Sabre Employees to Volunteer Thousands of Hours to Focus on the Environment, Children and City Needs

Photo Opportunity: Dallas, Grapevine, Colleyville and Southlake locations

SOUTHLAKE, Texas, Sept. 11, 2007 – Starting Tuesday, Sept. 11, employees of Southlake-based Sabre Holdings, parent company of Sabre Travel Network, Sabre Airline Solutions and Travelocity, will volunteer more than 3,000 hours to the Dallas/Fort Worth area during a week-long Sabre “Give Time Together” volunteer program. Sabre’s Southlake employees will be joining *volunteer* hands with their colleagues around the world in over 35 countries. Last year 1,500 employees in 35 countries volunteered at 130 projects and Sabre hopes to top that level of participation this year.

Volunteer activities in the Dallas/Fort Worth area include, widening the Sensory Trail for Apache’s Angels to benefit children and adults with physical challenges who ride horses as part of therapy; working with a horticulturist to spruce up Discovery Gardens in Fair Park, playing with children at Scottish Rite Hospital and cleaning up Lake Grapevine, which needs special attention as recent flooding has left behind debris.

Sabre Holdings has joined together, by contributing both time, and in some cases project supply grants, with the following non-profit organizations to help improve the Dallas/Fort Worth area:

The Scottish Rite Hospital of Dallas, Stadjuhar Stables’ Apache’s Angels Foundation in Colleyville, Dallas Discovery Gardens, Friends of Fair Park’s Magnolia Lounge, and many others, along with the cities of Southlake, Grapevine and Dallas, which will all benefit from the Sabre employee-organized projects.

About Sabre Holdings Community Involvement

Employees can spend up to six hours per quarter volunteering on company time, and this is just the beginning of how Sabre demonstrates its commitment to community giving. Just last month, 86 executive leaders* from around the world, volunteered 300 hours to four organizations of Fair Park – the Women’s Museum, the Museum of Nature and Science, the African American Museum, and the Coliseum building.

The event kicked off the Sabre Holdings annual global employee volunteer week and later employee fundraising drive, Give Together, which has raised \$8.7 million for nonprofit organizations since 2000. Last year's volunteer week resulted in 1,500 employees participating in 135 events in 35 countries around the world. This year promises to be just as expansive, if not more so.
