COEUR CEO TO PRESENT AT 7TH INTERNATIONAL MINING CONFERENCE

Dennis E. Wheeler, Chairman, President and Chief Executive Officer of Coeur d'Alene Mines Corporation, will speak at the 7th International Mining Conference in Chihuahua, Mexico on April 25, 2008 at 2:30 pm Eastern time. Mr. Wheeler will present an overview of the Company's strategy and the Palmarejo project.

The slides used by Mr. Wheeler will be available in the Investor Relations section of Coeur's web site, www.coeur.com.

About Coeur

Coeur d'Alene Mines Corporation is one of the world's leading silver companies and also a significant gold producer, with anticipated 2008 production of approximately 16 million ounces of silver, a 40% increase over 2007 levels. Coeur, which has no silver or gold production hedged, is now producing silver at the world's largest pure silver mine - San Bartolomé in Bolivia - and is currently constructing another world-leading silver mine - Palmarejo in Mexico. The Company also operates two underground mines in southern Chile and Argentina and one surface mine in Nevada; and owns non-operating interests in two low-cost mines in Australia. The Company also owns a major gold project in Alaska and conducts exploration activities in Argentina, Bolivia, Chile, Mexico and Tanzania. Coeur common shares are traded on the New York Stock Exchange under the symbol CDE, the Toronto Stock Exchange under the symbol CDM, and its CHESSE Depository Interests are traded on the Australian Securities Exchange under symbol CXC.
