MIDWEST AIR GROUP REPORTS JANUARY PERFORMANCE
Midwest Among Industry Leaders
With Strong Improvement in Traffic, Load Factor and Unit Revenue

Milwaukee, Wisconsin, February 12, 2007 – Midwest Air Group, Inc. (AMEX: MEH) today reported January performance data for Midwest Airlines and Midwest Connect. For January, the company was among the industry leaders in load factor improvement, underscoring its commitment to sustainable growth. At the group level, a 14.1% increase in traffic outpaced a 7.6% increase in capacity, resulting in a 3.8 percentage point increase in load factor compared with January 2006. Revenue per total available seat mile increased 5.6% in the same time period.

Midwest Airlines features jet service throughout the United States, including Milwaukee's most daily nonstop flights and best schedule to major destinations. Catering primarily to business travelers and discerning leisure travelers, the airline earned its reputation as "The best care in the air" by providing passengers with impeccable service and onboard amenities at competitive fares. Skyway Airlines, Inc. – Midwest's wholly owned subsidiary – operates as Midwest Connect and offers connections to Midwest Airlines as well as point-to-point service between select markets on regional jet and turboprop aircraft. Together the airlines offer service to 49 cities. Visit <http://www.midwestairlines.com> for more information.
