It should be noted that the remarks made during the presentation may contain projections concerning financial information and statements concerning future economic performance and events, plans and objectives relating to management, operations, products and services, and assumptions underlying these projections and statements. It is possible that AIG's actual results and financial condition may differ, possibly materially, from the anticipated results and financial condition indicated in these projections and statements. Factors that could cause AIG's actual results to differ, possibly materially, from those in the specific projections and statements are discussed in Item 1A. Risk Factors of AIG's Annual Report on Form 10-K for the year ended December 31, 2007, and in Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations of AIG's Quarterly Report on Form 10-Q for the period ended March 31, 2008. AIG is not under any obligation (and expressly disclaims any such obligations) to update or alter its projections and other statements whether as a result of new information, future events or otherwise.

Remarks made may also contain certain non-GAAP financial measures. The reconciliation of such measures to the comparable GAAP figures are included in the First Quarter 2008 Financial Supplement available in the Investor Section of AIG's corporate website, [www.aigcorporate.com](http://www.aigcorporate.com).
