5. **Q: WHO IS ENTITLED TO VOTE?**

A list of these stockholders will be available during ordinary business hours at

the principal place of business of AMD, located at One AMD Place, Sunnyvale, California, from the Corporate Secretary of the Company at least ten days before the Annual Meeting. The list of stockholders will also be available at the time and place of the Annual Meeting.

**6. Q: HOW DO I VOTE BY MAIL?**

A: If you complete and properly sign each proxy card you receive and return it to us in the prepaid envelope, it will be voted by one of the individuals indicated on the card (your “proxy”) as you direct. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted FOR the election of the director nominees and FOR the ratification of the appointment of our independent registered public accounting firm. However, if your shares are held by your broker, you must instruct your broker how to vote on the approval of the amendments to the 2004 Plan, the amendment to the ESPP and the approval of the 2006 Incentive Plan, or your broker cannot vote on these items. For additional information, please see question 13, below.

**7. Q: CAN I VOTE BY TELEPHONE OR ELECTRONICALLY?**

A: If you live in the United States or Canada, you may submit your proxy by following the Vote by Telephone instructions on the proxy card. If you have Internet access, you may submit your proxy from any location in the world by following the Vote by Internet instructions on the proxy card.

**8. Q: WHO CAN ATTEND THE ANNUAL MEETING?**

A: Only stockholders as of the close of business on March 6, 2006, holders of proxies for those stockholders and other persons invited by us can attend. If your shares are held by your broker in “street name,” you must bring a letter from your broker or a copy of your proxy card to the meeting showing that you were the direct or indirect (“beneficial”) owner of the shares on March 6, 2006 to attend the meeting.

**9. Q: CAN I VOTE AT THE MEETING?**

A: Yes. If you wish to vote your shares in person at the Annual Meeting and they are held by your broker in “street name,” you must bring a letter from the broker to the meeting showing that you were the beneficial owner of the shares on March 6, 2006.

**10. Q: CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD OR AFTER I HAVE VOTED BY TELEPHONE OR ELECTRONICALLY?**

A: Yes. You may change your vote at any time before the voting concludes at the Annual Meeting by:

- Sending in another proxy with a later date by mail, telephone or over the Internet;
- Notifying our Corporate Secretary in writing before the Annual Meeting that you wish to revoke your proxy; or
- Voting in person at the Annual Meeting.

**11. Q: HOW DO I VOTE MY SHARES IF THEY ARE HELD IN STREET NAME?**

A: If your shares are held by your broker in “street name,” you will receive a form from your broker seeking instruction as to how your shares should be voted. We urge you to complete this form and instruct your broker how to vote on your behalf. You can also vote in person at the Annual Meeting, but you must bring a letter from the broker showing that you were the beneficial owner of your shares on March 6, 2006.

12. **Q: WHAT IS A “QUORUM”?**

A: A “quorum” is a majority of the outstanding shares. They may be present at the Annual Meeting or represented by proxy. There must be a quorum for the Annual Meeting to be held. If you submit a properly executed proxy card, even if you abstain from voting, you will be considered part of the quorum. Broker “non-votes” are also considered a part of the quorum. Broker non-votes occur when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

13. **Q: WHAT IS BROKER “DISCRETIONARY” VOTING?**

A: Under the rules of the New York Stock Exchange (NYSE), if you hold your shares through a broker, your broker is permitted to vote your shares on the election of directors and ratification of our independent registered public accounting firm in its discretion if it has transmitted the proxy materials to you and has not received voting instructions from you on how to vote your shares before the deadline set by your broker. Your broker cannot vote your shares without your instruction on how to vote on the approval of the amendments to the 2004 Plan, the amendment to the ESPP or the approval of the 2006 Incentive Plan, so it is very important that you instruct your broker how to vote on these proposals.

14. **Q: HOW ARE MATTERS PASSED OR DEFEATED?**

A: The seven director nominees receiving the highest number of affirmative votes will be elected. A properly executed proxy marked “WITHHOLD AUTHORITY” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Ratification of the appointment of our independent registered public accounting firm must receive affirmative votes from more than 50 percent of the shares that are voted to be approved. An abstention has the same effect as a vote AGAINST this proposal. Broker non-votes are not counted as shares voted on the approval of the amendments to the 2004 Plan, the amendment to the ESPP or the approval of the 2006 Incentive Plan.

15. **Q: WHO WILL COUNT THE VOTES?**

A: Proxies will be tabulated by ADP-ICS, Inc.

16. **Q: IS MY VOTE CONFIDENTIAL?**

A: Proxy cards, ballots and voting tabulations that identify individual stockholders are mailed or returned directly to ADP-ICS and handled in a manner that protects your voting privacy. Your vote will not be disclosed except (1) as needed to permit ADP-ICS to tabulate and certify the vote and (2) as required by law. However, comments written on the proxy card may be forwarded to management. In that case, your identity may not be kept confidential.

17. **Q: HOW WILL VOTING ON ANY BUSINESS NOT DESCRIBED ON THE NOTICE OF ANNUAL MEETING BE CONDUCTED?**

A: We do not know of any business to be considered at the Annual Meeting other than the proposals described in this proxy statement. If any other business is presented at the Annual Meeting, your signed proxy card gives authority to Hector de J. Ruiz, our Chief Executive Officer, and Hollis M. O’Brien, our Corporate Secretary, to vote on such matters at their discretion.

18. **Q: WHEN ARE THE STOCKHOLDER PROPOSALS FOR THE 2007 ANNUAL MEETING DUE?**

A: Under the Securities and Exchange Commission rules, for stockholder proposals to be considered for inclusion in next year's proxy statement, they must be submitted in writing to our Corporate Secretary, Advanced Micro Devices, Inc., One AMD Place, P.O. Box 3453, M.S. 68, Sunnyvale, California 94088 on or before November 27, 2006. In addition, our bylaws provide that for directors to be nominated or other proposals to be properly presented at a stockholders meeting, an additional notice of any nomination or proposal must be received by us between February 4, 2007 and March 6, 2007. If our 2007 Annual Meeting is not within 30 days of May 5, 2007, to be timely, the notice by the stockholder must be not later than the close of business on the tenth day following the day on which the first public announcement of the date of the Annual Meeting was made or the notice of the meeting was mailed, whichever occurs first. More information on our bylaws is included in this proxy statement beginning on page 6, including a description of the information that must be included in the stockholder notice.

19. **Q: WILL AMD WEBCAST THE ANNUAL MEETING?**

A: Yes. The Annual Meeting will be webcast live. You can access it by going to AMD's Investor Relations Web site at: [www.amd.com](http://www.amd.com). The webcast will enable you to listen only. You will not be able to ask questions. The Annual Meeting audio webcast will be available on our Web site for a period of time after the meeting.

### **Consideration of Stockholder Nominees for Director**

The policy of the Nominating and Corporate Governance Committee is to consider properly submitted stockholder nominations for candidates to serve on our Board. Pursuant to our bylaws, stockholders who wish to nominate persons for election to the Board of Directors at the 2007 Annual Meeting must be a stockholder of record when they give us notice, must be entitled to vote at the meeting and must comply with the notice provisions in our bylaws. A stockholder's notice must be delivered to our Corporate Secretary not less than 60 nor more than 90 days before the anniversary date of the immediately preceding Annual Meeting. For our 2007 Annual Meeting, the notice must be delivered between February 4, 2007 and March 6, 2007. However, if our 2007 Annual Meeting is not within 30 days of May 5, 2007, the notice must be delivered no later than the close of business on the 10<sup>th</sup> day following the earlier of the day on which the first public announcement of the date of the Annual Meeting was made or the day the notice of the Meeting is mailed. The stockholder's notice must include the following information for the person proposed to be nominated:

## Table of Contents

The stockholder's notice must also include the following information for the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made:

- their names and addresses;
- the class and number of shares of stock owned beneficially and of record by them;
- a description of any arrangements or understandings between them and each proposed nominee and any other persons (including their names) pursuant to which the nominations are to be made;
- a representation that they intend to appear in person or by proxy at the Annual Meeting to nominate the person named in the notice;

- any other information that would be required to be included in a proxy statement.

The Chair of the Annual Meeting will determine if the procedures in the bylaws have been followed, and if not, declare that the nomination be disregarded. If the nomination was made in accordance with the procedures in our bylaws, the Nominating and Corporate Governance Committee of the Board of Directors will apply the same criteria in evaluating the nominee as it would any other board nominee candidate and will recommend to the Board whether or not the stockholder nominee should be nominated by the Board and included in our proxy statement. These criteria are described below in the description of the Nominating and Corporate Governance Committee on page 9. The nominee and nominating stockholder must be willing to provide any information reasonably requested by the Nominating and Corporate Governance Committee in connection with its evaluation.

### **Communications with the Board or Non-Management Directors**

Interested parties who wish to communicate with our Board of Directors or with non-management directors may send their communications in writing to our Corporate Secretary, Advanced Micro Devices, Inc., One AMD Place, P.O. Box 3453, M.S. 68, Sunnyvale, California 94088 or send an email to [Corporate.Secretary@amd.com](mailto:Corporate.Secretary@amd.com). Our Corporate Secretary will forward all these communications to our lead independent director.

**Your Board of Directors unanimously recommends that you vote "FOR" the proposed slate of directors for the current year. Unless you indicate otherwise, your proxy will vote "FOR" the proposed nominees.**

### **CORPORATE GOVERNANCE**

The Board of Directors has adopted Principles of Corporate Governance (Principles) to address significant corporate governance issues. The Principles provide a framework for our corporate governance matters and include topics such as Board and Board committee composition and evaluation. The Nominating and Corporate Governance Committee is responsible for reviewing the Principles and reporting and recommending any changes to the Principles to the Board of Directors.

The Principles provide that a majority of the members of the Board must meet the criteria for independence as required by applicable law and the New York Stock Exchange (NYSE) listing standards. No director qualifies as independent unless the Board of Directors determines that the director has no direct or indirect material relationship with the Company. Our Board of Directors has determined all of our director nominees, other than Dr. Ruiz, are independent in accordance with applicable law and the NYSE rules. The Board of Directors has evaluated the business relationships between the Company and 3Com Corporation and the Company and Solectron Corporation. The Board has concluded that the business relationship of Mr. Clafin, as the former Chief Executive Officer of 3Com, with the Company is below the thresholds in the NYSE independence rules, is immaterial and does not interfere with Mr. Clafin's exercise of independent judgment in his service on the Audit

Committee. The Board was advised that the business relationship of Ms. Eberhart, as a member of the Board of Directors of Solectron, with the Company is permissible under the NYSE independence and Audit Committee rules and determined that it is immaterial.

The Board of Directors has adopted a code of ethics that applies to all directors and employees entitled, "Worldwide Standards of Business Conduct," which we designed to help directors and employees resolve ethical issues encountered in the business environment. The Worldwide Standards of Business Conduct covers topics such as conflicts of interest, compliance with laws, confidentiality of company information, fair dealing and use of company assets and encourages the reporting of any illegal or unethical behavior.

The Board of Directors has also adopted a Code of Ethics for the Chief Executive Officer, the Chief Financial Officer, the Corporate Controller and all other senior finance executives. The Code of Ethics covers topics such as financial reporting, conflicts of interest and compliance with laws, rules, regulations and our policies.

Each of the Committees described below has adopted a charter, which has been approved by the Board of Directors. You can access our bylaws, the latest Committee Charters, the Principles of Corporate Governance, the Worldwide Standards of Business Conduct and the Code of Ethics at the Investor Relations Web page of our Web site at [www.amd.com](http://www.amd.com) or by writing to us at Corporate Secretary, AMD, One AMD Place, P.O. Box 3453, M.S. 68, Sunnyvale, California 94088, or emailing us at [Corporate.Secretary@amd.com](mailto:Corporate.Secretary@amd.com). We will provide you with this information free of charge. Please note that information contained on our Web site is not incorporated by reference in, or considered to be a part of, this document.

### **COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS**

The Board of Directors held ten regularly scheduled and special meetings during the 2005 fiscal year. All directors attended at least 75 percent of the meetings of the Board of Directors in 2005. The Board has Audit, Compensation, Finance and Nominating and Corporate Governance Committees. The members of the Committees and their Chairs are selected by the Nominating and Corporate Governance Committee and then appointed by the Board annually. In 2005, the Board of Directors reappointed Mr. Robert Palmer as the lead independent director of the Board of Directors. In that capacity, Mr. Palmer chairs executive sessions of the non-management directors, which are held at regularly scheduled sessions, and the meetings of the Nominating and Corporate Governance Committee. Sessions of the non-management directors were held two times in 2005.

*Audit Committee.* Since April 28, 2005, the Audit Committee consisted of Ms. Paulett Eberhart, as Chair, Dr. W. Michael Barnes, Mr. Bruce L. Claflin and Mr. Morton L. Topfer, each of whom was determined by the Board of Directors to be financially literate and "independent." Prior to April 28, 2005, Dr. R. Gene Brown served as Chair and Mr. Charles M. Blalack served as a member of the Audit Committee. Dr. Brown and Mr. Blalack retired on April 28, 2005. All members of the Audit Committee are qualified to be designated as "audit committee financial experts." However, the Board of Directors determined that only Ms. Eberhart would be designated to be an "audit committee financial expert." The Audit Committee held thirteen meetings during 2005. The Audit Committee assists the Board with its oversight responsibilities regarding the integrity of our financial statements, our compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence and the performance of our internal audit function and the independent registered public accounting firm. The Audit Committee is also directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm, who reports directly to the Audit Committee. The Audit Committee meets alone with our financial and legal personnel, and with our independent registered public accounting firm, who have free access to the Audit Committee at any time. The director of our Internal Audit Department reports directly to the Chair of the Audit Committee and "dotted-line" to our Chief Financial Officer and serves a staff function for the Audit Committee. All members of the Audit Committee attended at least 75 percent of the meetings of the Audit Committee in 2005.

The Nominating and Corporate Governance Committee met four times in 2005 to consider nominees and appointees to the Board and other corporate governance matters. The Committee met once during 2006 to consider nominees for the 2006 Annual Meeting and other corporate governance matters. The Nominating and Corporate Governance Committee assists the Board in discharging its responsibilities regarding the identification of qualified candidates to become Board members, the selection of nominees for election as directors at the next annual meeting of stockholders (or special meeting of stockholders at which directors are to be elected), the selection of candidates to fill any vacancies on the Board, the development and recommendation to the Board of a set of corporate governance guidelines and principles applicable to us and oversight of the evaluation of the Board and management. In evaluating candidates to determine if they are qualified to become Board members, the Committee looks for the following attributes, among others the Committee deems appropriate: personal and professional character, integrity, ethics and values; general business experience and leadership profile, including experience in corporate management, such as serving as an officer or former officer of a publicly held company; strategic planning abilities and experience; aptitude in accounting and finance; expertise in domestic and international markets; experience in our industry and with relevant social policy concerns; understanding of relevant technologies; academic expertise in an area of our operations; communications and interpersonal skills; and practical and mature business judgment. The Committee also evaluates board members’ and nominees’ service on the board of other public companies. Although the Committee uses these and other criteria to evaluate potential nominees, there are no stated minimum criteria for nominees. For a detailed description of the process for nomination of director candidates by stockholders, please see page 6, above. The Committee uses the same standards to evaluate all director candidates, whether or not the candidates were proposed by stockholders. All members of the Nominating and Corporate Governance Committee attended at least 75 percent of the meetings of the Committee in 2005.

*Compensation Committee.* The Compensation Committee consists of Dr. Leonard Silverman, as Chair, Mr. Bruce L. Clafin and Mr. Robert B. Palmer, each determined by the Board to be “independent.” Mr. David J. Edmondson served as a member from April 28, 2005 until his resignation from the Board of Directors effective February 24, 2006. Dr. R. Gene Brown and Mr. Charles M. Blalack served as members until their retirement on April 28, 2005. During 2005, the Compensation Committee met six times. The Compensation Committee assists the Board in discharging its responsibilities relating to the compensation of our executives and members of the Board. In consultation with management and the Board, the Compensation Committee designs, recommends to the Board for approval and evaluates employment, severance and change of control agreements with executive officers and our compensation plans, policies and programs. The Compensation Committee ensures that compensation programs are designed to encourage high performance, promote accountability and assure that employee interests are aligned with the interests of our stockholders. All members of the Compensation Committee attended at least 75 percent of the meetings of the Compensation Committee in 2005.

*Finance Committee.* The Finance Committee consists of Dr. W. Michael Barnes, as Chair and Ms. H. Paulett Eberhart. Mr. David J. Edmondson served as a member from April 28, 2005 until his resignation effective February 24, 2006. Dr. R. Gene Brown served as a member until his retirement on April 28, 2005. During 2005, the Finance Committee met seven times. The Finance Committee assists the Board by reviewing and making recommendations to the Board about our financial affairs and policies and the nature and structure of major financial commitments. All members of the Finance Committee attended at least 75 percent of the meetings of the Finance Committee in 2005.

**DIRECTORS' COMPENSATION AND BENEFITS**

In 2005, we paid each director who was not an employee of AMD an annual retainer of \$65,000. In addition, in 2005, we paid the Chair of the Audit Committee and the lead independent director an annual fee of \$20,000, and the Chairs of the Compensation and Finance Committees an annual fee of \$10,000 for service in these capacities. When the Board or a Committee has met more than eight times, we pay an attendance fee of \$2,000 for additional Board meetings and \$1,200 for additional committee meetings. In 2005, we supplied color printers to Dr. Barnes, Mr. Palmer and Dr. Silverman to assist them in printing Board materials. We also reimbursed reasonable out-of-pocket expenses incurred by directors in connection with attending meetings and performing other Board-related services for AMD, and, on two occasions, travel expenses of their spouses/guests. We also provided certain souvenir items for the directors and their spouses/guests in connection with the Board and Committee meetings held in Beijing, China in October of 2005.

\*\* Resigned from the Board of Directors effective February 24, 2006.

Under a formula contained in a policy adopted by the Board of Directors, and consistent with the formula contained previously in our 2004 Equity Incentive Plan, we will grant initial options to purchase 50,000 shares of common stock to non-employee directors on their first election to the Board. These initial options are granted in four installments during the initial year of service of 12,500 shares each, of which 4,166 shares vest on the first anniversary of the first installment of the grant, with the balance vesting monthly over the next two years. If the director remains on the Board, we automatically grant annual supplemental options to purchase 25,000 shares of common stock on each re-election. These annual options are granted in four installments each year of 6,250 shares each and vest 2,083 shares on the anniversary of the first grant, with the balance vesting monthly over the next two years.

The options vest only if the director is serving on the Board on the vesting date. The exercise price of each option is the fair market value of our common stock on the date of grant. The options expire on the earlier of ten years from the grant date or 12 months (for options granted before April 26, 2001) or 24 months (for options granted after April 26, 2001) following termination of a director's service on the Board.

We value the use of the company-provided plane by calculation of the incremental cost to the Company. In 2005, Dr. Ruiz made two personal stops while traveling on business on the plane. The tax gross up reimburses Dr. Ruiz for the taxes he paid on the income imputed to him when his spouse traveled on the plane with him to attend a business event. Includes for 2004, \$24,000 for auto expenses, \$18,000 for legal expenses, \$18,399 for financial planning, \$1,345 for use of the company-provided airplane, \$4,292 for security expenses and \$3,318 for a tax gross up. Upon an optionee's termination of employment, options may be exercised only to the extent exercisable on the date of such termination of employment. Upon an optionee's death or disability, certain options that vest during the year of death or disability may become exercisable. Options may also become fully exercisable upon a change in control of AMD as that term is defined under our equity incentive plans or in accordance with an optionee's management continuity agreement. For additional information, see the discussion under "Employment Agreements" and "Change in Control Arrangements."

**LONG-TERM INCENTIVE PLAN AWARDS**

In 2005, our Compensation Committee approved the 2005 Advanced Micro Devices, Inc. Long-Term Incentive Plan (2005 LTIP). This plan is effective as of January 1, 2005 and replaced the former long-term incentive plan (Former LTIP) applicable to officers.

The 2005 LTIP is designed to provide multi-year incentive compensation to officers and other employees of AMD. 2005 LTIP awards are generally based on three-year performance cycles and performance measures for each cycle are established by the Compensation Committee. 2005 LTIP awards are made in restricted stock units or cash. A three-year cycle and a transitional two-year cycle were approved for officers, both commencing January 1, 2005. The awards will be payable only if we achieve, on an overall basis for the two-year 2005-2006 cycle and the three-year 2005-2007 period, specified goals for relative revenue growth and operating income margin. For our Chief Executive Officer and other officers, awards will be paid in shares of our common stock as a result of vesting of restricted stock units granted under our 2004 Equity Incentive Plan. In October 2005, the Committee approved the grant of the maximum restricted stock units that can be earned under the 2005 LTIP for the two 2005 cycles as set forth below.

**SPECIAL RETIREMENT ARRANGEMENTS**

**Replacement Retirement Benefit Arrangement for Dr. Ruiz**

The following table shows the estimated annual benefits payable upon retirement to Dr. Ruiz under his current employment agreement with us.

**Estimated Annual Retirement Benefits**

Average of 3 Highest Years of Salary Paid in the 10 Years of Employment ending on Retirement Date	Years of Service	
	5	10
\$ 950,000	\$ 190,000	\$ 380,000
1,000,000	200,000	400,000
1,100,000	220,000	440,000
1,200,000	240,000	480,000
1,300,000	260,000	520,000

The amount of the annual retirement benefit for Dr. Ruiz is calculated as follows: (1) the average of the three highest annual base salaries for the last 10 years of the period beginning April 26, 2002 and ending on the date of retirement (for purposes of this formula, however, annual base salary cannot exceed \$1,000,000 annually compounded by three percent from January 1, 2002); (2) that average is then multiplied by the product of four percent and Dr. Ruiz' number of full years of service with us (not to exceed 10 years of service); (3) the resulting product is then reduced by any other defined benefit plan benefits he will receive (currently, we do not maintain any defined benefit retirement plan), but not for Social Security payments. Retirement benefits are payable in the form of a single life annuity guaranteed for 10 years or a joint annuity. If a joint annuity is elected, then the annual amount of the retirement benefit received by Dr. Ruiz and his spouse is reduced according to an actuarially determined formula. In the case of certain terminations following a change of control, we may be required to credit Dr. Ruiz with the greater of two years of service or service through April 26, 2007.

**Replacement Retirement Benefit Arrangement for Mr. Rivet**

To replace certain retirement benefits that Mr. Rivet forfeited when he joined us, we agreed to pay Mr. Rivet a lump sum payment on the earlier of the following: (1) age 55; (2) termination of employment following a change in control; and (3) our termination of Mr. Rivet's employment without cause after age 54.

Mr. Rivet's lump sum payment will be determined by discounting to present value on the date of determination a stream of lifetime payments equal to no more than 70 percent of his base salary then in effect, and then deducting from that present value the value of certain other retirement payments from us and his former employer. If Mr. Rivet becomes permanently and totally disabled prior to age 55, he will receive such benefits but we will deduct the present value of any payments he will receive after age 55 under our executive long-term disability policy. Mr. Rivet will also receive a supplemental payment to cover federal income and Medicare taxes and any state income taxes due as a result of the lump sum payment.

**Employment Agreements**

*Dr. Ruiz' Employment Agreement.* Effective January 31, 2002 (the Effective Date), we entered into an employment agreement with Dr. Ruiz (the Agreement) that provides for his tenure as Chief Executive Officer through April 26, 2007, subject to automatic renewal for one-year periods unless we notify Dr. Ruiz that we will not renew. This Agreement was amended effective January 1, 2005 (the January 2005 Amendment) following his appointment as Chairman in April 2004. The Agreement provides for an annual base compensation to Dr. Ruiz of \$950,000, which may be increased at the discretion of the Compensation Committee.

Under the January 2005 Amendment, Dr. Ruiz is eligible to receive a target annual incentive bonus equal to 150 percent of his annual base salary, with a maximum annual incentive bonus opportunity not to exceed 450 percent of Dr. Ruiz' annual base salary. This bonus is paid only upon Dr. Ruiz' achievement of certain identified

performance goals established by the Compensation Committee. Dr. Ruiz is also eligible to receive discretionary bonuses, in amounts determined by the Compensation Committee. Dr. Ruiz was paid an annual bonus of \$4,000,000 for 2005 comprised of \$1,775,586 pursuant to the Agreement and \$2,224,414 as a discretionary award.

In addition to this annual incentive bonus, Dr. Ruiz became eligible pursuant to the January 2005 Amendment to participate under the Company's Former LTIP. Under the Former LTIP, Dr. Ruiz was eligible for an annual target LTIP incentive payment of 200 percent of Dr. Ruiz' annual base salary and a maximum LTIP incentive payment not to exceed 400 percent of Dr. Ruiz' annual base salary. Twenty-five percent (or such lower percentage as may be determined by the Compensation Committee) of any payment to Dr. Ruiz under the Former LTIP was to be paid in restricted stock issued under our 2004 Equity Incentive Plan. Dr. Ruiz was paid \$824,142 for a portion of 2004 and for 2005 under the Former LTIP, all of which was paid in cash.

On October 27, 2005, the Board of Directors approved an amendment to the Agreement (the October 2005 Amendment) to reflect Dr. Ruiz' participation in the 2005 LTIP at the same levels described above for the Former LTIP (see the discussion of the 2005 LTIP beginning on page 20, above). He remained eligible for a payment under the Former LTIP for cycles ended December 25, 2005.

The aggregate of all cash bonus payments and all LTIP payments in cash and stock to Dr. Ruiz is capped at the highest of \$5 million per year, such other limit as may be specified in the Executive Incentive Plan or the amount deductible by the Company for federal tax purposes, with any excess carried over for three years or until such time as the \$5 million bonus payment limitation under the Company's Executive Incentive Plan is increased. Dr. Ruiz is eligible to participate in our other benefit plans. Dr. Ruiz is also entitled to \$25,000 out-of-pocket reimbursement for financial planning, tax planning, estate planning, and tax preparation. Unused amounts are carried forward to future years. Dr. Ruiz is permitted the use of a leased airplane consistent with our policy for business purposes and an automobile allowance.

Dr. Ruiz will be reimbursed by us in the event that any income taxes are payable to the State of California in connection with income attributable to payments or benefits under the Agreement and the exercise of any stock option granted by us. In addition, we will reimburse Dr. Ruiz for any federal and state income taxes payable with respect to this reimbursement (the California tax reimbursement). Total payments made will not exceed \$400,000 per year (or \$800,000 per year in the case of termination without cause (or constructive termination) in connection with a change in control). Any unused amount will be carried forward and added to the availability of tax reimbursements, if any, for any of the next three years. No tax reimbursements have been made to date.

Under the Agreement, we granted Dr. Ruiz options for 1,200,000 shares at \$16.05 per share, the fair market value of our common stock on the date of grant in 2002. These options have vested. Options granted under this Agreement are referred to in this proxy statement as New Options. If vested, the New Options and all other options held by Dr. Ruiz with an exercise price on the Effective Date of the Agreement equal to or greater than the fair market value of our common stock on the Effective Date (the Prior Options) may be exercised after termination of employment for a period of: (i) five years in the case of a termination for death or disability, retirement, or termination without cause or constructive termination on or following a change in control; and (ii) two years in the case of a constructive termination or a termination without cause prior to a change in control. Dr. Ruiz is eligible for the grant of additional equity compensation awards after the Effective Date (the New Awards) at a level no less than other executive receive and was granted stock options covering 375,000 shares in 2003, 500,000 shares in 2004, 375,000 shares in 2005 and 50,000 restricted stock units in 2005.

If we terminate Dr. Ruiz without cause (or constructively terminate Dr. Ruiz) prior to a change in control, Dr. Ruiz will receive his annual base salary, prorated annual bonus and prorated LTIP through the date of termination and an amount equal to the sum of two times his annual base salary plus the sum of his highest (i) annual bonus, (ii) discretionary bonus, and (iii) LTIP payments during the last three years. Dr. Ruiz will receive any bonus amounts carried forward from the previous three years. Dr. Ruiz, his spouse and any eligible

dependents will be provided with health benefits for 24 months. Dr. Ruiz also will be entitled to the California tax reimbursement. In addition, all of Dr. Ruiz' New Options and Prior Options will vest and become fully exercisable and all restrictions on any New Awards will lapse, and such awards will become nonforfeitable. Dr. Ruiz is entitled to an accrued "Retirement Benefit" that is described above in the section entitled, "Special Retirement Arrangements." Dr. Ruiz is entitled to continued indemnification for 10 years following his termination.

If we terminate Dr. Ruiz without cause (or constructively terminate Dr. Ruiz) on or following a change in control, Dr. Ruiz will receive a payment in an amount equal to the sum of three times his annual base salary. Dr. Ruiz will also receive, in addition to amounts to which he is currently entitled under the Agreement, a pro-rata portion of any LTIP incentive payments that he would have received had he remained Chief Executive Officer through the last day of such award cycle. He will also receive an amount equal to his highest annual bonuses, discretionary bonuses and LTIP incentive payments during the last three years, provided that payment of such bonuses and LTIP incentive payments shall not exceed the highest of \$5 million, such other limit as may be specified in the Executive Incentive Plan or the amount deductible by the Company for federal tax purposes. We will also be required to provide health benefits for the life of Dr. Ruiz and his spouse. Dr. Ruiz will be entitled to the California tax reimbursement. In addition, all of Dr. Ruiz' unvested options will vest and become fully exercisable and all restrictions on any other awards will lapse and such awards will become nonforfeitable. Dr. Ruiz also will be entitled to the accrued Retirement Benefit and will be credited with additional service through April 26, 2007, or two additional years of service credit, if more. Dr. Ruiz will also receive an additional payment to reimburse him for federal excise taxes (and taxes on those taxes, if any are payable).

If we do not renew Dr. Ruiz' employment with us after expiration of its initial five-year term or at the end of any one-year renewal term, generally Dr. Ruiz will receive his annual base salary and prorated annual bonus through the date of termination and, additionally, an amount equal to the sum of two times his annual base salary. Dr. Ruiz will receive any bonus amounts carried forward from the previous three years. Dr. Ruiz, his spouse and any eligible dependents will be provided with health benefits for 24 months. Dr. Ruiz will be entitled to the California tax reimbursement. In addition, all of Dr. Ruiz' unvested New Options, Prior Options and New Awards will vest. Dr. Ruiz will be entitled to the accrued Retirement Benefit.

In the event of Dr. Ruiz' retirement, Dr. Ruiz will receive the accrued Retirement Benefit. We will provide health benefits for the life of Dr. Ruiz and his spouse. Dr. Ruiz will be entitled to the California tax reimbursement. In addition, all of Dr. Ruiz' unvested New Options, Prior Options and New Awards will vest.

In the event Dr. Ruiz' employment is terminated due to his death or disability, Dr. Ruiz or his beneficiary will be entitled to the accrued Retirement Benefit. We will provide health benefits for the life of Dr. Ruiz and his spouse. Dr. Ruiz will be entitled to the California tax reimbursement. In addition, all of Dr. Ruiz' unvested New Options, Prior Options and New Awards that would have become vested within 24 months of the date of Dr. Ruiz' employment shall vest and become fully exercisable.

In the event Dr. Ruiz voluntarily terminates his employment with the company, he is entitled to continued indemnification by the Company for 10 years and his accrued Retirement Benefit.

*Chairman Emeritus Agreement.* In November 2000, we entered into an amended and restated employment agreement with Mr. W. J. Sanders III that provided for his tenure as Chairman and an executive officer of AMD through December 27, 2003. Mr. Sanders then served as a non-employee Chairman of our Board of Directors until April 2004. He was appointed Chairman Emeritus shortly before he retired from the Board in 2004.

Under his employment agreement, Mr. Sanders is entitled to life insurance and health benefits for his life (and the life of his wife and his children until they reach age 21, together with any necessary tax gross-up). Mr. Sanders is also entitled to the use of a comparable office and secretarial services, an automobile and security

driver, \$25,000 each year for financial and estate planning services (accrued from 1996 through 2008) and continued access to our facilities and services, including any aircraft available to us, until December 27, 2008. In 2005, the incremental cost to AMD of Mr. Sanders' use of Company-provided aircraft was \$250,286 and Company-provided automobile was \$106,945.

### **Change in Control Arrangements**

*Management Continuity Agreements.* We have entered into management continuity agreements with each of our executive officers, except Dr. Ruiz, designed to ensure their continued services in the event of a change in control. Dr. Ruiz' Agreement addresses a change in control and is discussed above in the section entitled, "Employment Agreements," beginning on page 21.

For purposes of Dr. Ruiz' Agreement and the management continuity agreements, a change in control includes any change of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A promulgated under the Securities Exchange Act of 1934, as amended. A change in control is conclusively presumed to have occurred on:

- Acquisition by any person, other than AMD, or any employee benefit plan of ours, of beneficial ownership of more than 20 percent of the combined voting power of our then-outstanding securities. In Dr. Ruiz' Agreement, the 20 percent threshold excludes securities acquired directly from AMD. Dr. Ruiz' Agreement also includes a 35 percent threshold as an additional presumed change of control event;
- A change of the majority of the Board of Directors during any two consecutive years, unless certain conditions of Board approval are met; or
- A determination by certain members of the Board of Directors within one year after an event that such event constitutes a change in control.

The management continuity agreements provide that, in the event of a change in control, we will reimburse the executive officer for any federal excise taxes (and taxes on those taxes) payable as a result of benefits received from us. The management continuity agreements provide that, if within two years after a change in control the executive officer's employment is terminated by us or the executive officer is constructively discharged, the executive officer will receive:

- A severance benefit equal to three times the sum of his rate of annual base compensation plus the average of his two highest bonuses in the last five years;
- Payment of his accrued bonus;
- Twelve months' continuation of other incidental benefits; and
- Full and immediate vesting of all unvested stock options, stock appreciation rights and restricted stock awards.

In addition, for Mr. Rivet, if a change in control occurs, he will receive a lump sum payment of his retirement benefit, see page 21.

*Vesting of Stock Options.* All stock options granted and restricted stock awarded under our equity incentive plans become fully vested on termination of employment (other than for misconduct) or constructive termination within one year following a change in control, as defined in the plans.

### **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

In June 2001, we loaned \$2,000,000 to Dr. Ruiz pursuant to a promissory note secured by a deed of trust on real property. The interest rate on the loan was 5.02 percent and it was payable in full in June 2006. The largest amount owed by Dr. Ruiz during 2005 was \$2,083,896. Dr. Ruiz repaid this loan and interest in full on February 4, 2005.

### **BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board of Directors (“the Committee”) oversees the Company’s executive compensation program and equity plans and is specifically responsible for approving and reporting to the Board on the compensation of the Company’s officers, including the Chief Executive Officer.

In 2005, the Compensation Committee of AMD’s Board of Directors consisted of Dr. Silverman, as Chair, Mr. Clafin, Mr. Edmondson and Mr. Palmer. Mr. Edmondson served as a member from April 28, 2005 until he resigned from the Board of Directors effective February 24, 2006. Dr. Brown and Mr. Blalack served on the Compensation Committee before they retired on April 28, 2005. The members of the Compensation Committee are “independent,” as determined by the Board of Directors and are “outside directors,” as defined in Section 162(m) of the Internal Revenue Code.

The Committee, through delegation from the Board of Directors, has overall responsibility for the following:

- Establishing the specific performance objectives for the Chief Executive Officer and subsequently evaluating his or her compensation based on achievement of those objectives;
- Overseeing all other executive officers’ compensation, including salary, bonus and long-term incentives (cash and equity), relative to achievement of objectives set by the Chief Executive Officer; and
- Administering the Company’s 2004 Equity Incentive Plan, including final approval of equity incentive grants to the Chief Executive Officer, other executive officers and, depending on the size of the award, other employees.

In discharging its duties, the Committee has retained the services of a compensation consultant and outside legal counsel in order to have independent, expert perspectives on matters related to executive compensation, Company and executive performance, equity plans and other issues. The Committee has the sole authority to determine the scope of services for these consultants and may terminate the consultants’ services at any time. The fees of these consultants are paid by the Company.

In 2005, certain executives of the Company, as needed, and the independent consultants attended meetings of the Committee. No officer of the Company was present during discussions or deliberations regarding that officer’s own compensation. Additionally, the Committee met in executive session with its independent consultant and outside counsel to discuss various matters and formulate certain final decisions, including those regarding the performance and compensation of the Chief Executive Officer.

#### **Compensation Philosophy**

The Company’s compensation philosophy is to:

- Focus management on sustained, long-term growth of profits at a level greater than that of other semiconductor companies;
- Structure overall target compensation to be competitive in order to attract, motivate and retain highly qualified executives, with a large proportion of target compensation “at risk” for performance; and

---

## [Table of Contents](#)

- Align the interests of management and stockholders through the use of equity incentives and stock ownership guidelines.

In order to implement this philosophy, the Company provides each of the officers with:

- Base salary;
- Short- and long-term incentives tied to specific goals that support sustained, long-term growth in profits;
- Equity incentives with stock ownership guidelines; and
- Other benefits, such as a health care plan.

*Comparator Group.* When establishing base salaries, total target cash (salary and bonus) and equity incentives for officers, the Committee considers the executive's role, leadership responsibilities and performance during the past year as well as the amount of compensation paid to officers in similar positions at comparable companies. These companies have a median revenue of approximately \$6 billion, are in the semiconductor industry and/or, more broadly, the technology sector, and directly compete with the Company for executive-level talent. Several of these companies are included in the S&P 500 Semiconductor Index used in the performance graph appearing in this proxy statement.

*Pay Positioning.* For the past several years, the Company has had to compete directly for talent against larger, established competitors in the semiconductor industry. In order to attract and retain the highest caliber of executives, overall target compensation is positioned to result in compensation in the third quartile relative to the comparator group in years in which the Company's financial performance exceeds the performance of its industry.

*Performance Measures/Goals.* Short- and long-term incentives incorporate both financial and individual performance measures that reinforce sustained, long-term growth of profits, including revenue, gross margin and operating income. The Committee discusses the specific goals proposed for the performance measures with the Chief Executive Officer, Chief Financial Officer and its compensation consultant. Individual measures can include strategic, management, leadership and development goals. In 2005, performance measures and goals for the officers were reviewed and approved by the Committee.

*Short-Term Incentives.* Short-term incentives are used to focus executives on tactical objectives that support long-term strategic goals. The amounts payable under short-term incentives range from 100 to 150 percent of base salary, depending on the executive's level of responsibility and his or her performance. A minimum of 75 percent of the targeted bonus is based on the achievement of predetermined corporate operating income goals beyond threshold levels of performance. The remainder is based on the executive's achievement of various goals developed by the executive's manager. In 2005, all officers received formula-based bonuses, averaging approximately 125 percent of target, for achievement against operating income goals. In addition to the formula-based bonuses, the officers received performance-based discretionary bonuses for individual results in 2005. Dr. Ruiz' annual incentive is discussed below.

*Long-Term Incentives.* The Company's long-term incentives combine equity awards with stock ownership requirements and cash.

A fundamental tenet of the Company's compensation policy is that significant equity participation aligns the perspectives of officers and other stockholders, especially when combined with stock ownership guidelines: officers are asked to acquire stock ownership equal to 50 percent of their annual equity incentive award guideline within five years. Unexercised stock options (vested or unvested) and unvested restricted stock units do not count toward the requirements. The Chief Executive Officer monitors the progress of each of the officers in satisfying the requirements. The Committee reviews progress against the ownership guidelines for the officers annually.

## Table of Contents

As of March 6, 2006, officers of the Company owned an aggregate of 467,104 shares of common stock and had a right to acquire an additional 6,605,470 shares of common stock upon the exercise of employee stock options that are exercisable and the vesting of restricted stock units that vest by May 5, 2006. These interests, exclusive of other outstanding options, represented in the aggregate 1.47 percent of the Company's outstanding capital stock on March 6, 2006.

Under the Company's Former LTIP, each of the officers is eligible for a cash long-term incentive tied to the Company's 1) three-year average return on equity relative to that of firms that comprise the S&P 500 Index and 2) three-year sales growth relative to that of firms in the semiconductor industry, as published by Worldwide Semiconductor Trade Statistics (WSTS). In order for an award to be paid under the long-term component, the Company must achieve a threshold level of performance relative to the S&P 500 and WSTS indexes, which is established by the Committee. The amount payable under the long-term component ranges from 0 percent to 60 percent of base salary for officers, other than the Chief Executive Officer. Dr. Ruiz began participating in the Former LTIP as of October 2004, as discussed below.

Under the Former LTIP, awards are only paid if operating profits in the year of payment are within a pre-established spending limit; if not, awards are carried over for a maximum of three years until paid or forfeited. The awards for 2004 and 2005 were paid in 2006.

*Other Benefits.* The Company provides other benefits to officers at a competitive level, including a car allowance, financial planning reimbursement, a security allowance, an elective income deferral/ investment plan, a health care plan and a 401(k) plan. The Chief Executive Officer and Chief Financial Officer have special retirement benefits to replace the benefits they forfeited when they joined the Company (discussed in detail under "Special Retirement Arrangements" on page 21).

### **Compensation of the Chief Executive Officer**

The Committee carefully reviews the compensation of the Chief Executive Officer relative to the Company's long-term business plan, financial and strategic goals that it has set and compensation provided to other chief executive officers (excluding founders) of the comparator group. Additionally, the Committee seeks advice from its independent compensation consultant and outside counsel. Based on this review, the Committee made several decisions regarding Dr. Ruiz' 2005 compensation.

In 2005, the Company achieved record annual revenues of \$5.85 billion, a 17 percent increase from 2004. Net income in 2005 was \$165 million, an increase of 82 percent from 2004. The Company's cash, including cash equivalents and short term investments, totaled approximately \$1.8 billion at fiscal year end, and the Company reduced debt and lowered its debt-to-capital ratio to 28 percent. The Company, excluding the Memory Group segment (see the discussion of the Spansion Inc. initial public offering, below), had sales of \$3.9 billion for the year, an increase of 48 percent from comparable sales in 2004. Operating income, excluding the Memory Group segment, was \$543 million in 2005, up 190 percent from 2004. The Committee considered these and other financial metrics.

In addition to evaluating the Company's financial results, the Committee reviewed the Company's microprocessor and personal connectivity solutions technology and product status as well as the completion of the Spansion Inc. initial public offering of Class A common stock on December 21, 2005. Spansion was the Company's majority-owned Flash memory subsidiary. The Committee also considered the successful progress of AMD in pursuing its global antitrust claims against Intel Corporation.

In 2005, compensation for Dr. Ruiz consisted of his base salary, an annual cash incentive tied to financial and individual goals, a discretionary cash award, payments under the Former LTIP, stock options and restricted stock unit awards.

---

## Table of Contents

Dr. Ruiz received a base salary in 2005 of \$950,000 pursuant to his Agreement. His base salary has not changed since 2003. Dr. Ruiz' Agreement is discussed in detail under "Employment Agreements" on page 21.

For 2003, Dr. Ruiz did not receive a formula-based annual incentive bonus nor did he receive any discretionary bonus as permitted under his employment agreement. For 2004, the Committee approved an annual incentive bonus of \$970,455 based on the formula in Dr. Ruiz' Agreement. The Committee also awarded a discretionary bonus of \$250,000 for Dr. Ruiz for 2004. For 2005, Dr. Ruiz received an annual bonus of \$4,000,000, comprised of \$1,775,586 pursuant to the Agreement and \$2,224,414 as a discretionary award.

Dr. Ruiz was awarded 375,000 stock options and 50,000 restricted stock units in 2005. Before deciding to grant these options to Dr. Ruiz, the Committee consulted other members of the Board of Directors, members of senior management, its compensation consultant and its legal counsel. In its deliberations, the Committee considered AMD's long-term strategic plan and the desire to secure Dr. Ruiz' active leadership through 2007 and beyond.

In 2004, the Committee also effected a rebalancing of Dr. Ruiz' incentives to better align performance goals and compensation for Dr. Ruiz with that of other executives and increase the emphasis on long-term performance results. In 2005, 80 percent of Dr. Ruiz's short-term incentives were based on the same financial goals, including revenue and operating income, as other officers, with the remainder tied to specific strategic objectives set by the Committee for Dr. Ruiz in 2005. The amount payable to Dr. Ruiz under short-term incentives ranges from 0 percent to 450 percent of salary, with a target of 150 percent.

Additionally, as of October 2004, Dr. Ruiz was eligible for the Former LTIP. For the cycle ended in 2005, Dr. Ruiz received 15/36ths of amounts determined by the plan formula.

*Amendments to Dr. Ruiz' Employment Agreement.* On October 27, 2004, the Company entered into the January 2005 Amendment with Dr. Ruiz. The material changes to his Agreement affected the calculation of his annual bonus opportunity and provided for his participation under the Company's Former LTIP as described above. The amendment also provided for the inclusion of payments to Dr. Ruiz under the Former LTIP in the calculation of amounts he is entitled to receive if the Company terminates him without cause (or constructively terminates Dr. Ruiz) prior to, or in connection with, a change in control. In entering into the January 2005 Amendment, the Committee considered the impact on the Company of the compensation elements, as modified by the January 2005 Amendment, in the event of the termination of the employment of Dr. Ruiz, whether or not in connection with a change in control.

On October 27, 2005, the Company entered into the October 2005 Amendment with Dr. Ruiz. The changes to his Agreement reflect Dr. Ruiz' participation in the 2005 LTIP.

*Tax Policy.* Section 162(m) of the Internal Revenue Code limits deductions for certain executive compensation in excess of \$1 million. Certain types of compensation are deductible only if performance criteria are specified in detail and are contingent on stockholder approval of the compensation arrangement. The Committee has endeavored to structure its compensation plans to achieve deductibility under Section 162(m) with minimal sacrifices in flexibility and corporate objectives.

While the Committee will consider deductibility under Section 162(m) with respect to future compensation arrangements with officers, deductibility will not be the sole factor used in ascertaining appropriate levels or modes of compensation. Since corporate objectives may not always be consistent with the requirements for full deductibility, certain compensation paid by AMD in the future may not be fully deductible under Section 162(m). The discretionary bonuses paid to officers based on the evaluation of performance in 2005 will not be deductible by AMD under Section 162(m).

Going forward the Committee intends to continue to evaluate the Company's executive compensation policies and program and will consider, among other things, the accounting treatment of stock options, potential dilution of earnings per share, the incentive value of various equity vehicles, the role of cash and equity and the need to retain key talent.

The Committee believes that long-term stockholder value was enhanced by the corporate and individual performance achievements of the Company's executives in 2005.

**BOARD AUDIT COMMITTEE REPORT**

Since April 2005, the Audit Committee of AMD's Board of Directors consisted of Ms. Eberhart, as Chair, Dr. Barnes, Mr. Clafin, and Mr. Topfer. Prior to April 28, 2005, Dr. R. Gene Brown served as Chair and Mr. Charles M. Blalack served as a member of the Audit Committee. Following Dr. Brown and Mr. Blalack's retirement on April 28, 2005, the Board appointed the current members of the Audit Committee. Each of the members of the Audit Committee is "independent," as determined by the Board of Directors and in compliance with the New York Stock Exchange and SEC rules and is "financially literate," as that qualification is interpreted by the Board. In addition, Ms. Eberhart was designated "audit committee financial expert," as the Board interprets that designation. Ms. Eberhart is a member of the Financial Executives Institute and the American Institute of Certified Public Accountants and serves on the Audit Committees of Solectron, Inc. and Anadarko Petroleum Corporation.

The Audit Committee oversees AMD's internal and independent registered public accounting firm and assists the Board in fulfilling its oversight responsibilities on matters relating to the integrity of AMD's financial statements, AMD's compliance with legal and regulatory requirements and the independent registered public accounting firm's qualifications and independence by meeting regularly with the independent registered public accounting firm, internal auditing and financial management personnel. Management is responsible for the preparation, presentation and integrity of the Company's financial statements. The independent registered public accounting firm is responsible for performing an audit of the Company's annual financial statements and expressing an opinion as to the conformity of the Company's audited financial statements with generally accepted accounting principles.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the Company's financial statements for the fiscal year ended December 25, 2005, with AMD management and Ernst & Young LLP, our independent registered public accounting firm. The Audit Committee also discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees, as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications)). This included a discussion of the independent registered public accounting firm's judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters that generally accepted auditing standards require to be discussed with the Audit Committee. The Audit Committee also received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees) and the Audit Committee discussed the independence of Ernst & Young LLP with that firm.

Based on the Audit Committee's review and discussions noted above, the Audit Committee recommended to the Board, and the Board approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 25, 2005 for filing with the Securities and Exchange Commission.

The Audit Committee has appointed, subject to stockholder approval, Ernst & Young LLP as AMD's independent registered public accounting firm for fiscal 2006.

**ITEM 2—RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Unless you indicate otherwise, your proxy will vote **FOR** the ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm for the current year. Ernst & Young LLP has been our independent auditors since our incorporation in 1969.

The Audit Committee meets with Ernst & Young LLP several times a year. At such times, the Audit Committee reviews both audit and non-audit services performed by Ernst & Young LLP and the fees charged for such services. Among other things, the Audit Committee examines the effect that the performance of non-audit services may have upon the independence of the registered public accounting firm. All audit-related services and tax services were pre-approved by the Audit Committee after review of each of the services proposed for approval.

A representative of Ernst & Young LLP is expected to be present at the Annual Meeting and will have an opportunity to make a statement if he or she so desires. He or she will also be available to respond to appropriate questions from stockholders.

**Independent Registered Public Accounting Firm's Fees**

The fees for 2005 and 2004 set forth below include fees incurred by Spansion Inc. Spansion was the Company's majority-owned Flash memory subsidiary. Spansion completed its initial public offering of Class A common stock on December 21, 2005.

*Audit Fees.* Audit fees of Ernst & Young LLP during the 2005 and 2004 fiscal years were associated with the annual audit of our consolidated financial statements, statutory audits required internationally, reviews of our quarterly reports filed with the Securities and Exchange Commission and fees related to other regulatory filings. 2004 and 2005 audit fees also included those fees related to Ernst & Young LLP's audit of the effectiveness of the Company's internal control pursuant to Section 404 of the Sarbanes-Oxley Act. Audit fees for 2005 were \$9.3 million, \$3.1 million of which were Sarbanes-Oxley Section 404 fees. Audit fees for 2004 were \$10.4 million, \$7 million of which were Sarbanes-Oxley Act Section 404 fees.

*Audit-Related Fees.* Audit-related fees for services of Ernst & Young LLP during the 2005 and 2004 fiscal years included assistance related to the adoption of new accounting and reporting standards, due diligence in connection with acquisitions, accounting advice, audits of our employee benefit plans, financial statements and separate audits of subsidiaries and affiliated entities not required by statute or regulation. Audit-related fees for 2005 were \$110,000. Audit-related fees for 2004 were \$125,000.

*Tax Fees.* Tax fees during 2005 and 2004 included tax compliance, tax advice and tax planning. Tax fees for 2005 were \$340,000 and 2004 were \$659,000.

*All Other Fees.* There were no other fees paid to Ernst & Young LLP for 2005 or 2004.

**Your Board of Directors unanimously recommends that you vote "FOR" the ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm for the current year. Unless you indicate otherwise, your proxy will vote "FOR" ratification.**

**ITEM 3—APPROVAL OF THE AMENDMENTS TO THE 2004 EQUITY INCENTIVE PLAN**

We are asking our stockholders to approve the amendments to our 2004 Equity Incentive Plan (the 2004 Plan) to increase the number of authorized shares for issuance under the 2004 Plan; to eliminate nonstatutory stock options that may be granted at 85 percent of fair market value on the date of grant; to permit the total number of shares available for grant under the 2004 Plan to be granted as full value awards; to change the definition of "Affiliate" to entities in which AMD owns at least a majority voting, equity or profits interest;

---

## Table of Contents

and to remove the provisions regarding outside director awards such that outside directors awards may be granted pursuant to a director compensation policy approved by the Board of Directors. These amendments will provide the Company with an additional 25 million shares of common stock that can be awarded to employees, consultants and advisors of AMD. The 2004 Plan is intended to promote our long-term growth and profitability by providing us with the tools to remain competitive in attracting and retaining employees.

Stockholders are asking companies to strengthen the link between compensation and performance. Stockholders are also looking for reasonable usage, or “burn” rates, dilution and, as a subset of dilution, outstanding stock options, or “overhang.” Stockholders want executives to have a greater ownership stake in the companies they lead. At the same time, the Financial Accounting Standards Board has implemented new rules governing stock option accounting effective January 2006. We expect that our competitors for talented employees will be using a broader and more creative array of equity and cash incentive vehicles. As a result, we need to alter the nature of our own equity and performance compensation programs and ensure that we have the necessary tools to compete. The Board of Directors believes it is essential to obtain an additional 25 million shares for grant under the 2004 Plan and make the total number of available shares issuable as full value awards.

Approval of these amendments will enable us to compete effectively in the increasingly competitive market for talent over the coming years, while maintaining very reasonable burn rates, dilution and overhang.

In this proxy statement, we refer to any grant from the 2004 Plan as an “Award,” grants made at or above the fair market value of our common stock on the date of grant as “Fair Market Value Awards” and grants at less than the fair market value of our common stock on the date of grant as “Full Value Awards.” Our Board of Directors approved the amendments to the 2004 Plan, subject to approval from our stockholders at the Annual Meeting. Approval of the amendments to the 2004 Plan requires the affirmative vote of the holders of a majority of the shares of AMD’s common stock that are present in person or by proxy and entitled to vote at the Annual Meeting. Our named executive officers and directors will be eligible to receive awards under this plan and therefore have an interest in this proposal.

As of March 6, 2006, approximately 13,882,824 awards were outstanding under the 2004 Plan and approximately 15,344,535 shares were available for grant. The closing price of AMD’s common stock on March 6, 2006 was \$39.39. However, currently no more than a total of nine million of the shares available under the 2004 Plan may be granted as Full Value Awards. In addition, shares that are released from or reacquired by us from outstanding awards under the 2004 Plan shall become available for grant under the 2004 Plan and may be reissued as new Awards.

We believe strongly that the approval of the amendments to the 2004 Plan is essential to our continued success. Our employees are our most valuable asset. Awards such as those provided under the 2004 Plan are vital to our ability to attract and retain outstanding and highly skilled individuals in the extremely competitive labor markets in which we must compete. Such Awards also are crucial to our ability to motivate employees to achieve AMD’s goals.

### **Summary of the 2004 Plan**

The following paragraphs provide a brief summary of the principal features of the 2004 Plan as amended and its operation. Because the following is a summary, it may not contain all of the information that is important to you. A copy of the entire 2004 Stock Plan as amended has been filed with this proxy statement as Exhibit A.

### **Background and Purpose of the Plan**

The 2004 Plan permits the grant of the following types of Awards: (1) nonstatutory stock options, incentive stock options and stock appreciation rights granted at the fair market value of our common stock on the date of grant (Fair Market Value Awards), and (2) restricted stock awards and restricted stock units (Full Value Awards). These amendments will:

- increase the total number of shares available for grant under the 2004 Plan to 42.4 million;

---

## Table of Contents

- eliminate nonstatutory stock options that may be granted at 85 percent of fair market value on the date of grant;
- permit the total number of shares available for grant under the 2004 Plan to be granted as Full Value Awards (eliminating the 9 million share cap on such Awards);
- change the definition of “Affiliate” to entities in which AMD owns at least majority voting, equity or profits interest; and
- remove the provisions regarding outside director Awards such that outside directors may be granted Awards pursuant to a director compensation policy approved by the Board of Directors.

The 2004 Plan is intended to attract, motivate, and retain employees, consultants, and non-employee directors who provide significant services to us. The 2004 Plan also is intended to further our growth and profitability.

### **Administration of the Plan**

Our Board of Directors or a delegate or committee appointed by our Board of Directors (the Committee) administers the 2004 Plan. Awards will also be made pursuant to a director compensation policy providing an Award program for our directors who are not our employees (Outside Directors) that is consistent with Awards previously provided in the 2004 Plan.

Subject to the terms of the 2004 Plan, the Committee has the sole discretion to select the employees and consultants who will receive Awards, determine the terms and conditions of Awards (for example, the exercise price and vesting schedule), and interpret the provisions of the 2004 Plan and outstanding Awards. The Committee may delegate any part of its authority and powers under the Plan to one or more directors and/or officers of AMD, but only the Committee itself can grant stock options or make Awards to participants who are officers of AMD.

If an Award currently outstanding under any of our equity compensation plans expires or is cancelled without having been fully exercised or vested, the unvested or cancelled shares generally will be returned to the available pool of shares reserved for issuance under the 2004 Plan. Also, if we experience a stock dividend, reorganization or other change in our capital structure, the Committee has the discretion to adjust the number of shares available for issuance under the 2004 Plan, the outstanding Awards, and the per-person limits on Awards, as appropriate to reflect the stock dividend or other change.

### **Eligibility to Receive Awards; Performance Criteria**

The Committee selects the employees and consultants who will be granted Awards under the 2004 Plan. Incentive stock options can only be granted to employees. The actual number of individuals who will receive an Award under the 2004 Plan cannot be determined in advance because the Committee has the discretion to select the participants. No individual may receive more than 2,000,000 shares as an Award under the 2004 Plan in any calendar year, except that an individual may receive an Award up to 4,000,000 shares during the first 12 months of employment.

In determining whether an Award should be made, and/or the vesting schedule for any such Award, the Committee may impose whatever conditions to vesting that it determines to be appropriate. For example, the Committee may decide to grant an Award only if the participant satisfies performance goals established by the Committee. The Committee may set performance periods and performance goals that differ from participant to participant. The Committee may choose performance goals based on either company-wide or business unit results, as deemed appropriate in light of the participant’s specific responsibilities. For purposes of qualifying awards as performance-based compensation under Section 162(m), the Committee may (but is not required to) specify performance goals for the entire company and/or a business unit. Performance goals may be based on business criteria including: return on assets; net income; earnings per share; return on equity; return on investment; market share; operating income; strategic positioning programs; cash flow; revenue; new product releases; revenue growth; or other financial measures or performance related measures.

---

## [Table of Contents](#)

After the end of each performance period, a determination will be made as to the extent to which the performance goals applicable to each participant were achieved or exceeded. The actual award (if any) for each participant will be determined by the level of actual performance.

### **Fair Market Value Awards**

*Stock Options.* A stock option is the right to purchase shares of AMD's common stock at a fixed exercise price for a fixed period of time. Under the 2004 Plan, the Committee may grant nonstatutory and incentive stock options. The Committee will determine the number of shares covered by each option.

The exercise price of the shares subject to each nonstatutory stock option and incentive stock option cannot be less than 100 percent of the fair market value of our common stock on the date of the grant.

Any option granted under the 2004 Plan cannot be exercised until it becomes vested. The Committee establishes the vesting schedule of each option at the time of the grant. Options become exercisable at the times and on the terms established by the Committee. Options granted under the 2004 Plan expire at the times established by the Committee, but not later than 10 years after the grant date.

The exercise price of each option granted under the 2004 Plan must be paid in full at the time of the exercise. The Committee may also permit payment through the tender of shares that are already owned by the participant, or by any other means that the Committee determines to be consistent with the purpose of the 2004 Plan. The participant must pay any taxes AMD is required to withhold at the time of the exercise.

*Stock Appreciation Rights.* Awards of stock appreciation rights may be granted pursuant to the 2004 Plan. Stock appreciation rights may be granted to employees and consultants. The Committee determines the terms and conditions of stock appreciation rights. However, no stock appreciation right may be granted at less than fair market value of our common stock on the date of grant or have a term of over ten (10) years from the date of grant. Upon exercising a stock appreciation right, the holder of such right shall be entitled to receive payment from AMD in an amount determined by multiplying (i) the difference between the closing price of a share of our common stock on the date of exercise and the exercise price by (ii) the number of shares with respect to which the stock appreciation right is exercised. AMD's obligation arising upon the exercise of a stock appreciation right may be paid in shares or in cash, or any combination thereof, as the Committee may determine. The Committee may choose to grant stock appreciation rights in tandem with the grant of stock options, such that the exercise of either the stock option or the stock appreciation right would cancel the other.

### **Awards to Outside Directors**

The Board of Directors has adopted a director compensation policy that provides for the automatic granting of Awards to Outside Directors. This policy provides a program consistent with that previously contained in the 2004 Plan. This policy can be amended by the Board. Awards will have a term of 10 years and will have an exercise price per share equal to 100 percent of the fair market value per share on the date of the grant. These options are granted on the date of the Annual Stockholder Meeting, July 31, October 31 and December 15 each year.

## Table of Contents

*Outside Director Program.* An Outside Director who has not previously been elected or appointed as a member of the Board will be granted a stock option award as follows:

<u>Grant Date</u>	<u>Number of Shares</u>	<u>Vesting</u>
Grant date following first election	12,500	4,166—one year following grant; balance—monthly over the next two years
Next grant date	12,500	4,166—one year following first grant; balance—monthly over the next two years

Next grant date	12,500	4,166—one year following first grant; balance—monthly over the next two years
Total	50,000	

Upon re-election to the Board, an Outside Director will automatically be granted an annual stock option award as follows:

Total	25,000	

### Full Value Awards

Under the amended 2004 Plan, the Committee can make the following Full Value Awards:

*Restricted Stock.* Awards of restricted stock are shares that vest in accordance with the terms and conditions established by the Committee. The purchase price for an award of restricted stock will be \$0.00 per share. The Committee will determine the number of shares of restricted stock granted to any employee or consultant. Restricted stock based on continued service may not fully vest for three years from the date of grant. Restricted stock that is performance based may not fully vest for one year from the date of grant.

*Restricted Stock Units.* Restricted stock units are awards that obligate AMD to issue a specific number of shares of AMD common stock in the future if the vesting terms and conditions scheduled by the Committee are satisfied and may be payable in cash or in shares of our common stock. The purchase price for the shares will be \$0.00 per share. The Committee will determine the number of shares that are subject to such restricted stock units. Restricted stock units based on continued service may not fully vest for three years from the date of grant. Restricted stock units that are performance based may not fully vest for one year from the date of grant.

### Change of Control

*Stock Options, Stock Appreciation Rights and Restricted Stock Units.* In the event of a merger or sale of substantially all of our assets, the successor corporation will either assume or provide a substitute award for each outstanding stock option, stock appreciation right and restricted stock unit. In the event the successor corporation refuses to assume or provide a substitute award, the Committee will provide at least 15 days notice that the

---

## [Table of Contents](#)

option, stock appreciation right or restricted stock unit will immediately vest and become exercisable as to all of the shares subject to such award and that such award will terminate upon the expiration of such notice period.

*Restricted Stock.* In the event of a merger or sale of substantially all of our assets, any AMD repurchase or reacquisition right with respect to restricted stock will be assigned to the successor corporation. If our repurchase or reacquisition right is not assigned to the successor corporation, our repurchase or reacquisition right will lapse and the participant will be fully vested in the shares of restricted stock.

*Outside Director Awards.* In the event of a change of control of AMD, the Awards described above will vest 100 percent immediately upon the change of control without regard to termination of their service as a director.

*Acceleration in Connection with a Termination of Employment.* If a participant's employment is terminated for any reason other than for cause (or, with respect to certain participants who are executive officers, there is a constructive termination of their employment) within one year after a change of control, all options held by that participant become fully vested. A constructive termination occurs if the executive officer resigns because of a diminution or adverse change in his or her conditions of employment. In general, a "Change of Control" will be deemed to have occurred upon the acquisition of more than 20 percent of either the then-outstanding shares of AMD common stock or the combined voting power of our then outstanding securities, a change in two-thirds of the Board of Directors over a two-year period, certain mergers or corporate transactions in which we are not the surviving entity, or our liquidation or a sale of substantially all of our assets. The 2004 Plan change of control provisions are not applicable to Awards granted to Dr. Ruiz.

### **Plan Benefits Table**

The following table shows in the aggregate the Annual Options that will be granted to Outside Directors under the 2004 Plan in 2006. Because future awards to our executive officers and employees are discretionary and cannot be determined at this time, the table does not reflect any of those awards.

<u>Name and Position</u>	<u>Exercise Price (per share)</u>	<u>Number of Shares</u>
All director nominees who are not executive officers as a group (6 persons)	Fair market value on date of grant	150,000

### **Non-Transferability of Awards**

Unless the Committee determines otherwise, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the participant, only by the participant. In no event may an award be sold, pledged, assigned, hypothecated, transferred or disposed of for consideration.

### **Federal Tax Aspects**

The following paragraphs are a summary of the general federal income tax consequences to U.S. taxpayers and AMD of Awards granted under the 2004 Plan. Tax consequences for any particular individual may be different.

*Nonstatutory Stock Options.* No taxable income is reportable when a nonstatutory stock option is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the excess of the fair market value (on the exercise date) of the shares purchased over the exercise price of the option. Any additional gain or loss recognized upon any later disposition of the shares would be capital gain or loss.

*Stock Appreciation Rights.* No taxable income is reportable when a stock appreciation right is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the amount of

---

## [Table of Contents](#)

cash received and the fair market value of any shares received. Any additional gain or loss recognized upon any later disposition of the shares would be capital gain or loss.

*Restricted Stock.* A participant will not have taxable income upon grant unless he or she elects under Section 83(b) to be taxed at that time. Instead, he or she will recognize ordinary income at the time of vesting equal to the fair market value (on the vesting date) of the shares received minus any amount paid for the shares.

*Restricted Stock Units.* A participant will not be taxable upon grant or upon vesting of a restricted stock unit. Instead, he or she will be taxable upon receipt of the shares or cash value of the shares at the time that the shares or cash is distributed to the participant. The participant may not make a Section 83(b) election with respect to the restricted stock unit.

*Tax Effect for AMD.* The Company generally will be entitled to a tax deduction in connection with an Award under the 2004 Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, the exercise of a nonstatutory stock option). Special rules limit the deductibility of compensation paid to our Chief Executive Officer and to each of our four most highly compensated executive officers. Under Section 162 (m) of the Internal Revenue code, the annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000. However, AMD can preserve the deductibility of certain compensation in excess of \$1,000,000 if the conditions of Section 162(m) are met. These conditions include stockholder approval of the 2004 Plan, setting limits on the number of Awards that any individual may receive and for Awards other than certain stock options, establishing performance criteria that must be met before the Award actually will vest or be paid. The 2004 Plan has been designed to permit the Committee to grant Awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m), thereby permitting AMD to receive a federal income tax deduction in connection with such Awards.

### **Amendment and Termination of the 2004 Plan and Prohibition on Repricing or Exchange of Awards Without Stockholder Approval**

The Board generally may amend or terminate the 2004 Plan at any time and for any reason; provided, however, that the Board cannot reprice or otherwise exchange Awards under the 2004 Plan, amend the 2004 Plan to increase the number of shares available under the 2004 Plan, or change the class of employees eligible to participate in the 2004 Plan without stockholder consent.

### **Summary**

We believe strongly that the approval of the amendments of the 2004 Plan are essential to our continued success. Awards such as those provided under the 2004 Plan constitute an important incentive for key employees and other service providers of AMD and help us to attract, retain and motivate people whose skills and performance are critical to our success. Our employees are our most valuable asset. We strongly believe that the amendments to the 2004 Plan are essential for us to compete for talent in the very difficult labor markets in which we operate.

**The Board of Directors unanimously recommends a vote “FOR” the approval to the amendments to the AMD 2004 Stock Plan.**

### **ITEM 4—APPROVAL OF THE AMENDMENT TO THE 2000 EMPLOYEE STOCK PURCHASE PLAN**

In 2000, our Board of Directors adopted the 2000 Employee Stock Purchase Plan (ESPP) effective February 1, 2001, authorizing 500,000 shares of our common stock to be issued to employees under the ESPP. The ESPP was approved by the stockholders at the 2000 Annual Meeting of Stockholders. In 2001, our stockholders approved an amendment to increase the total number of shares authorized to be issued under the

---

## [Table of Contents](#)

ESPP from 500,000 to 7,500,000 and to include part-time employees and employees with less than five months of service as eligible participants under the ESPP. In 2003, our stockholders approved an amendment to increase the total number authorized to be issued under the ESPP from 7,500,000 to 14,500,000 shares. As of March 6, 2006, there were 2,004,693 shares of AMD common stock remaining available for issuance under the ESPP. Our stockholders are being asked to approve an amendment to the ESPP to increase the total number of shares authorized to be issued under the ESPP from 14,500,000 shares to 17,500,000 shares.

### **Summary Description of the ESPP**

*Purpose.* The purpose of the ESPP is to provide our employees (including officers) and employees of our participating subsidiaries with an opportunity to purchase our common stock through payroll deductions. The Board of Directors believes that equity participation in the ESPP provides employees at all levels with a greater incentive to contribute to our success.

*Administration.* The ESPP is administered by a committee appointed by the Board. Offerings under the ESPP have a duration of three months and commence on the first business day on or after February 1, May 1, August 1 and November 1 of each year, unless otherwise specified by the Board of Directors.

*Eligibility and Participation.* Any employee, including those who are customarily employed for less than 20 hours per week and less than five months per calendar year by us or our participating subsidiaries, are eligible to participate in the ESPP. Employees become participants in the ESPP by delivering to us a subscription agreement within a specified period of time before the commencement of each offering period.

No employee who owns 5% or more of the total combined voting power or value of all classes of shares of our stock or our subsidiaries' stock, including shares which may be purchased under the ESPP. In addition, no employee is entitled to purchase more than \$25,000 worth of shares under the ESPP in any calendar year based on the fair market value of the shares at the time the option is granted.

We estimate approximately 10,000 of our current employees are eligible to participate in the ESPP. We are not presently able to determine the amount of benefits which may be received by employees under the ESPP.

*Payroll Deductions.* The purchase price of the shares are accumulated by payroll deductions over each offering period. The deductions may not be greater than 20% of a participant's compensation, nor less than a minimum established by the Board or its delegate. Compensation, for purposes of the ESPP, includes salary, shift differential and lead pay, but excludes bonuses, special awards, 50% of certain commissions, overtime, income attributable to option exercises, reimbursements and allowances. A participant may increase or decrease his/her rate of payroll deductions once during each offering period.

All payroll deductions or contributions of a participant will be credited to his/her account under the ESPP and become our general funds. These funds may be used for any corporate purpose. No charges for administrative or other costs may be made by us against the payroll deductions or contributions.

*Purchase price.* The price at which shares are sold under the ESPP is the lower of 85% of the fair market value of our common stock at the beginning of the offering period or 85% of the fair market value of our common stock as of the end of such period.

*Number of shares.* The ESPP authorizes a total of 17,500,000 shares of our common stock for issuance under the ESPP, subject to stockholder approval. The market value of our common stock on the New York Stock Exchange as of March 6, 2006 was \$39.99 per share.

*Withdrawal from the ESPP.* A participant may terminate his/her interest in a given offering by withdrawing all of the accumulated payroll deductions credited to the participant's account five business days

---

## Table of Contents

before the end of the offering period. The withdrawal of accumulated payroll deductions or contributions automatically terminates the employee's interest in that offering. As soon as practicable after withdrawal, the payroll deductions credited to a participant's account are returned to the participant without interest. A participant's withdrawal from an offering does not have any effect upon the participant's eligibility to participate in subsequent offerings under the ESPP.

*Termination of Employment.* Termination of a participant's employment for any reason, including retirement or death, cancels his or her participation in the ESPP immediately. In such event, the payroll deductions or contributions credited to the participant's account will be returned to the participant, or in the case of death, to the person or persons entitled thereto, without interest.

*Changes in Capitalization.* In the event of any stock dividend, stock split, spin-off, recapitalization, merger, consolidation, exchange of shares or other change in capitalization, the number of shares then subject to an option and the number of authorized shares remaining available to be sold shall be increased or decreased appropriately, with other adjustment as may be deemed necessary or equitable by the Board, including adjustments to the price per share.

*Transferability.* No rights or accumulated payroll deductions of an employee under the ESPP may be pledged, assigned or transferred for any reason, and any attempt to do so may be treated by us as an election to withdraw from the ESPP.

*Amendment and Termination of the Plan.* The Board of Directors may at any time amend or terminate the ESPP, except that termination cannot affect options previously granted nor may any amendment make any change in an existing option which adversely affects the rights of any participant without the participant's consent. No amendment may be made to the ESPP without prior or subsequent stockholder approval, if stockholder approval would be required to meet the requirements of Section 423 of the Code or to satisfy the requirements of a stock exchange on which our shares are listed.

*United States Federal Income Tax Consequences.* The ESPP, and the right of participants to make purchases thereunder, is intended to qualify as an "employee stock purchase plan" in the United States under the provisions of Section 423 of the Internal Revenue Code (the Code). This section describes only the United States federal tax consequences of the ESPP. Under Section 423 of the Code, no income will be taxable to a U.S. participant at the time of grant of the option or purchase of shares. We will be entitled to a deduction for amounts taxed as ordinary income to a U.S. participant only to the extent that ordinary income must be reported upon disposition of shares by the U.S. participant before the expiration of the holding period described below. A U.S. participant may become liable for tax upon disposition of the shares acquired, as summarized below.

1. If the shares are sold or disposed of, including by way of gift, at least two years after the date of the beginning of the offering period, the participant will recognize ordinary income in an amount equal to the lesser of (a) the excess of the value of the shares at the time of such disposition over the purchase price of the shares or (b) 15% of the value of the shares at the beginning of the offering period. Any further gain upon such disposition will be treated as long-term capital gain. If the sale price is less than the purchase price, there is no ordinary income and the participant has a capital loss for the difference.
2. If the shares are sold or disposed of, including by way of gift or exchange, before the expiration of the two-year period described above, the excess of the value of the shares on the date of purchase over the purchase price will be treated as ordinary income to the participant. This amount will constitute ordinary income in the year of sale or other disposition even if no gain is realized on the sale or other disposition. A capital loss will be recognized if the sale price is lower than the value of the shares on the date of purchase but any such loss will not affect the ordinary income recognized upon the disposition.

**Your Board of Directors unanimously recommends that you vote "FOR" approval of the amendment to the ESPP. Unless you indicate otherwise, your proxy will vote "FOR" approval.**

**ITEM 5—APPROVAL OF THE 2006 ADVANCED MICRO DEVICES, INC. EXECUTIVE INCENTIVE PLAN**

The Board adopted the 1996 Incentive Plan effective February 7, 1996. The Incentive Plan was approved by the stockholders on April 25, 1996. The stockholders reapproved the performance goals under the Incentive Plan on April 26, 2001. Our stockholders are being asked to approve a restated and amended Advanced Micro Devices, Inc. Executive Incentive Plan (the 2006 Incentive Plan) and the performance goals contained in it.

Under Section 162(m) of the Code, the federal income tax deductibility of compensation paid to our Chief Executive Officer and to each of our next four most highly compensated executive officers may be limited to the extent that it exceeds \$1,000,000 in any one year. We can deduct compensation in excess of that amount if it qualifies as “performance-based compensation” under Section 162(m) of the Code. For compensation paid under the 2006 Incentive Plan to qualify as “performance-based compensation,” the plan must be approved by stockholders. The 2006 Incentive Plan is intended to permit us to pay incentive compensation which qualifies as performance-based compensation, thereby permitting us to receive a federal income tax deduction for the payment of this incentive compensation.

If stockholders approve the 2006 Incentive Plan, awards will be made under the 2006 Incentive Plan in 2006 and thereafter. Performance goals may be based on business criteria including: return on net assets, net income, earnings per share, return on equity, return on investment, market share, operating income, strategic positioning programs, cash flow, stockholder return, revenue, new product releases and revenue growth.

We have had a longstanding practice of linking key employees’ compensation to corporate performance. This increases employee motivation to improve stockholder value—the employee’s reward is directly related to our success. A performance-based incentive plan rewards key employees for achieving objectives for our financial performance. The purposes of the 2006 Incentive Plan are to motivate key employees to improve stockholder value by linking a portion of their cash compensation to our financial performance, reward key employees for improving our financial performance and help attract and retain key employees.

**Summary Description of the 2006 Incentive Plan**

The 2006 Incentive Plan is administered by the Compensation Committee. The members of the Compensation Committee must qualify as “outside directors” under Section 162(m) in order for cash awards under the 2006 Incentive Plan to qualify as deductible performance-based compensation under Section 162(m). Subject to the terms of the 2006 Incentive Plan, the Compensation Committee has the sole discretion to determine the key employees who shall be granted awards, and the amounts, terms and conditions of each award. During any fiscal year no participant may receive a cash award of more than \$10,000,000.

In selecting participants for the 2006 Incentive Plan, the Compensation Committee chooses our key employees who are likely to have a significant effect on our success. The actual number of employees who will receive awards under the 2006 Incentive Plan cannot be determined because eligibility for participation is in the discretion of the Compensation Committee. However, there are currently seven officers of the Company eligible for participation in the 2006 Incentive Plan. Participation in future years will be at the discretion of the Compensation Committee, but we currently expect that a similar number of employees will participate in each year.

Under the 2006 Incentive Plan, the Compensation Committee will determine the fiscal year or other performance period for measuring actual performance (the performance period). The Compensation Committee will establish (a) the performance goals which are to be monitored during the performance period and the target level of performance for each business criterion and (b) a formula for calculating a participant’s award depending on how actual performance compared to the pre-established performance goals. Performance goals may be based on business criteria including: return on net assets; net income; earnings per share; return on equity; return on

## [Table of Contents](#)

investment; market share; operating income; strategic positioning programs; cash flow; stockholder return; revenue; new product releases; and revenue growth.

The Compensation Committee may set performance periods and performance goals which differ from participant to participant. For example, the Compensation Committee may choose performance goals based on either company-wide or business unit results, as deemed appropriate in light of the participant's specific responsibilities. For purposes of qualifying awards as performance-based compensation under Section 162(m), the Compensation Committee may (but is not required to) specify performance goals for the entire company and/or of our business units.

After the end of each performance period, a determination will be made as to the extent to which the performance goals applicable to each participant were achieved or exceeded. The actual award (if any) for each participant will be determined by the level of actual performance achieved. However the Compensation Committee retains discretion to eliminate or reduce the actual award payable to any participant below that which otherwise would be payable under the applicable formula. Awards under the 2006 Incentive Plan generally will be payable in cash after the end of the performance period during which the award was earned.

Given that payments under the 2006 Incentive Plan will be determined by comparing actual performance to the performance goals established by the Compensation Committee, it is not possible to conclusively state the amount of benefits which will be paid under the 2006 Incentive Plan for any performance period. The following table sets forth an estimate of the awards that may be earned by each of the following persons and groups under the 2006 Incentive Plan in 2006. The amounts in the table have been calculated by applying the bonus percentages that would pay out at target performance to the individuals' 2005 salary.

<u>Name and Position</u>	<u>Projected Dollar Value Based on 2005 Objectives</u>
Hector de J. Ruiz Chairman and Chief Executive Officer	\$ 1,425,029
Henri Richard Executive Vice President and Chief Sales and Marketing Officer	\$ 500,850
Derrick R. Meyer President and Chief Operating Officer	\$ 500,859
Robert J. Rivet Executive Vice President and Chief Financial Officer	\$ 544,962
Thomas M. McCoy Executive Vice President, Legal Affairs, and Chief Administrative Office	\$ 502,320
All officers as a group (7 persons)	\$ 4,066,520

The Compensation Committee will be able to amend or terminate the 2006 Incentive Plan at any time and for any reason, as required or appropriate, in order to continue the plan's qualification under Section 162(m). Material amendments to the 2006 Incentive Plan will be subject to stockholder approval.

As discussed above, if the stockholders approve the 2006 Incentive Plan, the compensation payable under the 2006 Incentive Plan is expected to qualify as "performance-based compensation" and be fully deductible by us.

**Your Board of Directors unanimously recommends that stockholders vote "FOR" reapproval of the performance goals of the Incentive Plan. Unless you indicate otherwise, your proxy will vote "FOR" reapproval.**

#### (a) Procedure.

(i) *Section 162(m)*. To the extent that the Administrator determines it to be desirable to qualify Awards granted hereunder as “performance-based compensation” within the meaning of Section 162(m) of the Code, the transactions contemplated hereunder shall be structured to satisfy the requirements for exemption of “performance-based compensation” under Section 162(m) of the Code and related regulations.

(ii) *Rule 16b-3*. To the extent that the Administrator determines it to be desirable to qualify transactions hereunder as exempt under Rule 16b-3, the transactions contemplated hereunder shall be structured to satisfy the requirements for exemption under Rule 16b-3.

(i) to determine the Fair Market Value as defined above;

(ii) to select the Service Providers to whom Awards may be granted hereunder;

(iii) to determine the number of shares of Common Stock to be covered by each Award granted hereunder;

(iv) to approve forms of agreement and documentation for use under the Plan;

(v) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Options or SARs may be exercised (which may be based on performance criteria), transferability, any vesting acceleration or waiver of forfeiture or repurchase restrictions, and any restriction or limitation regarding any Award or the shares of Common Stock relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine;

(c) *Misconduct.* If a Participant is determined by the Administrator to have committed Misconduct then, unless otherwise provided in a Participant's agreement for services as a Service Provider, neither the Participant, the Participant's estate nor such other person who may then hold any Award granted to the Participant shall be entitled to exercise any such Award with respect to any Shares, after termination of status as a Service Provider, whether or not the Participant may receive from the Company (or Affiliate) payment for: vacation pay, services rendered prior to termination, services rendered for the day on which termination occurs, salary in lieu of notice, or any other benefits. In making such determination, the Administrator shall give the Participant an opportunity to present evidence to the Administrator. Unless otherwise provided in a Participant's agreement for services as a Service Provider, termination of status as a Service Provider shall be deemed to occur on the date when the Company (or Affiliate) dispatches notice or advice to the Participant that status as a Service Provider is terminated.

In the absence of a specified period of time in the Plan or the Award Documentation, the Option shall remain exercisable for three (3) months following the date Participant ceased to be a Service Provider. If, on the date of termination, such Participant's Option is not fully vested, then the unvested Shares shall revert to the Plan. (e) *Death or Disability of Participant.* If a Participant's status as a Service Provider terminates from death or Disability, then the Participant or the Participant's estate, or such other person as may hold the Option, as the case may be, shall have the right for a period of twelve (12) months following the date of death or termination of status as a Service Provider for Disability, or for such other period as the Administrator may fix, to exercise the Option to the extent the Participant was entitled to exercise such Option on the date of death or termination of status as a Service Provider for Disability, or to such extent as may otherwise be specified by the Administrator (which may so specify after the date of death or Disability but before expiration of the Option), provided the actual date of exercise is in no event after the expiration of the term of the Option. written non-discretionary formula established by the Board (the "Outside Director Equity Compensation Policy"). The Outside Director Equity Compensation Policy shall set forth the type of Award(s) to be granted to Outside Directors, the number of shares of Common Stock to be subject to Outside Director Awards, the conditions on which such Awards shall be granted, become exercisable and/or payable and expire, and such other terms and conditions as the Board determines in its discretion.

13. *Non-Transferability of Awards.* Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the recipient, only by the recipient. Notwithstanding the foregoing, in no event may an Award be sold, pledged, assigned, hypothecated, transferred, or disposed of for consideration. If the Administrator makes an Award transferable in accordance with this Section 13, the Award Documentation for such Award shall contain such additional terms and conditions as the Administrator deems appropriate.

14. *Leaves of Absence.* Unless the Administrator provides otherwise or as otherwise required by Applicable Laws, vesting of Awards granted hereunder shall cease commencing on the thirty-first day of any unpaid leave of absence and shall only recommence upon return to active service.

15. *Adjustments Upon Changes in Capitalization, Dissolution, Merger or Asset Sale.*

(a) Subject to any required action by the stockholders of the Company, the number of shares of Common Stock covered by each outstanding Award, the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Award, in each case as set forth in Section 3, as well as the price per share of Common Stock covered by each such outstanding Award and the 162(m) annual share issuance limits under Section 6(d) shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Compensation Committee, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Award.

(b) *Dissolution or Liquidation.* In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for a Participant to have the right to exercise his or her Award until ten (10) days prior to such transaction as to all of the Awarded Stock covered thereby, including Shares as to which the Award would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option or forfeiture rights applicable to any Award shall lapse 100%, and that any Award vesting shall accelerate 100%, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised or vested an Award will terminate immediately prior to the consummation of such proposed action.

(c) *Merger or Asset Sale.*

(i) *Stock Options and SARs.* In the event of a merger of the Company with or into another corporation, or the sale of substantially all of the assets of the Company, each outstanding Option and SAR shall be assumed or an equivalent option or SAR substituted by the successor corporation or related corporation. In the event that the successor corporation refuses to assume or substitute for the Option or SAR, the Participant shall fully vest in and have the right to exercise the Option or SAR as to all of the Awarded Stock, including Shares as to which it would not otherwise be vested or exercisable. If an

Option or SAR becomes fully vested and exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Administrator shall notify the Participant in writing or electronically that the Option or SAR shall be fully vested and exercisable for a period of fifteen (15) days from the date of such notice, and the Option or SAR shall terminate upon the expiration of such period. For the purposes of this subsection, the Option or SAR shall be considered assumed if, following the merger or sale of assets, the Option or SAR confers the right to purchase or receive, for each Share of Awarded Stock subject to the Option or SAR immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) received in the merger or sale of assets by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or sale of assets is not solely common stock of the successor corporation or related corporation, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Option or SAR, for each Share of Awarded Stock subject to the Option or SAR, to be solely common stock of the successor corporation or related corporation equal in fair market value to the per share consideration received by holders of Common Stock in the merger or sale of assets.

(ii) *Restricted Stock and Restricted Stock Units.* In the event of a merger of the Company with or into another corporation, or the sale of substantially all of the assets of the Company, repurchase rights on Shares of Restricted Stock, or any consideration into which such Shares of Restricted Stock are converted as part of such merger or sale, may be assigned to the successor corporation or related corporation, and each outstanding RSU shall be assumed or an equivalent award substituted by the successor corporation or related corporation of the successor corporation. If the successor corporation refuses to assume or substitute for such Awards, then Participants shall fully vest in such Awards. If RSUs become fully vested and exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Administrator shall notify Participants in writing or electronically that their RSUs shall be fully vested and exercisable for a period of fifteen (15) days from the date of such notice, and such RSUs shall terminate upon the expiration of such period. RSUs shall be considered assumed if, following the merger or sale of assets, such RSUs confer the right to purchase or receive, for each Share subject to such RSUs immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) received in the merger or sale of assets by holders of Common Stock for each share of Common Stock held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Common Stock); provided, however, that if such consideration received in the merger or sale of assets is not solely common stock of the successor corporation or related corporation, then the Administrator may, with the consent of the successor corporation, provide for the consideration to be received, for each Share subject to such RSUs, to be solely in the form of common stock of the successor corporation or related corporation equal in fair market value to the per share consideration received by holders of Common Stock in the merger or sale of assets.

(d) *Change of Control.* Unless otherwise provided in a Participant's agreement for services as an employee of the Company, if, within one year after a Change of Control has occurred, such Participant's status as an employee of the Company is terminated by the Company (including for this purpose any successor to the Company due to such Change of Control and any employer that is an Affiliate of such successor) for any reason other than for Misconduct or, if applicable, terminated by such Participant as a Constructive Termination, then all Awards held by such Participant shall become fully vested for exercise upon the date of termination of such status, irrespective of the vesting provisions of such Participant's Award Documentations.

16. *Date of Grant.* The date of grant of an Award shall be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination shall be provided to each recipient within a reasonable time after the date of such grant.

19. *Inability to Obtain Authority.* The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder (or the cash equivalent thereof), shall relieve the Company of any liability in respect of the failure to issue or sell such Shares (or the cash equivalent thereof) as to which such requisite authority shall not have been obtained.

20. *Reservation of Shares.* The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

(b) Notwithstanding any provisions of the Plan to the contrary, any option granted to an Employee shall be limited so that immediately after the grant, such Employee would not own stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Corporation or of any Participating Subsidiary of the Corporation (including stock which the employee may purchase under outstanding options and stock, the ownership of which is attributed to the Employee under Section 424 (d) of the Code).

(c) The purchase price per share of such shares shall be the lower of: (i) 85% of the fair market value of a share of the Corporation's Common Stock at the Option Grant Date; or (ii) 85% of the fair market value of a share of the Corporation's Common Stock at the Purchase Date. The fair market value of the Corporation's Common Stock on said dates shall be the closing price on the New York Stock Exchange for such date, or if no sale is made on such date, the corresponding closing price on the first preceding date on which the Corporation's Common Stock was sold.

(d) Any excess contributions remaining in the Employee's account after the purchase of the shares on the Purchase Date will be returned to the employee, or at the employee's election may be rolled over for use in future Offering Periods in locations where the Board or the Committee have determined that such rollover is available under the Plan.

8. Exercise of Option. Unless a participant withdraws from the Plan as provided in Paragraph 10, his option for the purchase of shares will be exercised automatically for the number of whole and fractional shares which the accumulated payroll deductions in his account could purchase at the applicable option price on the Purchase Date. (c) If local law allows for exclusion of part-time employees, in the event an Employee fails to remain in the continuous employ of the Corporation or its Participating Subsidiaries or Affiliates for customarily at least twenty (20) hours per week during an Offering Period, he will be deemed to have elected to withdraw from the Plan and the funds credited to his account will be returned to him and his option cancelled; provided that a participant who goes on an unpaid leave of absence shall be permitted to remain in the Plan with respect to an Offering Period which commenced prior to the beginning of such leave of absence. If such participant is not guaranteed reemployment by contract or statute and the leave of absence extends beyond 90 days, such participant shall be deemed to have terminated employment on the 91st day of such leave of absence. If the participant elected to make contributions to the Plan through payroll deductions, the payroll deductions for a participant who has been on an unpaid leave of absence will resume at the same rate as in effect prior to such leave upon return to work unless changed by such participant or unless the participant has been on an unpaid leave of absence either throughout an entire Offering Period or for more than ninety (90) days, in which cases the participant shall not be permitted to re-enter the Plan until a subscription agreement is filed with respect to a subsequent Offering Period which commences after such participant has returned to work from the unpaid leave of absence.

The Board or the Committee may adopt such rules, guidelines and forms as the applicable laws allow to accomplish the transfer of secondary Class 1 National Insurance Contributions ("NIC") in the United Kingdom ("UK") from the employer to the participants in the UK and to make such transfer of NIC liability a condition to the exercise of options in the UK.

(c) The Board or the Committee may also adopt sub-plans applicable to particular Participating Subsidiaries, Affiliates or locations, which sub-plans may be designed to be outside the scope of Code Section 423. The rules of such sub-plans may take precedence over other provisions of this Plan, with the exception of Paragraph 12(a) above, but unless otherwise superseded by the terms of such sub-plan, the provisions of this Plan shall govern the operation of such sub-plan.

(d) The administration, interpretation or application of the Plan by the Board or the Committee shall be final, conclusive and binding upon all participants. Members of the Board or the Committee who are eligible Employees are permitted to participate in the Plan.

Any such attempt at assignment, transfer, pledge or other disposition, shall be void and without effect, except that the Corporation may treat such act as an election to withdraw funds in accordance with Paragraph 10.

15. Use of Funds. All funds received or held by the Corporation under the Plan may be used by the Corporation for any corporate purpose, and the Corporation shall not be obligated to segregate such funds unless segregation of accounts is required by local law.

Outside Director Equity Compensation Policy

Adopted March 22, 2006

1. General. This Outside Director Equity Compensation Policy (the "Policy") is adopted by the Board of Directors (the "Board") in accordance with Section 12 of the Advanced Micro Devices, Inc. 2004 Equity Incentive Plan (the "Plan"). Capitalized but undefined terms used herein shall have the meanings provided for in the Plan.

2. Board Authority. Pursuant to Section 12 of the Plan, this Board is responsible for adopting a policy for the grant of Awards under the Plan to Outside Directors (as defined therein), which policy is to include a written, non-discretionary formula and also specify, with respect to any such awards, the conditions on which such awards shall be granted, become exercisable and/or payable, and expire, and such other terms and conditions as this Board determines in its discretion.

3. Equity Grants to Directors. Each Outside Director shall be granted an Option to purchase 12,500 Shares under the Plan (the "First Option") on each of the date of the next annual meeting of the Company's stockholders following his or her initial election and appointment as a member of the Board and the next July 31, October 31 and December 15 following his or her initial election and appointment as a member of the Board (or the first business day following such date) (the "Grant Date"). Following the first year in which an Outside Director is first elected and appointed as a member of the Board, on the date of each annual meeting of the Company's stockholders at which such Outside Director is reported as being elected and on the next July 31, October 31 and December 15 following such meeting (or the first business day following such date) each such Outside Director shall be granted an additional Option to purchase 6,250 Shares under the Plan (the "Annual Option"). Further, subject to the right of any Outside Director who has not previously been elected as a member of the Board to receive a First Option, if there are insufficient Shares available under the Plan for each Outside Director who is eligible to receive an Annual Option (as adjusted) in any year, the number of Shares subject to each Annual Option in such year shall equal the total number of available Shares then remaining under the Plan divided by the number of Outside Directors who are eligible to receive an Annual Option on such date, as rounded down to avoid fractional Shares. All Options granted to Outside Directors pursuant to the Plan shall be NSOs.

4. Consideration. The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, may consist entirely of (i) check, (ii) other Shares which (x) either have been owned by the Participant for more than six months on the date of surrender or were not acquired, directly or indirectly, from the Company, and (y) have a Fair Market Value per Share on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option shall be exercised, (iii) delivery of a properly executed

exercise notice together with irrevocable instructions to a broker to promptly deliver to the Company the amount of sale or loan proceeds required to pay the exercise price, or (iv) any combination of the foregoing methods of payment.

5. Term and Vesting. Each Option granted to an Outside Director shall be for a term of ten years. Each First Option shall vest and become exercisable according to the following schedule: one-third on the twelve-month anniversary of the date of grant; the remaining two-thirds vest in monthly increments thereafter, through the third anniversary of the date of grant. Each Annual Option shall vest and become exercisable according to the following schedule: one-third vests on the twelve-month anniversary of the date of grant; the remaining two-thirds vest in monthly increments thereafter, through the third anniversary of the date of grant.

6. Termination of Service as an Outside Director. If an Outside Director's tenure on the Board is terminated for any reason other than Misconduct, then the Outside Director or the Outside Director's estate, as the case may be, shall have the right for a period of twenty-four (24) months following the date such tenure is terminated to exercise the Option to the extent the Outside Director was entitled to exercise such Option on the date the Outside Director's tenure terminated; provided the actual date of exercise is in no event after the expiration of the term of the Option. An Outside Director's "estate" shall mean the Outside Director's legal representative or any person who acquires the right to exercise an Option by reason of the Outside Director's death or disability.

7. Effect of Change of Control. Upon a Change of Control, all Options held by an Outside Director shall become fully vested and exercisable, irrespective of any other provisions of the Outside Director's Option Agreement.

8. Effect of Other Plan Provisions. The other provisions of this Plan shall apply to the Options granted automatically pursuant to this Policy, except to the extent such other provisions are inconsistent with this Policy.

9. Treatment of Awards Previously Issued Under the Plan. Prior to March 22, 2006 and continuing until the initial implementation of this Policy effective as of May 5, 2006, the Company issued Awards to Outside Directors. Those grants will continue to be governed by Section 9 of the Plan as in effect as of their date of grant.

10. Incorporation of the Plan. All applicable terms of the Plan apply to this Policy as if fully set forth herein, and all grants of Awards hereby are subject in all respect to the terms of such plan.

11. Written Grant Agreement. The grant of any Award under this Policy shall be made solely by and subject to the terms set forth in a written agreement in a form to be approved by the Board and duly executed by an executive officer of the Company.

12. Policy Subject to Amendment, Modification and Termination. This Policy may be amended, modified or terminated by the Board in the future at its sole discretion. No Outside Director shall have any rights hereunder unless and until an Award is actually granted. Without
