No. Dividend Reinvestment is a service offered by the Plan for the lesser of 2% or \$2.50 each time you are paid a dividend. When you enroll in the Plan by filling out the Enrollment Application, you indicate whether you want the dividends on your shares reinvested. If you do not indicate a preference, dividends on all your shares will be reinvested in additional shares of FBR stock on the dividend payment date.
- If you choose to receive cash dividends on all your shares, your cash dividend can be directly deposited to your bank account. In order to take advantage of this option, your bank or financial institution must be a part of Automated Clearing House ("ACH"). If you are interested in this option please call (800) 278-4353 and request a form for Direct Deposit of Dividends.

4. How are my shares purchased?

- The Plan Administrator will apply net dividend funds or cash payments from all participants and co-mingle them to purchase shares in the open market. The price per share cannot be determined prior to the purchase. Purchases with dividend funds will be made beginning on the dividend payment date; with optional cash payments, purchases are made at least once a week. Purchases may be made as often as daily, depending on investment volume, at the discretion of the Plan Administrator.

5. What is the price I will pay for shares?

- Since the Plan Administrator buys your shares in the open market, the share price will be the average of all shares purchased for that invest-

ment. The share price has the same treatment whether purchasing for initial investors, purchasing for current investors who send optional cash payments, or for participant funds for the reinvestment of dividends.

6. How do I keep track of transactions in my account?

- The Plan Administrator will mail you quarterly statements after each reinvestment of dividends reflecting your account balance and all activity for the year. In addition, an advice will be mailed to serve as confirmation of any cash purchase. You may utilize the tear-off stub to initiate transactions by mail if you prefer.
- You may view your transaction history online by logging into your account. Details available online include share price, commission paid, and transaction type and date.
- You may also call the Plan Administrator by dialing 1-877-366-6439 (toll free) and following the instruction of the automated telephone system. You can also speak to a customer service representative by calling the same number during normal business hours Eastern Time. **Be sure to keep the Plan account statements for your permanent records.**

7. What is “safekeeping of certificates”?

- If you already own shares of FBR in stock certificate form, you may elect to deposit the shares represented by those stock certificates into your Plan account for safekeeping with the Plan Administrator. The Plan Administrator will credit these shares to your Plan account in book-entry form. You may later request issuance of a certificate from the Plan Administrator at any time.
- To deposit shares with the Plan Administrator, send the stock certificates via registered mail and insure for 2% of the total value of the shares to protect against loss in transit. You must include a check for \$7.50 payable to American Stock Transfer & Trust Company each time you send shares for deposit.
- The fee of \$7.50 for this service will be waived if you have elected to deposit your shares and sell them at the same time through the Plan. If you are not already enrolled in the Plan, complete and sign an Enrollment Application to accompany the certificates to be deposited for safekeeping in the Plan.

8. How do I withdraw stock that is in my Plan account?

- You may request that the Plan Administrator issue a certificate for some or all of the whole shares held in your Plan account in one of three ways:
 - a. **Go to WWW.AMSTOCK.COM and log into your account.**
 - b. **Call toll-free 1-877-366-6439 to access the Administrator's automated telephone system with your withdrawal order.**
 - c. **Complete and sign the tear-off portion of your account statement or purchase confirmation and mail the instructions to the Plan Administrator.**
- The Plan Administrator will issue a certificate in the exact registration shown on your Plan statement unless otherwise instructed. Certificates will be sent by first class mail, generally within a few days after receiving your request. There is no charge for this service.

9. How do I transfer shares to another person?

- Transfers can be made in book-entry form or a certificate can be issued and sent to the new owner by first class mail. You can transfer to a person who already has a Plan account, or you can set up a new Plan account if the person does not have one. Follow the steps below to complete your transaction.
- Call the Plan Administrator to request a Plan brochure and Enrollment Application. Complete the form, providing the full registration name, address and social security number of the new participant.
- Send the completed Enrollment Application along with a written request indicating the number of shares (full and fractional if any) which should be transferred to the new participant. All individuals in the current Plan account must sign the instructions, and the signatures must be guaranteed by a bank, broker or financial institution that is a member of a Medallion Signature Guarantee Program.

10. Can I sell shares in my account?

- You may instruct the Plan Administrator to sell any or all shares held in your Plan account in one of three ways:
 - a. **Go to WWW.AMSTOCK.COM and log**

into your account.

- b. **Call toll-free 1-877-366-6439 to access the Administrator's automated telephone system with your sales order.**
 - c. **Complete and sign the tear-off portion of your account statement or purchase confirmation and mail the instructions to the Plan Administrator.**
- If there is more than one individual owner on the Plan account, all participants must sign the tear-off portion of the account statement or purchase confirmation.
 - As with purchases, the Plan Administrator aggregates all requests to sell shares and then sells the total share amount on the open market through a broker. Sales will be made no less than once a week and may be made as often as daily at the discretion of the Plan Administrator. The selling price will not be known until the sale is completed. The proceeds of the sale, less an administrative fee of \$15 and brokerage commission of \$.10 per share will be sent to you by check within four days following the sale.
 - Participants should be aware that the price may fluctuate during the period between a request for sale, its receipt by the Plan Administrator and the ultimate sale on the open market. Instructions sent to the Plan Administrator may not be rescinded.

11. How do I close my account?

- **You may withdraw from the Plan at any time using the tear-off stub at the bottom of your statement.** Upon termination, a certificate for the full shares held in your Plan account will be issued and any fractional share held in the Plan account will be sold. You will receive a check for the net proceeds less a service fee of \$15 and \$.10 per share brokerage commission from the sale of any fractional share. If the stock sold is insufficient to cover the processing fee of \$15, a check will not be issued nor will you be billed for any additional fees.
- Alternatively, you may direct the Plan Administrator to sell any or all of the shares in your account. Follow the sales procedure outlined in item 10 above and the Plan Administrator will mail you a check for the net proceeds along with Form 1099B for income tax purposes.
- After your account is closed, dividends on any shares of FBR you hold in stock certificate

form will be sent to you at the address you provide, or automatically deposited in your bank account in accordance with your instructions.
