Attendance by Remote Communication

The Annual Meeting will be held entirely by remote communication on the Internet, as permitted by Delaware law. There will be no physical location at which stockholders may attend the Annual Meeting, but stockholders may attend and participate in the meeting electronically. Stockholders who participate in the Annual Meeting by means of remote communication will be deemed to be present in person and will be able to vote during the Annual Meeting at the times that the polls are open. Stockholders who wish to attend the meeting should go to www.icumed.com, click on the Investors tab and click on the icon that says "Annual Meeting" or telephone (800) 915-4836 at least 10 minutes before the beginning of the meeting to register their attendance and complete the verification procedures to confirm that they were stockholders of record as of April 5, 2004, the record date. Proxy Information

A stockholder giving a proxy may revoke it at any time before it is exercised by filing with the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if the person executing the proxy is present at the Annual Meeting electronically and elects to vote in person. Subject to such revocation or suspension, all shares represented by each properly executed proxy received by the Company will be voted in accordance with the instructions indicated thereon, and if instructions are not indicated, will be voted in favor of (i) the election of the nominees for director named in, or otherwise nominated as set forth in this Proxy Statement, and, (ii) the proposal to ratify the selection of independent auditors.

Record Date and Voting

As of April 5, 2004 the outstanding voting securities of the Company consisted of 13,716,827 shares of \$.10 par value Common Stock. Each stockholder of record at the close of business on April 5, 2004 is entitled to one vote for each share then held on each matter submitted to a vote of stockholders. The presence in person electronically or by proxy of holders of a majority of the issued and outstanding Common Stock will constitute a quorum for the transaction of such business as shall properly come before the meeting.

Directors are elected by a plurality of the votes of the shares present in person electronically or by proxy and entitled to vote on the election of directors. Generally, stockholder approval of other matters, such as the ratification of the selection of independent auditors, requires the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote on the matter. Shares voted to abstain on such a matter will be treated as entitled to vote on the matter and will thus have the same effect as "no" votes. Broker non-votes on such matters are not counted as entitled to vote on a matter in determining the number of affirmative votes required for approval of the matter, but are counted as present for quorum purposes.

The term "broker non-votes" refers to shares held by a broker in street name that are present by proxy but are not voted on a matter pursuant to rules prohibiting brokers from voting on non-routine matters without instructions from the beneficial owner of the shares. The election of directors and ratification of the selection of independent certified public accountants are generally considered to be routine matters on which brokers may vote without instructions from beneficial owners.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth information as to shares of Common Stock owned as of April 5, 2004, by (i) each person who, insofar as the Company has been able to ascertain, beneficially owned more than five percent of the outstanding Common Stock, (ii) each director, (iii) each nominee for election as a director, and (iv) all directors and officers as a group. Unless otherwise indicated in the footnotes following the table, and subject to community property laws where applicable, the Company believes that the persons as to whom the information is given have sole voting and investment power over the shares listed as beneficially owned. In the election of directors, the proxy holders intend to vote for the election of George A. Lopez, M.D. and Robert S. Swinney, M.D., who are now members of the Board and whose current terms of office are expiring. It is not anticipated that the nominees will decline or be unable to serve as directors. If, however, that should occur, the proxy holders will vote the proxies in their discretion for any nominee designated to fill the vacancy by the Company's Nominating/Corporate Governance Committee.

Dr. Lopez is the founder of the Company and has served as Chairman of the Board, President and Chief Executive Officer for more than five years. Dr. Lopez has held various offices and served as a director of the Company since its founding in 1984 with some interruptions in service.

Messrs. Brown, Connors and Saucedo and Drs. Kovalchik, Sherman and Swinney have been engaged in their current occupations for more than five years. Mr. Connors previously served as a director from December 1988 to July 1989. Dr. Swinney previously served as a director from 1989 to October 1995.

Board Committees and Attendance at Meetings

The Board of Directors has standing Audit, Compensation and Nominating/Corporate Governance Committees.

Audit Committee. The Board of Directors has an Audit Committee, which consists of Messrs. Brown, Connors and Saucedo (Chairman). As more fully described in the Audit Committee Charter, the Audit Committee oversees the accounting and financial reporting processes of the Company and audits of its financial statements. The Audit Committee met six times in 2003.

During 2003, the Audit Committee consisted of three directors who are independent directors as defined under the listing standards of the Nasdaq National Market System. The Company's Board of Directors adopted a revised Audit Committee charter on July 25, 2003 which is attached to this proxy statement as Appendix I.

The Board of Directors has determined that Joseph R. Saucedo is an "audit committee financial expert" and is "independent," as both those terms are defined by Securities and Exchange Commission regulations.

Compensation Committee. The Board of Directors has a Compensation Committee, consisting of Messrs. Brown, Connors and Saucedo, Drs. Kovalchik (Chairman), Sherman and Swinney. The Board has determined that all members of the Compensation Committee are independent directors under the listing standards of the Nasdaq Stock Market. The Compensation Committee, as more fully described in the Compensation Committee Report, discharges the responsibilities of the Board of Directors relating to executive and director compensation, and oversees incentive, equity based and other compensatory plans in which executive officers and key employees of the Company participate, including authorization of the grant of stock options. The Compensation Committee met three times in 2003.

Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee (the "Committee" under this heading) consists of Drs. Kovalchik, Sherman and Swinney, each of whom the Board of Directors has determined is independent under the listing standards of the Nasdaq National Market System. The Committee operates pursuant to a written charter adopted by the Board of Directors on July 25, 2003, a copy of which can be found on the Company's web site, www.icumed.com. The Committee's role is to recommend to the Board of Directors policies on Board composition and criteria for Board membership, to identify individuals qualified to serve as directors and approve candidates for director and to recommend directors for appointment to committees of the Board of Directors. The Committee also makes recommendations to the Board of Directors concerning the Company's corporate governance guidelines and codes of ethics and business conduct, oversees internal investigations of conduct of senior executives, if necessary, and conducts evaluations of the performance of the Board of Directors. The Committee, which was first appointed on October 17, 2003, did not meet during 2003.

In evaluating and determining whether to recommend a person as a candidate for election as a director, the Committee considers, among other things, relevant management and/or industry experience; values such as integrity, accountability, judgment and adherence to high performance standards; independence pursuant to the guidelines set forth in the listing standards of the Nasdaq National Market System; ability and willingness to undertake the requisite time commitment to Board service; and an absence of conflicts of interest with the Company.

The Committee may employ a variety of methods for identifying and evaluating nominees for director. The Committee will assess the need for particular expertise on the Board of Directors, the upcoming election cycle of the Board and whether any vacancies on the Board of Directors are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Committee will consider various potential candidates for director that may come to the Committee's attention through current directors, the Company's professional advisors, stockholders or others.

The Committee will consider candidates recommended by stockholders. The deadlines and procedures for stockholder recommendations of director candidates are the same as those described below under "Nomination of Directors and Stockholder Proposals." Following verification of the stockholder status of persons proposing candidates, the Committee will make an initial analysis of the qualifications of any candidate recommended by stockholders or others pursuant to the criteria summarized above to determine whether the candidate is qualified for service on the Company's Board before deciding to undertake a complete evaluation of the candidate. Other than

the verification of compliance with procedures and stockholder status, and the initial analysis performed by the Committee, a potential candidate nominated by a stockholder will be treated like any other potential candidate during the review process by the Committee.

The Committee has approved the nominations of Drs. George A. Lopez and Robert S. Swinney for reelection as directors at the Annual Meeting. The Committee considered the candidates' past contributions to the Board of Directors, their willingness to continue to serve and the benefits of continuity in the membership of the Board of Directors and determined that the reelection of the two candidates was appropriate.

The Board of Directors has adopted a Code of Business Conduct and Ethics for Officers, and a copy is available on the Company's website, www.icumed.com.

During 2003, the Board met 13 times. Each director attended more than 75% of the total of all meetings of the Board and any committees on which he serves. It is the policy of the Company to invite and encourage all members of the board of directors to attend the annual meeting. In 2003, five directors attended the annual meeting.

Communications with Board of Directors

The Company's Board of Directors has an established process for stockholder communications. Stockholders may send communications to the Board of Directors or any individual director by mail addressed to: Board of Directors, ICU Medical, Inc. 951 Calle Amanecer, San Clemente, California 92673. Communications addressed to the Board of Directors will be reviewed by the Secretary of the Company and directed to the Chairman of the Board for further review and distribution to certain or all members of the Board of Directors, if and as appropriate. Communications addressed to individual directors will be forwarded directly to the named director. In the past year, the Board of Directors did not take any material action as a result of any stockholder communications that it received.

Executive Compensation

Compensation Committee Report

During 2003, the Compensation Committee (the "Committee" under this heading) consisted of six directors who are not employees or former employees of, or consultants to, the Company. The Committee reviews the performance of the Company and the Chief Executive Officer, sets performance objectives, establishes the compensation of the Chief Executive Officer, and authorizes the grant of options to employees.

The Company's policy in compensating executive officers is to establish methods and levels of compensation that will provide strong incentives to promote the profitability and growth of the Company and reward superior performance and that are sufficiently competitive to attract, retain and motivate highly competent management personnel. Compensation of executive officers includes base salary, performance-based incentive bonuses and stock-based programs.

The Committee has adopted an executive compensation policy which provides a base salary and, if certain performance objectives are met, incentive bonuses and stock options. Upon achievement of performance objectives established by the Committee, officers other than Dr. Lopez could receive, in addition to base salaries, bonuses in amounts ranging from 20% to 33% of their base salaries. The Committee believes that performance-based and stock-based compensation serve to align the interests of the executive officers with the interests of the Company's stockholders.

Bonuses were paid to officers who were deemed to have met the performance objectives for the first half of 2003; cash bonuses were not paid for the second half of 2003. Option awards to officers were made for both the first and second halves of 2003. Officers also receive options under a provision of the 1993 Plan that provides for automatic grants of options to each employee, including officers, every five years on the anniversary date of his or her employment.

The base salary paid to Dr. Lopez in 2003 was set by the Committee in accordance with the Company's executive compensation policy at near the middle of the range of total compensation paid to chief executive officers of companies that the Committee deemed to be comparable to the Company. Under the executive compensation policy, Dr. Lopez received a cash incentive bonus of 55% of his annual base salary for the first half of 2003, but did not receive a bonus for the second half of 2003. Additionally, in 2003, Dr. Lopez was granted options to purchase 50,000 shares in each quarter. The executive compensation policy sets the incentive bonuses and the value of stock options to be awarded to Dr. Lopez at a higher percentage of his base salary than that awarded to other officers. The Committee believes that in view of the Chief Executive Officer's overall responsibility for the success of the Company, it is appropriate that a larger portion of his compensation be contingent on performance.

(6) *Stock Option Grants*

Options to purchase Common Stock of the Company were granted in 2003 to employees under the ICU Medical, Inc. 1993 Stock Incentive Plan ("1993 Plan"), which provides for the grant of options to purchase up to 7,162,500 shares. The exercise price of options granted under the 1993 Plan is the fair market value of the Common Stock on the date of grant. All options granted under the 1993 Plan through April 2000 expire eleven years from issuance and are time-accelerated options which vest upon the earlier of the Company achieving specific operating performance levels or ten years from the date of grant. Options granted since April 2000 expire eleven years from issuance and vest in equal annual amounts on the first, second and third anniversary of issuance except for time-accelerated options granted in 2001, 2002, and 2003 on 16,500, 22,500 and 45,000 shares, respectively; 37,500 of those options vest five years from issuance, and the balance ten years from issuance, unless vesting is accelerated upon achievement of performance goals. The Company may issue more time-accelerated options in the future.

In 2000, two of the Company's wholly owned subsidiaries, Budget Medical Products and SetFinder, Inc. adopted stock option plans. Options were to expire ten years from issuance, except Incentive Stock Options which were to expire five years from issuance. Options vested in equal annual amounts on the first, second and third anniversary of issuance. The subsidiary companies had certain rights to repurchase shares issued under options for as long as the subsidiary was not subject to the reporting requirements of the Securities Exchange Act of 1934. In 2002, non-director employees of the subsidiaries exchanged the options to acquire stock of the subsidiaries, which options were estimated to have an exercise price no less than the fair value of the subsidiaries stock, for options to buy the Company's Common Stock at fair market value on the exchange date. In January 2003, the remaining option holders, consisting solely of the Company's directors, agreed to surrender their options for no consideration, and the stock option plans of the subsidiaries were terminated.

- (1) The rates of stock appreciation reflected in the table are assumed solely for the purpose of compliance with the rules of the Securities and Exchange Commission relating to the disclosure of executive compensation. The Company's Common Stock has at times appreciated at rates substantially different than the assumed rates and at other times the value of the Common Stock has declined. Neither the assumed appreciation rates nor the actual changes in the share value of the Company's common stock since the dates of option grants are necessarily indicative of any future value of the Common Stock. The actual realizable value of the options may be substantially greater or less than that reflected in the table depending on the actual changes in the share value during the options' terms.

The companies in the peer group selected by the Company are Merit Medical Systems, Inc., Microtek Medical Holdings, Inc., ResMed, Inc., Utah Medical Products, Inc. and Vital Signs, Inc. The basis for the selection of the companies in the peer group is that, like the Company, they are all small to mid-size producers of medical products. The peer group for the graph above has been changed from the peer group for the 2002 performance graphs, by including ResMed, Inc. in place of Gish Biomedical, Inc., because there has been no public market for Gish shares since its acquisition prior to December 31, 2003.

Directors' Compensation

During 2003, the Company paid directors who were not employees of the Company an annual retainer of \$10,000 plus \$1,000 per day for attendance at meetings of the Board and \$500 if the meeting is conducted telephonically. Pay for attendance at meetings of Committees of the Board is \$750 per day, and \$375 if the meeting is conducted telephonically. In addition, under the 2001 Directors' Stock Option Plan, each non-employee director was automatically awarded options to purchase 1,875 shares of Common stock each quarter in 2003.

Employment Agreements

The Company enters into employment agreements with each named executive officer for semi-annual periods ending on June 30 and December 31, and they may be renewed for successive six-month periods upon expiration, unless terminated. They provide for an annual base salary and a bonus payable in cash based on achievement of performance goals. Under the employment agreement, Dr. Lopez receives quarterly grants of options to acquire the Company's stock. Under employment agreements with the other officers, options to acquire the Company's stock are awarded based on achievement of performance goals. In 2003, goals were deemed met for the first half of the year, but not the second half. The Committee approved the grant of options to the officers, other than Dr. Lopez, for the second half of 2003 even though performance goals had not been achieved. Options granted for 2003 expire eleven years from date of grant and vest in equal annual amounts on the first, second and third anniversary of issuance, except for 20,000 options granted to Mr. Costello and 25,000 options granted to Mr. O'Brien, which vest ten and five years, respectively, from date of issuance, unless vesting is accelerated upon achievement of performance goals.

The Company also has an agreement with Dr. Lopez which generally provides that, in the event the Company undergoes a change in control, as defined, and his employment is terminated, or certain negative changes in condition of employment occur, within 24 months of a change in control, he will be entitled to three times his annual salary and bonus, payment of bonus through the date of termination or change in conditions, and continuation of benefits for three years, and any stock options he holds will vest in full. In addition, if any payments are subject to excise tax under Section 4999 of the Internal Revenue Code of 1986, as amended, he will be entitled to a "gross up" of payments to offset the effect of the excise tax. The company will not be entitled to a tax deduction for any payments made under the agreement that are subject to the excise tax.

Life Insurance

The Diana Lopez Insurance Trust is the owner of a \$3 million life insurance policy on Dr. Lopez. The Company has in the past advanced funds to pay the premium on the policy. The Company has a collateral assignment entitling it to recover, generally from the value of the policy, all premiums paid on the policy. Because of legislative changes, the Company has ceased paying premiums on the policy, and has not reached agreement with Dr. Lopez or the owner of the policy on the disposition of the policy. The current premium has not been paid. The total premiums paid to date are \$479,000 and the net surrender value of the policy is approximately \$384,000. If no further premiums are paid and no other action is taken, the policy will lapse in approximately fifteen years, at which time it will have no value.

SELECTION OF AUDITORS

The Audit Committee of the Board of Directors of the Company has selected Deloitte & Touche LLP, as independent auditors of the Company for the year ending December 31, 2003, and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting. Deloitte & Touche LLP audited the Company's financial statements for the first time in 2002. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and respond to appropriate questions.

On July 22, 2002, we first engaged Deloitte & Touche LLP as our independent auditors. During the past two years and the subsequent interim period before we engaged Deloitte & Touche LLP, we had not (and no one on our behalf had) consulted with Deloitte & Touche LLP on the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial

statements, or any other matter that was either the subject of a disagreement or reportable event as set forth in the regulations of the Securities and Exchange Commission.

Fees Paid to Auditors

It is the policy of our Audit Committee to have the engagement of our independent auditor to perform any audit or non-audit services approved in advance by the Audit Committee. Such approval authority is delegated to the Chairman of the Audit Committee on behalf of the Audit Committee as permitted by the Audit Committee Charter.

Deloitte & Touche LLP was our independent auditor for the past two years. Fees billed by Deloitte & Touche LLP for those years are as follows:

| | <u>2003</u> | <u>2002</u> |
|-----------------------------|------------------|-----------------|
| Audit fees | \$190,360 | \$ 48,200 |
| Audit related fees | 19,250 | 1,000 |
| Tax fees | -0- | -0- |
| All other fees | -0- | -0- |
| Audit related services: | | |
| Seminar | \$ 5,000 | \$ -0- |
| SEC filings | 4,500 | 1,000 |
| Special audit procedures | 5,250 | -0- |
| Accounting consultation | <u>4,500</u> | <u>-0-</u> |
| | <u>\$ 19,250</u> | <u>\$ 1,000</u> |

The engagement for all audit related services was approved in advance by our Audit Committee.

On June 18, 2002, we dismissed Arthur Andersen LLP ("Andersen") as our independent accountants. Andersen's report on our financial statements for 2001 did not contain an adverse opinion, a disclaimer of opinion or a qualification. During 2001 and the interim period of 2002 before we dismissed Andersen, there were no disagreements on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, and there were no "reportable events" as defined in the regulations of the Securities and Exchange Commission. The decision to change independent accountants was approved by the Audit Committee.

We furnished Andersen a copy of our Current Report on Form 8-K dated June 18, 2002 containing the foregoing disclosures, and requested Andersen to furnish us a letter addressed to the Securities and Exchange Commission stating whether Andersen agreed with the foregoing disclosures, or, if not, stating the respects in which it does not agree. Andersen's letter stating that it agreed with our disclosures was included as an exhibit to the Form 8-K.

In 2002 we paid Andersen fees and expenses for the following services:

| | |
|--------------------|----------|
| Audit fees | \$47,040 |
| Audit related fees | 1,500 |
| Tax fees | 47,040 |
| All other fees | 58,459 |

Audit fees related to the audit of the 2001 consolidated financial statements and review of the quarterly consolidated financial statements included in the Company's March 31, 2002 Form 10-Q. Audit related services related to SEC filings (\$1,000) and Other (\$500). Tax fees were for tax planning and tax return preparation. All other fees were for financial information system design and implementation services.

The Audit Committee had considered whether the provision of non-audit services was compatible with maintaining Arthur Andersen LLP's independence and concluded that there was no incompatibility.

Audit Committee Report

The Company's audited consolidated financial statements are included in the Company's Annual Report to Shareholders and Form 10-K. The Audit Committee has reviewed and discussed those financial statements with management of the Company and has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as amended. Further, the Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standards No. 1, "Independence Discussions with Audit Committees", as amended, and has discussed the independent auditor's independence with them. Based on these reviews and discussions, the Audit Committee has recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report to Stockholders and Form 10-K.
