Delivery Date specified on a previously submitted Purchase Order for the same period, GSK shall have no obligation to supply to Biovail the amount of any such excess or to allow any such change in Delivery Date.

(b) In the event that Biovail fails to deliver to GSK a Monthly Product Supply Schedule, or any Purchase Orders related thereto, on or prior to the end of a calendar month as required in Section 5.03(a) above, the forecast quantities and the terms, including Delivery Date, applicable thereto, for the next applicable calendar month as set forth for such calendar month in the immediately preceding applicable Monthly Product Supply Schedule delivered to GSK by Biovail shall apply.

(c) Quantities of Products actually shipped by GSK may vary from the quantities specified in a Purchase Order by up to {\*\*\*}† and still be deemed to be in compliance with such Purchase Order; provided, however, that Biovail shall only be invoiced for the quantities that GSK actually ships to Biovail (the “Actual Shipment Quantity”).

5.05 Order Quantities. All Product must be ordered in the minimum quantity, or in the minimum quantity plus whole multiples of the incremental order amounts, as set forth on Exhibit 5.05 attached hereto (the “Order Quantities”) and no partial Order Quantities may be ordered by Biovail. Any partial Order Quantities shall be rounded down to the nearest whole Order Quantity. Each Monthly Product Supply Schedule and all Purchase Orders related thereto, shall be stated in Order Quantities when specifying quantities of Product. With respect to order quantities for Zovirax® Ointment three (3) gram tubes and Zovirax® Cream two (2) gram tubes , Biovail shall have the option of a single split of a batch order into two (2) separate shipments, each in such quantity as Biovail may elect, with the first shipment to be delivered by the Delivery Date stated on the Purchase Order therefor, and the second shipment to be delivered and accepted by not later than one hundred twenty (120) days from the Delivery Date of the first shipment.

The foregoing notwithstanding, in no event shall the Net Wholesale Price charged by Biovail, calculated on a per-gram basis, for Zovirax® Cream be less than {\*\*\*}† of the per-gram price for the three (3) gram presentation of Zovirax® Ointment (GSK NDC #00173-099341) set forth on Exhibit 7.02 attached hereto.

(c) Limited Price Reductions - Zovirax® Price Allowance. Notwithstanding the purchase prices set forth in Section 5.06(a) and (b), the purchase prices to be paid by Biovail for each of the Products during a limited period of time commencing on October 1, 2002, and continuing for so long as the Zovirax® Price Allowance is greater than {\*\*\*}† shall be the Reduced Zovirax® Price for that Product. Products shall immediately revert back to the purchase prices specified in Sections 5.06(a) and (b); provided, however, that in the event that regulatory approval of Wellbutrin® XL is granted by the FDA in the USA after September 30, 2003, but before December 31, 2003, then the purchase prices for each of the Products ordered and shipped after the date of such approval shall be the Reduced Zovirax® Price for that Product, subject to the provisions of Section 5.06(c). For the avoidance of doubt, any Product purchased at the Reduced Zovirax® Price following the grant of such regulatory approval will reduce the amount of the Zovirax® Price Allowance (as defined above).

(e) Speculative Buying - Increase in Biovail Prices. With respect to any Product for which the transfer price charged by GSK to Biovail is determined as a percentage of Net Wholesale Price charged by Biovail for such Product, if the quantity of Product in a valid Purchase Order received by GSK within thirty (30) days prior to an increase of the Net Wholesale Price charged by Biovail for such Product exceeds the prior {\*\*\*}† calendar months’ average order quantities for such Product by an excess of {\*\*\*}†, then the order will be invoiced to Biovail based upon the newly increased Net Wholesale Price charged by Biovail.

(f) Speculative Buying - increase in Transfer Prices — With respect to any Product for which the transfer price charged by GSK to Biovail is determined as a percentage of the Net Wholesale Price charged by Biovail for such Product, if the quantity of Product in valid Purchase Orders received by GSK within ninety (90) days prior to an increase of the transfer price charged by GSK to Biovail for such Product exceeds the prior {\*\*\*}† calendar quarters’ average quarterly order quantities for such Product by an excess of {\*\*\*}†, then the order will be invoiced to Biovail based upon the new transfer price.

5.07 Delivery. GSK shall deliver all Products to Biovail F.O.B. The quantities of Product for each calendar month set forth in the Quarterly Product Supply Schedules shall be delivered within fifteen (15) days of the Delivery Date set forth in the Purchase Order applicable to such quantities and GSK shall provide notice to Biovail of any such change in the Delivery Date. Notwithstanding anything herein to the contrary, in the event delivery within the times specified above is not possible due to normal constraints associated with manufacturing, scheduling, or delivery of the Product, GSK may request (in writing or by electronic mail) an alternate Delivery Date and Biovail shall not unreasonably withhold its consent to such alternate Delivery Date (which consent shall be in writing or by electronic mail).

5.08 Invoicing; Payment.

(a) All Product manufactured under this Agreement shall be invoiced by GSK to Biovail upon domestic shipment thereof. Each such invoice shall state (i) Biovail’s then effective per-unit purchase price for Products included in the applicable shipment (the “Per-Unit Purchase Price”); (ii) the Actual Shipment Quantity of Products included in the applicable shipment; (iii)

† Represents material which has been redacted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

Biovail's aggregate purchase price for each Products included in the applicable shipment (the "Aggregate Unit Purchase Price"), which shall be calculated by multiplying the Per-Unit Purchase Price for such Products by the Actual Shipment Quantity of such Products included in the applicable shipment; and (iv) Biovail's aggregate purchase price for all Products included in the applicable shipment (the "Purchase Price"), which shall be calculated by adding all Aggregate Unit Purchase Prices for Products included in the applicable shipment. Biovail shall be responsible, for all freight and insurance, any and all customs fees, duties, value-added taxes or levies imposed with respect to the shipment and importation of the Products, and all sales, use, excise and other taxes imposed or levied by any United States federal, state, or local governmental authority (the actual amount of which shall be included in the applicable invoice and paid by Biovail) with respect to the purchase of the Products. In the event GSK initially pays any such taxes applicable to the purchase of the Products, such amounts paid by GSK shall be invoiced by GSK to Biovail and shall be paid by Biovail in accordance with Section 5.08(b).

(b) Payments for the amounts due and owing as set forth in Section 5.08(a) shall be due and payable to GSK on or before the forty-fifth (45th) day after the date of such invoice, in accordance with Section 7.01. In the event that any such payment is not received by GSK on or before the forty-fifth (45th) day following the date of the related invoice, the unpaid portion of such payment shall accrue interest at the rate specified for late payments in Section 7.03 until such unpaid portion is paid to GSK in full, and Biovail shall be responsible for reasonable attorneys' fees and expenses incurred by GSK in connection with the collection thereof; provided, however, that in the event that two (2) or more consecutive payments are not received by the due dates for such payments, GSK shall have the right to require payment in advance for all future orders of Products beginning with the payment next due immediately following the second (2nd) of such consecutive late payments. Under no circumstances shall Biovail make any payment deductions from any invoice amounts due to GSK unless a credit memorandum from GSK authorizing such deduction has been issued by GSK to Biovail.

5.09 Subcontracts. GSK may subcontract all or any part of the manufacturing process of the Products without the consent of Biovail and in such event GSK will give Biovail written notice that it intends to enter into such subcontract, and no such subcontract shall release GSK of any of its obligations hereunder. Biovail acknowledges that GSK is currently subcontracting part or all of the manufacturing process of the Products to certain of its Affiliates and subcontractors. GSK will provide Biovail with notice of such contracting.

5.10 Forms. In ordering and delivering the Products, as the case may be, Biovail and GSK may use their respective standard forms, provided that nothing in those forms shall be construed to modify or amend the terms and conditions of this Agreement, and, in the case of any conflict herewith, the terms and conditions of this Agreement shall control.

5.11 Quantitative Deficiencies. Biovail shall notify GSK in writing of any claim relating to quantitative deficiencies in any shipment of Products which Biovail considers to have been caused prior to shipment hereunder within fifteen (15) days following receipt of any such shipment. Any claim for a quantitative deficiency which is not made within such fifteen (15) days shall be deemed to have been waived by Biovail, and Biovail shall be obligated to make payment for such Product in accordance with Sections 5.07 and 5.09 above. In the event Biovail determines there is a quantitative deficiency from the applicable shipping documentation, the

parties shall investigate such deficiency and, if the parties agree that such deficiency occurred prior to shipment, the Actual Shipment Quantity shall be adjusted to reflect the parties' agreement; provided, however, that GSK shall have the option of rectifying any such deficiency that occurred prior to shipment by promptly shipping the appropriate quantities of Product, as the case may be, to Biovail, in which case the Actual Shipment Quantity shall be readjusted to include such shipment. Biovail's exclusive remedy for any quantitative deficiencies shall be to pay only for actual quantities shipped or, at GSK's option, receive the appropriate quantities, as provided herein.

5.12      **Delivery of Existing Inventory.** In order to facilitate Biovail's staging of Product inventory in anticipation of the commencement of its distributorship rights hereunder, on or prior to December 17, 2001, GSK shall deliver approximately {\*\*\*}† of the total Existing Inventory to Biovail, F.O.B. GSK's distribution center, freight collect. Biovail shall segregate, or shall cause its warehousing services provider to segregate, the initial shipment of Existing Inventory from any and all other goods or products warehoused by Biovail or such warehousing services provider, and will hold, or cause to be held, the initial shipment of Existing Inventory in quarantine until the Distributorship Commencement Date. Biovail expressly acknowledges and agrees that GSK retains full legal title to the initial shipment of Existing Inventory until the Distributorship Commencement, and that until the Distributorship Commencement Date GSK shall for accounting purposes treat the Existing Inventory as consignment inventory in the possession of a distribution services provider. As such, Biovail will not formally record its receipt of the initial shipment of Existing Inventory into its books and inventory records prior to GSK's issuance of invoices for the Existing Inventory. Notwithstanding GSK's retention of legal title to the Existing Inventory, in consideration of GSK's delivery of the Existing Inventory in advance of the Distributorship Commencement Date, Biovail hereby undertakes and accepts all risk of loss with respect to the initial shipment of Existing Inventory upon delivery to Biovail, and further agrees to indemnify GSK for any loss or damage GSK may incur as a result of theft of, or casualty to, the initial shipment of Existing Inventory. The remaining balance of the Existing Inventory shall be delivered to Biovail F.O.B. GSK's manufacturing facilities (or those of its Affiliates or subcontractors, if any), freight collect on or about January 7, 2002. Payment for Biovail's purchase of the Existing Inventory shall be made in accordance with Article 7. All Existing Inventory delivered to Biovail shall have an expiration of not less than {\*\*\*}† from the date of delivery by GSK.

With the exception of any pricing discounts applicable to the Products, the shipping terms, forecasting requirements, quality requirements, payment and other terms with respect to the Sample Products shall be as provided in Sections 5.03, 5.04, 5.05, 5.07, 5.08, 5.10 and 5.11 for Products ordered for sale in the trade. It is expressly acknowledged and agreed by Biovail that Biovail's purchases of Sample Products shall not be counted towards Biovail's satisfaction of the Annual Minimum Purchase Requirement for any Calendar Year during the Term of this Agreement, nor shall any payment

With the exception of Sample Product damaged prior to or at the time of delivery to Biovail, or which falls to meet the requirements of Section 6.01, GSK will neither accept, nor issue any credit or refund for, any Sample Products returned by Biovail. Biovail acknowledges that GSK has not sampled Zovirax® Ointment since 1996 and that Sample Product for Zovirax® Ointment will not be available until completion of development, stability testing and approval of Sample Product for Zovirax® Ointment. GSK will fund all regulatory filing and development costs in connection with obtaining FDA approvals required for Sample Product for Zovirax® Ointment. GSK shall commence and complete the development, testing and application for approval of Sample Products as soon as reasonably practicable after the Distributorship Commencement Date.

(b) Upon the Sachet Sample Availability Date for Zovirax® Cream or Zovirax® Ointment, as appropriate, and thereafter, the purchase price for the Sachet Sample, as appropriate, shall be {\*\*\*}† per Sachet Sample unit {\*\*\*}†, subject to an annual increase in March of every Calendar Year of {\*\*\*}† of the then current purchase price, rounded to the nearest whole cent. By way of example, the price effective March 31, 2004 will be {\*\*\*}† and the price effective March 31, 2005 will be {\*\*\*}†, etc

5.14 Development of New Products. The provisions of this Section 5.14 shall be effective April 1, 2003.

(a) Collaboration. GSK and Biovail shall work collaboratively in the development, supply, and distribution of the New Products. GSK agrees to complete any development work in accordance with Milestone Tables attached to this Agreement as Exhibit 5.14, as those Milestone Tables may be amended from time to time in accordance with the terms of this Agreement.

(b) Development of Developed Cream Trade Product, Zovirax® Cream Sachet Sample, and Zovirax® Cream Tube Sample. (i) Development Costs

- Developed Cream Trade Product {\*\*\*}†
- Zovirax® Cream Sachet Sample {\*\*\*}†
- Zovirax® Cream Tube Sample {\*\*\*}†
- Total {\*\*\*}†

The development total cost represents the total amount due to GSK related to the development work conducted by GSK as expressly outlined in this Agreement. Any costs related to regulatory filing fees or additional work beyond the scope of this Agreement are in addition to this total and shall be subject to additional terms and conditions.

(ii) Milestone Payments for each New Product

- Milestone 1 - {\*\*\*}† of total due for a New Product upon project start-up for that New Product.
- Milestone 2 - {\*\*\*}† of total due for a New Product upon the successful production of the first validation batch of the New Product.
- Milestone 3 - {\*\*\*}† of total due for a New Product upon the FDA’s acceptance for filing of the respective SNDA for that New Product.

(iii) Documentation of Completion of Milestones. GSK shall provide written documentation as described below, to Biovail evidencing the completion of Milestones 2 and 3 for each New Product. For Milestone 2, GSK shall provide a certificate of analysis indicating that the first validation batch of the New Product meets all current New Product specifications as contained in the SNDA for the New Product, and for Milestone 3, GSK shall provide the FDA approval letter (redacted to protect GSK Confidential Information).

† Represents material which has been redacted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

(d) Milestone Tables. The timelines for the development work described hereunder for the New Products, and the timelines for development work performed under the terms of the Original Agreement related to the development of Zovirax® Cream 2 gram trade product and Zovirax® Ointment Sachet Sample (“Milestone Tables”) are attached as Exhibit 5.14 hereto and incorporated herein. Biovail acknowledges that GSK’s ability to meet the delivery dates set forth in the Milestone Tables is conditioned upon a number of assumptions, as outlined in the Milestone Tables. In the event the assumptions change, the Milestone Tables will be revised to reflect the new delivery dates and the revisions shall be acknowledged in writing by GSK and Biovail. In the event of a delay due to a change in the assumptions, GSK shall use its Commercially Reasonable Efforts to minimize the impact on the delivery schedule.

5.15 Risk Manufacturing.

(a) Biovail acknowledges that the Milestone Tables are based upon the assumption that GSK will begin production of the New Products, the Zovirax® Cream 2 gram trade product and the Sachet Sample of Zovirax® Ointment (collectively “Zovirax® Products”) prior to FDA approval of the respective SNDA’s and; accordingly, GSK is manufacturing the Zovirax® Products at risk.

(b) Biovail Discretion. Biovail shall have the right to direct GSK in writing not to manufacture any one or more of the Products at risk. In such event, GSK shall adjust the Milestone Tables only to the extent necessary to reflect any additional time required to meet the respective launch date, and Biovail will provide written acknowledgement of such adjustment.

(c) Costs Related to Risk Manufacturing. Biovail shall be responsible for any losses associated with any of the Zovirax® Products manufactured at risk that are not commercially viable, except to the extent such losses are due to GSK’s failure to manufacture that Zovirax® Product according to current good manufacturing practices. Notwithstanding the foregoing, Biovail agrees to be responsible for any such losses due to an FDA change of specifications related to the graphics for that Zovirax® Product.

5.16 Completion of GSK’s Obligation to Develop Sample Presentations. Notwithstanding Sections 4.04, 5.13 and 5.14, Biovail hereby acknowledges that GSK’s obligation to develop the Sample Products shall have been fulfilled upon GSK’s completion of the development of the Sachet Sample of Zovirax® Ointment and the Sachet Sample of Zovirax® Cream. Biovail acknowledges that, other than the Zovirax® Cream Sample Products and the Sachet Sample of Zovirax® Ointment, GSK shall have no further obligation to develop any other presentations of the Products for use as physician samples for Biovail, except upon the written agreement of GSK and Biovail.

5.17 Discontinuance of Sample Products. From and after the dates that Sachet Sample of Zovirax® Ointment and the Sachet Sample of Zovirax® Cream have received regulatory approval are available for shipment to Biovail and for distribution in the Territory, respectively, GSK shall have no obligation to provide to Biovail any Sample Products other than the Sachet Samples, except that GSK shall be required to fill all orders in the then current Firm Zone for Sample Products delivered pursuant to Section 5.04(b) for the other Sample Products, unless

otherwise agreed to by GSK and Biovail in writing, and GSK may discontinue, at its sole discretion, the production of any other Sample Products.

5.18      **DISCLAIMER OF WARRANTIES.** EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT, THERE ARE NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, MADE OR GIVEN BY EITHER PARTY HEREUNDER, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE OF ANY PRODUCT.

**ARTICLE 6.**

MANUFACTURE OF PRODUCT;  
ADVERSE REACTION REPORTING AND PRODUCT COMPLAINTS;  
MEDICAL INFORMATION SERVICES;  
PRODUCT RETURNS;  
COMPLIANCE WITH APPLICABLE LAW; COMPLIANCE AUDITS

6.01      **Manufacture of Product.** GSK shall cause the Products to be manufactured in accordance with Good Manufacturing Practices, except for such non-material noncompliance which exists on the date of this Agreement and which does not preclude the release and marketing of the Products in accordance with Applicable Laws in the Territory. All Products shipped to Biovail for sale to the trade shall have product dating of not less than eighteen (18) months. GSK shall provide timely prior written notice of proposed material changes with respect to the manufacture of Product, of which GSK shall have been notified and which would adversely impact GSK’s ability to meet its supply obligations hereunder.

6.03      **Rejection of Product; Biovail Remedies.**

(a)      Biovail shall notify GSK in writing of any rejection of shipment of any Product within fifteen (15) days after delivery of such Product to Biovail and shall set forth in such written notification the reason for such rejection, including any inspection results. Failure to so notify GSK of, or to identify the basis under this Agreement for, rejection of any Product within such rejection period shall constitute acceptance of such Product and, thereafter, Biovail shall be obligated to make payment for such Product in accordance with Sections 5.07 and 5.09 above. If the Parties disagree as to whether any Product conforms with applicable labeling or the Product Registration for the Product, then samples and/or batch records, as appropriate, from the batch which is in dispute shall promptly be provided by both parties as required and submitted for testing and evaluation to an independent Third Party as shall be agreed to in writing by both Parties. The determination of such Third Party as to whether the Product conforms to applicable labeling or the Product Registration for the Product will be final and binding. Except as provided in Section 6.03(b) below, the cost of the testing and evaluation by the Third Party shall be borne by Biovail if the Third Party determines that the Product conforms with applicable labeling or

the Product Registration for the Product, and by GSK if the Third Party determines that it does not.

(b) If, pursuant to Section 6.03(a) above, any Product is found not to conform with the labeling or the Product Registration for the Product as a result of a cause occurring prior to placement thereof with the carrier, and Biovail either returns such non-conforming Product to GSK, or following receipt of GSK's prior written authorization to destroy such rejected Product, in accordance with Applicable Laws, GSK shall reimburse Biovail for all reasonable costs and expenses in connection therewith and, at GSK's option, GSK shall, (i) credit Biovail for the Invoiced Amount paid by Biovail to GSK for such rejected Product, or (ii) replace such rejected Product as promptly as reasonably practicable, but in no event later than forty-five (45) days following receipt of written notice of such rejection, at no additional cost to Biovail. Biovail's exclusive remedy for any non-conforming Product shall be to receive a credit or replacement of Product as provided herein.

6.04 Medical Information Services. Commencing as of 12:01 a.m. EST on January 2, 2002, Biovail shall assume, and shall, at its expense, have sole and exclusive responsibility for, all medical information services for the Product. In fulfillment of its obligations under this Section 6.04, Biovail shall develop and implement written procedures for the administration of, and response to, all medical inquiries concerning the Products received from consumers, physicians, pharmacists and other health care professionals. GSK shall provide to Biovail photocopies of any applicable medical letters or electronic copies of same. Any use or modification of any medical information letters database, or any other related material, provided by GSK at the request of Biovail shall be the sole and exclusive liability of Biovail.

6.05 Product Returns.

(a) For the period from the Distributorship Commencement Date through December 31, 2002, GSK will, at its sole cost and expense, process and issue credits (or render payment in such other form as GSK may in its sole discretion determine) for all returned Products bearing GSK's NDC numbers. Such handling of returned Product by GSK, and the issuance of any credits or other form of reimbursement in connection therewith, shall be in accordance with GSK's then current returned goods policy. GSK will deliver to Biovail, at Biovail's sole cost and expense, any returned Product received by GSK which bears the Biovail Product NDCs. The foregoing notwithstanding, Biovail will process, and be solely responsible and liable for reimbursements with respect to, Product returns arising with respect to, or resulting from, shipping errors, damage in transit and shortages relating to Biovail sales of Product after the Distributorship Commencement Date.

(b) Biovail agrees and acknowledges that GSK's maximum liability for credits or other reimbursement for returned Product under this Section 6.05 shall be {\*\*\*}† (the "Maximum Returns Credit Amount"). therefor by GSK, shall be determined in accordance with GSK's then current returned goods policy.

(c) Upon GSK's issuance of credits or other reimbursement for returned Product bearing GSK's NDCs, in an aggregate dollar amount equal to the Maximum Returns Credit Amount, any such credits or other reimbursement issued thereafter by GSK shall be the exclusive liability and obligation of Biovail, for which Biovail will be invoiced by GSK on a monthly basis according to the provisions of Articles 5 and 7. Each such invoice shall set forth the number of units processed for each GSK Product NDC, together with such other information as shall be necessary to support the invoice. Biovail shall, within thirty (30) days of its receipt of an invoice, pay to GSK the full invoiced amount, in accordance with the terms of Articles 5 and 7 hereinbelow.

(d) Effective as of January 1, 2003, Biovail shall be solely and exclusively responsible for processing any and all returned Product (including all returned Product bearing GSK's NDCs), and for the issuance of any and all credits or other reimbursement therefor. Any and all returned Product bearing GSK's NDCs received by GSK after December 31, 2002 will be destroyed by GSK, and GSK will, after such destruction, forward to Biovail any accompanying documentation to determine any appropriate credit. Except as otherwise provided herein, Biovail and GSK will not bill one another for costs incurred in processing returned Product GSK and Biovail will use Commercially Reasonable Efforts in requesting that customers direct all Product returns after December 31, 2002 to Biovail.

If either Biovail or GSK obtains information that any Product or any portion thereof is alleged or proven not to conform with the labeling or the Product Registration for such Product in the Territory, such Party shall notify the other Party immediately and shall disclose to the other Party all material facts relative exclusively to the Product recall, however, that no disclosure of information will be required where any trade secrets, proprietary information, intellectual property or know-how of a Party would be disclosed, divulged, or in any way compromised. Both Parties shall cooperate fully regarding the investigation and disposition of any such matter. GSK and Biovail shall each maintain such traceability records as are sufficient and as may be necessary to permit a recall or field correction of any Product. Each Party shall give telephonic notice (to be subsequently confirmed in writing) to the other within twenty-four (24) hours of learning that (a) any applicable regulatory authority in the Territory has issued a request, directive or order that a Product be recalled, or (b) a court of competent jurisdiction has ordered such a recall, or (c) GSK determines after consultation with Biovail that any Product already in interstate commerce in the Territory presents a risk of injury or gross deception, or is otherwise defective, and that recall of such Product is appropriate (a "Recall"). GSK shall have sole responsibility for determining all corrective action to be taken and for implementing any Recall. Biovail will provide full cooperation and assistance to GSK in connection therewith as may be requested by GSK. ARTICLE 8.

REPRESENTATIONS AND WARRANTIES

8.01 Representations and Warranties of Both Parties. Each Party hereby represents and warrants to the other Party that, as of the Effective Date:

(a) Good Standing. Such Party is duly organized, validly existing and in good standing under the Applicable Laws of the state, country or jurisdiction of its incorporation, is duly qualified to transact the business in which it is engaged in each jurisdiction where failure to be so qualified would have a material adverse effect upon its business as currently conducted, and has full corporate power and authority to enter into this Agreement and to carry out the provisions of this Agreement.

(b) Power and Authority. Such Party has the requisite power and authority and the legal right to enter into this Agreement, and to perform its obligations hereunder, and has taken all necessary corporate action on its part to authorize the execution and delivery of the Agreement and the performance of its obligations hereunder. All persons who have executed this Agreement on behalf of such Party, or who will execute on behalf of such Party any agreement or instrument contemplated hereby, have been duly authorized to do so by all necessary corporate action.

(c) Binding Obligation. This Agreement has been duly executed and delivered on behalf of the Party and (assuming the due execution and delivery hereof by the other Party) such agreement is a legal and valid obligation binding upon it and is enforceable in accordance with its terms, except that:

† Represents material which has been redacted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

- (i) such enforcement may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar Applicable Laws now or hereafter in effect relating to creditors rights generally, and
- (ii) such enforcement may be limited by equitable principles and Applicable Law.

8.02 Representations and Warranties of GSK. GSK hereby represents and warrants to Biovail that:

(a) No Violation of Instruments or Contracts. The execution and the delivery of this Agreement and GSK's consummation of the transactions contemplated hereby will not:

- (i) violate the Certificate of Incorporation or By-Laws of any of the GSK Entities;
- (ii) To The Knowledge Of GSK, materially conflict with or result in a material breach of any of the material terms, conditions or provisions of, or constitute an express event of default under, any material instrument, agreement, mortgage, judgment, order, award, or decree specifically relating to the manufacturing, distribution or sale of the Product to which any GSK Entity is a party or by which it is bound and which would have a material adverse effect upon the distribution or sale of the Product as currently conducted by such GSK Entity, or
- (iii) To The Knowledge Of GSK, require the affirmative approval, consent, authorization or other order or action of any court, Governmental Authority or regulatory body or of any creditor of any of the GSK Entities, or
- (iv) To The Knowledge Of GSK, conflict with or result in a violation of Applicable Laws.

(b) Compliance with Applicable Law. Each GSK Entity is in compliance with all requirements of Applicable Law within the Territory, except to the extent that any noncompliance would not have a material adverse effect on the conduct of the manufacture, distribution or sale of the Products as currently conducted by such GSK Entity and would not materially and adversely affect GSK's ability to perform its obligations under this Agreement.

(c) Litigation and Claims. There is no litigation, arbitration, claim, governmental or other proceeding (formal or informal), or, To The Knowledge of GSK, governmental investigation pending or threatened in writing within the Territory relating to the Products (it being understood that this sentence does not relate in any way to the subject matter of Section 8.02(e) of this Agreement), which, if adversely determined, would have a material adverse effect upon GSK's ability to perform its obligations under this Agreement. GSK and its Affiliates are not in violation of, or in default with respect to, any Applicable Law, rule, regulation, order, judgment or decree, which violation or default would have a material adverse effect upon GSK's

ability to perform its obligations under this Agreement; nor is GSK or any of its Affiliates required to take any action outside of the ordinary course of business in order to avoid such violation or default.

(d) Regulatory Filings. GSK is the lawful holder of all rights under each of the NDA. GSK has complied in all material respects with all Applicable Laws and regulations in connection with the preparation and submission to the FDA of the NDA for Zovirax® Cream, and the NDA has been approved by the FDA.

(e) Trademarks.

- (i) BW USA, a wholly-owned subsidiary of GSK, is the owner or exclusive licensee of the Trademarks in the Territory and such Trademarks are all the issued and registered trademarks for the Product in the Territory.
- (ii) The Trademarks are in full force and effect and have been maintained to date in the Territory.
- (iii) To The Knowledge GSK, none of the Trademarks infringes upon any trademark or other proprietary rights of any other Third Party in the Territory. There is no action, suit or proceeding pending or, To The Knowledge of GSK, that has been threatened in writing by any Third Party in the Territory against GSK or its Affiliates, which if adversely determined, would have a material adverse effect upon the ability of GSK or its Affiliates to use the Trademarks in connection with the marketing or sale of the Products in the Territory as currently conducted by GSK.

(f) Patents.

- (i) GSK makes no representations or warranties that the claims of the patents of GSK are valid and/or enforceable or will be held valid and enforceable in the Territory. Further, GSK makes no representations or warranties that Biovail's exercise of its rights under the Agreement will not infringe the patent rights of Third Parties.
- (ii) GSK represents and warrants that To The Knowledge of GSK, as of the Effective Date, there is no action, suit, proceeding, alternative dispute resolution, mediation or investigation pending against GSK relating to GSK's patents for the Products in the Territory. GSK further represents and warrants that To The Knowledge of GSK, as of the Effective Date, GSK has not received notice of any material claim or counterclaim that GSK infringes or violates any patent rights of Third Parties in the Territory, or that any of GSK's patents are invalid and/or unenforceable in the Territory.

8.03 Representations and Warranties of Biovail. Biovail hereby represents and warrants to GSK that:

- (a) No Violation of Instruments or Contracts. The execution and the delivery of this Agreement and the consummation of the transactions contemplated hereby by Biovail will not:
- (i) violate the Certificate of Incorporation or By-Laws of Biovail;
  - (ii) To The Knowledge Of Biovail, materially conflict with or result in a material breach of any of the material terms, conditions or provisions of, or constitute an express event of default under, any material instrument, agreement, mortgage, judgment, order, award, or decree to which Biovail is a party or by which it is bound and that would have a material adverse effect upon the ability of either Biovail to perform its respective obligations under this Agreement; or
  - (iii) To The Knowledge Of Biovail, require the affirmative approval, consent, authorization or other order or action of any court, governmental authority or regulatory body or of any creditor of Biovail or any of their respective Affiliates.
  - (iv) To the Knowledge of Biovail, conflict with or result in a violation of Applicable Laws.
- (b) Compliance with Applicable Law. Biovail, its Affiliates and the Designated Biovail Affiliate are in compliance with all requirements of Applicable Law within the Territory, except to the extent that any noncompliance would not have a material adverse affect upon its ability to perform its obligations under this Agreement.
- (c) Litigation and Claims. There is no litigation, arbitration, claim, governmental or other proceeding (formal or informal), or, To The Knowledge of Biovail, governmental investigation pending or threatened in writing within the Territory against Biovail or any of its Affiliates where an adverse outcome would have a material adverse affect upon Biovail’s ability to perform its obligations under this Agreement. Biovail and its Affiliates are not in violation of, or in default with respect to, any Applicable Law, rule, regulation, order, judgment, or decree, which violation or default would have a material adverse effect upon Biovail’s ability to perform its obligations under this Agreement; nor is Biovail or any of its Affiliates required to take any action outside of the ordinary course of business in order to avoid such violation or default.

8.04 No Reliance by Third Parties. The representations and warranties of a Party set forth in this Agreement are intended for the sole and exclusive benefit of the other Party hereto, and may not be relied upon by any Third Party.

**ARTICLE 9.**

INDEMNIFICATION AND INSURANCE

9.01 GSK Indemnity. GSK shall indemnify and hold Biovail, its Affiliates, and its and their employees, agents, officers, and directors (individually and/or collectively referred to herein as an “Biovail Party”) harmless from and against any and all losses, liabilities, damages

(exclusive of special or consequential losses or damages), fees (including, until such time as GSK has notified Biovail in writing that it will assume control of a given Biovail Claim (as defined below), reasonable attorneys fees and costs of litigation pertaining to such Biovail Claim), and expenses paid or payable by an Biovail Party to a Third Party that result from or arise in connection with a claim, suit or other proceeding made or brought by such Third Party against an Biovail Party (a “Biovail Claim”) based on;

- (i) the breach of any obligation, covenant, agreement, representation or warranty of GSK contained in this Agreement, or
- (ii) any Third Party litigation, arbitration, claim, governmental or other proceeding (formal or informal) or investigation arising out of or based upon the distribution, marketing, advertisement, promotion or sale of the Products by GSK prior to the Distributorship Commencement Date, or
- (iii) infringement of a Third Party’s patents, trademarks or service marks by reason of Biovail’s purchase of a Product under this Agreement which was manufactured by or for GSK and the Product’s sale by Biovail under the Patents, Trademarks or service marks for the Product in accordance with the provisions of this Agreement; or
- (iv) Third Party litigation, arbitration, claims, governmental or other proceeding (formal or informal) or investigation arising out of or based upon the manufacture of the Products by GSK or its Affiliates, and any use of any Product, whether prior to or after, the Distributorship Commencement Date;

provided, however, that GSK shall not be obligated to indemnify a Biovail Party under (i), (ii), (iii) or (iv) above for any loss, liability, damages, fees or expenses incurred by such Biovail Party to the extent arising out of or attributable to (a) a breach by Biovail of any obligation, covenant, agreement, representation or warranty of Biovail contained in this Agreement, or (b) any act or omission by Biovail or a Biovail Party which renders a Product defective and unreasonably dangerous or which constitutes negligence, recklessness, gross negligence, or willful misconduct on the part of Biovail or a Biovail Party, or (c) any overpromotion of a Product or dilution of a Product’s labeling or warnings by Biovail or a Biovail Party.

9.02 Biovail Indemnity. Biovail shall indemnify and hold GSK, its Affiliates, and its and their employees, agents, officers, and directors (individually and/or collectively referred to hereinafter as a “GSK Party”) harmless from and against any and all losses, liabilities, damages (exclusive of consequential or special losses or damages), fees (including, attorneys fees and costs of litigation pertaining to a GSK Claim (as defined below)), and expenses paid or payable by a GSK Party to a Third Party that result from or arise in connection with a claim, suit or other proceeding made or brought by a Third Party against a GSK Party (a “GSK Claim”) based on, resulting from, or arising in connection with,

- (i) the breach of any obligation, covenant, agreement, representation or warranty of Biovail, its Affiliates or the Designated Biovail Affiliate contained in this Agreement;
- (ii) any Third Party litigation, arbitration, claim, governmental or other proceeding (formal or informal) or investigation arising out of or based upon the, distribution, marketing promotion, detailing or sale of a Product by Biovail or the Designated Biovail Affiliate;
- (iii) infringement of a Third Party's trademarks by reason of the use of "Biovail", or any variant thereof, on the labeling for a Product or in any materials used in promoting, detailing or advertising a Product; or
- (iv) any act or omission rendering a Product defective and unreasonably dangerous or constituting negligence, recklessness, gross negligence or willful misconduct on the part of Biovail, the Designated Biovail Affiliate or any other Biovail Party; any failure of promotional materials developed by Biovail or the Designated Biovail Affiliate to comply with applicable labeling and Product Registrations and with applicable law and regulations; as well as any overpromotion of a Product or dilution of a Product's labeling or warnings by Biovail, the Designated Biovail Party or any other Biovail Party;

provided, however, that Biovail shall not be obligated to indemnify a GSK Party for any loss, liability, damages, fees or expenses incurred by such GSK Party to the extent arising out of, or attributable to, (a) a breach of any obligation, covenant, agreement, representation or warranty of GSK contained in this Agreement, (b) any act or omission by GSK or a GSK Party rendering a Product defective or unreasonably dangerous or constituting negligence, recklessness, gross negligence, or willful misconduct on the part of GSK or a GSK Party, including any failure by GSK to comply with relevant FDA and other applicable regulations or any negligent failure by GSK to supply relevant information about a Product to Biovail.

9.03 Control of Proceedings. Each indemnified Party shall:

(a) give the indemnifying Party written notice of any GSK Claim or Biovail Claim, as the case may be for purposes of this Section 9.03, (a GSK Claim or Biovail Claim being referred to as a "Claim") or any potential Claim promptly after the indemnified Party receives notice of any such Claim or potential Claim. The Indemnifying Party shall notify the indemnified Party of its intentions as to defense of the Claim or potential Claim in writing promptly after receipt of notice of the Claim. Notices under this subsection 9.03(a) shall be provided in accordance with Section 13.13 below, with a copy by overnight courier or facsimile to: in the case of GSK: Carol Ashe, Vice President and General Counsel, Worldwide Business Development Transactions, R & D Legal Operations, GSK, Five Moore Drive, Research Triangle Park, NC 27709; in the case of Biovail to: Ken Cancellara, Senior VP and General Counsel, Biovail Corporation, 2488 Dunwin Drive, Mississauga, Ontario, L5L 1J9; and

(b) allow the indemnifying Party to assume exclusive control of the defense and settlement (including all decisions relating to litigation, defense and appeal) of any such Claim (so long as it has confirmed its indemnification obligation responsibility to such indemnified Party under this Section 9.03(a) with respect to a given Claim); provided, however, that the indemnifying Party may not settle such Claim in any manner that would require payment by the indemnified Party, or would materially adversely affect the rights granted to the indemnified Party hereunder, or would materially conflict with the terms of this Agreement, without first obtaining the indemnified Party's prior written consent, which consent shall not be unreasonably withheld; and

(c) reasonably cooperate with the indemnifying Party in its defense of the Claim (including, without limitation, making documents and records available for review and copying and making persons within its control available for pertinent testimony). If the indemnifying Party assumes defense of the Claim, an indemnified Party may participate in, but not control, the defense of such Claim using attorneys of its choice and at its sole cost and expense. An indemnifying Party shall have no obligation or liability under this Article 9 as to any Claim for which settlement or compromise of such claim or an offer of settlement or compromise of such Claim is made by an indemnified Party without the prior written consent of the indemnifying Party, which consent shall not be unreasonably withheld. If an indemnifying Party notifies the indemnified Party in writing that it will not defend the indemnified Party against such a Claim asserted against the indemnifying Party, or if the indemnifying Party assumes the defense of the Claim in accordance with Section 9.03(a) yet fails to defend or take other reasonable, timely action, in response to such Claim asserted against the indemnified Party, the indemnified Party shall have the right to defend or take other reasonable action to defend its interests in such proceedings, and shall have the right to litigate, settle or otherwise dispose of any such Claim; provided, however, that no Party shall have the right to settle a Claim in a manner that would adversely affect the rights granted to the other Party hereunder, or would materially conflict with this Agreement, or would require a payment by the Party, without the prior written consent of the Party entitled to control the defense of such Claim.

#### 9.04 Limitation of Liability.

(a) EXCEPT AS OTHERWISE SET FORTH IN SECTION 9.04(C), IN NO EVENT SHALL EITHER GSK OR BIOVAIL BE LIABLE TO THE OTHER PARTY FOR ANY CONSEQUENTIAL, SPECIAL, INCIDENTAL OR INDIRECT DAMAGES (INCLUDING, WITHOUT LIMITATION, ANY DAMAGES ARISING FROM THE LOSS OF BUSINESS, DATA, PROFITS OR GOODWILL OR THE COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY) INCURRED OR SUFFERED BY THE OTHER PARTY WITH RESPECT TO EITHER PARTY'S PERFORMANCE OR FAILURE TO PERFORM UNDER THIS AGREEMENT, OR FOR ANY OTHER REASON, EVEN IF APPRISED OF THE LIKELIHOOD OF SUCH DAMAGES.

(b) The limitation of liability expressed in Section 9.04(a) above shall not affect or otherwise limit the obligation of each Party hereunder to indemnify each other (in accordance with the provisions of Section 9.01, 9.02 and 9.03 as applicable) for claims which are brought by Third Parties.

(c) Section 9.04(a) above notwithstanding, in the event that GSK fails to supply Products to Biovail within the timeframes specified in Article 5, Biovail may recover from GSK any consequential damages reasonably and proximately resulting from such failure-to-supply, subject to the following limitations and conditions: (i) GSK shall have no liability to Biovail for any such failure-to-supply arising from or caused by a Force Majeure event as provided in Article 10; (ii) the aggregate total amount of consequential damages for which GSK may be liable is limited to {\*\*\*}†, regardless of whether losses giving rise to consequential damages are incurred on one or many occasions and regardless of whether the losses that would give rise to consequential damages reasonably and proximately suffered by Biovail as a result of such failure-to-supply exceed the limit of {\*\*\*}†, (iii) once GSK has paid Biovail the total aggregate sum of {\*\*\*}†, in consequential damages for failure-to-supply, it shall have no further liability of any kind to Biovail for consequential damages; and (iv) GSK shall have no liability to Biovail for any consequential damages that could have been avoided, reduced or mitigated by the reasonable efforts or actions of Biovail.

9.05 Insurance. Biovail shall maintain at all times during the Term, and thereafter for ten (10) years, comprehensive general liability insurance, with endorsements for contractual liability and product liability with coverage limits of not less than {\*\*\*}† per occurrence or claim, and an annual aggregate limit of liability of {\*\*\*}†. Notwithstanding the foregoing, within sixty (60) days after the Effective Date, Biovail shall commence and complete a good faith review, in conjunction with Biovail’s insurance brokers and risk management consultants, of Biovail’s total insurance needs in light of Biovail’s current and prospective business activities including, without limitation, product liability coverage, business interruption insurance, and advertiser’s liability insurance to ensure that such coverage is reasonable and customary in the United States pharmaceutical industry for companies of comparable size, activities and product portfolio. Biovail shall present such review to GSK together with Biovail’s plans to update its insurance coverages. Prior to the Effective Date (and thereafter upon each anniversary thereof), Biovail shall furnish to GSK a certificate of insurance evidencing such coverage as of the Effective Date (and each anniversary thereof) and upon request by GSK at any time hereafter. Each such certificate of insurance shall include a provision whereby sixty (60) days’ written notice must be received by GSK prior to any material coverage modification or cancellation by either Biovail or the insurer. In addition to the foregoing, Biovail shall obtain and maintain property insurance on all Products and Sample Products delivered to Biovail and/or its agents, and shall provide GSK with certificates of such coverage, which certificates shall include a provision whereby sixty (60) days written notice must be received by GSK prior to any material coverage modification, or any cancellation, by either Biovail or the insurer.

**ARTICLE 10.**

**FORCE MAJEURE**

10.01 Force Majeure. Any delays in performance by any Party under this Agreement, other than the payment of money, shall not be considered a breach of this Agreement if, and to

the extent, caused by occurrences beyond the reasonable control of the Party affected, including but not limited to acts of God, embargoes, governmental restrictions, materials shortages or failure of any supplier (where such shortage or failure is attributable to a supplier's breach of its agreement with GSK or with a Third Party subcontractor or to an event of force majeure suffered by such supplier), fire, flood, explosion, earthquake, hurricanes, storms, tornadoes, riots, wars, civil disorder, failure of public utilities or common carriers, labor disturbances, rebellion or sabotage. The Party suffering such occurrence shall immediately notify the other Party of such inability and of the period for which such inability is expected to continue, and any time for performance hereunder shall be extended by the actual time of delay caused by the occurrence; provided, however, that the Party suffering such occurrence uses Commercially Reasonable Efforts to mitigate any damages incurred by the other Party. The Party giving such notice shall thereupon be excused from such of its obligations under this Agreement as it is thereby disabled from performing, and shall have no liability for such non-performance, for so long as it is so disabled and for the 30 days thereafter following the cessation of such performance disability.

**ARTICLE 11.**

**CONFIDENTIALITY 11.01**

**11.01 Confidentiality.**

(a) No Party shall disclose, or permit any of its Affiliates to disclose, any Confidential Information (as defined below) to any Third Party, except, in the case of a disclosure by GSK or any of its Affiliates, with the prior written consent of Biovail, or, in the case of a disclosure by Biovail or any of its Affiliates, with the prior written consent of GSK. No Party shall use any Confidential Information for any purposes other than the purposes for which such information was disclosed or obtained. Each Party may disclose Confidential Information to its employees, representatives, consultants, professional advisors and agents who require access to such information in performing activities consistent with the purposes for which such information was disclosed or obtained provided that each Party shall be fully responsible for any breach of this Article 11 by its employees, representatives, consultants, professional advisors or agents. All Confidential Information shall be held in strict confidence by each Party and shall be protected with the same standard of care that such Party uses in protecting its own confidential information of a similar nature, but in no event shall such Party use less than a reasonable standard of care. For purposes of this Agreement, "Confidential Information" shall mean any and all information (i) regarding the terms of this Agreement or (ii) disclosed to or obtained by a Party pursuant to or in connection with the negotiation, execution, delivery and performance of this Agreement or the consummation of the transactions contemplated hereby. This Article 11 shall not apply to any Confidential Information (1) to the extent that the Confidential Information is publicly available or generally known other than by breach of the provisions of this Agreement or is lawfully disclosed by a Third Party which Third Party is not in breach of an obligation of confidentiality or otherwise prohibited from disclosing such Confidential Information; (2) to the extent disclosure is necessary to comply with the requirements of the United States Securities and Exchange Commission, the London Stock Exchange Limited, or any other Governmental Authority, in which event the Party making such disclosure shall notify the other Party as promptly as practicable (and, if possible, prior to making such disclosure), shall consult with the

other Party so as to minimize the necessity of disclosure and shall seek confidential treatment of such information by the relevant Governmental Authority, including without limitation the United States Securities and Exchange Commission or the London Stock Exchange Limited; (3) disclosed by GSK to a Third Party subcontractor to the extent of, and pursuant to, an effective confidentiality agreement with such Third Party subcontractor which agreement contains confidentiality provisions substantially similar to those contained herein, or (4) disclosure of which is reasonably necessary in connection with (and strictly limited to) enforcement of such Party's rights hereunder. The provisions of this Article 11 shall survive the expiration or termination of this Agreement and shall expire on the date ten (10) years from the date hereof.

(b) The confidentiality obligations set forth in this Article 11 shall supersede the Confidential Disclosure Agreement between the Parties, in existence as of the Effective Date ("Confidentiality Agreement"), shall govern any and all information disclosed by either Party to the other pursuant thereto, and shall be retroactively effective to the date of such Confidential Disclosure Agreement.

11.02 Use of Information. Each Party shall use, and cause each of its Affiliates to use, any Confidential Information obtained by it from the other Party or their respective Affiliates, pursuant to this Agreement or otherwise, solely in connection with the transactions contemplated hereby.

11.03 Relief. Each Party shall be entitled, in addition to any other right or remedy it may have, at Applicable Law or in equity, to an injunction, without the posting of any bond or other security, enjoining or restraining any other Party from any violation or threatened violation of this Article 11.

**ARTICLE 12.**

**TERMINATION**

12.01 Term. This Agreement shall become effective as of the Effective Date and, unless sooner terminated as provided herein, shall expire at 11:59 p.m. PST on December 31, 2021.

12.02 Breach. Failure by either Party to comply with any of the material obligations contained in this Agreement shall constitute an event of default under this Agreement, and shall entitle the other Party, if it is not in material default hereunder and subject to any cure provisions provided hereinbelow, to give written notice specifying the nature of the default and to exercise the rights of termination provided hereinbelow. If such default is with respect to (i) any payment required to be made by Biovail pursuant to Articles 5 or 7 and is not cured within ten (10) Business Days after receipt of such notice, or (ii) is with respect to any other obligation of either Party and is not cured within ninety (90) days after the receipt of such notice (or, if such default cannot be cured within such 90-day period, if the Party in default does not, commence and diligently continue substantive actions to cure such default and thereafter effect full cure of such default within one hundred twenty (120) days after receipt of the foregoing notice of default), the notifying Party shall be entitled, without prejudice to any of its other rights conferred on it by this Agreement and in addition to any other remedies available to it by Applicable Law or in

equity, to terminate this Agreement by giving written notice, said termination to take effect immediately upon delivery of such notice.

12.03     Insolvency or Bankruptcy. In the event that a Party shall (i) commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order of relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts; or (B) seeking appointment of a receiver, trustee, custodian, conservator or other similar official for it or for any substantial part of its assets, or the Party shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against a Party any case, proceeding or other action of a nature referred to in clause (i) above that (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed, undischarged or unbonded for a period of one hundred and twenty (120) days; or (iii) there shall be commenced against the Party any case, proceeding or other action seeking issuance of a warrant of attachment, execution, restraint or similar process against all or any substantial part of its assets that results in the entry of an order for any such relief that shall not have been vacated, discharged, or stayed or bonded pending appeal, within one hundred and twenty (120) days from the entry thereof; or (iv) the Party shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clauses (i), (ii), or (iii) above; or (v) the Party shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due; then, (A) upon the occurrence of the events described in clauses (i) or (ii), above, in addition to any other remedies available to the other Party by Applicable Law or in equity, this Agreement immediately shall terminate and all amounts owing under this Agreement shall immediately become due and payable, and (B) upon the occurrence of the events described in clauses (iii), (iv), or (v) above, in addition to any other remedies available to the other Party by Applicable Law or in equity, the other Party may terminate this Agreement, in whole or in part as the terminating Party may determine, by giving written notice, which shall be effective immediately upon delivery of such notice.

12.04     Other Termination Situations.

- (a)     GSK may (without prejudice to any of its other rights conferred on it by this Agreement or by Applicable Law) terminate this Agreement effective immediately by giving written notice to such effect to Biovail in the event that
- (i)     Biovail engages in illegal activities or illegal conduct which materially and adversely damages the market or potential market for the Product; or
  - (ii)    GSK withdraws Product from the U.S. market for safety reasons in connection with a withdrawal of Product from its markets worldwide generally for such reasons (in which event the termination shall be limited to such Product only) which withdrawal continues uninterrupted for a period in excess of twelve (12) consecutive calendar months.

(b) If Biovail shall, at any time subsequent to the provisions of Section 3.02(b)(ii) becoming operative, fail to submit the enumerated items and materials to DDMAC for its pre-clearance review and approval or otherwise fail to meet its obligations under Section 3.02(b)(ii), or if Biovail shall receive a Warning Letter or NOV during or after the Pre-Clearance Period, GSK may (without prejudice to any of its other rights conferred on it herein or by Applicable Laws) terminate this Agreement by written notice to Biovail, with said termination to be immediately effective.

(c) If GSK is unable to supply at least {\*\*\*}† of the amount of Products required to fulfill Purchase Orders, delivered against accepted forecasts of Biovail’s requirements of Products, for a period in excess of ninety (90) consecutive days, Biovail may terminate this Agreement upon thirty (30) days written notice. If GSK’s failure to supply is the result of a force majeure event as specified in Article 10, no further liability shall attach or accrue to either Party upon termination of this Agreement pursuant to this Section 12.05(c).

12.05 Effect of Termination.

- (a) Upon expiration of this Agreement or upon termination of this Agreement by either Party Biovail shall promptly:
- (i) return to GSK all relevant records, materials or confidential information relating to the Product in its (or any Affiliates or contractors’) possession or control;
  - (ii) cease all marketing, sale, promotion, advertising, and distribution of the Product, and
  - (iii) discontinue use of the Trademarks, destroy all advertising or other printed materials bearing the Trademarks, and Biovail’s right to use the Trademarks for the Product in the Territory shall terminate.
- (b) Any acceptance by GSK of any order from Biovail on the sale of any Product by GSK to Biovail after the expiration or termination of this Agreement shall not be construed as a renewal or extension of this Agreement or as a waiver of termination thereof.
- (c) Upon termination of this Agreement by either Party prior to the expiration of the Term, all rights granted to Biovail under Article 2 hereof with respect to the Product shall terminate and revert solely in GSK.
- (d) Upon termination of this Agreement by GSK under Sections 12.02, 12.03 or 12.04(a)(i) above GSK may, in its sole discretion, elect to repurchase Products from Biovail, in such quantity as GSK shall determine, up to an aggregate dollar amount equal to two (2) months of Product inventory (as determined based upon Biovail’s aggregate monthly purchases of Products from GSK for the immediately preceding twelve (12) calendar months). All Product so

repurchased by GSK shall be sold to GSK at the per-unit purchase price originally paid for such Product by Biovail to GSK. In making any repurchase of Products, GSK shall have the right to select which units of Product shall be repurchased from Biovail's Product inventory. The remaining balance of Product inventory not selected for repurchase by GSK may thereafter be sold for a period of ninety (90) days following the completion of GSK's selection process at a price per unit that is not less than {\*\*\*}† of the Net Wholesale Price charged by Biovail for such Products as of the date of Termination of the Development Agreement. Upon the expiration of said 90-day period any Product remaining in Biovail's inventory shall be destroyed.

(e) Upon termination of this Agreement by Biovail under Sections 12.02 and 12.03, GSK shall repurchase from Biovail's entire inventory of unexpired Products then on hand, at the per-unit prices paid by Biovail for such Product.

(f) Biovail expressly acknowledges that each of the Distribution Rights Payment and the Additional Rights Payments are unconditional and non-refundable (in whole or in part) and further, expressly agrees that in the event of termination of this Agreement, for any reason whatsoever, there will be no return or refund by GSK of any portion of the Distribution Rights Payment or the Additional Rights Payments.

12.06 Accrued Rights; Surviving Obligations.

(a) Termination, relinquishment or expiration of this Agreement for any reason shall be without prejudice to any rights, which shall have accrued to the benefit of either Party prior to such termination, relinquishment or expiration. Such termination, relinquishment or expiration shall not relieve either Party from obligations, which are expressly indicated to survive termination or expiration of this Agreement.

(b) All of the Parties' rights and obligations under Articles 9 and 11 and Sections 5.01(a) and 12.05 shall survive expiration or termination of this Agreement.

ARTICLE 13.

MISCELLANEOUS PROVISIONS

13.01 Assignment. Neither Party shall assign or otherwise transfer this Agreement or any interest herein or right hereunder without the prior written consent of the other Party, and any such purported assignment, transfer or attempt to assign or transfer any interest herein or right hereunder shall be void and of no effect; except that each Party, unless otherwise prohibited by this Agreement may assign its rights and obligations hereunder to an Affiliate without the prior consent of the other Party (although, in such event, the assigning Party shall remain primarily responsible for all of its obligations and agreements set forth herein, notwithstanding such assignment). In addition, GSK may assign its rights and obligations to a successor (whether by merger, consolidation, reorganization or other similar event) of GSK's business or to a

purchaser of all or substantially all of its business assets. Furthermore, Biovail may assign its rights and obligations to a successor (whether by merger, consolidation, reorganization or other similar event) of Biovail's business or to a purchaser of all or substantially all of its business assets provided Biovail has first obtained GSK's consent which shall be withheld only in the event that GSK determines, using its reasonable business discretion, that such successor is not capable of fulfilling Biovail's obligations under this Agreement with respect to the distribution of the Products as prescription drugs in the Territory.

13.02 Non-Waiver. Any failure on the part of a Party to enforce at any time, or for any period of time, any of the provisions of this Agreement shall not be deemed or construed to be a waiver of such provisions or of any right of such Party thereafter to enforce each and every such provision on any succeeding occasion or breach thereof.

13.03 Dispute Resolution; Venue.

(a) In the event of any dispute, controversy or claim arising out of or relating to this Agreement (hereinafter collectively referred to as a "Dispute"), the Parties shall attempt to settle any such dispute, in good faith, by the Dispute to appropriate senior management representatives of each Party in an effort to effect a mutually acceptable resolution thereof. In the event no mutually acceptable resolution of such Dispute is achieved in accordance with this Section 13.03(a) within a reasonable period of time, any dispute, controversy or claim that arises under, out of, or in connection with, or relating to this Agreement, or any breach, termination or alleged invalidity of this Agreement, shall be resolved by the courts of law of the State of New York.

(b) Venue. Any court proceeding instituted by one Party against the other with respect to this Agreement shall be commenced in the United States District Court for the Eastern District of New York; provided, however, that if a court proceeding is brought as a Third Party action as part of a proceeding pending in a different venue, either Party may initiate such Third Party action against the other Party in such venue.

13.04 Entirety of Agreement; Amendments.

(a) This Agreement, the Exhibits attached hereto, and any related agreements where herein referenced, contain the entire understanding of the Parties with respect to the subject matter hereof and thereof and supersede all previous and contemporaneous verbal and written agreements, representations and warranties with respect to such subject matter. This Agreement shall not be strictly construed against either Party hereto.

(b) This Agreement may be waived, amended, supplemented or modified only by a written agreement executed by each of the parties hereto.

13.05 Public Announcements. The form and content of any public announcement to be made by one Party regarding this Agreement, or the terms hereof, shall be subject to the prior written consent of the other Party (which consent may not be unreasonably withheld), except as may be required by Applicable Law (including, without limitation, disclosure requirements of the SEC, NASDAQ, or any other stock exchange) in which event the other Party shall use

Commercially Reasonable Efforts to give the other Party reasonable advance notice and reasonable opportunity to review any such disclosure.

13.06 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the state of New York, without regard to its conflicts of laws principles.

13.07 Relationship of the Parties. In making and performing this Agreement, the Parties are acting, and intend to be treated, as independent entities and nothing contained in this Agreement shall be construed or implied to create an agency, partnership, joint venture, or employer and employee relationship between GSK and Biovail. Except as otherwise provided herein, neither Party may make any representation, warranty or commitment, whether express or implied, on behalf of or incur any charges or expenses for or in the name of the other Party. No Party shall be liable for the act of any other Party unless such act is expressly authorized in writing by both Parties hereto.

13.08 Counterparts. This Agreement shall become binding when any one or more counterparts hereof, individually or taken together, shall bear the signatures of each of the Parties hereto. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original as against the Party whose signature appears thereon, but all of which taken together shall constitute but one and the same instrument.

13.09 Severability. If any part of this Agreement is declared invalid by any legally governing authority having jurisdiction over either Party, then such declaration shall not affect the remainder of the Agreement and the Parties shall revise the invalidated part in a manner that will render such provision valid without impairing the Parties' original intent.

13.10 Cumulative Rights. Except as herein expressly provided, the rights, powers and remedies hereunder shall be in addition to, and not in limitation of, all rights, powers and remedies provided at Applicable Law or in equity, or under any other agreement between the Parties, and all of such rights, powers and remedies shall be cumulative, and may be exercised successively or cumulatively.

13.11 No Other Rights. No rights or licenses in or to either Party's patent rights, know-how, copyrights or trademarks are granted by a Party to the other, or shall be created or implied hereunder, except those licenses and rights that are expressly granted in this Agreement.

13.12 Expenses. Except as may be otherwise provided herein, GSK and Biovail shall each bear their own direct and indirect expenses incurred in connection with the negotiation and preparation of this Agreement and any related agreements and, except as set forth in this Agreement or any related agreements, the performance of the obligations contemplated hereby and thereby

13.13 Notices. Unless otherwise explicitly set forth herein, any notice required or permitted to be given hereunder shall be in writing and shall be delivered personally by hand, or sent by reputable overnight courier, signature required upon delivery, to the addresses of each Party set forth below or to such other address or addresses as shall be designated in writing in the

same manner: (a) If to GSK: David Stout, President — U.S. Pharmaceuticals, Five Moore Drive, Research Triangle Park, NC 27709, with a copy to Carol Ashe, Vice President and General Counsel, Worldwide Business Development Transactions, R & D Legal Operations, 2301 Renaissance Blvd, King of Prussia, PA, 19406; (b) If to Biovail: Biovail Laboratories Incorporated, Chelston Park, Building 2, Collymore Rock, St. Michael BH1, Barbados, West Indies, Attention: Eugene Melnyk, President with a copy to Biovail Corporation, 7150 Mississauga Road, Mississauga, Ontario L5N 8M5, Attention: Chief Legal Officer. All notices shall be deemed given when received by the addressee.

13.14 Relief From Marketing Obligations. In the event that GSK shall be unable to supply a Product to Biovail for a period of three (3) consecutive calendar months, and Biovail shall deplete its inventory of such Product for sale to the trade, then Biovail may, until such time as GSK resumes shipment of the Product, temporarily suspend its marketing and promotion of the Product. Such temporary suspension shall not be deemed to be a breach of this Agreement. Immediately upon GSK’s resumption of shipments of the Product, Biovail shall resume marketing and promotion of the Product.

13.15 No Benefits Obligations. Each of Biovail and GSK acknowledges and agrees that the other Party is not, and shall not be, responsible to the other Party, its employees, agents or representatives, or to any governmental entity for any compensation or benefits (including without limitation, vacation and holiday remuneration, health care coverage or insurance, life insurance, pension or profit-sharing benefits and disability benefits), pay-roll related taxes or withholdings, or any governmental charges or benefits (including, without limitation, unemployment and disability insurance contributions or benefits and worker’s compensation contributions and benefits) that may be payable to, imposed upon, or be related to the performance of this Agreement by such Party’s employees, agents, contractors or representatives. Each Party acknowledges and agrees that any such individual employees, agents, representatives, contractors or other persons used by such Party to perform its obligations under this Agreement are not employees of the other Party or any of its Affiliates, and that such Persons are not eligible to participate in any “employee benefits plans”, as such term is defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended, that are sponsored by the other Party or any of its Affiliates.

13.16 Audit Rights. Biovail shall, for a period of three (3) years from the end of each Calendar Year during the Term, maintain complete and accurate records of sales, pricing and all other information necessary for GSK to accurately calculate Gross Sales of Products, Net Wholesale Prices charged for Products and satisfaction of Promotional Spend Requirements. GSK shall, upon reasonable advanced written notice, have the right through its employees or an independent, certified public accountant to audit such records at the place or places of business where such records are customarily kept in order to verify the accuracy of the foregoing items. GSK shall bear the full costs of any such audit unless such audit discloses a variance of more than five percent (5%) from the amounts of any Variable Adjustment, Fixed Adjustment or Promotional Spend Requirement calculated in accordance with the terms of this Agreement, in which event, Biovail shall bear the full cost of such audit.

13.17 Condition Precedent. The consummation of the transaction contemplated herein, and rights and obligations of the Parties hereunder, are expressly subject to, and contingent upon,

the execution of the Development Agreement by the Parties and the Parties obtaining any and all required Governmental Authority approvals for the consummation of the transactions contemplated by the Development Agreement, including, without limitation, any and all approvals required under the Hart-Scott-Rodino Antitrust Improvements Act.

13.18 No Reliance. The Parties expressly acknowledge and agree that each Party has full, complete and clear understanding of; (i) the transactions contemplated by this Agreement; (ii) its rights, obligations and liabilities under this Agreement and (iii) all issues and risks associated with the transactions contemplated herein, as uncovered in the course of its due diligence. The Parties further acknowledge and agree that each Party has made a fully informed decision to proceed with the execution of this Agreement and the consummation of the transactions contemplated herein. Each of the Parties further acknowledges and agrees that it is entering into this Agreement in reliance solely and exclusively upon its own due diligence, analysis, forecasts and conclusions, and upon the analysis and opinions of its own outside consultants and advisers (including, without limitation, auditors, accountants and legal counsel), and not as a result of any forecasts, analysis or opinions of the other Party.

IN WITNESS WHEREOF, each of the parties has caused this Agreement to be executed in multiple counterparts by its duly authorized representative.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth and other good and valuable consideration, the receipt and sufficiency of which are mutually acknowledged, GSK and Biovail agree as follows:

1. Section 2.04 of the Agreement is hereby deleted in its entirety and replaced with the following:

**“2.04 Approval of Sciele.**

(a) Notwithstanding the provisions of Section 2.03 and subject to the terms and conditions of this Section 2.04, GSK hereby consents to the engagement by BPI of Sciele to perform certain promotional activities with respect to the Products.

(b) The consent granted by GSK to BPI as provided in Section 2.04(a) above is limited to Sciele only and only for the co-promotion activities set forth in Section 2.04(c). For clarity, the consent granted by GSK as provided herein will not apply to any successor (whether by merger, consolidation, reorganization or other similar event) of Sciele’s business or to a purchaser of all or substantially all of Sciele’s business assets (a “Change of Control”) unless such successor has been approved by GSK. Further, the consent granted by GSK to Biovail as provided in Section 2.04(a) will become effective on January 1, 2007, and will extend until the earlier of (i) the expiration or earlier termination of this Agreement, (ii) the expiration or earlier termination of the Sciele Promotional Services Agreement, or (iii) the effective date of a Change of Control if GSK has not approved such Change of Control (the “Sciele Term”).

(c) Biovail acknowledges and agrees that BPI will enter into a written agreement with Sciele to engage Sciele to perform promotional services with respect to the Products (the “Sciele Promotional Services Agreement”). Ashworth, Ph.D. dated November 27, 2006, and Biovail’s confidentiality obligations) related to the provision of advertising, marketing and promotional services and detailing the Products in the Territory in the performance of Sciele’s obligations under the Sciele Promotional Services Agreement, (provided that Biovail shall continue to file any required Form 2253 filings with DDMAC in respect of promotional materials for the Products); and (ii) the terms and conditions of the Sciele Promotional Services Agreement will be in compliance with Applicable Law and will be consistent with, and no less restrictive than, the terms and conditions of this Agreement. (e) Biovail acknowledges and agrees that despite GSK's consent granted in Section 2.04 above to BPI's engagement of Sciele as provided herein, Biovail remains obligated to perform all terms, obligations, covenants and agreements ascribed to it in this Agreement.

(f) Biovail acknowledges and agrees that for the purposes of this Agreement, Sciele will be deemed to be an agent of BPI and will also be regarded as a CSO. Biovail acknowledges and agrees that its indemnification obligations provided in Section 9.02 of this Agreement will also include any GSK Claim that arises out of, or is the result of any act or omission by Sciele (as a CSO).

(g) Biovail will indemnify and hold harmless each GSK Party (as defined in Section 9.02) from and against any and all losses, liabilities, damages (exclusive of consequential or special losses or damages), fees (including, attorneys fees and costs of litigation), and expenses paid or payable by a GSK Party that result from or arise in connection with a claim, suit or other proceeding made or brought against a GSK Party (i) based on, resulting from, or arising in connection with any act or omission of any party under the Sciele Promotional Services Agreement; and/or (ii) arising by or on behalf of Sciele and/or any of Sciele's affiliates, employees, agents, officers, and directors."

the end of the Term, Biovail shall purchase, or cause its Affiliates to purchase, from Plantex, and Plantex shall sell to Biovail or such Affiliates, {\*\*\*}† of the API required by Biovail, and its Affiliates in connection with the manufacture or marketing of Finished Products for sale in the Territory.

If the Parties are unable to mutually agree upon the Market Price for any calendar year, the Market Price shall remain at the Market Price for the prior calendar year. Plantex will issue invoices upon shipment of API. Invoices will be due and payable forty-five (45) days of the invoice date. All dollar amounts herein refer to U.S. currency. Amounts not paid when due shall accrue interest calculated at the rate of {\*\*\*}† plus the U.S. prime rate (but in no event greater than the maximum rate permitted by law) in effect on the date that the payment should have been made, as published in The Wall Street Journal, Eastern U.S. Edition, calculated on a daily basis. Plantex shall supply (a) the quantities set forth on each Firm Purchase Order and (b) those additional amounts that may be ordered in excess of the forecasted amounts constituting Firm Purchase Orders hereunder, provided that Plantex confirms and accepts orders for those additional amounts in writing within {\*\*\*}† of Plantex’s receipt thereof. ---

† Represents material which has been redacted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

---

- 2.5 During any period during this Agreement in which Plantex, for any reason, including, without limitation, force majeure as defined in Section 12 hereof, either fails to confirm to Biovail that it has the capacity to provide the quantities of API set out in a forecast delivered pursuant to Section 2.3, or fails to supply the requisite quantities of API within sixty (60) days after the date of delivery specified by Biovail in any Firm Purchase Order or any other purchase order accepted and confirmed in writing by Plantex, then Biovail may, as its sole remedy, obtain any such quantities set out in any such forecast or purchase order through an alternate supplier. Any such cover purchases shall be credited against Biovail's purchase requirements set forth in Section 2.1. In the event Plantex regains its ability to resume supplying hereunder, Biovail's right to cover shall terminate immediately upon the delivery by Plantex to Biovail of written notice thereof, provided, however, that Biovail may accept and use any API ordered by Biovail from an alternate supplier before the date of such notice.

Biovail, its Affiliates and any of their contract manufacturers are prohibited from reselling or otherwise transferring all or any portion of API not used in the manufacture of Finished Products for sale in the Territory to any other Person.
- 2.7 Plantex or its Affiliate shall maintain with the FDA a valid DMF for the API that is in full compliance with applicable FDA requirements. Provided that all representations and warranties of Biovail shall remain true and all covenants and undertakings of Biovail are being fully complied with, Biovail shall have the right to reference the DMF in its drug applications for any Finished Product. All API will be manufactured in accordance with cGMP and conform to the Specifications.
- 2.8 Biovail shall keep and maintain complete and accurate records and books of account in sufficient detail and form so as to enable Plantex to verify compliance by Biovail of its purchase requirement obligations in accordance with Section 2.1 hereof. Biovail shall permit those records and books of account to be examined by independent certified public accountant of selected by Plantex, no more than once each calendar year (unless during any calendar year a misstatement is discovered in an audit, in which event an additional audit may be conducted during such calendar year), and only to the extent necessary for Plantex to verify the information required by this Section 2.8. Said independent certified public accountant shall treat as confidential and shall not disclose to Plantex any information from Biovail except for information which must be given to that party pursuant to any provision of this Agreement. This examination must be during normal business hours, upon not less than twenty (20) days' prior written notice, and at the expense of Plantex; provided, however, that if the examination establishes that Biovail failed to comply with the purchase obligations set forth in Section 2.1 hereof, Biovail shall be responsible for the reasonable expenses of such examination. All amounts determined to be due that were not paid must be paid upon demand, with interest calculated thereon from the date that the payment
-

should have been made, such interest calculated at the rate of {\*\*\*}† plus the U.S. prime rate (but in no event greater than the maximum rate permitted by law) in effect on the date that the payment should have been made, as published in The Wall Street Journal, Eastern U.S. Edition, calculated on a daily basis. The books and records subject hereof will be deemed Confidential Information and subject to the provisions of Section 13 of this Agreement. The right to audit under this Section 2.8 shall survive termination of this Agreement for a period of two (2) years.

**3. RIGHT OF FIRST OFFER**

From and after the Effective Date, with respect to any finished dose pharmaceutical product that Biovail has under current development or that it elects to develop during the Term, Biovail shall grant Plantex the first opportunity to act as the primary active pharmaceutical ingredient supplier for such product(s) in and for the Territory.

**4. DELIVERY; RISK OF LOSS**

Unless agreed otherwise in writing by the Parties, API will be delivered CIP (per Incoterms 2000) San Juan, Puerto Rico or such other port as may be directed from time to time by Biovail. All deliveries from Plantex will be made on or before the delivery date specified on each Firm Purchase Order or the additional purchase orders accepted and confirmed in writing by Plantex.

**5. PRODUCT WARRANTIES; ACCEPTANCE AND CLAIMS**

- 5.1 Plantex represents and warrants that at the time of sale and shipment of API by Plantex hereunder, that such API (a) will conform to the Specifications and (b) will have been manufactured, stored and packaged for shipment in accordance with cGMP in effect at the time thereof. THE FOREGOING WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
- 5.2 Biovail shall have the right to reject all or part of any shipment of API it orders and receives from Plantex on the ground that it fails to conform with the warranty contained in Section 5.1 herein, provided that (a) Biovail delivers written notice to Plantex within thirty (30) days from the date of receipt of such shipment and (b) Plantex confirms such nonconformance in writing within thirty (30) days after receipt of Biovail's notice. In the event of the foregoing, Biovail may return the nonconforming API in accordance with Section 5.3; otherwise, all shipments of API shall be deemed accepted by Biovail. If a dispute arises as to whether the API conforms to Specifications, which dispute is not resolved within thirty (30) days

of the delivery by Biovail of the notice of nonconformance, then the matter (along with related samples, batch records or other evidence, as appropriate) shall be submitted to an independent testing laboratory agreed to by each of Biovail and Plantex. The determination of the independent testing laboratory will be binding upon the Parties. If it is determined that the nonconformance is due to damage to API (x) caused by Biovail or its agents or (y) that occurs subsequent to delivery of the API by Plantex. Plantex will have no liability to Biovail with respect to such nonconformance and the cost of any testing and evaluation by the testing laboratory will be borne by Biovail. If it is determined that the nonconformance is caused by Plantex, then Plantex will credit Biovail's account for the price invoiced for the portion of nonconforming API (or if payment therefor has previously been made by Biovail, pay Biovail the amount of such credit or offset the amount thereof against other amounts then due to Plantex) and the cost of any testing and evaluation by the testing laboratory will be born by Plantex.

- 5.3 Plantex shall accept for return and replacement any API manufactured and supplied to Biovail under this Agreement that does not conform with the warranty set forth in Section 5.1 above and for which proper notice has been given and nonconformance of which has been confirmed by Plantex. This will be the recipient's sole remedy for claims that any shipment of API failed to comply with such warranties. It is understood that the foregoing limited remedy applies only to the failure to conform to the warranty contained in Section 5.1. All returns of API with obvious defects must be in the original manufactured condition. Plantex will pay reasonable return freight and shipping charges, and shall assume the risk of loss in transit associated with those returns.
  - 5.4 The provisions of paragraph 5.2 do not apply to any deficiencies in the Product not reasonably detectable within thirty (30) days of actual receipt of the Product by Biovail or its Affiliate. Biovail shall notify Plantex of any such deficiencies within thirty (30) days after they come to the attention of Biovail or its Affiliate.
  - 5.5 To the extent that Biovail has new formulations of Finished Products in development as of the Effective Date or thereafter develops new formulations of Finished Products, it shall develop appropriate specifications for the API required for the manufacture of such Finished Products which it shall furnish to Plantex as promptly as they are finalized. Plantex shall respond to any such specifications within sixty (60) days of their being delivered by Biovail to confirm whether or not it will be able to supply API in accordance with such specifications. If Plantex does so confirm the specifications, they shall be deemed "Specifications" for all purposes of this Agreement and deemed added to this Agreement. If Plantex does not so confirm its ability to meet such specifications, or does not actually meet the Specifications as so agreed, Biovail may obtain API for such new Finished Products from an alternate supplier, and the quantities of API obtained from such other supplier for those new formulations shall not be taken into account in determining Biovail's compliance with Section 2.1.
-

- 5.6 If at any time during the Term of this Agreement Plantex is unable to supply to Biovail the requisite quantities of API meeting the warranty set out in Section 5.1, Biovail may obtain any such quantities from an alternate supplier.

**6. ADDITIONAL REPRESENTATIONS, WARRANTIES AND COVENANTS**

- 6.1 Biovail hereby represents, warrants and covenants to Plantex that (a) Biovail is a corporation duly organized and existing under the laws of its jurisdiction of incorporation, (b) it has the requisite authority to enter into this Agreement and to perform its obligations hereunder, (c) this Agreement is a legal, valid and binding agreement of Biovail, enforceable against Biovail in accordance with its terms, (d) Biovail is not aware of any contractual or other restriction, limitation or condition which might affect adversely its ability to perform hereunder, (e) Biovail, its Affiliates and any contract manufacturers are in material compliance with all laws and regulations applicable to conduct of their business; (f) the importation, storage, manufacture, use, sale and/or distribution of any or all of the Finished Products shall not (1) violate any applicable laws or regulations nor (2) infringe upon the patent, trade secret or proprietary right of any third party; and (g) its current annual requirements for the API are approximately {\*\*\*}†.
- 6.2 Plantex hereby represents, warrants and covenants to Biovail that (a) it is a corporation amalgamated, organized and existing under the laws of the State of New Jersey, (b) it has the corporate authority to enter into this Agreement and to perform its obligations hereunder, (c) this Agreement is a legal, valid and binding agreement of Plantex enforceable against Plantex in accordance with its terms, (d) it is not aware of any contractual or other restriction, limitation or condition which might affect adversely its ability to perform hereunder and (e) it is in material compliance with all applicable laws and regulations.
- 6.3 The representations, warranties, covenants and undertakings contained in this Agreement are continuous in nature and shall be deemed to have been given by each Party at execution of this Agreement and at each stage of performance hereunder.

**7. REGULATORY INSPECTIONS AND COMMUNICATIONS**

Biovail will promptly deliver to Plantex all reports, data, information and correspondence received by it from the FDA or any other Regulatory Authority with respect to the API and any cGMP issues relating thereto. In addition, Biovail will promptly deliver to Plantex any written response, information, data or correspondence delivered by it to the FDA or any other Regulatory Authority with respect to the API. Each of the Parties agrees to cooperate to the extent reasonably requested by the other in connection with any communications with the FDA or any other Regulatory Authority.

**8. COMPLAINT HANDLING AND ADVERSE DRUG REACTION REPORTS**

- 8.1 Plantex and Biovail shall provide prompt notice to the other of any information concerning side effects, injury, toxicity or sensitivity reactions received by it which may be associated with the Finished Products or the API. Biovail shall be responsible for all adverse drug event reporting and responding to all adverse drug reports received from lay persons and/or health care professionals regarding the Finished Products.
- 8.2 Copies of complaints regarding the Finished Products or the API received by either Party shall be sent promptly by facsimile to the other. Biovail shall investigate all complaints associated with the manufacturing of the Finished Products and shall provide a written summary to Plantex of all such investigations, as well as a prompt written response to the complainant, with a copy to Plantex.

**9. RECALLS AND WITHDRAWALS**

To the extent permitted or required by law, any decision by Biovail to recall, withdraw or cease distribution of any Finished Product as a result of a violation of applicable law or regulation, or because the Finished Product presents a possible safety risk, shall be made after consultation between Plantex and Biovail to minimize the business and legal risk to both Parties and to assure compliance by the Parties with the requirements of applicable laws and regulations. Biovail shall indemnify and hold harmless Plantex against any and all reasonable costs and expenses which Plantex may incur as a result of any recall of Finished Products unless, however, such recall is due to a defect in the API, in which case Plantex shall indemnify and hold harmless Biovail against any and all reasonable costs and expenses which Biovail may incur as a result of such recall.

**10. INDEMNIFICATION AND LIMITATIONS**

- 10.1 Plantex shall indemnify, defend, save and hold Biovail and each of its Affiliates and their respective officers, directors, employees and agents, harmless from and against Loss or Losses payable to third parties in connection with any and all Actions by third parties resulting from, or arising out of any material breach of any warranty or material non-fulfillment or non-performance by Plantex of any agreement, covenant or obligation of Plantex under this Agreement. Plantex will not be liable hereunder for any Losses resulting from any settlement of any claim, litigation or proceeding effected without its consent, which consent shall not be unreasonably withheld.
  - 10.2 Biovail shall indemnify, defend, save and hold Plantex and each of its Affiliates and their respective officers, directors, employees and agents harmless from and against Loss or Losses payable to third parties in connection with any and all Actions by third parties resulting from, or arising out of (a) any material breach of any representation or warranty herein pertaining to Biovail or material non-fulfillment or non-performance by Biovail of any covenant or undertaking made
-

herein; (b) any actual or alleged defect in any Finished Product not resulting from any breach of this Agreement by Plantex; (c) any actual or alleged infringement or violation of any patent, trade secret or proprietary rights of any third party arising out of the storage, manufacture, use, sale and/or distribution of any Finished Product, or (d) any enforcement action by a Regulatory Authority relating to any Finished Product resulting from the failure by Biovail to comply with applicable laws, rules, orders or regulations. Biovail will not be liable hereunder for any Loss or Losses resulting from any settlement of any claim, litigation or proceeding effected without its consent, which consent shall not be unreasonably withheld.

- 10.3 EXCEPT AS EXPRESSLY PROVIDED FOR IN SECTION 10.1 AND 10.2 REGARDING INDEMNIFICATION WITH RESPECT TO LOSSES, NEITHER PLANTEX NOR BIOVAIL (NOR ANY OF THEIR RESPECTIVE AFFILIATES) SHALL BE LIABLE TO THE OTHER UNDER ANY PROVISION OF THIS AGREEMENT OR UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY FOR ANY INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND OR NATURE.
- 10.4 The terms and conditions of this Article 10 shall survive any termination of this Agreement.
- 10.5 Upon the occurrence of an event that requires indemnification under this Agreement, the Indemnified Party will give prompt written notice to the Indemnifying Party providing reasonable details of the nature of the event and basis of the indemnity claim. The Indemnifying Party will then have the right, at its expense and with counsel of its choice, to defend, contest, or otherwise protect against any such Action. The Indemnified Party will also have the right, but not the obligation, to participate, at its own expense in the defense thereof with counsel of its choice. The Indemnified Party shall cooperate to the extent reasonably necessary to assist the Indemnifying Party in defending, contesting or otherwise protesting against any Action, provided that the reasonable cost in doing so will be paid by the Indemnifying Party. If the Indemnifying Party fails within thirty (30) days after receipt of notice to notify the Indemnified Party of its intent to defend, or to defend, contest or otherwise protect against the Action or fails to diligently continue to provide the defense after undertaking to do so, the Indemnified Party will have the right upon ten (10) days prior written notice to the Indemnifying Party to defend, settle and satisfy any Action and recover the costs of the same from the Indemnifying Party.
- 10.6 In the event that in determining the respective obligations of indemnification under this Article 10, it is found that the fault of the Indemnified Party or its respective Affiliates, contributes to any Losses for which the Indemnifying Party is otherwise liable hereunder, then each Party shall be responsible for that portion of the indemnifiable Losses to which its fault contributed.
-

- 10.7 Without limiting its obligations hereunder, Biovail shall maintain, commencing with the Effective Date and continuing throughout the Term, sufficient product liability insurance coverage to satisfy its obligations hereunder. Biovail shall, upon request, provide to Plantex certificates of insurance, evidencing such insurance.
- 10.8 Without limiting its obligations hereunder, Plantex shall maintain, commencing with the Effective Date and continuing throughout the Term, sufficient product liability insurance coverage to satisfy its obligations hereunder. Plantex shall, upon request, provide to Biovail certificates of insurance, evidencing such insurance.

**11. TERM AND TERMINATION**

- 11.1 This Agreement will terminate upon the occurrence of any of the following events or conditions which termination will automatically occur where termination by a specified Party is not indicated and will occur by action of the specified Party where so indicated:
    - 11.1.1 The expiration of the Term;
    - 11.1.2 The breach of any representation or warranty made hereunder or the non-performance of any covenant, undertaking or any other obligation made hereunder by either Party that is not cured (a) within thirty (30) days from the date of written notice delivered to the Party in breach in the case of a payment default, and (b) within ninety (90) days from the date of written notice in all other cases, provided, however, that only the aggrieved Party may terminate this Agreement pursuant to this Section 11.2.2;
    - 11.1.3 The mutual written agreement of the Parties to this Agreement;
    - 11.1.4 Pursuant to the provisions of Section 12; and
    - 11.1.5 The filing of a bankruptcy petition by or against Plantex or Biovail or the appointment of a receiver for the assets or business of Plantex or Biovail that is not dismissed within sixty (60) days from the date of such filing or appointment.
  - 11.2 Upon termination of this Agreement, all rights and obligations will cease to exist except for (a) the payment of unpaid invoices due, (b) the recovery by a Party hereto of damages caused by a breach of any representation or warranty contained in this Agreement or the nonperformance by either Party of any covenant or undertaking made hereunder, (c) the rights and obligations of the Parties under Article 10 of this Agreement and (d) any other term or condition that by its term survives termination.
-

**12. FORCE MAJEURE**

Except for the obligation of Plantex or Biovail to make payments to the other pursuant to this Agreement (that will not be deferred or extended for any reason), neither Plantex nor Biovail will be responsible to the other for any failure to perform or delay in performing if the failure or delay is due to any strike, riot, civil commotion, sabotage, embargo, war or act of God or other cause beyond its reasonable control. Neither Party will be responsible for any failure to perform or delay in performing due to inability to obtain deliveries where the inability is caused by its supplier. Notwithstanding the foregoing, if any delay in the performance by either Party of its obligations under this Agreement shall continue for a period of ninety (90) days or more, then the Party not suffering the force majeure event may terminate this Agreement by written notice to the other Party and each of Plantex and Biovail shall be relieved from all duties and obligations under this Agreement, except those duties and obligations accruing prior to such termination.

**13. CONFIDENTIALITY**

- 13.1 In carrying out the terms of this Agreement it may be necessary that one Party disclose to the other certain information, which is considered by the disclosing Party to be proprietary and of a confidential nature. As used herein “Confidential Information” means any and all information, know-how and data, technical or non-technical, concerning any finished drug product or active pharmaceutical ingredient, its manufacture, marketing and sale, that is disclosed under this Agreement as set forth below and that Biovail or Plantex, as the case may be, considers to be and treats as proprietary and confidential. Confidential Information includes, but shall not be limited to plans, processes, compositions, formulations, specifications, samples, systems, techniques, analyses, production and quality control data, testing data, marketing and financial data, and such other information or data relating to any finished drug product or active pharmaceutical ingredient, or its manufacture, marketing or sale.
- 13.2 The recipient of any Confidential Information shall not use it for any purpose other than for purposes of performing its obligations under this Agreement. The Party receiving any Confidential Information will divulge it only to those of its officers, directors, employees, advisors and Affiliates (and such Affiliates’ officers, directors, employees and advisors) who have a need to know it as a part of the receiving Party’s obligations hereunder and said officers, directors, employees, advisors and Affiliates (and such Affiliates’ officers, directors, employees and advisors) shall hold the information in confidence pursuant to this Agreement. The recipient of any Confidential Information shall not disclose it to any third party, except as otherwise contemplated in this subsection, without the written consent of the disclosing Party.
- 13.3 The obligations of confidentiality as provided herein will terminate seven (7) years from the expiration or termination of this Agreement and will impose no obligation upon the recipient of any Confidential Information with respect to any portion of the received information that (a) was known to or in the possession of
-

the recipient prior to the disclosure; or (b) is or becomes publicly known through no fault attributable to the recipient; or (c) is provided to the recipient from a source independent of the disclosing Party that is not subject to a confidential or fiduciary relationship with the disclosing Party concerning the information; or (d) is generated by the recipient independently of any disclosure from the disclosing Party; or (e) is required by law to be disclosed to government officials who shall be informed of the confidential nature of such information.

- 13.4 Upon expiration or earlier termination of this Agreement, the recipient of any Confidential Information shall, as the disclosing Party may direct in writing, either destroy or return to the disclosing Party all Confidential Information disclosed together with all copies thereof, provided, however, the recipient may retain one archival copy thereof for the purpose of determining any continuing obligations of confidentiality.
- 13.5 The terms of this Article 13 will survive termination of this Agreement.

## 14. GENERAL PROVISIONS

- 14.1 This Agreement shall be binding upon each of the Parties hereto and each of their respective successors and assigns, if any.
- 14.2 Neither Party may assign any of its rights or obligations under this Agreement without the prior written consent of the other Party, which consent may not be unreasonably withheld or delayed. Such consent may be conditioned upon the agreement of the assigning Party to remain primarily liable for performance of all obligations of the assignee. Notwithstanding the foregoing, a Party may assign all of its rights and obligations under this Agreement to an Affiliate of a Party upon written notice thereof to the other Party. Any attempt to assign this Agreement in violation of the provisions set forth herein will be deemed a default by the assigning Party under this Agreement and null and void.

PLANTEX USA, INC.

a corporation organized under the laws of the State of New Jersey with offices at Two University Plaza, Suite 305, Hackensack NJ 07601

(“Plantex”)

- and -

BIOVAIL LABORATORIES INTERNATIONAL SRL

a Barbados society with restricted liability, whose head office is Chelston Park, Building 2, Collymore Rock, St. Micheal BH1, Barbados, West Indies

(“Biovail”)

WHEREAS on or about September 30, 2004, Biovail Laboratories Incorporated (“BLI”) and Plantex entered into a Supply Agreement (the “Agreement”) for the purchase and supply of the active pharmaceutical ingredient, diltiazem hydrochloride, under the terms and conditions set forth in the Agreement;

WHEREAS effective as of January 27, 2005, BLI merged into its parent and was subsequently wound up into its affiliate Biovail;

WHEREAS Biovail and Plantex have agreed to amend the Agreement as provided herein;

NOW, THEREFORE, for and in consideration of the premises and mutual promises and benefits contained herein, the parties hereby agree as follows:

1. Unless otherwise specifically defined herein, each term used herein which is defined in the Agreement, shall have the same meaning ascribed to such term in the Agreement.
2. As of the Effective Date of this Amendment No.1, the Agreement is amended and modified as follows:

---

- a. Section 1.4.21 is added:

“**Stored API**” - means the API which has been purchased by Biovail or its Affiliates from Plantex and has been sold and stored by Plantex on behalf of Biovail or its Affiliates pursuant to Section 2.1.”

- b. Section 2.1 is deleted in its entirety and is replaced with the following:

“From the Effective Date through December 31, 2005, Biovail shall purchase, or cause its Affiliates to purchase, from Plantex, and Plantex shall sell to Biovail or such Affiliates, a minimum quantity of {\*\*\*}† of API. Plantex acknowledges that, as of November 22, 2005, Biovail has purchased and taken delivery of {\*\*\*}† of API. By December 31, 2005, Biovail shall purchase, or cause its Affiliates to purchase, from Plantex, and Plantex shall sell to Biovail or such Affiliates, an additional {\*\*\*}† of API (“Additional API”).

For the calendar year 2006, Biovail shall purchase, or cause its Affiliates to purchase, from Plantex, and Plantex shall sell to Biovail or such Affiliates {\*\*\*}† of API (“2006 API”).

Plantex shall store the 2006 API and the Additional API on Biovail’s behalf or such Affiliates’ behalf under cGMP conditions in Israel, for delivery to Biovail or such Affiliates in accordance with Biovail’s or such Affiliates’ directions and Section 4 (Ownership; Delivery; Risk of Loss) herein below.

Thereafter, for the period commencing on January 1, 2007 through to the end of the Term, Biovail hereby agrees that at least {\*\*\*}† of the API used in all Finished Products manufactured and/or marketed by Biovail or its Affiliates for sale in the Territory shall be comprised of API sold by Plantex to Biovail or its Affiliates hereunder, and Biovail and its Affiliates shall purchase such API directly from Plantex and Plantex shall sell such API to Biovail or its Affiliates in accordance with the terms of this Agreement to accomplish the foregoing. In addition to the 2006 API and the Additional API, Plantex shall store all API purchased by Biovail or its Affiliates (to the extent Biovail and Plantex subsequently expressly agree in writing that Plantex store such API) under cGMP conditions in Israel, for delivery to Biovail in accordance with Biovail’s or such Affiliates’ directions and Section 4 (Ownership; Delivery; Risk of Loss) herein below.”

- c. The fourth (4<sup>th</sup>) sentence in Section 2.2 (“Plantex will...of API”) is replaced with the following sentences:

“Plantex will issue invoices upon departure of API from the API manufacturing facility.” Plantex will provide Biovail or its Affiliates, with such invoices, the lot

numbers and the quantities of API in each such lot and the expiration dates of each such lot, which are held by Plantex as Stored API in accordance with Section 2.1”

- d. Section 4 is deleted in its entirety and is replaced with the following:

“Ownership; Delivery; Risk of Loss

Title to and ownership of Stored API shall pass from Plantex to Biovail or its Affiliates only after the Stored API ordered by Biovail or its Affiliates is manufactured by Plantex, invoiced to Biovail or its Affiliates and stored by Plantex on Biovail’s or its Affiliates’ behalf in accordance with Section 2.1. Notwithstanding transfer of ownership, risk of loss of Stored API shall pass from Plantex to Biovail or its Affiliates when the Stored API is delivered CIP (per Incoterms 2000) San Juan, Puerto Rico or such other port as may be directed from time to time by Biovail or its Affiliate.

Other than Stored API, title to, ownership of and risk of loss of API ordered by Biovail or its Affiliates in accordance with this Agreement shall pass from Plantex to Biovail or its Affiliates when API is delivered CIP (per Incoterms 2000) San Juan, Puerto Rico or such other port as may be directed from time to time by Biovail or its Affiliate.

All deliveries from Plantex will be made on or before the delivery date specified on each Firm Purchase Order or the additional purchase orders accepted and confirmed in writing by Plantex.”

- e. Section 14.3 is amended as follows:

“BIOVAIL LABORATORIES INCORPORATED” is deleted and replaced with “BIOVAIL LABORATORIES INTERNATIONAL SRL”.

3. It is agreed that the Parties are currently developing “new” specifications for the API which may be different from those specifications attached as “Schedule I” to the Agreement. Once the Parties agree in writing to “new” specifications that are appropriate for the manufacture of the Finished Products and that Plantex or its Affiliate can meet such “new” specifications, then these “new” specifications shall be deemed “Specifications” for all purposes of the Agreement and deemed added to the Agreement as Schedule I, replacing the existing Schedule I. Plantex shall bear all the costs associated with ensuring API (including Stored API) conforms to “Specifications” at the time of delivery to Biovail or its Affiliates.
4. Except as amended hereby, the Agreement shall continue in full force and effect in accordance with its terms. This Amendment No. 1 shall be deemed incorporated into, and a part of, the Agreement for any and all purposes as of its Effective Date.
5. This Amendment No. 1 and the Agreement, as amended by this Amendment No. 1, constitute the entire agreement and understanding between the parties hereto and

supersede all prior negotiations, representations or agreements, whether written or oral, relating to the subject matter hereof.

- 6. This Amendment No. 1 may be executed in multiple counterparts, each of which shall be deemed an original but all of which, taken together, shall constitute one and the same instrument.
- 7. The validity, performance and construction of this Amendment No. 1 shall be governed by, and construed in accordance with the laws of the State of New Jersey, without regard to its choice of law or conflict of law rules.

IN WITNESS THEREOF, the parties hereto have caused this Amendment No. 1 to be executed by their duly authorized representatives as of the latest date set forth below.

- (e) any breach of this agreement or any covenant or warranty in it.

Notice

16.3 In the event that either Party seeks indemnification under this Article 16, such Party shall: i) promptly inform the indemnifying Party of any claim, suit or demand threatened or filed, ii) permit the indemnifying Party to assume direction and control of the defense of such claims, suit or demand resulting therefrom (including the right to obtain a settlement thereof at the discretion of the indemnifying Party with the reasonable consent of the other Party hereto), and iii) co-operate as requested (at the expense of the indemnifying Party) in the defense of such claims, suit or demand.

Limitations

16.4 An indemnifying Party's (including Biovail's) obligations under this Article 16 shall not extend to any claims, suits or demands for liability, damages, losses, costs or expenses arising from the indemnified Party's failure to comply with the terms and conditions of this Agreement, to the extent arising from the negligence or wilful misconduct of the indemnified Party, its agents or employees.

16.5 Except as expressly provided herein, neither Party to this Agreement shall be liable to the other for any consequential, special, incidental or contingent damages or expenses, whether in contract (including patent infringement), tort (including negligence) or otherwise arising out of, connected with, or resulting from its performance under this Agreement or the use or sale of the Product including, without limiting the foregoing, loss of revenue, profit, property, opportunity or use of any kind, including without limitation, damages for any loss of profits by the other Party hereto or others, or for any other similar collateral or consequential damages which may result from the use or sale of the Product.

17 GENERAL CONDITIONS AND PROVISIONS

17.1 Article and paragraph titles used in this Agreement are for convenience only and are not a part of the text hereof.

17.2 This Agreement constitutes the entire agreement of the Parties with respect to the subject matter hereof (and into which all prior negotiations, commitments, representations and

undertakings of the Parties are merged) and except as herein provided there are no other oral or written understandings or agreements between the Parties hereto relating to the subject matter hereof.

17.3 No amendment or other modification of this Agreement shall be valid or binding on either Party hereto, unless reduced to writing and executed by the Parties hereto.

17.4 The Parties hereto are independent and neither Party is the agent, joint venturer, partner or employee of the other and, except as expressly provided herein, Biovail shall not be obligated by any agreements, representations or warranties made by the Licensors to any Person, nor with respect to any other action of the Licensors.

17.5 All terms used in any one number or gender shall extend to mean and include any other number and gender as the facts, context, or sense of this Agreement or any paragraph or Article hereof may require.

17.6 No waiver by either Party of any breach or series of breaches or defaults in performance by the other Party, and no failure, refusal or neglect to exercise any right, power or option given to either Party hereunder or to insist upon strict compliance with or performance of the obligations under this Agreement, shall constitute a waiver of the provisions of this Agreement with respect to any subsequent breach thereof or a waiver by such Party of its right at any time thereafter to require exact and strict compliance with the provisions thereof.

17.7 All provisions of this Agreement shall be severable and no such provision shall be affected by the invalidity of any other such provision to the extent that such invalidity does not also render such other provision invalid, always provided that the balance anticipated between the Parties relating to the payment and transfer of title to the University Technology, is not materially affected. In the event of the invalidity of any provision of this Agreement, it shall be interpreted and enforced as if all remaining provisions of the Agreement were valid and enforceable. If any provision of this Agreement shall be susceptible of two interpretations, one of which would render the provisions invalid and the other of which would cause the provision to be valid, such provision shall be deemed to have the meaning which would cause it to be valid.

17.8 The Parties agree that time is of the essence. If any item that is contemplated by this Agreement shall not be done as provided herein then the defaulting Party shall be subject to the termination provisions contained herein. However, such termination shall not limit any other remedies at law or in equity which may be available to the non-defaulting Party.

17.9 All information, data, reports, studies and results required to be provided to the Licensors or to Biovail by the terms of this Agreement shall, if necessary, be translated into the English language, at no expense to the Party receiving the information, data, reports, studies or results.

**NON-EXCLUSIVE LICENSE AGREEMENT**

This Agreement, effective as of December 5, 1996, is between ETHYPHARM S.A., a French Corporation, having offices at 21 rue Saint Mathieu, 78550 Houdan, France, (hereinafter ETHYPHARM) and Hoechst Marion Roussel, Inc., a Delaware Corporation, having offices at 10236 Marion Park Drive, Kansas City, Missouri 64137 (hereinafter HMRI).

**ARTICLE I**  
**BACKGROUND OF THE AGREEMENT**

ETHYPHARM has developed certain technology relating to diltiazem formulations for the North American market that are bioequivalent to Cardizem CD<sup>®</sup>, but which may likely infringe HMRI's PATENTS. The ETHYPHARM formulations possess the advantage that while being bioequivalent to Cardizem CD<sup>®</sup>, they are smaller than CD, and thus easier for patients to swallow. HMRI is interested in obtaining rights to these formulations, so that they may be marketed as line extensions to the current offering of Cardizem<sup>®</sup> products. ETHYPHARM is interested in collaborating with HMRI so that its technology may be rapidly commercialized in U.S.A. by the rights provided herein. Therefore the parties agree to the following terms and conditions.

**ARTICLE II**  
**DEFINITIONS**

2.01 “ETHYPHARM TECHNOLOGY” The term “ETHYPHARM TECHNOLOGY” refers to: a) the two formulations of diltiazem HCL that ETHYPHARM has currently developed that are bioequivalent to HMRI's brand of Cardizem CD<sup>®</sup>; b) the know how and trade secrets necessary or desirable to commercially manufacture these formulations; c) all bioequivalence studies completed or underway with these formulations; d) all analytical work carried out on these formulations; e) any data package assembled or partially assembled that may be suitable for submission to the FDA; and e) all other information, know how, processes etc., that are either necessary or desirable, to receive approval by the FDA in the TERRITORY or is required for commercial production.

2.02 “TERRITORY” The term “TERRITORY” refers to Australia, New Zealand, the United States, its territories and possessions. At the present time, ETHYPHARM cannot convey a non-exclusive license to HMRI for Canada. If ETHYPHARM is able to so convey a license for the ETHYPHARM TECHNOLOGY within sixty (60) days, the term TERRITORY shall include Canada. ETHYPHARM will use its best efforts to issue a non-exclusive license to HMRI for Canada.

---

2.03 “NET SALES” The term “NET SALES” shall mean the gross invoice amount billed for the DOSAGE FORM by HMRI (or an affiliate of HMRI or any licensee thereof) to customers (other than an affiliate of HMRI) in the TERRITORY, less trade, cash or quantity discounts actually allowed and taken, amounts repaid or credited by reasons of rejections, returns, or because of retroactive price reductions (given in the normal course of business), freight, insurance, and other transportation costs, rebates paid pursuant to governmental regulation and taxes on such sales of the daily dosage product, as normally deducted from sales by HMRI for financial reporting purposes. The amount of NET SALES for any period shall be determined on the basis of sales recorded in the ordinary course on the books and records of HMRI (or an affiliate of HMRI) during such period consistent with past practice.

2.04 “DOSAGE FORM” The term “DOSAGE FORM” shall refer to a once-a-day diltiazem product which incorporates or utilizes the ETHYPHARM TECHNOLOGY.

2.05 “AFFILIATE” The term “AFFILIATE” shall refer to any entity which directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with one of the parties to this agreement. For the purpose of the preceding sentence, the term control shall mean the possession, direct or indirect, of the power to direct the management and policies of an entity, whether through ownership of voting securities, by contract, or otherwise.

2.06 FDA refers to the United States Food and Drug Administration, or the equivalent Health Ministry Agency for Australia, New Zealand or Canada.

2.07 “HMRI PATENTS” The term “HMRI PATENTS” refers to certain patents that have issued in the United States to HMRI’s affiliate, Carderm Capital, and that are directed to sustained release formulations of diltiazem. These include United States Patent No. 5,286,497, No. 5,470,584, and No. 5,439,689. Corresponding applications or patents exist in Australia, Canada and New Zealand and are assigned to HMRI.

ARTICLE III  
GRANT OF LICENSE

3.01 ETHYPHARM hereby grants to HMRI, a non-exclusive license on ETHYPHARM’s TECHNOLOGY in the TERRITORY. This license includes the right to make, have made, use, sell, offer for sale, export or import.

3.02 ETHYPHARM has filed certain patent applications directed to its TECHNOLOGY in the TERRITORY. In the event that any patents issue in the TERRITORY, then ETHYPHARM grants to HMRI a non-exclusive license under these patents. This license shall include the right to make, have made, use, sell, offer for sale, import or export.

ARTICLE IV  
ROYALTIES

4.01 LICENSE EXECUTION FEE

HMRI shall pay to ETHYPHARM, the one time execution fee of {\*\*\*}† for the exclusive rights granted immediately above. This payment shall be made by December 20, 1996.

4.02 ROYALTIES FOR NEW DOSAGE FORMS OF CARDIZEM CD®

HMRI will utilize the ETHYPHARM TECHNOLOGY in order to introduce a new DOSAGE FORM of Cardizem CD® that it currently does not market. This new DOSAGE FORM shall initially be a 360mg Cardizem CD®. The royalty rate for any new DOSAGE FORM, for a strength not currently on the market, shall be {\*\*\*}† of the net sales of the new DOSAGE FORM in the TERRITORY.

4.03 ROYALTIES ON OTHER EXISTING DOSAGE FORMS

The parties agree that HMRI shall be free, but not obligated, to use ETHYPHARM’s TECHNOLOGY to produce its currently existing once-daily diltiazem products. If HMRI shall use ETHYPHARM’s TECHNOLOGY to produce such DOSAGE FORMS, then the royalty shall be {\*\*\*}† of net sales.

4.04 MINIMUM ROYALTIES

For a period of 7 years, measured from the end of the quarter in which HMRI receives final approval from the FDA for the 360mg DOSAGE FORM, HMRI agrees to pay ETHYPHARM the following minimum royalties on this 360mg dosage form:

| Year | Minimum Royalty (US\$) |
|------|------------------------|
| 1    | {***}†                 |
| 2    | {***}†                 |
| 3    | {***}†                 |
| 4    | {***}†                 |
| 5    | {***}†                 |
| 6    | {***}†                 |
| 7    | {***}†                 |

The parties agree that after 7 years, all guarantees of a minimum royalty base shall cease. The royalty on the 360mg dosage form shall remain at {\*\*\*}† of net sales. No minimum royalty shall be due on any other DOSAGE FORM OF CARDIZEM CD® except the 360mg dosage form.

4.05 PAYMENT OF ROYALTIES AND FEES

Royalty payments to ETHYPHARM shall be made on a quarterly basis, and will be paid within 30 days of the close of each quarter. Each royalty payment shall be accompanied by a statement which shall set forth for each DOSAGE FORM: 1) the amount of sales of that

† Represents material which has been redacted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

DOSAGE FORM; 2) the amount of royalty due thereon for that quarter, and; 3) all deductions taken in computing to arrive at NET SALES.

4.06      REDUCTION OF ROYALTY IN EVENT ETHYPHARM GRANTS FURTHER LICENSES

The minimum royalty schedule agreed to in Section 4.04 shall be revised in the event that: 1) ETHYPHARM grants an additional license on the ETHYPHARM technology in the TERRITORY; or 2) if ETHYPHARM or one of its affiliates sells or offers for sale, a DOSAGE FORM in the TERRITORY. This reduction in royalties shall apply to the entire year in which such an event shall occur. The schedule below should be interpreted such that the year refers to the number of years after launch and the royalty reduction (as in the year relating to the scheduled payment in 4.04.). Illustratively, if a license is granted in the third year, minimum royalties are called for, even if that year is five years from the date of this Agreement, the royalty payment shall be on reference to year 3 of the schedules set forth herein, or {\*\*\*}†. The new reduced minimum royalty schedule shall be:

| Year after Launch | Minimum Royalty (US\$) |
|-------------------|------------------------|
| 1                 | {***}†                 |
| 2                 | {***}†                 |
| 3                 | {***}†                 |
| 4                 | {***}†                 |
| 5                 | {***}†                 |
| 6                 | {***}†                 |
| 7                 | {***}†                 |

4.07      RECORDS

HMRI agrees to keep records showing sales of the DOSAGE FORMS under the license granted herein in sufficient detail to enable royalties payable under sections 3.02 and 3.03 to be calculated. HMRI agrees to maintain these records for THREE (3) years after payment of the royalty. HMRI has no obligation to ETHYPHARM to maintain these records beyond this THREE (3) year period. HMRI agrees to permit its records to be inspected from time to time to the extent necessary to verify the accuracy of the reports specified in section 4.05. Such inspection shall be carried out at ETHYPHARM’s expense by an independent certified public accountant acceptable to HMRI, during normal business hours, at the location where HMRI routinely stores such records. The certified public accountant shall only report to ETHYPHARM the amount of royalties payable under this agreement.

† Represents material which has been redacted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

ARTICLE V  
TERM

5.01 The term of this Agreement shall run for Ten (10) years from the date of the launch of the initial DOSAGE FORM. If any patents issue on the ETHYPHARM TECHNOLOGY in the TERRITORY, then the life of this Agreement shall run until the expiration of the patent in the TERRITORY, provided that the DOSAGE FORM would literally infringe any claim of the issued patent, absent the license granted under Section 3.02. After the expiration of the Agreement, HMRI shall be free to use the ETHYPHARM TECHNOLOGY.

5.02 If either party shall be in default of any obligation hereunder, or shall be adjudged bankrupt, or becomes insolvent, or makes an assignment for the benefit of creditors, or is placed in the hands of a receiver or a trustee in bankruptcy, the other party may terminate this Agreement by giving sixty( 60) day's notice to the other party, specifying the basis for termination. If within sixty (60) days after receipt of such notice, the party who received notice shall remedy the condition forming the basis for termination, such notice shall cease to be operative, and this AGREEMENT shall continue in full force.

5.03 HMRI shall have the right to cancel this AGREEMENT by December 20, 1996 on the basis of any information uncovered in its due diligence review, or if sufficient information is not provided during its due diligence review. If HMRI has paid the LICENSE EXECUTION FEE, then ETHYPHARM agrees to return these moneys to HMRI within 14 days of ETHYPHARM receiving notice of HMRI's decision to cancel. ETHYPHARM shall not owe HMRI any interest for the period in which it is in receipt of this LICENSE EXECUTION FEE, provided it is returned within the 14 day period.

ARTICLE VI  
TECHNOLOGY TRANSFER

6.01 Within 60 days after the execution of this Agreement, ETHYPHARM shall make available to HMRI all of the ETHYPHARM TECHNOLOGY. The exact manner by which this disclosure shall occur will be decided by the technical personnel of HMRI after consultation with the technical personnel of ETHYPHARM. The goal of this disclosure shall be to provide the information it requires in order to be able to receive rapid approval of the DOSAGE FORM by the FDA. **CONFIDENTIAL TREATMENT REQUESTED:**

*Portions of this Exhibit have been redacted pursuant to a request for confidential treatment under Rule 24b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended. Such redacted portions have been replaced with “{\*\*\*}” in this Exhibit. **AGREEMENT**

This Agreement, effective as of July 21, 2000, is between ETHYPHARM S.A., a French Corporation having offices at 21 Rue St. Mathieu, 78550 Houdan, France, (hereinafter ETHYPHARM) and AVENTIS PHARMACEUTICALS INC., a Delaware Corporation formerly known as Hoechst Marion Roussel, Inc. having principal offices at 399 Interpace Parkway, Parsippany, New Jersey, 07054 (hereinafter AVENTIS).

The parties entered into a NON-EXCLUSIVE LICENSE AGREEMENT and a RESEARCH AND DEVELOPMENT AGREEMENT both of which were effective as of December 5, 1996. The NON-EXCLUSIVE LICENSE AGREEMENT was amended by a letter dated December 5, 1996, and an ADDENDUM dated January 4, 1999.

Due to changes in business conditions, the parties have determined that it is in their mutual best interest to modify the existing agreements as set forth below.

1. AVENTIS agrees to pay to ETHYPHARM the sum of {\*\*\*}† which amount shall be paid by a wire transfer to an account designated by ETHYPHARM upon execution of this AGREEMENT but not later than July 27, 2000.
2. The payment provided for above shall be full and complete discharge of all payment obligations (including royalties) provided for in the NON-EXCLUSIVE LICENSE AGREEMENT (as modified by the ADDENDUM), and all payment obligations provided for in the RESEARCH AND DEVELOPMENT AGREEMENT.
3. All other terms of the NON-EXCLUSIVE LICENSE AGREEMENT shall remain in full force and effect. AVENTIS shall have the right to assign the NON-EXCLUSIVE LICENSE AGREEMENT to any person or corporation which is acquiring all or substantially all of the rights to manufacture and sell Cardizem® CD in the TERRITORY, so long as the acquirer agrees to make the required royalty payments.
4. AVENTIS hereby grants to ETHYPHARM the right to refer to AVENTIS’ regulatory filings in the United States for the purpose of selling ETHYPHARM’S own once-daily diltiazem range of products. AVENTIS will take any steps necessary to confirm this

right of reference to governmental agencies. Nothing in this paragraph shall be construed to give ETHYPHARM any right to obtain copies of the regulatory filings or to exercise any control over those materials or the information contained therein. AVENTIS further agrees to use reasonable efforts to provide to ETHYPHARM a description of the modifications made by AVENTIS to the ETHYPHARM technology in developing the approved 360 mg. dose of Cardizem® CD.

5. The parties have been engaged in discussions concerning four dosage development projects. Those projects relate to the development of 1) a sustained release injectable dosage form for erythropoietin, 2) a fast dissolving tablet for fexofenadine, 3) an oral formulation for low molecular weight heparin and 4) an improved dosage form for ramipril. In the event that AVENTIS elects to have ETHYPHARM complete any of these projects, ETHYPHARM agrees to complete the development of the dosage form at ETHYPHARM'S sole expense. A dosage form shall be complete when the parties agree that it 1) meets the relevant dissolution requirements for the product, 2) can be manufactured in pilot scale and can be scaled up to full production, 3) is pharmaceutically acceptable and 4) is ready to begin clinical testing. All information concerning the development projects shall remain the sole property of ETHYPHARM.
6. ETHYPHARM agrees that it will not offer any of these four projects to any other company provided that, for each of the four projects, no later than September 1, 2000, AVENTIS notifies ETHYPHARM of its decision to have ETHYPHARM complete the development project or projects and no later than November 1, 2000, the parties enter into a license agreement for the dosage form so developed. Such license agreement shall be on such terms as the parties may agree including appropriate non-refundable license fees which may include advanced royalties but ETHYPHARM shall not insist on any payment of development costs or milestone payments as a condition of entering into the license agreement. In the event that the parties do not enter into such a license agreement within the time allotted, ETHYPHARM shall be free to license the dosage form to any other party for such projects; provided, however, that in the event ETHYPHARM proposes to enter into a license agreement with a third party on terms more favorable than the terms last offered to AVENTIS, ETHYPHARM shall notify AVENTIS of the terms of such proposal and AVENTIS shall have ten days to either accept or reject the license on those terms.
7. The parties agree that the RESEARCH AND DEVELOPMENT AGREEMENT dated December 5, 1996, is hereby terminated and of no further force or effect except for the obligations of AVENTIS to indemnify ETHYPHARM under paragraph 9.01 to 9.04 inclusive that shall survive and continue as provided and shall also include the provisions of this new Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement.

Prestwick shall within thirty (30) days of such exercise notify (x) Licensor of Prestwick’s exercise of the right to co-invest and (y) Distributor if Prestwick is exercising solely for the benefit of Distributor or for both Distributor and Prestwick. In the event (1) Prestwick is exercising for the benefit of both Distributor and itself, then (A) such Isomeric Product shall be deemed included in the definition of “Product” herein, provided, that in such case the Supply Price with respect to such Product (which will be expressed as a percentage of Distributor’s Net Sales Revenue (provided that the Deduction Cap with respect to such Isomeric Product shall be adjusted as the Parties may reasonably agree in good faith) of such Product) shall be agreed to by the Parties such that (x) the forecast values of the operating cash flows of each of the Parties from the incremental distribution arrangement for such Product, are expected to be equal to each other, (y) the Supply Price will not be adjusted for any differences between actual and forecast cash flows and (z) the arrangement for determining Supply Price will not make the distribution arrangement be deemed a joint venture or partnership and (B) Distributor shall reimburse {\*\*\*}† of the Development Expenses paid by Prestwick to Licensor for the right to Commercialize the Isomeric Product in the Territory or (2) Prestwick is exercising solely for the benefit of Distributor, then (A) Prestwick (x) hereby appoints Distributor as its exclusive distributor (even as to Prestwick and its Affiliates) for the commercialization of such Isomeric Product in the Territory and Distributor hereby agrees to act in that capacity and (y) grants Distributor an exclusive (even as to Prestwick and its Affiliates), royalty-free license to use Prestwick Know-How and under Prestwick Patents and Intellectual Property, to Commercialize such Isomeric Product in the Territory, all on the same terms and conditions that such right is granted to Prestwick by Licensor (including the price for supply), (B) Distributor shall reimburse {\*\*\*}† of the Development Expenses due to Licensor for such right and (C) for the avoidance of doubt, Prestwick shall not be entitled to any portion of the supply price or net sales or any other payment with respect to such Isomeric Product in excess of the amount to be paid to by Prestwick to Licensor with respect to such Isomeric Product pursuant to the Cambridge Agreement. If the Parties are unable to agree to the Supply Price with respect to any such Product within three months of the initial submission of a proposal by one Party with respect thereto, either Party may submit the matter to Arbitration for final resolution in accordance with Section 14.3.

2.5.2     Subsequent Buy-In. In the event Distributor does not exercise an Isomeric Option pursuant to Section 2.5.1 and Prestwick chooses to exercise its rights to co-invest in such Isomeric Product, Distributor shall have a second right prior to the filing of an applicable NDA to receive rights to Commercialize the resulting Isomeric Product as it would have if it had exercised its Isomeric Option if it reimburses two times the amount of Development Expenses that would have been paid by it under Section 2.5.1 for such Isomeric Product if it had exercised thereof and thereafter pays its share of any additional Development Expenses incurred in accordance with Section 2.5.1.

Distributor hereby expressly waives any requirement that Prestwick exhaust any right, power or remedy, or proceed against an Affiliate or permitted subcontractor, for any obligation or performance hereunder prior to proceeding directly against Distributor. In all cases, Prestwick shall make the final determination regarding whether or not to initiate any recall or withdrawal of Product in the Territory, including the scope of such recall or withdrawal (e.g., a full or partial recall, or a temporary or permanent

recall); provided, however, that before Prestwick determines whether or not to initiate a recall or withdrawal, the Parties shall promptly meet and discuss in good faith the reasons therefor, provided further that such discussions shall not delay any action that Prestwick reasonably believes has to be taken in relation to any recall. In the event of any such recall or withdrawal, whether voluntary or involuntary, Distributor shall implement any necessary action, with assistance from Prestwick as reasonably requested by Distributor, to conduct such recall or withdrawal. Distributor shall utilize a batch tracing and recall system which will enable Distributor to identify, on a prompt basis, customers within the Territory who have been supplied with Product of any particular batch, and to recall such Product from such customers in accordance with Prestwick’s instructions.

3.4.2 Cost Allocation. All direct costs and expenses associated with implementing a recall (whether voluntary or involuntary) or withdrawal of Product in the Territory shall be allocated between Prestwick and Distributor as follows:

If the Designated Senior Officers within thirty (30) days after submission of such disagreement to such officers fail to finalize and approve an update to the Commercialization Plan, then the determination of the update to the Commercialization Plan shall be made by (a) Distributor in its sole discretion, if Distributor has not provided a notice of termination pursuant to Section 11.4; provided, however, that (i) the amount to be spent during each Calendar Year of the Exclusivity Period on (1) A&P activities shall not be less than {\*\*\*}†, (2) Support Center activities shall be approximately {\*\*\*}† and (3) Distributor's co-pay assistance program shall be approximately {\*\*\*}† of gross sales of Product in the Territory in a Calendar Year and (ii) the number of Sales Representatives and Specialists shall not be less than those required under Section 4.3.2 below, or (b) Prestwick in its sole discretion, if Distributor has provided notice of termination pursuant to Section 11.4; provided, however, that (i) the amount to be spent during each Calendar Year of the Exclusivity Period on (1) A&P activities shall not be required to be greater than {\*\*\*}†, (2) Support Center activities shall be approximately {\*\*\*}† and (3) Distributor's co-pay assistance program shall be approximately {\*\*\*}† of gross sales of Product in the Territory in a Calendar Year; (ii) the number of Sales Representatives and Specialists shall not be more than those required under Section 4.3.2 below ; and (iii) in no event shall Distributor be obligated to expend any resources, other than with respect to the items described in clauses (i) and (ii) of this proviso, in excess of the amounts or levels set forth in the Commercialization Plan in effect at the time Distributor provides notice of termination pursuant to Section 11.4. All costs and expenses incurred in connection with any such verification shall be paid by Prestwick, provided that Distributor shall pay such costs and expenses if the number of Details, payroll and bonus programs for Sales Representatives and payments made thereof, or amounts spent on A&P activities or Support Center activities determined by the independent accounts is lower than the number of Details, payroll and bonus programs for Sales Representatives and payments made thereof, or amounts spent on A&P activities or Support Center activities, in each case, required under this Agreement.

Each Party shall not be responsible to the other Party, or to the other Party's sales representatives for any compensation, expense reimbursements or benefits, payroll-related taxes or withholdings, or any governmental charges or benefits that may be imposed upon or be related to the performance by the other Party and its sales representatives, all of which shall be the sole responsibility of the other Party, even if it is subsequently determined by any court or governmental agency that any such sales representative may be an employee or a common law employee of the Party or is otherwise entitled to such payments and benefits. Further, each Party shall be solely responsible and liable for all probationary and termination actions taken by it, as well as for the formulation, content and dissemination (including content) of all employment policies and rules (including written probationary and termination policies) applicable to its employees and contractors.

5.1.2 Obligation to Supply.

(a) Prestwick shall supply Product in accordance with the terms hereof; provided, however, Prestwick's obligation to supply Product shall be subject to its ability to source Product from Licensor (or any successor supplier) in accordance with the Cambridge Agreement or Licensor's then existing contract manufacturers in accordance with Licensor's then existing contract manufacturing supply agreements for Product or Active Substance.

(b) Prestwick shall promptly deliver to Licensor (or any successor supplier) all Forecasts, alterations to Forecasts, Purchaser Orders and other related correspondence received from Distributor in accordance with the terms of the Cambridge Agreement (or successor agreement) and otherwise comply in all material respects with any similar procedural requirements under the Cambridge Agreement (or successor agreement) as may be necessary to obtain supply of Product.

In the event that Licensor exercises its right to terminate supply of the Product pursuant to Clause 8.7 of the Cambridge Agreement, within ten (10) Business Days after Prestwick's receipt of the notice thereof, Prestwick hereby covenants, and shall notify Licensor and Distributor of Prestwick's decision, to request Licensor to take, and use Commercially Reasonable Efforts to effect such request, one of the following actions within thirty (30) Business Days thereof: (i) transfer the manufacturing technology and Know-How necessary to manufacture Product ("Technology") to Prestwick or its designee; or (ii) to the extent Licensor's existing contract manufacturing supply arrangements are assignable without Third Party consent, assign to Prestwick, and to the extent such Third Party consent requires Third Party consent, request assignment of, Licensor's existing contract manufacturing supply agreements and all rights to Technology, whether such Technology is located at the contract manufacturing organizations' site or otherwise. In the event that Prestwick elects the option in subsection (i) of this paragraph to have the Technology transferred to Distributor as its designee, Prestwick shall also grant to Distributor an exclusive and royalty-free license to the Prestwick Know-How, the Prestwick Patents and Intellectual Property, the Product Trade Dress and the Product Trade Mark to manufacture Product.

In the event that Prestwick has previously effected a transfer or assignment under subsection (i) or subsection (ii) of Section 5.1.3 above, and subsequent to such transfer or assignment, Distributor has the right to terminate this Agreement pursuant to Section 11.2.3, Prestwick shall then, at Distributor's option: (i) transfer the Technology to Distributor; or (ii) to the extent Prestwick's existing contract manufacturing supply arrangements are assignable without Third Party consent, assign to Distributor, and to the extent such Third Party consent requires Third Party consent, request assignment of, Prestwick's existing contract manufacturing supply agreements and all rights to Technology, whether such Technology is located at the contract manufacturing organizations' site or otherwise. In the event that

Distributor elects the option in subsection (ii) of this Section 5.1.4, Prestwick shall also grant to Distributor an exclusive and royalty-free license to the Prestwick Know-How, the Prestwick Patents and Intellectual Property, the Product Trade Dress, and the Product Trade Mark to manufacture Product.

5.1.5 Assignment or Transfer upon Insolvency. In the event that Distributor has the right to terminate this Agreement pursuant to Section 11.3, within five (5) days after Distributor’s receipt of the notice thereof, Prestwick hereby covenants to take all actions necessary to request Licensor to take, and use Commercially Reasonable Efforts to effect such request, one of the following actions (or Prestwick itself shall take the following actions if its rights under Section 5.1.3 have been previously exercised), at Distributor’s option: (i) transfer the Technology to Distributor; or (ii) to the extent Licensor’s existing contract manufacturing supply arrangements are assignable without Third Party consent, assign to Distributor, and to the extent such Third Party consent requires Third Party consent, request assignment of, Licensor’s existing contract manufacturing supply agreements and all rights to Technology, whether such Technology is located at the contract manufacturing organizations’ site or otherwise. In the event that Distributor elects the option in subsection (ii) of this Section 5.1.5, Prestwick shall also grant to Distributor an exclusive and royalty-free license to the Prestwick Know-How, the Prestwick Patents and Intellectual Property, the Product Trade Dress, and the Product Trade Mark.

5.1.6 Allocation of Cost of Transfer. Any out-of-pocket costs and expenses incurred by Distributor and Prestwick in connection with any transfer or assignment contemplated in Sections 5.1.3 through 5.1.5 that are not paid or reimbursed by Licensor shall be borne {\*\*\*}† by Distributor and {\*\*\*}† by Prestwick. Any change in the “Cost of Goods” for Product resulting from any transfer or assignment contemplated in Sections 5.1.3 through 5.1.5 shall be borne or shared, as the case may be, {\*\*\*}† by Distributor and {\*\*\*}† by Prestwick, including any amounts owed as a result of any pay or take elements in a supply contract.

Each Purchase Order shall be ordered based on whole batches of Product manufactured; provided, that prior to December 31, 2009, Prestwick shall reimburse Distributor the cost of any expired Product ordered in excess of the amounts forecasted by Distributor to the extent that such expired Product does not constitute a Deduction or is otherwise deducted in connection with payment of net sales on Product to Licensor in a manner that reduces Distributor’s payment obligations to Prestwick on a dollar for dollar basis. If Distributor wishes to alter any Purchase Order because it has altered any quantity in the Binding Portion in accordance with Section 5.2.2, Distributor must submit an amended Purchase Order to reflect that. In the event a Purchase Order for quantities in the Binding Portion of a Forecast is not received six (6) months before the end of the month for which such quantities were forecasted, the forecast for such month in the Binding Portion of a Forecast shall be deemed a Purchase Order.

5.2.4 Supply Shortages. In the event that there is a shortage of Product supplied to Prestwick by Licensor that leads to Prestwick being unable to provide the Binding Portion of the Forecast, Prestwick shall use Commercially Reasonable Efforts to cause Licensor (or any successor supplier) to cause supplier of Product to allocate supply of Product between the Territory and Canada based upon net sales of Product in the Territory during the previous twelve (12) month period immediately prior to such shortage as compared to the total sales for Product in the Territory and Canada in such 12-month period.

5.2.5 Receipt and Acceptance. Prestwick shall deliver Product against each Purchase Order in accordance with this Section 5.2. Distributor shall purchase all Product ordered and specified in a Purchase Order. Purchase Orders may be delivered electronically or by other means to such location as Prestwick shall designate and shall be in a form reasonably acceptable to Prestwick, provided, however that a Purchase Order shall be binding on Prestwick provided that the Purchase Order contains orders for Product that are in compliance with Distributor’s forecasting obligations set out above. Prestwick shall provide written confirmation of such Purchase Order to Distributor within fifteen (15) Business Days of receipt of such Purchase Order. Other than terms respecting quantity and delivery date(s) (provided, such delivery dates are in accordance with the terms of this Agreement), the terms and conditions of any Purchase Order submitted by Distributor or written confirmation thereof by Prestwick shall be of no force and effect, whether or not objected to by Prestwick, and nothing in any such Purchase Order or written acceptance shall supersede the terms and conditions of this Agreement. All Purchase Orders, written acceptances of Purchase Orders and other notices contemplated under this Section 5.2 shall be sent to the attention of such persons as each Party may identify to the other in writing from time to time.

6.3.4 Deferred Payment. Notwithstanding Section 6.3.3(c), Distributor may defer for a period of six (6) calendar months after the First Commercial Sale date (a) {\*\*\*}† of the Supply Price where such Supply Price is determined based upon Net Sales Revenue less than {\*\*\*}† and (b) {\*\*\*}† of the Supply Price where such Supply Price is determined based upon Net Sales Revenue equaling or exceeding {\*\*\*}†, without penalty or interest. For clarity, such amounts deferred shall be owed within thirty (30) days of the end of the sixth calendar month after the date of the First Commercial Sale.

6.3.5 Handling Deductions. Distributor shall be entitled to deduct from payment of the First Installment of each Invoice, an amount equal to any increase of its Third Party costs for customs and handling on the importation of Product solely attributable to any excess of the amount invoiced by Licensor to the Distributor for the Supply Price over the First Installment for Product ("Handling Deductions"), provided, that Distributor provides an itemized statement of such reduction with the payment of the First Installment.

6.4 Payment Method. All amounts due to either Party hereunder will be paid in Dollars by wire transfer in immediately available funds to an account designated by such Party. Any amounts (other than amounts being contested in good faith) that are overdue and payable under this Agreement shall bear interest at a rate of {\*\*\*}† per month from the due date until the date of payment. For clarity, upon resolution of any amounts disputed such amounts determined to be due shall bear interest at the rate provided above from the time such amounts were originally due.

6.5 Reconciliations. The Parties acknowledge that any amounts paid or shared in any way under this Agreement may be based upon estimates, which estimates will be GAAP-compliant; provided, however, that when the actual results become known relative to any estimated amount, any difference between the actual results and the estimate is reported and the next payment due hereunder related to such estimated item is appropriately adjusted for such difference. The Parties acknowledge and agree that any reports and payments relating to any cost, expense, or other financial amount shared pursuant to this Agreement for the final quarter of any Calendar Year shall reflect year-end reconciliations and adjustments, if any, applicable to the previous three (3) quarters' reported results.

6.6 Taxes. Each Party will be responsible for any and all income or other taxes owed by it ("Receiving Party") and required by applicable Law to be withheld or deducted from any of the payments made by or on behalf of the other Party ("Disbursing Party") to it hereunder ("Withholding Taxes") and the Disbursing Party may deduct from any amounts that the Disbursing Party is required to pay hereunder an amount equal to such Withholding Taxes. Any amounts withheld shall be deemed as paid to the Receiving Party for all purposes under this Agreement. Each Party will provide the other Party with (a) reasonable advance notice of tax withholding obligations to which it reasonably believes that it is subject and (b) any reasonable information available to it that is necessary to determine the Withholding Taxes. Such Withholding Taxes will be paid to the proper taxing authority for the Receiving Party's account and evidence of such payment will be secured and sent to the Receiving Party within one (1) month of such payment. The Parties will do all such lawful acts and things and sign all such

lawful deeds and documents as either Party may reasonably request from the other Party to enable each Party or its Affiliates to (i) take advantage of any applicable legal provision or any treaty provisions with the object of paying the sums due to such Party hereunder with the lowest legal amount of Withholding Taxes and (ii) comply with its tax withholding obligations.

6.7      Records Retention; Financial Audit.

6.7.1      Record Retention. Each Party and their Affiliates will maintain complete and accurate books, records and accounts for the calculation of Development Expenses, Net Sales Revenue and Handling Deductions, in sufficient detail to confirm the accuracy of any payments required under this Agreement, which books, records and accounts will be retained by such Party for two (2) years after the end of the period to which such books, records and accounts pertain, or longer as is required by applicable Law.

6.7.2      Financial Audit. Each Party will have the right to have an independent certified public accounting firm, reasonably acceptable to the other Party, access during normal business hours, and upon reasonable prior written notice, such of the records of such Party, its Affiliates or permitted subcontractors as may be reasonably necessary to verify the accuracy of Development Expenses, Net Sales Revenue and Handling Deductions and the Supply Price paid based thereof for any Calendar Year during the Term ending not more than two (2) years prior to the date of such request; provided, however, that, (a) a Party will not have the right to conduct more than one (1) such audit in any twelve (12) month period and that (b) it shall not be permitted to audit the same period of time more than once, unless evidence of fraud in a subsequent audit and such Party reasonably believes that such evidence indicates the reasonable possibility of fraud in any such prior period. The Party having such audit conducted will bear all costs of such audit, unless the audit reveals a discrepancy in such Party's favor of more than ten percent (10%), in which case the other Party will bear the cost of the audit. The result of the audit shall, in the absence of manifest error, be final and binding on the Parties. For purposes of clarity, each Party shall obtain from each Affiliate or permitted subcontractors involved in the Commercialization of Product in the Territory or development of Product audit rights for the other as set forth in this Section 6.7.2.

6.7.3      Payment of Additional Amounts. If, based on the results of any audit, additional payments are owed to a Party under this Agreement, then the other Party will make such additional payments within thirty (30) Business Days (provided that the other Party has received an invoice in respect of the same) after the accounting firm's written report is delivered to the Parties, except in the case that a Party is seeking an appeal based upon manifest error.

6.7.4      Confidentiality. Each Party will treat all information subject to review under this Section 6.7 in accordance with the provisions of Article 7. Prior to conducting any audit hereunder, each Party will cause its accounting firm to enter into a reasonably acceptable confidentiality agreement with the audited party obligating such accounting firm to maintain all such financial information in confidence with standards no less stringent than the terms of Article 7 of this Agreement.

## ARTICLE 7 CONFIDENTIALITY

### 7.1 Confidential Information.

7.1.1 Confidential Information. As used in this Agreement, the term “Confidential Information” means all information or data, whether provided in written, oral, graphic, video, computer, electronic or other form, provided pursuant to this Agreement by one (1) Party (the “Disclosing Party”) to the other Party (the “Recipient”), including but not limited to, information relating to the Disclosing Party’s existing or proposed research, Development efforts, patent applications, business or products, and any other materials that have not been made available by the Disclosing Party to the general public. Notwithstanding the foregoing sentence, Confidential Information shall not include any information or materials that:

(a) were already known to the Recipient (other than under an obligation of confidentiality) at the time of disclosure by the Disclosing Party, to the extent such Recipient has documentary evidence to that effect;

(b) were generally available to the public or otherwise part of the public domain at the time of disclosure thereof to the Recipient;

(c) became generally available to the public or otherwise part of the public domain after disclosure or development thereof, as the case may be, and other than through any act or omission of a Party in breach of such Party’s confidentiality obligations under this Agreement;

(d) were disclosed to a Party, other than under an obligation of confidentiality, by a Third Party who had no obligation to the Disclosing Party not to disclose such information to others; or

(e) were independently discovered or developed by or on behalf of the Recipient without the use of the Confidential Information belonging to the other Party, to the extent such Recipient has documentary evidence to that effect.

7.1.2 Confidentiality Obligations. Each of Distributor and Prestwick shall keep all Confidential Information received from the other Party with the same degree of care it maintains the confidentiality of its own Confidential Information, but in no event less than a reasonable degree of care. Neither Party shall use such Confidential Information for any purpose other than in performance of this Agreement or disclose the same to any other Person other than to such of its and its Affiliates’ directors, officers, managers, employees, independent contractors, agents or consultants who have a need to know such Confidential Information to implement the terms of this Agreement or enforce its rights under this Agreement; provided, however, that a Recipient shall advise any of its and its Affiliates’ directors, officers, managers, employees, independent contractors, agents or consultants who receive such Confidential Information of the confidential nature thereof and of the obligations contained in this Agreement relating thereto, and the Recipient shall ensure (including, in the case of a Third Party, by means of a written agreement with such Third Party having terms at least as protective as those contained in this Article 7) that all such directors, officers, managers, employees, independent contractors, agents or consultants comply with such obligations as if they had been a Party hereto. Each Party agrees that it shall be responsible for any breaches of this Section 7.1.2 by its Affiliates or its or any of its Affiliates’ directors, officers, managers, employees, independent contractors, agents or consultants. Upon

termination of this Agreement, the Recipient shall return or destroy all documents, tapes or other media containing or embodying Confidential Information of the Disclosing Party that remain in the possession of the Recipient or its directors, managers, employees, independent contractors, agents or consultants, except that the Recipient may keep one (1) copy of the Confidential Information in the legal department files of the Recipient, solely for archival purposes. Such archival copy shall be deemed to be the property of the Disclosing Party, and shall continue to be subject to the provisions of this Article 7. It is understood that receipt of Confidential Information under this Agreement will not limit the Recipient from assigning its employees to any particular job or task in any way it may choose, subject to the terms and conditions of this Agreement.

7.1.3 Permitted Disclosure and Use. Notwithstanding Section 7.1.2, a Party may disclose Confidential Information belonging to the other Party to the extent such disclosure is reasonably necessary to: (a) comply with or enforce any of the provisions of this Agreement; (b) for communication with investors, lenders, consultants, advisors or others on a need to know basis, in each case under appropriate confidentiality provisions substantially equivalent to those of this Agreement, or (c) comply with applicable Laws, subpoenas or similar legal process. If a Party deems it necessary to disclose Confidential Information of the other Party pursuant to Section 7.1.3(c), such Party shall (i), if reasonably possible, give reasonable advance notice of such disclosure to the other Party to permit such other Party sufficient opportunity to object to such disclosure or to take measures to ensure confidential treatment of such information and (ii) furnish only that portion of the Confidential Information that it is advised by counsel is legally required.

7.1.4 Notification. The Recipient shall notify the Disclosing Party promptly upon discovery of any unauthorized use or disclosure of the Disclosing Party's Confidential Information, and will cooperate with the Disclosing Party (at the Recipient's expense if such use or disclosure results from a breach of Recipient's obligations hereunder) in any reasonably requested fashion to assist the Disclosing Party to regain possession of such Confidential Information and to prevent its further unauthorized use or disclosure.

7.2 Publicity; Filing of this Agreement. The Parties agree that the public announcement of the execution of this Agreement shall be substantially in the forms of the press releases attached hereto as Exhibit A, and each Party shall approve of the other Party's Press Release prior to its publishing (the "Press Releases"). Any other publication, news release or other public announcement relating to this Agreement or to the performance hereunder, shall first be reviewed and approved by both Parties; provided, however, that any disclosure which is required by applicable Law as advised by the disclosing Party's counsel may be made without the prior consent of the other Party. To the extent practicable, the disclosing Party shall be given at least three (3) Business Days advance notice of any such legally required disclosure, and the other Party shall provide any comments on the proposed disclosure during such period. To the extent that either Party determines that it or the other Party is required to file or register this Agreement or a notification thereof to comply with the requirements of an applicable stock exchange (including without limitation the Toronto Stock Exchange ("TSX")) or NASDAQ regulation or any Governmental Authority, including without limitation the Canadian Securities Administrators, U.S. Securities and Exchange Commission or the U.S. Federal Trade Commission, such Party shall promptly inform the other Party thereof. Prior to making any such filing, registration or notification, the Parties shall agree on the provisions of this Agreement for which the Parties shall seek confidential treatment, it being understood that if one (1) Party determines to seek

confidential treatment for a provision for which the other Party does not, then the Parties will use reasonable efforts in connection with such filing to seek the confidential treatment of any such provision. The Parties shall cooperate, each at the requesting Party's expense, in such filing, registration or notification, including, without limitation, such confidential treatment request, and shall execute all documents reasonably required in connection therewith.

7.3 Use of Names. Subject to Section 7.2, neither Party shall use the name of the other Party in relation to this transaction in any public announcement, press release or other public document without the prior written consent of such other Party, which consent shall not be unreasonably withheld, delayed, or conditioned; provided, however, that either Party may use the name of the other Party in any document filed with any Governmental Authority, including the FDA, the U.S. Securities and Exchange Commission, and the TSX.

7.4 Confidentiality of this Agreement. The terms of this Agreement shall be Confidential Information of each Party and, as such, shall be subject to the provisions of this Article 7.

7.5 Disclosures Under Existing CDA. The Parties agree and acknowledge that Distributor and Prestwick entered into that certain Confidentiality and Non-Use Agreement dated February 15, 2008 and as amended to date ("Existing CDA"). The Parties agree that "Confidential Information" (as such term is used in the Existing CDA) disclosed to the Parties or their Affiliates under the Existing CDA prior to the Effective Date shall be deemed to have been disclosed under this Agreement and, from and after the Effective Date, shall be held in confidence by such the Parties and their Affiliates in accordance with the terms of this Article 7.

## **ARTICLE 8 INTELLECTUAL PROPERTY**

8.1 Patent Prosecution and Maintenance. During the Term, Prestwick shall Prosecute and Maintain the Prestwick Patents and Intellectual Property for which it or its Affiliate is an owner or assignee ("Key Patents"). Prestwick shall keep Distributor informed of the status of each Key Patent and shall give reasonable consideration to any suggestions or recommendations of Distributor concerning the Prosecution and Maintenance thereof. Before taking any steps regarding the filing, prosecution or maintenance of any Key Patent, Prestwick will allow Distributor to comment on the action proposed to be taken and Prestwick will take into account any comments and suggestions made by Distributor. If, during the Term, Prestwick intends to allow any Key Patent to expire or otherwise be abandoned, Prestwick shall notify Distributor of such intention at least sixty (60) days prior to the date upon which such Key Patent shall expire or be abandoned, and Distributor shall thereupon have the right, but not the obligation, to assume responsibility for the Prosecution and Maintenance thereof. Any such Patent will, at Distributor's request, be assigned to Distributor or at its direction to one (1) of Distributor's Affiliates for nil consideration. Prestwick shall not during the Term assign any Key Patents for which it is the registered proprietor to any Third Party.

8.2 Defense of Third Party Infringement Claims. If Product becomes the subject of a Third Party's claim or assertion of infringement, the Party first having notice of the claim or assertion shall promptly notify the other Party, and the Parties shall promptly confer to consider the claim or assertion and the appropriate course of action. Unless the Parties otherwise agree in

writing, each Party shall have the right to defend itself against a suit that names it as a defendant. Neither Party shall enter into any settlement of any claim described in this Section 8.2 that adversely affects the other Party's rights or interests without such other Party's prior written consent, such consent not to be unreasonably withheld, delayed, or conditioned. In any event, the Parties shall reasonably assist one another and cooperate in any such litigation at the other Party's request and expense.

8.3 Enforcement. Subject to the provisions of this Section 8.3, in the event that either Party reasonably believes that the filing of an NDA or ANDA or Commercialization by a Third Party of a product (an "Infringing Product") constitutes infringement of a Key Patent, such Party shall promptly notify the other Party of such infringement. In such event, Prestwick shall have the initial right (but not the obligation) to enforce such Key Patents with respect to such Infringing Product, or to defend any declaratory judgment action with respect thereto at its sole expense (an "Enforcement Action").

8.3.1 Initiating Enforcement Actions. In the event that Prestwick fails to initiate an Enforcement Action under Section 8.3 to enforce such Key Patent against an infringement by a Third Party in the Territory, within thirty (30) days of a request by Distributor to initiate such Enforcement Action, Distributor may initiate an Enforcement Action against such infringement at Distributor's sole expense. In such case, Prestwick shall cooperate with Distributor in such Enforcement Action. The Party initiating or defending any such Enforcement Action shall keep the other Party reasonably informed of the progress of any such Enforcement Action, and such other Party shall have the right to participate with counsel of its own choice.

8.3.2 Recoveries. Any recovery received as a result of any Enforcement Action under Section 8.3 shall be used first to reimburse the Parties for the costs and expenses (including attorneys' and professional fees) incurred in connection with such Enforcement Action, and the remainder of the recovery shall be shared {\*\*\*}† to Distributor and {\*\*\*}† to Prestwick.

8.3.3 Consultation. The Party assuming the lead role in the Enforcement Action (the "Controlling Party") shall consult with the non-Controlling Party on all material aspects of the enforcement. The non-Controlling Party shall have a reasonable opportunity for meaningful participation in decision-making and formulation of strategy. The Parties shall reasonably cooperate with each other in all such actions or proceedings. Each Party agrees to be joined as a party plaintiff if necessary and shall provide all reasonable cooperation (including any necessary use of its name) required to prosecute such litigation, provided that the Controlling Party shall indemnify the non-Controlling Party in relation to any costs awards made against it. The non-Controlling Party shall be entitled to be represented by an independent counsel of its own choice at its own expense.

8.3.4 Appeal. In the event that a judgment is entered against the Controlling Party and an appeal is available, the Controlling Party shall have the first right, but not the obligation, to file such appeal. In the event the Controlling Party does not desire to file such an appeal, it will promptly, in a reasonable time period (i.e., with sufficient time for the non-

Controlling Party to take whatever action may be necessary) prior to the date on which such right to appeal will lapse or otherwise diminish, permit the non-Controlling Party to pursue such appeal at such non-Controlling Party’s own cost. If the Law requires the Controlling Party’s involvement in such appeal, the Controlling Party shall be a nominal party of the appeal and shall provide reasonable cooperation with the other Party at the other Party’s expense.

8.4      Trademarks.

8.4.1      Maintenance of Trademarks. Prestwick will maintain and enforce Product Trade Marks and Product Trade Dress, at its sole costs and expense. If during the Term, Prestwick intends to allow any Product Trade Mark or Product Trade Dress to expire or otherwise be abandoned, Prestwick shall notify Distributor of such intention at least sixty (60) days prior to the date upon which such Product Trade Mark or Product Trade Dress shall expire or be abandoned and Distributor shall thereupon have the right, but not the obligation, to assume responsibility for the Prosecution and Maintenance thereof. Any such Product Trade Mark or Product Trade Dress will, at Distributor’s request, be assigned to Distributor or at its discretion, one (1) of Distributor’s Affiliates for nil consideration. Prestwick shall not during the Term assign any Product Trade Marks or Product Trade Dress to any Third Party.

8.4.2      Infringement and Enforcement. In the event either Party becomes aware of any infringement of a Product Trade Mark or Product Trade Dress by a Third Party in the Territory, such Party shall promptly notify the other Party. In such event of a Third Party infringement of a Product Trade Mark or Product Trade Dress, Prestwick shall have the initial right (but not the obligation) to take legal action with respect to such infringement of such Product Trade Mark or Product Trade Dress at its own expense (a “Trademark Enforcement Action”). In the event that Prestwick fails to initiate a Trademark Enforcement Action to prevent infringement of such Product Trade Mark or Product Trade Dress by a Third Party in the Territory, as applicable, within forty five (45) days of a request by Distributor to initiate such Trademark Enforcement Action, Distributor may initiate a Trademark Enforcement Action against such Third Party at Distributor’s sole expense. In each case, the other Party shall cooperate (which cooperation shall include being named a party plaintiff, if necessary) with such Party pursuing a Trademark Enforcement Action at such Party’s expense. The Party initiating or defending any such Trademark Enforcement Action shall keep the other Party reasonably informed of the progress of any such Trademark Enforcement Action, and such other Party shall have the right to participate with counsel of its own choice. Any recovery received as a result of any Trademark Enforcement Action under this Section 8.4.2 shall be used first to reimburse the Parties for the costs and expenses (including attorneys’ and professional fees) incurred in connection with such Trademark Enforcement Action, and the remainder of the recovery shall be shared {\*\*\*}† to Distributor and {\*\*\*}† to Prestwick.

**ARTICLE 9**  
**REPRESENTATIONS AND WARRANTIES**

9.1 Representations and Warranties.

9.1.1 Mutual Representations. Each of the Parties hereby represents and warrants to the other Party that, as of the Effective Date:

(a) Such Party has full corporate right, power and authority to enter into this Agreement and to perform its respective obligations under this Agreement and that it has the right to grant the rights granted pursuant to this Agreement.

(b) Such Party is not insolvent and no proceedings have been taken or authorized by such Party, or to the knowledge of such Party been taken or threatened by any other Person, with respect to bankruptcy, insolvency, liquidation, dissolution or winding up of such Party.

(c) This Agreement is a legal and valid obligation binding upon such Party and enforceable in accordance with its terms, subject to (i) the effect of any applicable Law of general application relating to bankruptcy, reorganization, insolvency, moratorium or similar Laws affecting creditors' rights and relief of debtors generally and (ii) the effect of general principles of equity, including general principles of equity governing specific performance, injunctive relief and other equitable remedies (regardless of whether such enforceability is considered in a proceeding in equity or at law). The execution, delivery and performance of the Agreement by such Party does not conflict with any agreement, instrument or understanding, oral or written, to which it is a Party or by which it is bound, nor violate any applicable Law of any Governmental Authority having jurisdiction over it.

(d) Such Party has not granted any right to any Third Party that would conflict with the rights granted to the other Party hereunder.

(e) Except for Regulatory Approvals, manufacturing approvals and/or similar approvals necessary for the manufacture or Commercialization of Product (and the components thereof), such Party has obtained all necessary consents, approvals and authorizations of all Governmental Authorities and other Persons required to be obtained by it as of the Effective Date in connection with the execution, delivery and performance of this Agreement.

(f) There is no action or proceeding pending against such Party or, to such Party's knowledge, threatened against such Party that questions the validity of this Agreement or any action taken by such Party in connection with the execution of this Agreement.

(g) Except as set forth in Schedule 9.1.1(g) attached hereto, there is no investment banker, broker, finder, financial advisor or other intermediary who has been retained by or is authorized to act on behalf of such Party (or any of its Affiliates) who might be entitled to any fee or commission in connection with the transactions contemplated by this Agreement.

(h) Neither such Party nor its Affiliates has been debarred or is subject to debarment and neither it nor any of its Affiliates will use in any capacity, in connection with the

Commercialization of Product, any Person who has been debarred pursuant to Section 306 of the United States Federal Food, Drug and Cosmetic Act, or who is subject of a conviction described in such section.

9.2 Investigation. A Party’s remedies based on any representation or warranty of another Party contained in or made pursuant to this Agreement shall not be affected by any investigation conducted by such Party or any of its representatives or any knowledge acquired (or capable of being acquired) by any such Party or its representatives, in each case, at any time, whether before or after the execution and delivery of this Agreement.

9.3 Disclaimer of Warranty. EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH IN SECTION 9.1 OF THIS AGREEMENT, NEITHER PARTY MAKES ANY REPRESENTATIONS AND GRANTS NO WARRANTIES, EXPRESS OR IMPLIED, EITHER IN FACT OR BY OPERATION OF LAW, BY STATUTE OR OTHERWISE, AND PRESTWICK AND DISTRIBUTOR EACH SPECIFICALLY DISCLAIM ANY OTHER REPRESENTATIONS AND WARRANTIES, WHETHER WRITTEN OR ORAL, EXPRESS, STATUTORY OR IMPLIED, INCLUDING ANY WARRANTY OF QUALITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE OR ANY WARRANTY AS TO THE VALIDITY OF ANY PATENTS OR THE NON-INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS OF THIRD PARTIES.

9.4 Essential Basis. The Parties acknowledge and agree that the disclaimers, exclusions and limitations of liability set forth in this Article 9 form an essential basis of this Agreement, and that, absent any of such disclaimers, exclusions or limitations of liability, the terms of this Agreement, including, without limitation, the economic terms, would be substantially different.

**ARTICLE 10  
COVENANTS**

From the Effective Time and through the Term, the following covenants shall apply:

10.1 Phase 4 Studies. Distributor shall be responsible for, at its sole cost and expense, in conducting and completing Phase 4 Studies (including any such Phase 4 Study that is required to be repeated as a result of a failure by Distributor to meet FDA standards for reviewability or are otherwise aborted by Distributor) in accordance with (a) professional standards and practices, (b) all applicable Laws and (c) the timeline provided in the First NDA or any extensions agreed to by the FDA and the development plan. Prestwick shall promptly provide Distributor any information in its possession or control related to the Phase 4 Studies and all other regulatory and safety matters related to the Product, including any information or correspondence received from the FDA. Furthermore, in the event that Prestwick is delayed in providing such materials to Distributor or has not made adequate progress in achieving milestones for any of the Phase 4 Studies, Distributor shall not be liable for such delays in completing the Phase 4 Studies to the extent such delay is related to Prestwick’s failure to provide such materials or make adequate progress in achieving milestones. Distributor shall provide Prestwick with monthly reports regarding the status of such Phase 4 Studies and promptly provide any other information regarding the Phase 4 Studies requested by Prestwick. Distributor shall not be required to reimburse

Prestwick for any expenditures made by, or accrued on the balance sheet of, Prestwick prior to the Effective Date in connection with performing the Phase 4 Studies.

10.2 Debarment. Each Party agrees to promptly inform the other Party in writing as if it or any Person who is performing services hereunder on its behalf is debarred or is the subject of a conviction described in Section 306 of the United States Federal Food, Drug and Cosmetic Act, or if any action, suit, claim, investigation or legal administrative proceeding is pending or, to the best of such Party's knowledge, is threatened, relating to the debarment of such Party, its Affiliates or any Person used in any capacity by such Party or its Affiliates in connection with the Commercialization of Product.

10.3 Territory Compliance. Distributor shall not import or sell Product outside the Territory and shall use Commercially Reasonable Efforts to prevent importation or resale of Product outside the Territory by a Third Party that purchased such Product in the Territory from Distributor. Prestwick and its Affiliates shall not sell Product in the Territory and Prestwick shall use Commercially Reasonable Efforts to prevent importation or resale of a Product in the Territory by a Third Party that purchased such Product outside the Territory from Prestwick or its Affiliates.

10.4 FIFO Policy. For the sake of clarity, Distributor agrees to use first in-first out ("FIFO") inventory control for Product as a means of controlling the amount of returns to Distributor.

10.5 No Amendment of the Cambridge Agreement. During the Term, Prestwick shall not, without the prior written consent of Distributor, in its sole discretion, amend, supplement, modify or waive any provision of the Cambridge Agreement, provided, however that notwithstanding the foregoing, to the extent such amendment, supplement or modification could not reasonably be expected to interfere with or adversely affect the rights or obligations of Distributor hereunder, Prestwick may, without the prior written consent of Distributor (but with good faith consultation with Distributor) amend, supplement or modify the Cambridge Agreement. Promptly, and in any event no later than five (5) Business Days, following receipt by Prestwick of a fully executed amendment, supplement, modification or waiver of the Cambridge Agreement, as applicable, Prestwick shall furnish a copy of such amendment, supplement, modification or waiver to Distributor.

10.6 Maintenance of Cambridge Agreement. Subject to Distributor's obligations hereunder, Prestwick (including its Affiliates or permitted subcontractors) shall comply fully in all respects with its obligations under the Cambridge Agreement and shall not take any action or forego any action that shall constitute a material or uncured breach of the Cambridge Agreement. In furtherance of the foregoing, as and when reasonably requested by Distributor, Prestwick shall use its Commercially Reasonable Efforts to exercise in all material respects all of its rights under the Cambridge Agreement; provided, however, that Prestwick or its Affiliates shall not be required to pursue any claim or adversarial proceeding (including without limitation, filing or continuing any law suit, mediation, arbitration or other proceeding) unless (i) the failure to do so would result in Distributor incurring any material loss or damages relating to a breach by Cambridge under the Cambridge Agreement and Distributor would not otherwise have standing or other rights to pursue such claim directly against Cambridge, (ii) (other than matters related to the failure to supply of Product as a result of actions or omissions by Cambridge or its subcontractors) the prosecution of any such claim or adversarial proceeding would not reasonably be expected to be adverse to or

otherwise contrary to the best interests of Prestwick or any of its Affiliates in any material respect and (iii) Distributor delivers a written notice (A) acknowledging that Prestwick and its Affiliates have declined to pursue any such claim or adversarial proceeding, (B) requesting that Prestwick or its applicable Affiliates pursue any such claim or adversarial proceeding, and (C) agreeing that to the extent such costs are not reimbursed by Cambridge, Distributor shall reimburse Prestwick or its Affiliates, within thirty (30) days of presentment of invoices or other documentation reflecting such expenses, {\*\*\*}† of the reasonable out of pocket costs and expenses incurred by Prestwick or its Affiliates associated with such claim or proceeding. Promptly upon the receipt of any written notice from Licensor of Prestwick’s breach under the Cambridge Agreement, Prestwick shall give written notice of the breach to Distributor setting forth in reasonable detail the nature of the breach. Prestwick shall promptly cure any and all such breaches (to the extent such breach is not due to Distributor’s failure to perform its obligations hereunder) and give written notice to Distributor (and to Licensor, if applicable) that such alleged breach has been cured. However, any cure or failure to cure by Prestwick of such breaches shall not avoid or mitigate its obligations under this Agreement. Prestwick shall take all actions necessary to exercise its rights under the Cambridge Agreement so that the options under Sections 2.4 and 2.5 may be given effect.

10.7      Breach of Cambridge Agreement by Licensor.

10.7.1      Upon the occurrence of any breach by Licensor of the Cambridge Agreement which is not cured as provided in the Cambridge Agreement, as applicable, Prestwick shall give prompt written notice thereof to Distributor, and, at Distributor’s request, subject to Sections 10.6 and 10.7, the Parties shall meet and confer in good faith to determine a course of action with respect to such breach.

10.7.2      Nothing in this Section 10.7 shall obligate either Party to take any action, or omit to take any action, that would conflict with, violate or cause a violation of, any applicable Law binding upon such Party.

10.7.3      Any collections, recoveries, damages, awards, settlements and other payments received from Licensor for losses related to Net Sales Revenue in the Territory from Licensor (including for failure to supply Product or any failure of Product to meet the Specifications) shall be used first to reimburse the Parties for any Losses paid or payable to Third Parties by the Parties (in proportion to the aggregate amount of Losses incurred by each Party with respect to the applicable action, if any), second to reimburse the Parties for the costs and expenses (including attorneys’ and professional fees) incurred in connection with such action, and the remainder of such amounts shall be divided {\*\*\*}† to Distributor and {\*\*\*}† to Prestwick.

10.8      Termination of Cambridge Agreement by Prestwick. Upon the occurrence of any event which could reasonably be expected to give rise to Prestwick’s right to terminate all or any part of the Cambridge Agreement, Prestwick shall consult with Distributor in determining whether or not to exercise such termination right. In any event and notwithstanding anything to the contrary contained herein, Prestwick shall not exercise any such right to terminate without the prior written consent of Distributor, which consent may be withheld in its sole discretion.

† Represents material which has been redacted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

10.9 Breach of Cambridge Agreement due to Distributor. Distributor (including its Affiliates or permitted subcontractors) shall not take any action or omit to take any action required, to the extent under its control, under this Agreement that shall constitute a material breach of the Cambridge Agreement.

10.10 Marketing Plan. **ARTICLE 13**  
**INDEMNIFICATION; INSURANCE**

13.1 Indemnification.

13.1.1 Indemnification by Prestwick. Prestwick hereby agrees to save, defend and hold Distributor, its Affiliates, and their respective directors, agents and employees harmless from and against any and all Losses arising in connection with any and all charges, complaints, actions, suits, proceedings, hearings, investigations, claims, demands, judgments, orders, decrees, stipulations or injunctions by a Third Party (each a “Third Party Claim”) resulting from (a) any material breach by Prestwick or its Affiliates of any of its representations, warranties or covenants pursuant to this Agreement, (b) any Withholding Taxes with respect to amounts paid or payable by Distributor to Prestwick under this Agreement or (c) the gross negligence or willful misconduct by Prestwick or its Affiliates or their respective officers, directors, employees, agents, consultants or sublicensees in performing any of its obligations under this Agreement; in each case except to the extent that such Losses are subject to indemnification by Prestwick pursuant to Section 13.1.2.

13.1.2 Indemnification by Distributor. Distributor hereby agrees to save, defend and hold Prestwick, its Affiliates, and their respective directors, agents and employees harmless from and against any and all Losses arising in connection with any and all Third Party Claims resulting from (a) any material breach by Distributor or its Affiliates of any of its representations, warranties or covenants pursuant to this Agreement, (b) failure of Prestwick to meet its obligation to Licensor to meet the Minimum Sales Quantities, provided in such case indemnification of Licensor shall be limited to fifty-six percent (56%) of such Losses paid to Licensor with respect to such failure or (c) the gross negligence or willful misconduct by Distributor or its Affiliates or their respective officers, directors, employees, agents or consultants in performing any of its obligations under this Agreement; in each case except to the extent that such Losses are subject to indemnification by Prestwick pursuant to Section 13.1.1.

13.1.3 Other Provisions. The rights of indemnification under this Section 13.1 shall be subject to the provisions of Sections 13.2 through 13.8.

13.2 Notice of Claim. All indemnification claims in respect of any indemnitee seeking indemnity under Section 13.1 (collectively, the “Indemnitees” and each an “Indemnitee”) will be

made solely by the corresponding Party (the “Indemnified Party”). The Indemnified Party will give the indemnifying Party (the “Indemnifying Party”) prompt written notice (an “Indemnification Claim Notice”) of any Losses or the discovery of any fact upon which such Indemnified Party intends to base a request for indemnification under Section 13.1, but in no event will the Indemnifying Party be liable for any Losses that result from any delay in providing such notice which materially prejudices the defense of such Third Party Claim. Each Indemnification Claim Notice must contain a reasonably detailed description of the Third Party Claim and the nature and amount of such Loss (to the extent that the nature and amount of such Loss are known at such time). Together with the Indemnification Claim Notice, the Indemnified Party will furnish promptly to the Indemnifying Party copies of all notices and documents (including court papers) received by any Indemnatee in connection with the Third Party Claim. The Indemnifying Party shall not be obligated to indemnify the Indemnified Party to the extent any admission or statement made by the Indemnified Party materially prejudices the defense of such Third Party Claim.

13.3 Control of Defense. At its option, the Indemnifying Party shall have the right to assume the defense of any Third Party Claim subject to indemnification as provided for in Section 13.1.1 and 13.1.2 by giving written notice to the Indemnified Party within thirty (30) days after the Indemnifying Party’s receipt of an Indemnification Claim Notice. Upon assuming the defense of a Third Party Claim, the Indemnifying Party may appoint as lead counsel in the defense of the Third Party Claim any legal counsel it selects. Should the Indemnifying Party assume the defense of a Third Party Claim, the Indemnifying Party will not, except as provided in Sections 13.4 and 13.7 below, be liable to the Indemnified Party or any other Indemnatee for any legal expenses incurred by such Indemnified Party or other Indemnatee in connection with the analysis, defense or settlement of the Third Party Claim.

13.4 Right to Participate in Defense. Without limiting Section 13.3, any Indemnatee will be entitled to participate in, but not control, the defense of a Third Party Claim for which it has sought indemnification hereunder and to employ counsel of its choice for such purpose; provided, however, that such employment will be at the Indemnatee’s own expense (and shall not be Losses) unless (a) the employment thereof has been specifically authorized by the Indemnifying Party in writing, or (b) the Indemnifying Party has failed to assume the defense and employ counsel in accordance with Section 13.3 (in which case the Indemnified Party will control the defense and reasonable fees and expenses representing the Indemnified Party shall be reimbursed by the Indemnifying Party).

13.5 Settlement. With respect to any Losses relating solely to the payment of money damages in connection with a Third Party Claim and that will not result in the Indemnatee’s becoming subject to injunctive or other relief or otherwise materially adversely affect the business (other than payment of money) of the Indemnatee, and as to which the Indemnifying Party will have acknowledged in writing the obligation to indemnify the Indemnatee hereunder, the Indemnifying Party will have the sole right to consent to the entry of any judgment, enter into any settlement or otherwise dispose of such Loss, on such terms as the Indemnifying Party will deem appropriate (provided, however that such terms shall include a complete and unconditional release of the Indemnified Party from all liability with respect thereto), and will transfer to the Indemnified Party all amounts which said Indemnified Party will be liable to pay prior to the time of the entry of judgment. With respect to all other Losses in connection with Third Party Claims, where the Indemnifying Party has assumed the defense of the Third Party Claim in accordance

with Section 13.3, the Indemnifying Party will have authority to consent to the entry of any judgment, enter into any settlement or otherwise dispose of such Loss; provided, however, it obtains the prior written consent of the Indemnified Party (which consent will be at the Indemnified Party's reasonable discretion). The Indemnifying Party that has assumed the defense of the Third Party Claim in accordance with Section 13.3 will not be liable for any settlement or other disposition of a Loss by an Indemnitee that is reached without the prior written consent of such Indemnifying Party. Regardless of whether the Indemnifying Party chooses to defend or prosecute any Third Party Claim, no Indemnitee will admit any liability with respect to, or settle, compromise or discharge, any Third Party Claim without first offering to the Indemnifying Party the opportunity to assume the defense of the Third Party Claim in accordance with Section 13.3, within thirty (30) days of such offer.

13.6 Cooperation. If the Indemnifying Party chooses to defend or prosecute any Third Party Claim, the Indemnified Party will, and will cause each other Indemnitee to, cooperate in the defense or prosecution thereof and will furnish such records, information and testimony, provide such witnesses and attend such conferences, discovery proceedings, hearings, trials and appeals as may be reasonably requested in connection with such Third Party Claim. Such cooperation will include access during normal business hours afforded to the Indemnifying Party to, and reasonable retention by the Indemnified Party of, records and information that are reasonably relevant to such Third Party Claim, and making Indemnitees and other employees and agents available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder, and the Indemnifying Party will reimburse the Indemnified Party for all its reasonable out-of-pocket expenses incurred in connection with such cooperation.

13.7 Expenses of the Indemnified Party. Except as provided above, the reasonable and verifiable costs and expenses, including fees and disbursements of counsel, incurred by the Indemnified Party in connection with any Third Party Claim will be reimbursed on a Calendar Quarter basis by the Indemnifying Party, without prejudice to the Indemnifying Party's right to contest the Indemnified Party's right to indemnification and subject to refund in the event the Indemnifying Party is ultimately held not to be obligated to indemnify the Indemnified Party.

13.8 Insurance. Each Party will obtain and keep in force, through self insurance or otherwise, in a form reasonably acceptable to the other Party hereto, insurance in scope and amount as required by Law applicable to a Party's activities hereunder and such additional amounts as may be reasonably necessary to cover such Party's indemnity obligations under this Agreement with scope and coverage as is normal and customary in the biotechnology/pharmaceutical industry generally for parties similarly situated. It is understood that such insurance will not be construed to limit a Party's liability with respect to its indemnification obligations under this Article 13. Each Party will, except to the extent self insured, provide to the other Party upon request a certificate evidencing the insurance such Party is required to obtain and keep in force under this Article 13. Such certificate will provide that such insurance will not expire or be cancelled or modified without at least thirty (30) days' prior notice to the other Party.

**ARTICLE 14**

## **BIOVAIL ACQUIRES PRESTWICK PHARMACEUTICALS**

**Represents Ongoing Implementation of Company's New Strategic Focus**

**Provides Company's First Commercial Product in Specialty CNS Markets**

TORONTO, Canada, September XX, 2008 - Biovail Corporation (NYSE, TSX: BVF) today announced it has acquired Prestwick Pharmaceuticals, Inc., a privately held, U.S.-based pharmaceutical company that holds the Canadian and U.S. licensing rights to Xenazine® (tetrabenazine tablets). Xenazine® was recently approved by the United States Food and Drug Administration (FDA) for the treatment of chorea associated with Huntington's disease. Xenazine® was granted Orphan Drug designation by the FDA, which provides the product with seven years of market exclusivity in the United States.

Prestwick recently entered into an exclusive agreement with Ovation Pharmaceuticals, Inc., a leading U.S.-based specialty biopharmaceutical company, to commercialize Xenazine® in the U.S. The product's commercial launch is anticipated late-2008.

"We are delighted to have acquired Prestwick, and with it, an interest in Xenazine® - the first and only FDA-approved treatment for any symptom of Huntington's disease," said Biovail Chief Executive Officer Bill Wells. "The transaction meets all of our acquisition criteria, and represents Biovail's first commercial exposure to specialty markets in central nervous system, or CNS disorders. The acquisition is another important step in the implementation of our New Strategic Focus."

Under the terms of the agreement, Biovail will pay \$100 million to acquire 100% of Prestwick Pharmaceuticals and related license rights. Beyond Xenazine®, the acquisition also provides Biovail with other early-stage products, including Lisuride Sub Q (advanced Parkinson's disease), Lisuride Patch (Parkinson's disease) and D-Serine (Schizophrenia).

Biovail will commercialize tetrabenazine tablets in Canada (marketed under the Nitoman® brand name) through the Biovail Pharmaceuticals Canada sales force. Biovail will

---

pay a variable supply price that ranges from 50% to 67% of net sales to Cambridge Laboratories (Ireland) Ltd., the worldwide license holder of tetrabenazine.

In addition, Biovail holds an option to develop future related products with Ovation for the U.S. market in conjunction with Cambridge.

The transaction is expected to be accretive to both earnings per share and cash flows in 2009.

**Transfer of U.S. Commercialization Rights to Ovation Pharmaceuticals, Inc.**

Prestwick Pharmaceuticals recently entered into an exclusive supply and marketing agreement with Ovation Pharmaceuticals, Inc. for Xenazine® in the U.S. Following Biovail’s acquisition of Prestwick, Biovail will supply the product to Ovation for a variable percentage of the product’s annual net sales. For net sales up to \$125 million, Biovail’s supply price will be 72% of net sales. Beyond \$125 million, Biovail’s supply price will be 65% of net sales. At both tiers, Biovail will pay a supply price of 50% of net sales to Cambridge.

Ovation will market Xenazine® to U.S. specialists through a 48-person sales force, which already markets a number of other products targeting CNS disorders, including epilepsy and Attention Deficit Disorder. As part of the agreement, Biovail holds an option to co-promote Xenazine® in the United States. Should this option be exercised, Biovail has the right to utilize Ovation’s existing infrastructure to assist in the recruitment, training and operational management of a sales force.

**Approval of Xenazine®**

Xenazine® was approved by the FDA on August 15, 2008 for the treatment of chorea associated with Huntington’s disease, based on the results of a double-blind, placebo-controlled, Phase 3 study that found that Xenazine® significantly reduced patients’ chorea burden, improved global outcome scores, and was generally safe and well tolerated. Additional post-marketing preclinical studies further elucidating the safety profile of the product will be conducted. Xenazine® has been available in Europe for more than 30 years and in Canada since 1996.

**About Huntington’s Disease**

Affecting an estimated 25,000 Americans, Huntington’s disease is a devastating neurodegenerative disease that causes progressive movement disorders, cognitive dysfunction and behavioral changes and is ultimately a fatal condition. Chorea is the most common symptom, affecting approximately 90% of Huntington’s disease patients, and is characterized by excessive, involuntary and repetitive movements, which are the most visible and dangerous manifestations of Huntington’s disease and interfere with patients’ abilities to perform activities of daily living, including dressing, bathing and caring for themselves. For more information about Huntington’s disease, please visit <http://www.hdfoundation.org> or <http://www.hdsa.org>.

### **About Xenazine® (tetrabenazine)**

Xenazine® is indicated for the treatment of chorea associated with Huntington’s disease. Xenazine® is a highly selective and reversible centrally-acting dopamine depleting drug that works by inhibiting a molecule known as vesicular monoamine transporter 2 (VMAT2). Full prescribing information is available on the Investor Relations page of Biovail’s website at [www.biovail.com](http://www.biovail.com).

### **Important Safety Information**

The most frequent adverse events reported with Xenazine® include sedation/somnolence, fatigue, insomnia, depression, akathisia and nausea. Xenazine® can increase the risk of depression and suicidal thoughts and behavior (suicidality) in patients with Huntington’s disease and the drug is therefore contraindicated in patients who are actively suicidal, and in patients with untreated or inadequately treated depression. Xenazine® is also contraindicated in patients with impaired hepatic function and in patients taking monoamine oxidase inhibitors or reserpine. Xenazine® was approved with a required Risk Evaluation and Mitigation Strategy (REMS) to ensure that the benefits of the drug outweigh its risks, particularly the risks of depression and suicidal thoughts and actions. REMS is a strategy to manage a known or potential serious risk associated with a drug or biological product.

These forward-looking statements relate to, among other things, our objectives, goals, targets, strategies, intentions, plans, beliefs, estimates and outlook, including, without limitation, statements concerning the terms of the transaction, including the Company’s proposed plans for the supply and promotion of Xenazine® in the U.S. and Canada and the terms for such supply and promotion, the anticipated launch of Xenazine® and the anticipated impact of the transaction on Biovail, and rights associated with future development or products, and can generally be identified by the use of words such as “believe,” “anticipate,” “expect,” “intend,” “plan,” “will,” “may” and other similar expressions. In addition, any statements that refer to expectations, projections or other characterizations of future events or circumstances are forward-looking statements.

Although Biovail believes that the expectations reflected in such forward-looking statements are reasonable, such statements involve risks and uncertainties, and undue reliance should not be placed on such statements. Certain material factors or assumptions are applied in making forward-looking statements, and actual results may differ materially from those expressed or implied in such statements. Important factors that could cause actual results to differ materially from these expectations include, among other things: the difficulty of predicting U.S. Food and Drug Administration approvals or the impact of post-marketing studies on such approvals, acceptance and demand for new pharmaceutical products, the impact of competitive products and pricing, uncertainties associated with the development, acquisition and launch of

new products, reliance on key strategic alliances, contractual disagreements with third parties, availability of raw materials and finished products, the regulatory environment, consolidated tax rate assumptions, fluctuations in operating results and other risks detailed from time to time in the Company’s filings with the Securities and Exchange Commission and the Canadian Securities Administrators, as well as the Company’s ability to anticipate and manage the risks associated with the foregoing. Additional information about these factors and about the material factors or assumptions underlying such forward-looking statements may be found in the body of this news release, as well as under the heading “Risk Factors” contained in Item 3(D) of Biovail’s most recent Annual Report on Form 20-F.

The Company cautions that the foregoing list of important factors that may affect future results is not exhaustive. **OVATION PHARMACEUTICALS ACQUIRES RIGHTS TO COMMERCIALIZE  
XENAZINE® (Tetrabenazine) IN U.S. FOR CHOREA ASSOCIATED WITH  
HUNTINGTON'S DISEASE**

**— U.S. Product Launch Expected By Year End —**

DEERFIELD, ILL., [DATE] — OVATION Pharmaceuticals, Inc. announced today that it has acquired from Prestwick Pharmaceuticals the exclusive license in the United States to commercialize Xenazine® (tetrabenazine), an orphan drug recently approved by the U.S. Food and Drug Administration (FDA) for the treatment of chorea associated with Huntington's Disease (HD). Financial terms of the deal were not disclosed. Subsequently, Biovail Corporation, Canada's largest publicly traded pharmaceutical company, acquired Prestwick.

Under the terms of the agreement, Biovail and OVATION will jointly develop additional follow-on indications for Xenazine and related products in the U.S. in conjunction with Cambridge Laboratories Limited, the worldwide license holder of the drug. Xenazine is the first and only FDA-approved treatment for any HD-related disorders. OVATION expects to launch the product in the U.S. by the end of this year.

"Obtaining the rights to Xenazine in the U.S. adds another important growth driver to our series of multiple specialty product launches expected over the next several years," said Jeffrey S. Aronin, President and Chief Executive Officer of OVATION. "This drug represents a strong strategic fit and complements our existing portfolio of central nervous system products, in addition to continuing our business strategy of pursuing opportunities to bring important new medicines to severely ill patients with unmet medical needs."

Noting OVATION's strong commercial capabilities to support the launch of Xenazine, Aronin added, "We will be able to efficiently and effectively reach patients suffering from this devastating neurodegenerative and ultimately fatal disease. We are pleased that we can bring to these patients the first approved therapy to treat this disorder."

Chorea affects approximately 25,000 Americans, interfering with their ability to perform activities of daily living, including dressing, bathing and caring for themselves. Currently there are no treatments to stop or reverse the onset or progression of HD. Chorea is a debilitating movement disorder characterized by excessive, involuntary and repetitive movements which are the most visible and dangerous manifestations of Huntington disease.

The precise mechanism by which Xenazine exerts its anti-chorea effects is unknown, but it is believed to be related to its effects as a reversible depletor of monoamines by inhibiting a

---

molecule known as vesicular monoamine transporter 2 (VMAT2). Xenazine has been designated an orphan drug by the FDA.

The most frequent adverse events reported with Xenazine in a randomized, 12-week, placebo controlled clinical trial of HD subjects include sedation/somnolence, fatigue, insomnia, depression, akathisia and nausea. Xenazine can increase the risk of depression and suicidal thoughts and behavior (suicidality) in patients with Huntington’s disease and the drug is therefore contraindicated in patients who are actively suicidal, and in patients with untreated or inadequately treated depression. Xenazine is also contraindicated in patients with impaired hepatic function and in patients taking monoamine oxidase inhibitors or reserpine. Although Xenazine has been shown to decrease the chorea of HD, it was also shown to cause slight worsening in mood, cognition, rigidity and functional capacity and prescribers should periodically re-evaluate the need for therapy.

This letter and attachments are an update to the March 2007 Xenazine® U.S. Marketing Plan prepared by Prestwick Pharmaceuticals, Inc. (“Prestwick”) and the Ovation Pharmaceuticals, Inc. (“Ovation”) U.S. Marketing Plan Letter, dated as of 30 July 2008 (in the event the details of the original marketing plan and the two subsequent update letters conflict the terms of this update letter shall prevail). This update to the Marketing Plan incorporates the topics we discussed in our meeting held this week in Chicago including our pricing strategy for Xenazine and our plan for reimbursement and patient assistance. Per your request, we are providing you with detail regarding our pricing assumptions and associated sales and quantity projections as well as detailed projections and estimates of gross to net adjustments associated with specialty pharmacy fees, patient assistance and co-pay assistance programs.

As we discussed in our meeting, we are fully confident that the market will support a yearly cost of therapy for Xenazine of {\*\*\*}†. Also addressed in our discussion is the requirement to support this type of price point with a comprehensive patient assistance and co-pay assistance program. As detailed below, we are projecting significantly higher sales as compared with the previous Prestwick strategy.

NOTE: The assumptions above are to be applied relative to the month of product launch; thus, calendar year calculations will differ somewhat if the product is not launched in January.

Variable Costs (stated as % of Gross Sales):

Discount to Payers:

Payer mix is assumed as Medicare {\*\*\*}†, Commercial {\*\*\*}† and Medicaid {\*\*\*}† (based on marketing research study). There are no plans to offer rebate contracts with Medicare/Commercial. Medicaid will be subject to the required {\*\*\*}† discount, which nets out to a {\*\*\*}† ({\*\*\*}† x {\*\*\*}† payer mix) overall figure for this component.

Cash Discounts:

Normal cash discounts for timely payment are assumed at {\*\*\*}†.

Medicaid CPI:

In year 1, there would be no incremental CPI rebates, However, as an {\*\*\*}† annual inflation rate is assumed (vs. assumed {\*\*\*}† for CPI), there would be incremental CPI rebates required to be paid to Medicaid, This increases approximately {\*\*\*}† percentage points each year.

Returns:

The returns reserve is low, at {\*\*\*}†, as the product will be distributed via a limited number of specialty pharmacies (likely 3 at launch). Relative to traditional retail trade pharmacy stocking which can cover over 50,000 pharmacies and lead to product returns, specialty

pharmacy affords a significantly more efficient management of trade inventory levels. Thus, we expect returns to be minimal.

Specialty Pharmacy:

This is the fee-for-service portion of the specialty pharmacy program. Contract negotiations have not been finalized yet, however. Ovation is targeting achieving a low {\*\*\*}† for this component. By comparison, traditional fee-for-service arrangements are typically in the {\*\*\*}† range.

Co-Pay Program:

The co-pay program is based on a detailed estimate of the level of out of pocket costs associated with Xenazine. This analysis was based on the payer mix detailed, along with expected benefit design elements from our research with pharmacy directors (see MME report). The co-pay program will seek to reduce economic hardship of the patient. The model assumes an overall level of {\*\*\*}† for this component. The final rate will be dependent on finalizing negotiations with 3rd party administrators of these programs. Over time, the exact rate assumed for co-pay assistance will be dependent on both federal and state regulations. There is potential for these regulations to change which may result in future variability to this rate.

FSS (Federal Supply Schedule):

A 24% statutory discount is assumed for the portion of the business administered through organizations such as the Department of Defense and Veteran’s Affairs. This mix is estimated to be approximately {\*\*\*}†, which when applied to a {\*\*\*}† figure yields the {\*\*\*}† assumption.

Fixed Costs:

Specialty pharmacy HUB services fees will also be incurred as part of the specialty pharmacy management and distribution of Xenazine. Ovation is estimating these expenses to be approximately {\*\*\*}† in 2008, {\*\*\*}† in 2009 and {\*\*\*}† annually in 2010 and thereafter.

- 5.4 Notwithstanding the foregoing provisions the parties and any sub-licensees pursuant to this Agreement shall be entitled to disclose the Information to actual or potential customers for the Product in so far as such disclosure is reasonably necessary to promote the sale or use of Product.
- 5.5 Each party shall procure that all its employees, contractors and sub-licensees pursuant to this Agreement (if any) who have access to any Confidential Information of the other to which the obligations of clause 5.1 apply shall be made aware of and subject to these obligations.

- 6.2 In the event that, in respect of any Financial Year, the sum of {\*\*\*}† referred to in the definition of {\*\*\*}† exceeds the Total Net Receipts for that period, CSD shall be entitled to recoup from any {\*\*\*}† payable to Lifehealth in the future a sum equal to {\*\*\*}† of the amount by which the sum of {\*\*\*}† referred to in the definition of {\*\*\*}† exceeds the Total Net Receipts for that period.
- 6.3 CSD shall account direct to Roche (or to any such other party, if any, as may be entitled thereto) for the amount of any royalties due to be paid pursuant to the Roche Agreements.
- 6.4 Should CSD become aware that the cumulative sum of the Total Net Receipts in any Financial Year of the Agreement have exceeded {\*\*\*}† CSD shall notify Lifehealth of such in writing and thereafter, subject to the following, payments to Lifehealth of its {\*\*\*}† of the {\*\*\*}† based on management accounts prepared by CSD shall be made quarterly within thirty (30) days of the end of each quarter of the Financial Year in respect of the {\*\*\*}† from the Total Net Receipts in excess of {\*\*\*}† SAVE THAT the parties acknowledge that CSD's priority is to apply such funds as are necessary to meet the obligations jointly agreed under the Marketing Plan and the Development Plan and thus CSD shall make any quarterly payments contemplated hereunder only when that can be done without jeopardising the ability of CSD to achieve the objectives jointly agreed pursuant to the Marketing Plan and the Development Plan.
- 6.5 Should CSD become aware that the cumulative sum of the Total Net Receipts in any Financial Year of the Agreement has exceeded {\*\*\*}† CSD shall notify Lifehealth of such in writing and thereafter, subject to the following, payments to Lifehealth of its {\*\*\*}† of the {\*\*\*}† based on management accounts prepared by CSD shall be made monthly within thirty (30) days of the end of each month of the Financial Year in respect of the {\*\*\*}† from the Total Net Receipts in excess of {\*\*\*}† SAVE THAT the parties acknowledge that CSD's priority is to apply such funds as are necessary to meet the obligations jointly agreed under the Development Plan and the Marketing Plan and thus CSD shall make any monthly payments contemplated hereunder only when that can be done without jeopardising the ability of CSD to achieve the objectives jointly agreed in the Marketing Plan and the Development Plan.
- 6.6 The parties agree that the {\*\*\*}† is to be shared {\*\*\*}† between the parties subject to the terms set forth in this Agreement. If interim payments have been made to Lifehealth under clauses 6.4 and/or 6.5 the parties shall carry out an appropriate reconciliation once the {\*\*\*}† has been determined in accordance with clauses 6.1 and 7.2 so that each party receives {\*\*\*}† of the {\*\*\*}† for any Financial Year and both parties agree to make any payments that are necessary to achieve that end. All sums due under this Agreement shall be paid in Sterling to the credit of the recipient's bank account to be designated in writing by the recipient and shall be made in full without deduction of taxes charges and other duties that may be imposed except in so far as any such deduction may be credited in full by Lifehealth against Lifehealth's own tax liabilities (except in relation to VAT). - 6.8 The parties shall, save as provided herein, share equally any extraordinary payments made to CSD by third parties for the acquisition by those third parties of any rights pertaining to the Product. Save as provided herein, CSD shall pay to Lifehealth, within seven (7) days of clearance of any such extraordinary payment contemplated herein, an amount equal to {\*\*\*}† of that extraordinary payment.
- 6.9 If as a requirement of the agreement giving rise to an extraordinary payment CSD is obliged to incur costs and/or expenses, including, but not limited to, a requirement to develop or further develop the Product, which has not already been provided for in the allocation of funds to implement the Development Plan and/or Marketing Plan then the parties shall meet to agree any necessary revisions to the Development Plan and/or Marketing Plan as appropriate.

Dear Stephen,

**ISOMERIC DEVELOPMENTS OF TETRABENAZINE**

I thought it would be useful for both of us to have recorded in writing our agreement reached on 4 July concerning the participation of Lifehealth in the proposed isomeric developments of tetrabenazine. As you know, there were two proposed isomeric developments that we discussed. The first was the development of the isomers of the *trans* form of tetrabenazine and the second involved the development of the isomers of dihydrotetrabenazine derived from the *cis* form of tetrabenazine.

**The isomers of the *trans* form of tetrabenazine**

It was agreed that Lifehealth and Cambridge would {\*\*\*}† the costs of this development. We will obviously keep you fully apprised of all aspects of this development as we progress and we welcome your input and approval on the direction and costs of that development. This development will constitute an “Improvement” pursuant to our existing licence agreement and as a result, the intellectual property rights will be jointly owned by Lifehealth and Cambridge and all other restrictions regarding licensing of those rights set forth in the various clauses of our agreement will apply.

**Development of the isomers of dihydrotetrabenazine resulting from the *cis* form of tetrabenazine**

When we discussed this at the meeting on 4 July, you expressed the view that Lifehealth did not want to be involved, at this stage, in this development and did not want to share with Cambridge

any costs of the development. You also said that you and Lifehealth had no objections to Cambridge pursuing that development at its own cost. We have decided that we will continue with that development. Cambridge will bear all costs of this development and we have already put in place accounting measures to separate the costs of this project from those associated with the “trans” project. We would also like to confirm that, as this development will fall outside the licence agreement, Cambridge will own all intellectual property rights arising from this development.

---

I would be grateful if you could confirm your agreement to the above by return letter.

Very best wishes,

Yours sincerely,

/s/ MARK EVANS

Dear Stephen,

Cambridge has, with the approval of Lifehealth, entered into a revised agreement with Celltech Pharma S.A. regarding the right to distribute tetrabenazine in Spain and Portugal (hereinafter “the Spanish Agreement”). The Spanish Agreement provides for both the payment to Cambridge by Celltech of an upfront sum in consideration for development costs and the possibility of Cambridge having to refund all or part of that payment in certain circumstances.

Provision is made in the 1998 agreement between Lifehealth and Cambridge for the sharing of any up front payment but no provision exists to cover the situation whereby any up front payment has to be refunded in whole or in part. Lifehealth and Cambridge hereby agree that the upfront payment received from Celletech shall be shared in accordance with clause 6.8. Lifehealth and Cambridge also agree to {\*\*\*}† any reimbursement of the whole or any part of the payment received from Celltech. In the event that such a reimbursement is rightly due pursuant to the provisions of the Spanish Agreement Cambridge shall inform Lifehealth of such and Lifehealth shall pay to Cambridge an amount equal to {\*\*\*}† of the sum to be refunded to Celltech. Cambridge shall thereafter make payment to Celltech of the whole of the sum to be refunded.

Please indicate your agreement to such by signing in the space provided and returning to us this letter.

Very best wishes,

/s/ MARK EVANS

Dear Stephen

Cambridge Ireland

Thank you for your letter of 9th August. We appreciate your concerns. We will ensure, and shall put systems in place to ensure, that where the new group structure of Cambridge results in duplication of costs or incremental costs, the additional costs, over and above what would have been taken into account in the calculation of the {\*\*\*}† had Cambridge not changed its structure, shall not be taken into account in that calculation of the {\*\*\*}† under the contract.

On the question of the currency, the exchange rate issue from the US sales will be no different to what it is now. Cambridge Ireland (CLI) will be paid in \$US the same way Cambridge Laboratories (CLUK) is now. Clause 6.7 regarding times and rates of conversions to Sterling will continue to apply.

With regard to legal costs Allistair is keeping all costs relating to the restructuring entirely separate from general tetrabenazine related costs so there is no possibility of overlap. There won't be many other instances where legal costs would be incurred in relation to a tetrabenazine related matters that wouldn't have been incurred in the normal way.

As the details of this arrangement are now set out in four different letters I think you will agree it is in both our interests to record everything in one document that we can both sign.

Overall Structure

We are moving certain operations to Ireland to avail ourselves of some of the tax advantages available in Ireland. With regard to tetrabenazine this means procurement, sales and dossier development work will be moved to CLI.

All the distribution agreements for tetrabenazine currently in the name of CLUK will be assigned to CLI and CLI will assume all those obligations. All future distribution agreements for tetrabenazine will be entered into by CLI. CLI will take over the obligations of CLUK under the agreements for the manufacture of tetrabenazine. CLI will also enter into an agreement for distribution of certain products in the UK, including tetrabenazine, with CLUK. CLI will enter into a services agreement with CLUK pursuant to which CLUK will provide certain services to CLI including pharmacovigilance, medical information and scientific services.

Agreements for Assignment

With regard to tetrabenazine, you have agreed to the assignment of the following agreements from CLUK to CLI:

- 1. The original license agreements between CLUK and Lifehealth of 1995 and 1998 and all amendments, alterations and side letters.
- 2. The Synkem, Pharmaserve and Boots manufacturing agreements and all amendments, side letters, alterations and technical agreements. Please note that the new manufacturing agreement to replace the one with Boots will be in the name of CLI.
- 3. All tetrabenazine distribution agreements and letters of appointment currently in force and all amendments, alterations and side letters. This means our agreements and arrangements with AOP, AFT, Orphan Australia, Medifront, Medilink, Megapharm, OPI, Celltech Spain, Prestwick (both the US agreement and the Canadian), Paesel Lorei, Fagron and Chiesi. Please note that future distribution agreements will be in the name of CLI.

Calculation of {\*\*\*}†

With the exception of sales in the UK, all revenue will be earned by CLI in the same way it is now earned by CLUK.

CLI will obviously also be incurring a number of the costs that are deductible in the calculation of the {\*\*\*}† However, CLUK will also be incurring some of those costs. As agreed we will ensure, and shall put systems in place to ensure, that where the new group structure of Cambridge results in duplication of costs or incremental costs, the additional costs, over and above what would have been taken into account in the calculation of the {\*\*\*}† had Cambridge not changed its structure, shall not be taken into account in that calculation of the {\*\*\*}† under the contract.

† Represents material which has been redacted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

Running through the deductibles set out in the definition:

{\*\*\*}†

Sales in the UK

CLUK will continue to be responsible for UK sales and sales of the existing UK stock whether in the UK or elsewhere.

In respect of the UK sales and any other sales of the existing UK stock the figure used for calculations will be the revenue earned by CLUK, not CLI. We will of course not be double accounting in respect of the UK sales so you will not be {\*\*\*}† of both CLI and CLUK arising from UK sales and other sales of the existing UK stock.

The costs of the existing UK stock will be a CLUK cost that will be accounted for in the usual way. Once that stock has run out CLI will be incurring the cost of goods and that cost will be accounted for in the usual way.

You will obviously see and have the right to comment on the distribution agreement that will be put in place between CLI and CLUK.

Accounting to you

We will provide you with a group reconciliation statement concerning {\*\*\*}† that reflects the above. That statement will set out how much you have to invoice to both CLI and CLUK. You will receive payments from both CLUK and CLI.

Consent

Could you please, on behalf of Lifehealth Limited, indicate Lifehealth’s consent to these assignments taking place, the sub-distribution agreement between CLI and CLUK and the amendment to the agreement reflecting the new accounting arrangements by signing this letter in the space provided and returning it to me.

Attention: Stephen Jones

June 19, 2009

Dear Stephen:

In connection with the sale by Cambridge Laboratories (Ireland) Limited (“Cambridge”) of its worldwide rights in and to tetrabenazine and related assets (the “TBZ Business”) to Biovail Laboratories International (Barbados) SRL (“Biovail”) (the “Transaction”), we are writing to confirm our understanding on certain points relating to the TBZ Business.

Reference is made to the Licence Agreement between LifeHealth Limited (“Lifehealth”) and Cambridge, dated December 10, 1998 (the “1998 Lifehealth Licence”), as amended by Amendment No. 1, dated 29 October 2002, Amendment No. 2, dated 31 March 2004, and Amendment No. 3, dated 12 August 2004 (collectively, the “1998 Lifehealth Licence Amendments”, and the 1998 Lifehealth Licence, as amended by the 1998 Lifehealth Licence Amendments, is referred to as the “1998 Amended Lifehealth Licence”), and the Licence and Consent Agreement between Cambridge and Lifehealth, dated September 22, 2006 (the “2006 Lifehealth Licence”, and, the 2006 Lifehealth Licence together with the 1998 Amended Lifehealth Licence is referred to as the “LifeHealth Agreements”). Capitalized terms used but not otherwise defined herein shall have the meanings attributed to them in the LifeHealth Agreements.

We confirm our commitment to proceed with the development of a second indication for the controlled release formulation of tetrabenazine (the “CR Formulation”), subject to our determination, after satisfactory due diligence, that it is commercially and clinically reasonable to so proceed. The exact indication to be developed will be determined by agreement between Lifehealth and Biovail, after further review and consideration, and may include tardive dyskinesia, dystonia or some other indication. We also confirm that, conditional on the closing of the Transaction, the costs associated with the development of the CR Formulation, as between Lifehealth and Biovail, shall be shared as follows:

- Development costs associated with the CR Formulation for Tourette Syndrome will be shared by Lifehealth and Biovail (in the manner contemplated by the LifeHealth Agreements);
-

- Biovail will be responsible for {\*\*\*}† associated with the clinical development in the United States of the second indication of the CR Formulation and such costs will not be {\*\*\*}† Total Net Receipts for the purposes of calculating {\*\*\*}†;
- Lifehealth and Biovail will share the costs associated with the galenical development in the United States of the second indication of the CR Formulation (in the manner contemplated by the LifeHealth Agreements); and
- As regards the development and regulatory costs associated with the exploitation of the second indication of the CR Formulation in jurisdictions outside of the United States, Lifehealth and Biovail will share all such costs (in the manner contemplated by the LifeHealth Agreements).

We also wish to confirm to you our commitment to growing the TBZ Business on a worldwide basis. In that regard, and without prejudice to the provisions of clause 9.4 of the 1998 Lifehealth Licence, Biovail agrees to use commercially reasonable efforts to exploit tetrabenazine in jurisdictions outside of the United States, subject to our reasonable determination that such activities are commercially reasonable on a market by market basis.

Yours sincerely,

/s/ MICHEL CHOUINARD

**3. NOVATION**

- 3.1 With effect from the Effective Time, Cambridge Ireland hereby novates to Biovail all of Cambridge Ireland's rights, benefits and obligations under the Licence Agreement so that from and after the Effective Time the Licence Agreement shall be construed and treated as if Biovail was a party and Lifehealth and Biovail shall have rights and obligations under or in relation to the Licence Agreement, in all respects, as if Biovail was named as a party instead of CSD and all references therein to CSD shall be construed as references to Biovail.
- 3.2 Lifehealth agrees to the novation pursuant to clause 3.1 upon the terms of this Deed and on the condition that (i) Cambridge Ireland and Biovail have novated or received consent to assign the agreements (such that those assignments have taken effect pursuant to the provisions of the Asset Purchase Agreement) listed in Appendix A and (ii) Biovail executes and delivers the side letter annexed at Appendix B.
- 3.3 Cambridge Ireland and Biovail undertake to use reasonable endeavours, for a period of 90 days following the Effective Time, to procure the assignment or novation to Biovail of all sub-licenses of rights under the Licence Agreement (other than the agreements listed in Appendix A and Appendix D).
- 3.4 Cambridge Ireland and Biovail jointly and severally undertake to indemnify and keep indemnified Lifehealth against any and all costs, damages, claims, expenses and/or other liabilities incurred by Lifehealth to the extent arising from any failure of Cambridge Ireland and Biovail to procure the assignment or novation to Biovail of the distribution agreements set forth in Appendix E.
- 3.5 Cambridge Ireland undertakes to use reasonable endeavours to ensure that the benefits and burdens of the Contract Manufacture Agreement between Cambridge Ireland and Pharmaserve Limited, dated May 6, 2005, as it relates to the TBZ Business, are available to Biovail at the Effective Time.
- 3.6 Cambridge Ireland releases and discharges Lifehealth from all Lifehealth's obligations and liabilities to Cambridge Ireland under the Licence Agreement which accrue from and after the Effective Time in respect of any acts and/or omissions of Lifehealth.
- 3.7 Without prejudice to Cambridge Ireland's obligations under this Deed (including under clause 8 and clause 9 of this Deed), Lifehealth releases and discharges Cambridge Ireland from all Cambridge Ireland's obligations and liabilities to Lifehealth under the Licence Agreement which accrue from and after the Effective Time in respect of any acts and/or omissions of Cambridge Ireland in respect of the Licence Agreement.

- 3.8 Lifehealth and Cambridge Ireland each remain liable to the other in relation to any obligations and/or rights under the Licence Agreement which accrued before the Effective Time. For the avoidance of doubt, any payments in relation to sales of Products made before the Effective Time shall remain payable by Cambridge Ireland even if not due to be paid until after the Effective Time.
- 3.9 Biovail undertakes with Lifehealth on and with effect from the Effective Time and thereafter to perform all the obligations and assume all the liabilities of Cambridge Ireland accruing from and after the Effective Time under or in connection with the Licence Agreement, as if Biovail had been named as a party to the Licence Agreement in place of CSD.
- 3.10 Biovail shall be entitled to all of the rights and benefits of Cambridge Ireland under the Licence Agreement which accrue from and after the Effective Time, so that Biovail shall be substituted in place of CSD as a party to the Licence Agreement.

**4. WITHHOLDING TAX**

- 4.1 With effect from the Effective Time, the Licence Agreement shall be amended to state that all sums payable by Biovail to Lifehealth, or by Lifehealth to Biovail (if any), as the case may be, under the Licence Agreement shall be paid free and clear of all deductions, set-offs, counterclaims and/or other withholdings, except any deduction or withholding which may be required by law in relation to taxation. If any such deduction or withholding is required by law, then Biovail or Lifehealth, as the case may be, shall:
- 4.1.1 ensure that the amount by which the payment is reduced does not exceed the minimum legally required amount of withholding tax;
  - 4.1.2 account in full for the required amount of withholding tax to the relevant taxation or other competent authority on or before its due date; and
  - 4.1.3 promptly provide to the other party an official receipt from the relevant taxation or other competent authority for the amount of withholding tax or, if such receipts are not issued by the authority concerned, a certificate of deduction or equivalent evidence relating to the required amount of withholding tax.
- 4.2 Subject to clause 4.4 below, if any withholding tax is required to be (and is in fact) deducted or withheld from an amount payable by Biovail to Lifehealth under the Licence Agreement, Biovail shall be obliged to pay to Lifehealth such grossed up amount as will, after the deduction or withholding for withholding tax from such grossed-up amount has been made, leave Lifehealth with the same amount as Lifehealth would have received, after the deduction, withholding or payment of all withholding taxes required by law, if the novation effected by this Deed had not occurred and the sum in question had been paid by Cambridge Ireland (determined giving effect to reasonably available mitigation strategies to avoid or reduce such taxes). In other words, Biovail shall be obliged to pay such additional amount as will ensure that the amount received by Lifehealth, after the deduction or withholding of all withholding taxes required by law on the increased

amount, is the same as the amount which Lifehealth would have received from Cambridge Ireland, after the deduction or withholding of all withholding taxes required by law, if the novation effected by this Deed had not occurred and the sum in question had been paid by Cambridge Ireland.

- 4.3 Subject to clause 4.4 below, if as a result of a change in (i) the ownership of Lifehealth’s equity, (ii) the residence of Lifehealth for tax purposes, (iii) the domicile of Lifehealth or (iv) the location in which Lifehealth’s obligations or business under the Licence Agreement are performed or conducted it being understood that such location is presently the United Kingdom, and will change pursuant to clause 7.2 of this Deed) (collectively, “**Lifehealth’s Status**”) from and after the Effective Time, any amounts payable to Biovail in connection with the performance or conduct of its business under the Licence Agreement are subject to an increase in the amount of withholding taxes that are, or should become, required to be (and are in fact) withheld or deducted from such payments or paid, over those that would have been required to be withheld, deducted or paid had such change in Lifehealth’s Status not occurred, Lifehealth shall be obliged to pay to Biovail such grossed-up amount as will, after the deduction or withholding for withholding taxes from such grossed-up amount has been made, leave Biovail with the same amount as Biovail would have been entitled to receive, after the deduction or withholding of all withholding taxes required by law, if the change in Lifehealth’s Status had not occurred. In other words, Lifehealth shall be obliged to pay such additional amounts as will ensure that the sum of (i) the amount received by Biovail in connection with the performance or conduct of its business under the Licence Agreement and (ii) the related additional amount payable by Lifehealth; less the deduction or withholding of all withholding taxes required by law on such amounts, is the same as the amount which Biovail would have received, after the deduction or withholding of all withholding taxes required by law, if the change in Lifehealth’s Status had not occurred.
- 4.4 Biovail or Lifehealth, as the case may be, shall not be required to pay any additional amount under clause 4.2 or clause 4.3 above, as applicable, to the extent that the withholding tax in question arises or is increased as a result of:
- 4.4.1 any connection between the other party and the jurisdiction imposing the withholding tax in question, other than a connection arising pursuant to the other party’s rights and obligations under the Licence Agreement and this Deed;
  - 4.4.2 notwithstanding any exception in clause 4.4.1 and clause 4.4.4, in the case of any additional amounts otherwise payable under clause 4.2, a change in Lifehealth’s Status;
  - 4.4.3 a failure by the other party to take reasonable steps to reduce the amount of such withholding tax (or to prevent such withholding tax from arising) including making any claims, filings or elections, provided that Biovail or Lifehealth, as the case may be, will promptly reimburse the other party for all reasonable out-of-pocket third party costs incurred by the other party in taking any such steps;

- 4.4.4 any action by the other party that increases the amount of withholding tax or results in withholding tax being exigible, other than such other party's entrance into, or the effect of its entrance into (including the performance of any obligation or the exercise of any of its rights under), this Deed, in each case in accordance with the terms of this Deed; or
- 4.4.5 any breach by the other party of any of its obligations under the Licence Agreement or the provisions of this Deed.
- 4.5 If Lifehealth or Biovail, as the case may be, subsequently obtains relief or credit in respect of any such withholding tax, then such party shall repay the other party an amount equal to the credit or relief obtained up to a maximum of the amount by which the other party's payment was increased to take account of the withholding or deduction of withholding tax.
- 4.6 Within any timescale reasonably specified by Lifehealth or Biovail, as the case may be, the other party shall co-operate and take all reasonable steps and provide all documents reasonably necessary and/or desirable for Lifehealth or Biovail, as the case may be, to obtain any available relief or credit in respect of any such withholding tax, and shall give any information reasonably required by Lifehealth or Biovail, as the case may be, in connection with the making of a claim for relief and/or credit under any applicable double taxation treaty.
- 4.7 Should either party determine that a gross up amount is payable to it under this clause 4, the parties shall use reasonable endeavours to agree on the amount so payable. If either Biovail or Lifehealth disputes the amount of any gross up payment required by such party pursuant to clause 4 of this Deed, it shall give written notice of such dispute to the other party reasonably promptly. Each of Biovail and Lifehealth shall use reasonable endeavours in good faith to resolve such dispute within 15 days of the date of such notice. If Biovail and Lifehealth are unable to resolve such dispute after such good faith negotiations, either Biovail or Lifehealth may refer the dispute to an independent expert to be agreed between Biovail and Lifehealth. If Biovail and Lifehealth cannot agree on an independent expert to act within 7 days of the date of a request from either of them to appoint an expert, such independent expert will be appointed by the President for the time being of the Institute of Chartered Accounts on the application of either Biovail or Lifehealth. Such person will act as an expert and not as an arbitrator. Biovail and Lifehealth agree that the decision of the expert (which will be given in writing, stating reasons) will be final and binding on Biovail and Lifehealth. Each of Biovail and Lifehealth will provide the expert with such information as the expert may reasonably require for the purposes of his determination. The costs of the reference to an expert will be borne in the first instance by the party making the reference. The expert will in his decision determine the liability for such costs, which decision will be final and binding on Biovail and Lifehealth.

5. EXCHANGE RATES

- 5.1 After the Effective Time, for the purposes of determining the amounts payable by Biovail to Lifehealth that are based on any amounts accounted for by, or reported to, Biovail in any currency other than Sterling (the “**Reporting Currency**”), Biovail shall provide Lifehealth with a statement of the calculation of the amount due to Lifehealth expressed in any such Reporting Currency (the “**Base Amount Due**”) for a particular calendar month. Biovail will also provide Lifehealth with a statement of the calculation of the Sterling equivalent of the Base Amount Due, with such Sterling equivalent equal to (i) the foreign currency exchange rates published by HM Revenue & Customs for both VAT and customs purposes for that calendar month multiplied by (ii) the Base Amount Due; with such amount referred to as the “**Sterling-Equivalent Amount Due**”.
- 5.2 In the case where amounts payable by Biovail to Lifehealth are based on any amounts accounted for by, or reported to, Biovail in Sterling, Biovail shall provide Lifehealth with a statement of the calculation of the amount due to Lifehealth expressed in Sterling, and the amount so determined as payable by Biovail to Lifehealth shall be referred to as the “Sterling Amount Due”.

- 6.1.1 for the avoidance of doubt, Biovail acknowledges that it would not be unreasonable for Lifehealth to withhold its consent pursuant to clause 2.4 of the 1998 Lifehealth Licence to a distribution agreement for the United Kingdom and/or the Republic of Ireland that Biovail proposes to enter into if the economic effect on Lifehealth of such proposed agreement is less favourable to Lifehealth than the economic effect on Lifehealth of the distribution arrangement then in effect (or most recently in effect) with respect to such territories;
- 6.1.2 for the avoidance of doubt, the assignment and transfer by Cambridge Ireland to Biovail of inventory constituting part of the TBZ Business in the Transaction shall not be deemed to be sales of Product (as defined in the 1998 Amended Lifehealth Licence) to any third party for purposes of the 1998 Amended Lifehealth Licence;

(“**Lundbeck**”) or its successors pursuant to the Marketing, Distribution and Supply Agreement for Xenazine dated September 16, 2008 between Prestwick and Ovation Pharmaceuticals, Inc. (now Lundbeck), and sales of Product by BVF or its successors in the Canadian market pursuant to the rights granted to it under the Canadian Agreement, shall not be included in the calculation of Total Net Receipts. Except as provided in the foregoing sentence, for purposes of calculating Total Net Receipts under the 1998 Amended Lifehealth Licence, the amount of Total Net Receipts shall be determined based on the revenues from the sale of Product by Biovail or its relevant Affiliate to customers that are not Affiliates of Biovail;

- 6.1.4 for the avoidance of doubt, in calculating {\*\*\*}† under the 1998 Amended Lifehealth Licence, (a) the costs incurred by a party or any of its Affiliates that may be {\*\*\*}† Total Net Receipts in {\*\*\*}† of the definition of {\*\*\*}† shall not include {\*\*\*}†

- 6.1.6 the wording of the opening paragraph of clause 11.1 of the 1998 Lifehealth Licence shall be amended to read as follows:
- “The parties have agreed that they shall be jointly liable in equal shares for any liability arising pursuant to this Agreement and accordingly each party agrees to indemnify and keep indemnified the other party against that indemnifying party’s share of any and all costs, damages, claims, expenses and/or other liabilities arising from any third party claim (whether in contract, tort or otherwise) concerning: -”; and
- 6.1.7 the wording of clause 8.2 of the 1998 Lifehealth Licence shall be amended to read as follows:

At those quarterly meetings the parties shall agree the level of expenditure to be committed to the Development Plan. Dear Stephen:

In connection with the sale by Cambridge Laboratories (Ireland) Limited ("Cambridge") of its worldwide rights in and to tetrabenazine and related assets (the "TBZ Business") to Biovail Laboratories International (Barbados) SRL ("Biovail") (the "Transaction"), we are writing to confirm our understanding on certain points relating to the TBZ Business.

Reference is made to the Licence Agreement between Lifehealth Limited ("Lifehealth") and Cambridge, dated December 10, 1998 (the "1998 Lifehealth Licence"), as amended by Amendment No. 1, dated 29 October 2002, Amendment No. 2, dated 31 March 2004, and Amendment No. 3, dated 12 August 2004 (collectively, the "1998 Lifehealth Licence Amendments"), and the 1998 Lifehealth Licence, as amended by the 1998 Lifehealth Licence Amendments, is referred to as the "1998 Amended Lifehealth Licence"), and the Licence and Consent Agreement between Cambridge and Lifehealth, dated September 22, 2006 (the "2006 Lifehealth Licence"), and, the 2006 Lifehealth Licence together with the 1998 Amended Lifehealth Licence is referred to as the "LifeHealth Agreements"). Capitalized terms used but not otherwise defined herein shall have the meanings attributed to them in the LifeHealth Agreements.

We confirm our commitment to proceed with the development of a second indication for the controlled release formulation of tetrabenazine (the "CR Formulation"), subject to our determination, after satisfactory due diligence, that it is commercially and clinically reasonable to so proceed. The exact indication to be developed will be determined by agreement between Lifehealth and Biovail, after further review and consideration, and may include tardive dyskinesia, dystonia or some other indication. We also confirm that, conditional on the closing of the Transaction, the costs associated with the development of the CR Formulation, as between Lifehealth and Biovail, shall be shared as follows:

- Development costs associated with the CR Formulation for Tourette Syndrome will be shared by Lifehealth and Biovail (in the manner contemplated by the LifeHealth Agreements);
  - Biovail will be responsible for all of the costs associated with the clinical development in the United States of the second indication of the CR Formulation

We also wish to confirm to you our commitment to growing the TBZ Business on a worldwide basis. In that regard, and without prejudice to the provisions of clause 9.4 of the 1998 Lifehealth Licence, Biovail agrees to use commercially reasonable efforts to exploit tetrabenazine in jurisdictions outside of the United States, Subject to our reasonable determination that such activities are commercially reasonable on a market by market basis.

## **Article 2**

### **Supply**

**2.1** During the term of this Agreement, SYNKEM shall supply CAMBRIDGE with such quantities of the COMPOUND as will be ordered by CAMBRIDGE in accordance with the provisions hereof.

SYNKEM shall manufacture the COMPOUND in accordance with cGMP and will maintain the appropriate manufacturing approvals as laid down by the relevant regulatory authorities.

**2.2** All orders for the COMPOUND shall be placed by CAMBRIDGE no less than six months before the requested delivery date.

**2.3** CAMBRIDGE shall on an annual rolling forecast basis, updated quarterly, provide SYNKEM with purchase forecasts.

Any modification to a firm purchase order sent by CAMBRIDGE shall require the written consent of both parties.

**2.4** Each order shall amount to a whole number of batches of the COMPOUND.

One batch of the COMPOUND amounts to approximately 100 kg, being understood that the precise quantity corresponding to one batch might vary slightly from one batch to another because of differences in the yield of each manufacturing run. This amount may be adjusted later taking into account the exact yield of the future manufacturing runs made by SYNKEM pursuant to this Agreement.

**2.5** All consignments of the COMPOUND shall be governed by the “CIP Nottingham” 1990 ICC INCOTERM, including, without limitation, its provisions for the passing of risks.

**2.6** The exact place of delivery shall be Boots Contract Manufacturing (“BCM”), Receiving Dock, D95 Building, 1 Thane Road, Nottingham, 2NG 3AA, Great Britain.

**2.7** Each batch of COMPOUND shall be accompanied by an analytical certificate prepared by SYNKEM showing, the actual analytical data and the COMPOUND’s batch number. A copy of the analytical certificate shall be send to CAMBRIDGE together with the relevant invoice at CAMBRIDGE’s address mentioned in Article 22.

### **Article 3**

#### **Price**

**3.1** The price for the first {\*\*\*}† kilograms of the COMPOUND supplied hereunder (including the three validation batches) shall be GBP {\*\*\*}† per kilogram ; thereafter and until June 2001, the price of the COMPOUND supplied hereunder shall be GBP {\*\*\*}† per kilogram.

The parties shall then negotiate diligently and in good faith a price for the COMPOUND delivered after the end of June 2001. If despite such good faith negotiations the parties are unable to agree upon a revised price by the end of June 2001, either party may terminate this Agreement by sending three months' written notice to the other party during which the unadjusted price shall apply.

**3.2** The prices quoted in 3.1 have been agreed on the basis of an exchange rate of GBP £1 to FRF 9.6 (the "Agreed Rate"). If, on the date SYNKEM raises the relevant invoice, the Agreed Rate and the latest monthly average rate between FRF and GBP quoted by Natexis Multidevise Database are further apart than 2.5%, the supply price shall, for that invoice, be adjusted by applying the exact percentage difference between the Agreed Rate and such average rate.

When the French Franc is replaced by the Euro as the unit of currency in France, the GBP:Euro exchange rate governing the pricing mechanism for the COMPOUND will be fixed so that the price for the COMPOUND remains the same as what it should have been in GBPs had the change in currency not have occurred.

**3.3** The price quoted for the first {\*\*\*}† kg includes:

- full validated analytical methods for the raw materials including each intermediate and the bulk COMPOUND;
- NMR/HPLC/IR/MASS SPEC/MP where appropriate;
- residual solvents analysis for chloroform, methylene chloride, methanol and ethanol;
- the writing of SOP procedures for the production of the 100 kg batches.

The price does not include:

- polymorphism study of the COMPOUND using different solvents;
- stability testing;
- accelerated degradation studies of the COMPOUND.

If the parties so decide, these studies may be implemented by SYNKEM at cost price.

† Represents material which has been redacted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

**Article 4**  
**Payment**

CAMBRIDGE shall pay each consignment of the COMPOUND by bank transfer in GB Pounds:

- {\*\*\*}† shall be paid upon ordering the relevant consignment of COMPOUND ;
- {\*\*\*}† shall be paid within 30 calendar days of the end of the month during which the relevant invoice was raised.

**Article 5**  
**Exclusive rights**

**5.1** SYNKEM shall not enter into agreements to supply the COMPOUND to a third party and shall, after the termination of this Agreement, remain bound by the obligations mentioned in Article 14 for the time period set forth in that Article 14.

**5.2** CAMBRIDGE shall purchase all its requirements of the COMPOUND from SYNKEM and shall refrain from manufacturing the COMPOUND or having the same manufactured by a third party.

Notwithstanding the foregoing, after CAMBRIDGE has purchased a minimum of {\*\*\*}† kg of COMPOUND from SYNKEM, CAMBRIDGE shall be entitled to enter into a supply agreement with a third party which shall act as a second source supplier provided that CAMBRIDGE shall continue to purchase at least {\*\*\*}† of its requirements of COMPOUND from SYNKEM.

SYNKEM shall provide CAMBRIDGE with all data available at SYNKEM regarding analytical methods and improvements made to the manufacturing process to enable that third party to manufacture the COMPOUND provided that such third party shall be bound by confidentiality obligations similar to those contained in this Agreement and CAMBRIDGE shall be liable to SYNKEM for any breach thereof by such third party.

**Article 6**  
**Major changes to the manufacturing process**

**6.1** In the event of SYNKEM proposing major changes to the manufacturing process of the COMPOUND, SYNKEM shall inform CAMBRIDGE of these proposed process changes and shall not institute these process changes without CAMBRIDGE's prior written consent. Together with its proposal, SYNKEM shall indicate to CAMBRIDGE the conditions upon which CAMBRIDGE may be entitled to use such changes after termination of this Agreement.

CAMBRIDGE shall be responsible at its own cost for having those changes approved by the relevant regulatory authorities.

---

† Represents material which has been redacted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

**6.2** In the event the approved process changes generate an increase in the yield of the manufacture of the COMPOUND or a decrease in the production costs, SYNKEM and CAMBRIDGE shall equally share the corresponding benefit.

**Article 7**  
**Regulatory obligations**

**7.1** Upon request, SYNKEM shall provide to CAMBRIDGE all the relevant data required by CAMBRIDGE to enable CAMBRIDGE to submit a complete IND&NDA submission to the US Food and Drug Administration and CTX or MAA to the relevant European Authorities for the COMPOUND. CAMBRIDGE shall be responsible for writing said IND, NDA, CTX, MAA applications at its own cost. CAMBRIDGE shall use such data given by SYNKEM only for the purpose of drafting said applications for the COMPOUND and submitting the same to the relevant health authorities. Without prejudice to the provisions of Clause 6.1, CAMBRIDGE, as the holder of all the above applications, shall be the owner of all the COMPOUND related data and information appearing or referred to in said applications.

**7.2** If requested by regulatory authorities or by CAMBRIDGE, SYNKEM shall accept and permit an inspection by CAMBRIDGE or the relevant regulatory authorities, at reasonable time and upon reasonable prior notice, of its facilities where the COMPOUND is manufactured or stored and of the manufacturing records pertaining to the manufacture of the COMPOUND.

**7.3** Regarding inspections requested and made by CAMBRIDGE:

- CAMBRIDGE shall, before making any such inspection, give full details of the reason of such inspection and of all matters which will be dealt with during such inspection. This information shall be provided to SYNKEM in written form.
- Any information which may come to CAMBRIDGE’s knowledge during such inspection shall be subject to the secrecy provisions of Article 14.

**Article 8**  
**Warranty, liability and indemnification**

**8.1** SYNKEM warrants that the COMPOUND manufactured and supplied hereunder shall meet the specifications described in Schedule 1 attached hereto and is of the same quality than the 1 kg kilo lab sample as accepted by CAMBRIDGE. SYNKEM DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE WARRANTY OF SATISFACTORY QUALITY AND THE WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.

**8.2** Subject to Clause 8.3, CAMBRIDGE’s EXCLUSIVE REMEDY FOR ANY FAILURE OF THE COMPOUND TO MEET THE QUALITY REQUIREMENTS DESCRIBED IN 8.1 SHALL BE THE REPLACEMENT OR REFUND PURSUANT TO CLAUSE 9.2. IN NO CASE SHALL SYNKEM BE LIABLE TO CAMBRIDGE FOR INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES.

- 8.3** (a) SYNKEM shall indemnify and hold CAMBRIDGE harmless from and against any and all liability, damage, cost or expense (including reasonable attorneys’ fees) arising out of third party claims based upon failure by SYNKEM to supply COMPOUND which meets the quality requirements described in 8.1 above, such failure to be acknowledged as the cause of the third party’s damage by a court of competent jurisdiction or the parties hereto by mutual written agreement.
- (b) SYNKEM shall not be liable hereunder for failure of the COMPOUND to meet the quality requirements described in 8.1 hereof if CAMBRIDGE has not tested the COMPOUND pursuant to Clause 9.1 before using the same or if, despite such tests evidencing a failure of the COMPOUND to meet such quality requirements, CAMBRIDGE has decided to use it or sell the FINISHED PRODUCT made from such COMPOUND.
- 8.4** CAMBRIDGE shall indemnify and hold SYNKEM harmless from and against any and all liability, damage, cost and expenses (including reasonable attorneys’ fees) arising out of third party claims other than those based upon failure by SYNKEM to supply COMPOUND which meets the quality requirements described in 8.1 above, including without limitation faulty manufacture, labelling or promotion of the FINISHED PRODUCT by CAMBRIDGE or its sub-contractors or licensees.
- 8.5** CAMBRIDGE warrants and represents that the manufacture and supply of COMPOUND hereunder shall not infringe any patent or other intellectual proprietary rights and CAMBRIDGE shall indemnify and hold SYNKEM harmless against any and all liability, damage, cost and expenses (including reasonable attorneys’ fees) resulting from any alleged infringement. However, this shall not apply if and to the extent that the manufacturing process (or portion thereof) has been designed by SYNKEM and infringes a third party patent claiming such process.
- 8.6** The indemnities set forth in this Article 8 are subject to the condition that the party seeking indemnity notifies the other party (the “Indemnifying Party”) without delay of the bringing or threat of any claim or legal proceedings against or involving or implicating the Indemnifying Party and :
- (a) abide by such reasonable instructions as the Indemnifying Party may issue concerning the conduct of such claim or the defence of such proceedings; and
- (b) does not make without the Indemnifying Party’s express written consent any admission of liability to a claimant or plaintiff or his, her or its legal representative or insurer in respect of such claim, threatened claim, proceedings or threatened proceedings; and
- (c) does not make without the Indemnifying Party’s express written consent any settlement or compromise of such claim, threatened claim, proceedings or threatened proceedings.

**Article 9**  
**Defective COMPOUND**

- 9.1** (a) Upon delivery, CAMBRIDGE shall inspect the COMPOUND according to the relevant analytical methods set forth in Schedule 1 attached hereto. If the COMPOUND

delivered does not conform with the quality requirements described in 8.1 above, CAMBRIDGE may reject such COMPOUND by notifying SYNKEM within thirty days from the date of delivery to CAMBRIDGE.

(b) Hidden defects not revealed by the above inspection which cause the COMPOUND not to conform with the quality requirements described in 8.1 above shall be notified to SYNKEM immediately upon discovery. In such event, CAMBRIDGE may reject such COMPOUND by notifying SYNKEM within thirty (30) days from the date of such discovery.

**9.2** After the consultation and agreement among the parties, the quantity of COMPOUND which was rejected under Clause 9.1 (“Defective COMPOUND”) shall be replaced by SYNKEM with the same quantity of COMPOUND which meets the quality requirements described in 8.1 above by one of the following procedures which is acceptable to CAMBRIDGE:

(a) SYNKEM shall, at no additional cost to CAMBRIDGE, reprocess the Defective COMPOUND within such period of time as will be reasonably agreed upon by the parties by following a reworking procedure acceptable to CAMBRIDGE and in compliance with the relevant DMF for the COMPOUND.

Any loss of COMPOUND resulting from this procedure shall, if such substance had been already paid by CAMBRIDGE, be replaced by an equivalent quantity of new COMPOUND or give rise to a compensation by SYNKEM for the COMPOUND lost at the applicable price (as specified in Clause 3.1), at CAMBRIDGE’s option.

(b) SYNKEM shall carry out new production of the COMPOUND at no additional cost to CAMBRIDGE within such period of time as will be reasonably agreed upon by the parties.

**9.3** In the event that CAMBRIDGE destroys or disposes of the Defective COMPOUND (or FINISHED PRODUCT containing the Defective COMPOUND), this shall be done in full compliance with local and national laws and regulations. In no event shall CAMBRIDGE destroy or dispose of the Defective COMPOUND without SYNKEM’s prior written consent.

**Article 10**  
**Insurance**

**10.1** At all times this contract is in effect, each of CAMBRIDGE and SYNKEM shall maintain product liability insurance in an amount of not less than {\*\*\*}† in the case of CAMBRIDGE or {\*\*\*}† in the case of SYNKEM so as to cover any liability it may incur pursuant to Article 8.

**10.2** Each party hereto shall upon request at all reasonable times provide the other with a certificate of insurance as evidence of such insurance. In the event that such insurance is significantly reduced or restricted, terminated or otherwise not renewed, the affected party shall immediately notify the other.

† Represents material which has been redacted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

**Article 11**  
**Term**

This Agreement shall come into effect on the date of its complete signature by both parties and, subject to the provisions for anticipatory termination herein contained, shall remain in force for an initial term of five years.

It shall thereafter continue for an indefinite period unless and until terminated by either party giving not less than eighteen (18) months prior written notice, such notice to be effective at the end, of the initial term or at any time thereafter.

**Article 12**  
**Anticipatory termination**

**12.1** If either party shall at any time fail to abide by any of the provisions of this Agreement, the other party shall have the right to terminate this Agreement on thirty (30) days' prior written notice to the defaulting party specifying the default complained of, provided, however, if said defaulting party cures the default complained of within the said thirty (30) day period, the Agreement will continue in full force and effect as if no default had occurred.

**12.2** Either party may terminate this Agreement at any time by giving written notice with immediate effect to the other party if the other party is declared bankrupt or insolvent, or makes an assignment for the benefit of creditors, or if a receiver is appointed, or any procedures are commenced, voluntarily or involuntarily, by or against a party under any bankruptcy or similar law and such procedure is not dismissed within sixty days of its commencement.

**Article 13**  
**Consequences of termination**

Upon termination of this Agreement pursuant to its provisions or the provisions of the applicable law:

**13.1** SYNKEM shall manufacture and supply those quantities of the COMPOUND ordered by CAMBRIDGE prior to such termination and CAMBRIDGE shall pay the then current supply price (as determined pursuant to Article 3) for such COMPOUND ;

**13.2** Termination shall be without prejudice to (i) any remedies which either party may then or thereafter have under this Agreement or at law or in equity (including without limitation possible damages) and (ii) either party's right to obtain performance of any obligation provided for in this Agreement which survives termination by its terms or by a fair interpretation thereof.

**13.3.** Termination shall not relieve the parties of their obligations that would survive termination by a reasonable interpretation of this Agreement including Articles 8, 14 and 17.

**13.4.** On termination, SYNKEM shall return to CAMBRIDGE all documentation samples given to them referring to the COMPOUND, except for one copy of each document which may be retained by SYNKEM for reference should a dispute arise in the future about the COMPOUND.

**Article 14**  
**Secrecy**

**14.1** Each party hereto (“RECIPIENT”) agrees that it will (i) maintain in good faith the confidentiality of any and all proprietary or confidential information disclosed by the other party (“DISCLOSER”) and (ii) refrain from using the same except for the purpose of implementing this Agreement. These obligations shall survive termination of this Agreement for any reason for a period of twenty years from the termination date. When CAMBRIDGE is the DISCLOSER, the term “information” includes, without limitation, all information relating to the COMPOUND or to the manufacturing process of the COMPOUND disclosed by CAMBRIDGE to SYNKEM.

**14.2** These obligations shall not apply to confidential information in respect of which RECIPIENT can prove that such information (i) is or becomes public knowledge through no breach hereof or (ii) was in RECIPIENT’s possession prior to disclosure by DISCLOSER and was not obtained directly or indirectly from DISCLOSER or (iii) is lawfully acquired from a third party who did not obtain it directly or indirectly from DISCLOSER or (iv) is required to be disclosed by law or any relevant regulatory authority.

**Article 15**  
**Force Majeure**

**15.1** Should either party be affected by FORCE MAJEURE, it shall without delay notify the other party of the nature and extent thereof.

**15.2** Neither party shall be deemed to be in breach of this Agreement or otherwise be liable to the other by reason of any delay in performance, or non-performance, of any of its obligations hereunder to the extent that such delay or non-performance is due to any recognised FORCE MAJEURE of which it has notified the other party, and the time of performance for that obligation shall be extended accordingly.

**Article 16**  
**Hardship**

Should the action of third parties, economic, regulatory conditions, FDA regulatory requirements or other conditions outside the control of either party create a situation in which the effect of any provision hereof is severely inequitable to that party, then the parties agree to negotiate in good faith for the revision of the relevant provisions hereof as may be reasonably required by the affected party or parties.

Either party desiring to negotiate for revision in accordance with this Article shall give the other party a statement in writing setting forth the circumstances of the hardship suffered from with a request for a meeting of representatives at a time and place convenient to the other party within

thirty (30) days of the request. The other party shall not unreasonably withhold its agreement to meet and negotiate.

If the parties fail to agree on new terms within thirty days of the first meeting on this issue, the party having requested renegotiation shall be entitled to terminate this Agreement with immediate effect.

**RECITALS**

Cambridge Laboratories Limited was formerly called Cambridge Selfcare Diagnostics Limited.

Cambridge is establishing a branch office in Ireland called Cambridge Laboratories Ireland (“Cambridge Ireland”), that ,will become an affiliated company under common ownership with Cambridge. Cambridge and Synkem entered into an. agreement on 31 July 1998 for the exclusive supply to Cambridge by Synkem of the active ingredient tetrabenazine (hereinafter “the Supply Agreement”).

Cambridge and Synkem entered into an agreement on 01 May 2003 for the preparation and maintenance of a Drug Master File for the active ingredient tetrabenazine (hereinafter “the DMF Agreement”).

The parties have discussed the possibility of transferring the rights and obligations of Cambridge to Cambridge Ireland, as well as of amending certain of the pricing and supply aspects of the Supply Agreement and the DMF Agreement.

The parties therefore have decided to enter into this amendment agreement (the “Amendment Agreement”) to amend aspects of both the Supply Agreement and the DMF Agreement as set forth herein.

Terms beginning with a capital letter in this Amendment Agreement and which are not defined herein shall have the meaning ascribed to them in the Supply Agreement or the DMF Agreement, as applicable.

---

THE PARTIES AGREE as follows

1. **Assignment to Cambridge Ireland.** Synkem hereby agrees that Cambridge may assign its rights and obligations under the Supply Agreement, the DMF Agreement and this Amendment Agreement to Cambridge Ireland following incorporation of Cambridge Ireland as an affiliated company under common ownership with Cambridge, provided that Cambridge notifies Synkem as soon as Cambridge Ireland has been incorporated as an affiliate under common ownership and that Cambridge guarantees to Synkem the compliance by Cambridge Ireland of all of the provisions of the Supply Agreement, the DMF Agreement and this Amendment Agreement. .
2. **Compound Price.** Article 3 of the Supply Agreement is hereby deleted. Save as set forth in clause 3 below, the price Cambridge is to pay to Synkem for the Compound shall be determined in accordance with the scale set forth in Part A of Schedule 1 hereto.
3. **Validation of MII Process.** In connection with the work of validation of the MII process, Cambridge shall be responsible for paying Synkem the sum of {\*\*\*}† in consideration for the validation of the MII processes to FDA standards in support of the NDA for the Finished Product. Cambridge will also reimburse Synkem the sum of {\*\*\*}† for the costs of purchase from Interior of approximately three tonnes of MII 172, the validation of this production and the storage thereof at Synkem. Synkem shall use such three tonnes of MII 172 purchased from Interior solely for the manufacture of the Compound and the validation data for the update of the Tetrabenazine Drug Master File. For the sake of clarity Cambridge shall own the MII process validation data and all rights pertaining to that data. The price to be paid by Cambridge for any Compound incorporating the above-mentioned three tonnes of MII 172 shall be as set forth in Part B of Schedule 1 hereto.
4. **Currency.** Notwithstanding anything to the contrary in the Supply Agreement, the currency of payment shall be the Euro.
5. **Payment.** Article 4 of the Supply Agreement shall be deleted and replaced with the following:  
  
“Cambridge shall pay for each consignment of the Compound in full, by bank transfer in Euro, within thirty (30) days of the date of the invoice sent by Synkem regarding such consignment which invoice shall be sent on or after the delivery of the consignment.”
6. **Delivery Terms.** Articles 2.5 and 2.6 of the Supply Agreement shall be deleted and replaced with the following:  
  
“All consignments of the Product shall be delivered CIP (Incoterms 2000) to Cambridge’s Finished Product manufacturer in the EU, the name and address of such manufacturer to be provided to Synkem by Cambridge by at least two weeks before the requested delivery date.

† Represents material which has been redacted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended.

7. **Compound Specifications.** A third sentence shall be added to the end of Article 8.1 of the Supply Agreement as follows:
- “The specifications described in Schedule 1 attached hereto may be amended from time to time by mutual agreement of the parties recorded in writing and signed by appropriately authorised representatives.”
8. **Batch Size.** By derogation to Article 2.4 of the Supply Agreement, one batch of the Compound shall amount to approximately three hundred kilograms (300 kg).
9. **Term.** The initial term of five years referred to in Article 11 of the Supply Agreement shall be extended for a further five (5) years commencing on Commencement Date of this Amendment Agreement being the date that appears at the top of this Amendment Agreement.
10. All other conditions of the Supply Agreement and the DMF Agreement shall remain unchanged and shall continue to apply.

**SCHEDULE 1**

**PRICES**

**Part A — Prices for Compound after Synkem has used the three tonnes of MII 172 purchased from Interior under Article 3 of the Amendment Agreement**

For up to {\*\*\*}† kg/year: {\*\*\*}† / kg

If Cambridges orders between {\*\*\*}† kg and {\*\*\*}† kg per year: the average price per kg will be {\*\*\*}† / kg

If Cambridges orders between {\*\*\*}† kg and {\*\*\*}† kg per year. the average price per kg will be : {\*\*\*}† /kg

If Cambridges orders over {\*\*\*} kg per year, the average price per kg will be : {\*\*\*}† / kg

Yearly quantities are the quantities that will be delivered during the same calendar year (from January to December). Each order must be for a minimum of at least one batch, which must be ordered at least six months prior to the requested delivery date. Synkem shall make its best efforts but shall not be obliged to supply more than seven batches within any six month period (for orders exceeding seven batches, the parties shall renegotiate delivery dates).

**Part B Prices adjustment for Compound incorporating the three tonnes of MII 172 purchased from Interior under Article 3 of the Amendment Agreement**

About 770 kg of MII are needed to manufacture two 300 kg batches of Compound. The validated MII will be used to manufacture the Compound from 2004 until 2007 according to Cambridge’s forecasts, provided the MII 172 stability is sufficient. The cost of the MII 172 used in such Compound batches (about {\*\*\*}† per kg of Compound) will be subtracted from the above Compound prices until the stock of MII 172 is consumed.

For example, the Compound price applicable to orders under {\*\*\*}† kg of Compound per year will be : {\*\*\*}† = {\*\*\*}† /kg

| “Vendor’s Schedule” | means Cambridge’s 12 months rolling requirements for supply of the Product for the period of twelve (12) calendar months as from the date on which it is sent to Manufacturer, and which shall be comprised of a binding Firm Period and a non-binding Forecast. - 1.2 Any reference in this Agreement to “writing” or cognate expressions includes a reference to mail, telex, cable, facsimile transmission or comparable means of communication.
- 1.3 Words in this Agreement importing the singular meaning shall where the context so admits include the plural meaning and vice versa.
- 1.4 The headings in this Agreement are for convenience only and shall not affect its interpretation.

**2 Technology Transfer**

- 2.1 Within 2 weeks after the signature of this Agreement, and prior to Manufacturer’s obligations to Manufacture the Product hereunder arising, Cambridge will supply and transfer to Manufacturer all the Technical Information that it has in its possession or control to enable Manufacturer to Manufacture and adequately transport the Product, the Raw Materials and the Active Substance in accordance with the Specifications, GMP and this Agreement and more generally to fulfil all of its obligations hereunder.
- 2.2 As from the date of signature hereof and throughout the Validation process, Cambridge will promptly provide such technical assistance as may reasonably be requested to enable the effective transfer of the Technical Information referred to in clause 2.1 and to enable the Manufacturer to carry out the Validation and Manufacture the Product.
- 2.3 Upon receipt of such Technical Information and technical assistance, Manufacturer shall carry out Validation of the process of Manufacture in accordance with the Protocol.

- 2.4 In accordance with the Protocol, Manufacturer shall Manufacture three (3) Validation Batches of the Product in accordance with the Specifications for use in the Validation process. This Validation process may include Stability Studies to current ICH standards.
- 2.5 Notwithstanding anything else herein contained, should (i) Validation of the process of Manufacture not be proven in accordance with the Protocol; (ii) should Manufacturer be unable for whatever reason to Manufacture the Product in accordance with the Technical Conditions, the Specifications, or this Agreement, or (iii) the Regulatory Authorities not approve the Product, the parties shall meet and discuss the issues and the means by which any problems may be resolved. If the issues preventing the Validation are not able to be overcome to the satisfaction of Cambridge, Cambridge may terminate this Agreement on provision of at least 1 month's written notice and the provisions set forth in Article 13 shall apply. Manufacturer may terminate this Agreement during or at the end of the Validation process in the event that Validation is not carried out to Manufacturer's satisfaction and the provisions set forth in Article 13 shall apply.
- 2.6 Cambridge shall pay Manufacturer for the Validation in accordance with Part A of Schedule 3. For the sake of clarity, if the Validation is unsuccessful Cambridge shall only be required to pay for those modules of the Validation process that were completed by Manufacturer prior to the failure, plus those other costs as set forth in Article 13 hereof.

**3 Supply and use of the Active Substance**

- 3.1 Cambridge will supply to Manufacturer in a timely manner, and at least 4 weeks in advance of Manufacturer's requirement of any Active Substance, to enable Manufacturer to fulfil its obligations hereunder, free of charge, such quantities of the Active Substance as Manufacturer requires to Manufacture the quantities of the Product indicated in the Vendor's Schedule.
- 3.2 Manufacturer shall keep full and accurate records of its inventory of the Active Substance and shall provide to Cambridge, on the last working day of each month, a report of its stock of the Active Substance, including work in progress and utilisation in the period. Cambridge has informed Manufacturer that Cambridge will over the course of the following years be moving to a fully integrated CFR 21 compliant electronic system. Cambridge will keep Manufacturer informed of its activities in this respect, in particular in the event that such activities may have an impact on Manufacturer's activities hereunder. The parties agree to make their best efforts to ensure that their activities are CFR 21 compliant. In the event that there is a problem and Cambridge's and Manufacturer's CFR 21 systems are incompatible, Cambridge and Manufacturer will come together to discuss how to address such situation. If agreement as to how to address this situation cannot be reached between operational representatives of each party, either party may refer the matter for further discussion between the respective Chief Executive Officers.
- 3.3 Active Substance provided by Cambridge shall comply with the Specifications for such and shall be accompanied by a Certificate of Analysis from Cambridge's Active Substance manufacturer. Cambridge warrants that the Active Substance manufacturer is a

qualified pharmaceutical company, entitled to carry on its business and manufacture the Active Substance.

- 3.4 Manufacturer will store the Active Substance supplied by Cambridge in accordance with the Specifications and GMP and shall use such solely for the Manufacture of the Product in accordance with GMP, the Specifications and the Technical Conditions, for the purposes hereof. Notwithstanding the foregoing, to the extent possible given the Manufacturer's needs for the purposes hereof, on Cambridge's written request, Manufacturer will supply Active Substance to third parties designated by Cambridge for research and development work.
- 3.5 Manufacturer acknowledges that Cambridge is supplying the Active Substance for the Manufacture free of charge and agrees to compensate Cambridge for any costs incurred by Cambridge in replacing any Active Substance that has been rendered unusable due to the failure of Manufacturer to store the Active Substance in accordance with the Specifications and GMP, the negligence or wilful default of Manufacturer or in the event of waste in failing to comply with the Specifications, GMP and the Technical Conditions in the Manufacture of the Product. Following Validation, the parties may, by mutual agreement recorded in writing, adjust the acceptable waste percentage set forth in Article 12 of the Technical Conditions. The parties shall review the acceptable waste percentage annually. In the event that the Manufacturer has complied with the Specifications, the Technical Agreement and GMP but in doing so Manufacturer has exceeded the acceptable wastage percentage of Active Substance set forth in the Technical Conditions the parties shall review the reason for the excess and, if the parties agree that the Active Substance waste level of the Batch in question is an anomaly, they shall agree upon an equitable sharing of the cost of replacement of the excess Active Substance used in that Batch over the agreed waste percentage. In the event that Manufacturer has manufactured a Batch of Product in accordance with the Specifications, GMP and the Technical Agreement but the Batch nonetheless fails, the parties shall meet, as soon as is practicable after the Batch failure, to determine whether there is any solution aside from Manufacturing a replacement Batch from scratch. The parties shall agree upon an equitable sharing of the costs of whatever remedial action is agreed upon. Cambridge acknowledges that the requirement on Manufacturer to reimburse Active Substance that has been wasted will not apply in respect of Active Substance used in the Validation save in the event of negligence or wilful malfeasance on the part of Manufacturer.
- 3.6 In the event that Cambridge requests, in writing, that Manufacturer provide Active Substance to a third party for research and development work Cambridge shall pay Manufacturer for its reasonable and documented handling, storage and transportation costs, and shall hold Manufacturer harmless from any claims resulting from or relating to the use of the Active Substance in such context.
- 3.7 Cambridge shall retain title in any Active Substance until such Active Substance becomes incorporated in the Manufacture of the Product subject to Cambridge's insurance obligations set forth in Article 10 hereof, save that such shall not limit Cambridge rights under clause 3.5 to seek compensation for the cost of replacement for wasted or misused Active Substance.

**4 Contract Manufacture**

- 4.1 Cambridge hereby appoints Manufacturer to Manufacture Cambridge’s requirement for the Product and Manufacturer accepts such appointment. During the period of this Agreement Manufacturer will Manufacture for Cambridge the Product in accordance with this Agreement.
- 4.2 Except as otherwise provided herein or specifically requested otherwise by Cambridge, Manufacturer shall source, at its cost, all Raw Materials other than the Active Substance.
- 4.3 Manufacturer represents, warrants and covenants that:
- 4.3.1 it has and will use all best endeavours to maintain during the term of this Agreement, such authorisations from the Regulatory Authority in France as are necessary to enable it to manufacture the Product;
  - 4.3.2 it will conduct the Manufacture in accordance with GMP, the Specifications and the Technical Conditions;
  - 4.3.3 it will ensure that any Raw Materials employed by Manufacturer in the Manufacture and not supplied by or on behalf of Cambridge will at the time of use comply with the Specifications and that it has Certificates of Conformance to confirm such where applicable;
  - 4.3.4 In the event that Manufacturer receives, in relation to the Product, any 483 Notice, warning letter from FDA or any similar notice from any other Regulatory Authority or government agency where a failure to comply with such could result in Manufacturer being unable to perform its obligations under this Agreement or any other communication from any Regulatory Authority pertaining directly or indirectly to the manufacture of the Product (hereinafter “Regulatory Notices”), Manufacturer shall use commercially reasonable endeavours to send to Cambridge, within five (5) working days following receipt of such Regulatory Notice and in any event no later than ten (10) working days following receipt of such, edited copies of such Regulatory Notices (removing only those words which would result in breach of confidentiality obligations to any third party) and to notify Cambridge of any requirements set forth in those Regulatory Notices that it is going to be unable to rectify within the time frame set forth for rectification in the Regulatory Notice. Manufacturer shall, save as set forth above, use commercially reasonable endeavours to rectify any matters set forth in any Regulatory Notice in the time frame set forth for rectification of the issue in the Regulatory Notice or other time frame, if and as agreed upon with the Regulatory Authority or government agency. If Cambridge has received notification from Manufacturer that it is going to be unable to rectify certain matters raised in any Regulatory Notice within the time frame for rectification and that this would render Manufacturer unable to further Manufacture the Product within a reasonable timeframe, Cambridge shall have the right to terminate this Agreement.

- 4.4 Cambridge represents, warrants and covenants that:
- 4.4.1 it will be responsible for assessing and confirms that it has assessed the competence of Manufacturer to carry out the Manufacture of the Product in accordance with GMP;
  - 4.4.2 it has notified Manufacturer of any special requirements in respect of record- keeping that may be necessary to comply with Cambridge’s adverse event/defect/recall procedure;
  - 4.4.3 it shall notify Manufacturer of any hazards to the health or safety of any personnel of Manufacturer and Cambridge shall keep Manufacturer so advised throughout the continuance of this Agreement.
  - 4.4.4 the Technical Information that it will provide to the Manufacturer is to the best of its knowledge true, exact, complete and sufficient for the purposes hereof and has been used successfully by two other manufacturers in the manufacture of the Product,
  - 4.4.5 the Specifications are to the best of its knowledge true, exact and complete and sufficient to Manufacture the Product in accordance with the purposes hereof and have been successfully used by two other manufacturers in the manufacture of the Product;
  - 4.4.6 it holds the rights in and to the Technical Information, the Product, the Active Substance and the Product packaging to enable the Manufacturer to Manufacture the Product and to perform its obligations hereunder,
  - 4.4.7 that, to the best of its knowledge and belief, the Technical Information, Product, Product packaging, Active Substance, Manufacture and Raw Materials do not infringe the rights of any third party, and that the Manufacturer may freely use them for the purposes hereof and that it has not at any time in the past 10 years received any claim from any third party that any of the aforementioned items or actions infringe their intellectual property rights.

**5 Technical Conditions**

- 5.1 The respective responsibilities of Manufacturer and Cambridge relating to the Manufacture of the Product, the way in which each Batch of the Product is to be Manufactured and checked for compliance with and adherence to the appropriate Specifications and GMP, the responsibility for purchasing materials, testing and releasing materials and undertaking production and quality control including in-process controls as well as sampling and analysis shall be as specified in the Technical Conditions.
- 5.2 Subject to Cambridge complying in all respects with its obligations under this Agreement, Manufacturer shall be responsible for ensuring the safe operation of the process of Manufacture of the Production in its premises.

5.3 Any alteration to the Technical Conditions must be agreed between the parties and such agreement will include but not be limited to agreeing the implications of such alterations on the Cost of Production and the cost of Validation thereof. Should no agreement be reached, the escalation provisions of clause 15 shall apply.

**6 Duration**

6.1 Unless sooner terminated as hereinafter provided, this Agreement shall come into force on the Effective Date hereof and shall continue in force for a minimum period of seven (7) years. This Agreement may be renewed for an open-ended term by either party providing notice of renewal to the party at least 18 months prior to the end of such seven-year period. If either party wishes to terminate on the seventh anniversary of the Effective Date it must provide no less than 18 months' written notice of such to the other party to expire on the seventh anniversary of the Effective Date. Notwithstanding the foregoing, in the event that no notice of renewal or of termination is sent by either party by the deadlines set forth in this Article, the Agreement shall expire at the end of such seven (7) year period. If renewed, it shall continue until terminated by either party giving to the other not less than 18 months' notice.

**7 Vendor's Schedule Forecast and Supply**

7.1 During the term of this Agreement and following Validation Cambridge will submit to Manufacturer Vendor's Schedules. The first Vendor's Schedule shall be submitted to Manufacturer within seven (7) days of the successful completion of that Validation and shall cover the twelve (12) calendar months from that date. Thereafter Vendor's Schedules will be submitted each month by no later than the twentieth (20th) day of each calendar month, specifying Cambridge's anticipated requirements for Product in calendar monthly periods for the relevant twelve (12) month period covered by the Vendor's Schedule.

7.2 The first Vendor's Schedule submitted to Manufacturer shall be accompanied by purchase orders covering the Firm Period of such Vendor's Schedule. All subsequent Vendor's Schedules submitted shall be accompanied by purchase orders covering the relevant amount of Product indicated as being required in the last month of the Firm Period and stating a date for delivery consistent with the Firm Period and which delivery date must be at least thirteen (13) weeks from the date of receipt by Manufacturer of such purchase order. The quantity set forth in the Firm Period may not be altered. The quantity set forth in the Forecast may be altered by Cambridge within a range of plus or minus {\*\*\*}† for months {\*\*\*}†, plus or minus {\*\*\*}† for the months thereafter. Manufacturer shall notify Cambridge of its receipt of any purchase order and acceptance of such delivery date in writing within five (5) working days of receipt. Unless inconsistent with the aforementioned restrictions on the Firm Period and agreed percentage changes in the Forecast, all such purchase orders ("Firm Period Orders") shall be confirmed by Manufacturer and shall be binding on Manufacturer. If Cambridge requires and orders

additional quantities of the Product over and above those set forth in the Firm Period, Manufacturer shall use reasonable endeavours to fulfil that order. Notwithstanding the foregoing, the parties acknowledge that, within two (2) weeks of the end of Validation, Manufacturer will notify Cambridge in writing of the maximum quantity of the Product Manufacturer can Manufacture in any year and/or, if applicable, per purchase order (hereinafter “Manufacturer’s Annual Production Capacity”) and Manufacturer shall not be obliged to fulfil any orders, whether Firm Period Orders or other orders, for quantities ordered in excess of Manufacturer’s Annual Production Capacity”. If Manufacturer receives an order from Cambridge where the quantity ordered or any part of that quantity would result in Manufacturer’s Annual Production Capacity being exceeded it shall notify Cambridge of such as soon as is commercially practical. Each order placed by Cambridge must be for one full batch or any whole number multiple of full batches of Product. Manufacturer shall not be obliged to fulfil orders for partial batches of Product.

- 7.3 The Product is supplied by Manufacturer Ex-works (EXW) (Incoterms 2000). Time for delivery in respect of Firm Period Orders is of the essence. Manufacturer shall deliver EXW any Firm Period Orders on or before the delivery date. Manufacturer shall make its commercially reasonable efforts to deliver the Products ordered other than in Firm Period Orders on or before the delivery date set forth in the relevant order. Notwithstanding the foregoing, Manufacturer’s obligation of delivery is contingent upon Manufacturer having received Cambridge’s notice provided under clause 7.5. Upon the earlier of (a) receipt by Manufacturer of Cambridge’s notice to be provided under clause 7.5 or (b) the agreed delivery date for any order, Manufacturer may deliver the Product and render to Cambridge an invoice for the quantity of the Product ordered. Title to the Product shall be and remain with Manufacturer unless and until Cambridge has paid in full for the Product and any other Product supplied hereunder.
- 7.4 Each batch of the Product Manufactured shall be numbered in accordance with Manufacturer’s batch numbering SOP full written details of which shall be provided to Cambridge and each Batch supplied shall be identified with its Batch number.
- 7.5 Prior to delivery of each Batch of Export Pack to be supplied, Manufacturer shall supply to Cambridge a Certificate of Analysis and a Certificate of Conformance signed by the Manufacturer’s Qualified Person, the samples and a summary of the Batch Manufacturing records. Prior to delivery of each Batch of Commercial Pack to be supplied, Manufacturer shall supply to Cambridge a Certificate of Analysis, a Certificate of Conformance and a release statement signed by the Manufacturer’s Qualified Person, the samples and a summary of the Batch Manufacturing records. Cambridge will, at least 5 business days prior to scheduled delivery date of each Batch, notify Manufacturer whether, based on the information provided by Manufacturer pertaining to that Batch as set forth above in this clause, Cambridge is prepared without prejudice to its rights hereunder to take delivery of that Batch.
- 7.6 Any Defects shall be reported to Manufacturer in writing promptly after discovery. Unless there is a dispute between the parties as to the cause of the Defect in the Product (in which case clauses 7.7 and 7.8 shall apply) Manufacturer shall use its commercially reasonable efforts to Manufacture and deliver to Cambridge within six (6) weeks of such

reporting by Cambridge, at no charge, a sufficient quantity of the Product to replace the defective Batch or Batches.

- 7.7 If there is any dispute concerning whether Product complies with the Specifications or whether such failure is due (in whole or in part) to acts or omissions of Cambridge after delivery of Product, a sample of the rejected Product and a sample retained by Manufacturer as set forth above shall be exchanged between Cambridge and Manufacturer for a counter-check. If such counter-check does not resolve the dispute, a sample of the rejected Product and a sample retained by Manufacturer shall be submitted to an independent, qualified third-party laboratory that is mutually acceptable and selected by the Parties promptly in good faith. The test result obtained by such laboratory shall determine whether the rejected Product fails to comply with the Specifications due to acts or omissions of Cambridge after delivery of the Product or acts or omissions of Manufacturer prior to delivery of the Product and such laboratory's determinations shall be final and determinative for purposes of this Agreement save for manifest error on the face of decision. The Party against whom the laboratory rules shall bear all costs of the third party laboratory activities.
- 7.8 If it is determined pursuant to clause 7.7 above that the Product does not conform to the Specifications due to the default of Manufacturer then Manufacturer shall Manufacture and deliver to Cambridge, at no charge, a sufficient quantity of the Product to replace the defective Batch or Batches. For the sake of clarity the provisions of clause 3.5 shall apply in respect of the cost of replacement of wasted Active Substance. If Cambridge accepts that the relevant Batches of Product were Manufactured in accordance with the Specifications or that any defect did not arise due to Manufacturer's default Manufacturer shall Manufacture and deliver to Cambridge, at the usual cost, a sufficient quantity of the Product to replace the defective Batch or Batches.
- 7.9 After the period of Validation, Manufacturer agrees to maintain a safety stock of Export Pack Product. The amount of such safety stock shall be determined at the beginning of each calendar year as an amount equal to one month's average Product requirements as stipulated in Cambridge's Forecast for such calendar year.

## **8 Intellectual Property and Improvements**

- 8.1 Cambridge hereby authorises Manufacturer to use the Trade Marks and Cambridge's other intellectual property on or in relation to the Product for the purpose only of exercising its rights and performing its obligations under this Agreement. All data and intellectual property and other rights pertaining to the data arising from the Validation work and on-going stability and quality conformance work carried out by Manufacturer shall be the property of Cambridge.
- 8.2 Each party hereby acknowledges that it shall not acquire any rights in respect of any of the other party's intellectual property in relation to the Product or the Manufacture thereof or of the goodwill associated therewith.

- 8.3 Except as is necessary for the proper performance of this Agreement by the parties, no licence, express or implied, is granted by this Agreement by either party to the other under any of its intellectual property rights.
- 8.4 Cambridge authorises the Manufacturer to place Manufacturer’s company name and address on the Product packaging and leaflet with an indication that it is the manufacturer of the Product if so required by law.
- 9 Prices**
- 9.1 All orders for the Product for the eighteen (18) months following validation will be at the prices set forth in part B of Schedule 3.
- 9.2 Following the period set forth in clause 9.1, Manufacturer may review the price annually in accordance with the INSEE index number 064688387 (pharmacy perfumery and maintenance industries salaries index) for the preceding month of June (published the following September). In the event that the increase in Cost of Production and Raw Material costs exceed the amount of such index, Manufacturer shall provide written evidence to Cambridge of such increases in the Costs of Production and Raw Materials and the parties shall meet to discuss that increase, the impact on the Costs of Production and ways in which that increase might be off-set including but not limited to, for example, alternative sources of supply of the Raw Material in question. If, after going through that process the parties find that the exceptional increase cannot be fully offset, the matter shall be referred for further discussion initially to the Chief Financial Officers of both parties and, if necessary, to the Chief Executive Officers of both parties. If resolution as to how to deal with the exceptional cost increase has not been reached following discussion between the Chief Executive Officers, either party may terminate this Agreement on provision of ninety (90) days written notice.
- 9.3 Invoices will be submitted to Cambridge when the Product has been delivered in accordance with clauses 7.3 and 7.5. Cambridge will, save as set forth below, pay to Manufacturer the full invoice value for the Product within forty five (45) days after the date of the invoice or forty five (45) days after the date of delivery of the Product, whichever is the later. Payment will be made direct into Manufacturer’s bank account by bank transfer and Manufacturer will provide Cambridge with the necessary details of Manufacturer’s bank account and will take whatever actions are necessary to facilitate payment by bank transfer.
- 10 Limitation of Liability, Indemnity and Insurance**
- 10.1 Manufacturer indemnifies and shall keep Cambridge and its Affiliates indemnified against all third party claims, actions, judgments, damages or lawsuits (including costs or expenses or professional fees) brought against Cambridge and or its Affiliates to the extent and arising out of any breach of this Agreement by Manufacturer or any wilful or negligent act or omission of Manufacturer or its employees in the Manufacture of the Product.

- 10.2 Cambridge and/or its Affiliates indemnifies and shall keep Manufacturer and its Affiliates indemnified against all third party claims, actions, judgments, damages or lawsuits (including costs or expenses or professional fees) brought against Manufacturer and/or its Affiliates to the extent and arising out of (i) any breach of this Agreement by Cambridge and/or its Affiliates; (ii) or any negligent or wilful act or omission of Cambridge and/or its Affiliates, its employees or agents (including but not limited to in researching and developing the Product or in supplying the Active Substance and Raw Materials); (iii) any intellectual property rights covering the Product, Product packaging, Active Substance and/or Raw Materials; and (iv) any error, inaccuracy, inexactitude, or incompleteness in the Specifications.
- 10.3 Manufacturer shall indemnify, defend and hold harmless, Cambridge and/or its Affiliates from and against all third party claims, actions, judgments, damages, lawsuits, and related costs and expenses made or brought against Cambridge and/or its Affiliates in respect of bodily injury or death caused by or attributed to the Product insofar as they arise out of: (a) the contamination of the Product manufactured by Manufacturer while in the custody or control of Manufacturer, (b) the failure of Manufacturer to manufacture, store, handle or ship the Product in accordance with the Specifications or the GMPs.
- 10.4 Cambridge and/or its Affiliates shall indemnify, defend and hold harmless Manufacturer and/or its Affiliates against all third party claims, actions, judgments, damages, lawsuits and related costs and expenses made or brought against Manufacturer and/or its Affiliates in respect of bodily injury or death caused by or attributed to the Product, the Raw Materials or the Active Substance, including but not limited to product liability claims, the sale of the Product, Product labelling, and any claims related to the inherent physiological properties of such substances, except and to the extent provided in Articles 10.1 and 10.3 above.
- 10.5 **NO OTHER WARRANTY. EXCEPT AS SET FORTH IN CLAUSES 4, 7 AND THIS CLAUSE 10, MANUFACTURER IS MANUFACTURING AND SUPPLYING THE PRODUCT HEREUNDER ON AN “AS IS” BASIS WITHOUT REPRESENTATION OR WARRANTY WHETHER EXPRESS OR IMPLIED INCLUDING WARRANTIES OF SATISFACTORY QUALITY OR FITNESS FOR A PARTICULAR PURPOSE, OR INFRINGEMENT OF THIRD PARTY RIGHTS, AND ALL SUCH WARRANTIES ARE EXPRESSLY DISCLAIMED TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAWS.**
- 10.6 The party claiming the benefit of any indemnity hereunder must promptly notify the other of any claim, not accept any compromise or settlement of such claim or take any material steps in relation to such claim without the prior consent of the other party and shall co-operate fully with the other party in the handling of any such claim.
- 10.7 Without prejudice to the obligation of either party to indemnify the other against claims by a third party, under no circumstance shall either party be liable to the other in contract, tort (including negligence or breach of statutory duty) or otherwise howsoever to the other (i) for any increased costs or expenses, (ii) for any loss of profit, business, contracts revenues or anticipated savings, or (iii) for any special, indirect, incidental, punitive or

consequential loss or damage of any nature whatsoever, whether occasioned by the negligence of the respective parties, their employees or agents or otherwise. Notwithstanding the foregoing, in the event that Manufacturer breaches clause 11 by intentionally or negligently (a) using Cambridge's Information pertaining to the Manufacture of the Product to Manufacture the Product and sell it or otherwise provide it to a third party other than with Cambridge's express written consent, or (b) using Cambridge's Information pertaining to the Manufacture, of the Product or any part of it to manufacture a competing product containing tetrabenazine, or (c) providing Cambridge's Information pertaining to the Manufacture of the Product or any part of it to a third party to enable them to manufacture the Product or a competing product containing tetrabenazine, the limitations of liability set forth in clause 10.7 above shall not apply in respect of such a breach but Manufacturer's liability shall be limited to a maximum amount of {\*\*\*}†. The parties also acknowledge that the limitations of liability mentioned in this clause 10.7(i), (ii) and (iii) shall, when the losses, damages, costs, liabilities or expenses incurred by a party arise from the grossly negligent or wilfully malfeasant acts of the employees of the other party, (y) not apply in respect of bodily injury or death or (z) apply up to a maximum of {\*\*\*}† Euro in respect of all other claims other than bodily injury or death.

- 10.8 The parties undertake to ensure that they have in place and maintain throughout the Term and for a period of 5 years thereafter, product liability insurance with a reputable insurer or self insurance in an amount which the parties agree is appropriate for their business, the type of product which is the subject of this Agreement and the territories in which the Product will be sold and for their obligations under this Agreement. expenditures to Cambridge and after approval by Cambridge, Cambridge shall reimburse Manufacture for such expenditures in the same manner as set forth above.

Notwithstanding the foregoing, in the event that Manufacturer is able to use such equipment and machines for the manufacture of products other than the Products and Manufacturer is able to recover the amortization of the machines from a third party, Manufacturer will apply a reduction to the above-indicated amortization rates based on the percentage such machines and equipment are used for such third party client (taking into account the percentage of time used for such third party as compared to the use for Cambridge and the comparative volume of product manufactured for such third party). Re: United States v. Biovail Pharmaceutical, Inc.

Dear Mr. Hobart:

This letter sets forth the Agreement between the United States Attorney for the District of Massachusetts (“the U.S. Attorney”) and your client, Biovail Pharmaceuticals, Inc. (“BPI” or “Defendant”), in the above-captioned case. The Agreement is as follows:

1. Plea

On a date no earlier than July 31, 2008 and no later than September 15, 2008, Defendant agrees to waive indictment and plead guilty pursuant to Fed R. Crim. P. 11(c)(1)(C) and 11(c)(1)(A) to the seven count Information attached as Exhibit A. The Information charges that:

- (1) BPI violated 18 U.S.C. § 371 by conspiring with others to knowingly and willfully make payments to induce another party to recommend purchasing or ordering BPI’s drug Cardizem, L.A. in violation of 42 U.S.C. § 1320a-7b(b)(2)(B); and
- (2) BPI violated 42 U.S.C. § 1320a-7(b)(2)(B) by knowingly and willfully making payments to induce another party to recommend purchasing or ordering BPI’s drug Cardizem, L.A.

Defendant expressly and unequivocally admits that it in fact knowingly, intentionally and willfully committed the crimes charged in Counts One through Seven of the Information, and is in fact guilty of those offenses. BPI agrees to waive venue, any applicable statutes of limitations and any legal or procedural defects in the Information.

---

2. Penalties

With respect to its violation of 18 U.S.C. § 371 (Count One), BPI is subject to a maximum possible fine of \$500,000, twice the gross gain derived from the offense or twice the gross loss, whichever is greatest. *See* 18 U.S.C. §§ 3571(c) and (d). The loss from this offense is \$12,357,550, and thus the maximum possible fine on Count One is \$24,715,100.

With respect to its violations of 42 U.S.C. § 1320a-7b(b)(2) (Counts Two through Seven), for each separate count, BPI is subject to a maximum possible fine of \$500,000, twice the gross gain derived from the offense or twice the gross loss, whichever is greatest. *See* 18 U.S.C. §§ 3571(c) and (d). For each of these counts, twice the gross gain or gross loss is less than \$500,000, and thus the maximum possible fine on each of Counts Two through Seven is \$500,000.

BPI may also be sentenced to a term of probation of not less than one year and not more than five years. *See* 18 U.S.C. § 3561(c)(1). BPI shall also pay a mandatory special assessment of \$400 per count of the Information, a total of \$2,800.

3. Sentencing Guidelines

The parties agree to jointly take the following positions at sentencing under the United States Sentencing Guidelines:

- a. The parties agree that the United States Sentencing Guideline Manual in effect as of November 1, 2002 should be used in determining Defendant's sentence.
- b. The parties agree that there is no basis for a departure or deviation under the factors set forth in 18 U.S.C. § 3553(a) from the sentencing range established by the United States Sentencing Guidelines.
- c. The parties agree that the Counts involve substantively the same harm, and thus group under U.S.S.G. § 3D1.2.

The U.S. Attorney's agreement that the disposition set forth below is appropriate in this case is based, in part, on Defendant's acceptance of responsibility for the offenses of conviction in this case.

The U.S. Attorney specifically may, at his sole option, be released from his commitments under this Agreement, including, but not limited to, his agreement that paragraph 4 constitutes the appropriate disposition of this case, if at any time between his execution of this Agreement and sentencing, Defendant:

- (a) Fails to admit a complete factual basis for the plea;
- (b) Fails to truthfully admit its conduct in the offenses of conviction;
- (c) Falsely denies, or frivolously contests, relevant conduct for which Defendant is accountable under U.S.S.G. § 1B1.3;

- (d) Gives false or misleading testimony in any proceeding relating to the criminal conduct charged in this case and any relevant conduct for which Defendant is accountable under U.S.S.G. § 1B1.3;
- (e) Engages in acts which form a basis for finding that Defendant has obstructed or impeded the administration of justice under U.S.S.G. § 3C1.1;
- (f) Attempts to withdraw its plea.

Defendant expressly understands that it may not withdraw its plea of guilty, unless the Court rejects this Agreement under Fed. R. Crim. P. 11(c)(5).

4. Agreed Disposition

The U.S. Attorney and Defendant agree pursuant to Fed. R. Crim. P. 11(c)(1)(C) that the appropriate disposition of this case is as follows and that this fine is within the statutory maximums:

- a. A criminal fine in the amount of twenty two million two hundred forty three thousand five hundred ninety dollars (\$22,243,590), as follows:

Defendant shall pay this fine within five business days of the date of sentencing.

The parties agree that the basis for this fine is as follows:

- i. The parties agree that the base fine is \$12,357,550, which is the amount of payments to physicians and others paid by or on behalf of BPI through the PLACE program. *See* U.S.S.G. §§ 8C2.3, 8C2.4(b) and 2B4.1(c)(1)(A).
- ii. Pursuant to U.S.S.G. § 8C2.5, the culpability score is seven (7) as determined as follows:
  - (a) Base culpability score is five (5) pursuant to U.S.S.G. § 8C2.5(a);
  - (b) Add 3 points in that the unit of the organization within which the offense was committed had 200 or more employees, and an individual within the high level personnel of this unit participated in or condoned the offense;
  - (c) Deduct one (1) point pursuant to U.S.S.G. § 8C2.5(g)(3).
- iii. Pursuant to U.S.S.G. § 8C2.6, the appropriate multiplier range associated with a culpability score of seven (7) is 1.4 to 2.8.
- iv. Thus, the Guideline Fine Range is \$17,300,570 to \$34,601,140.
- v. The parties agree that (1) disgorgement pursuant to U.S.S.G. §8C2.9 is not necessary, (2) there is no basis for a downward departure or deviation

under the U.S.S.G.; (3) the proposed fines are within the statutory maximums pursuant to 18 U.S.C. §§ 3571(c) and (d) because the gross gain from Count One exceeded \$10,000,000; and (4) a fine within the guideline range will result in a reasonable sentence taking into consideration all of the factors set forth in 18 U.S.C. §§3553(a), 3572.

- b. Mandatory special assessments totaling \$2,800. Pursuant to 18 U.S.C. § 3013(a)(2)(B), to be imposed as \$400 per count.
- c. Restitution: Because 42 U.S.C. §1320a-7b(b)(2)(B) prohibits remuneration to induce the ordering or recommending, inter alia, of an item “for which payment may be made in whole or in part under a Federal health care program,” the victims of the crimes set forth in the Information attached as Exhibit A are the federal health insurance programs. Restitution to the federal health insurance programs will be addressed by a Civil Settlement Agreement to be entered into between Defendant and the United States on or before July 31, 2008. To satisfy its restitution obligations, Defendant agrees to pay or cause to be paid \$2,404,286, plus interest at the Medicare Trust Fund Rate from May 1, 2008 to the date of payment. Defendant acknowledges that any settlement and/or release of civil liability must be approved by the Civil Division of the United States Department of Justice and the Department of Health and Human Services, Office of Inspector General.

5. Payment of Mandatory Special Assessment

Defendant agrees to pay the mandatory special assessment to the Clerk of the Court on or before the date or sentencing.

6. No Further Prosecution of Defendant

Other than the charges set forth in the Information attached as Exhibit A, the Government agrees not to bring any additional federal criminal non-tax charges against Defendant with respect to the conduct covered by the Information. This agreement is expressly contingent upon:

- a. the guilty plea of Defendant to the information attached hereto as Exhibit A being accepted by the Court and not withdrawn or otherwise challenged; and
- b. Defendant’s performance of all of its obligations as set forth in this Agreement.

If Defendant’s guilty plea is not accepted by the Court or is withdrawn for any reason, or if Defendant should fail to perform any obligation under this Agreement, this declination of prosecution shall be null and void.

The United States expressly reserves the right to prosecute any individual, including but not limited to former officers, directors, employees and agents of Biovail Corporation and/or Biovail Pharmaceuticals, Inc. for the conduct set forth in the attached Information.

7. Waiver of Rights to Appeal and to Bring Collateral Challenge

Defendant is aware that it has the right to challenge its sentence and guilty plea on direct appeal. Defendant is also aware that it may, in some circumstances, be able to argue that its plea should be set aside, or its sentence set aside or reduced, in a collateral challenge such as pursuant to a motion under 28 U.S.C. § 2255.

In consideration of the concessions made by the U.S. Attorney in this Agreement, Defendant knowingly and voluntarily waives its right to appeal or collaterally challenge:

- (a) Defendant's guilty plea and any other aspect of Defendant's conviction, including, but not limited to, any rulings on pretrial suppression motions or any other pretrial dispositions of motions and issues; and
- (b) The imposition by the District Court of the sentence agreed to by the parties, as set out in paragraph 4 and, even if the Court rejects one or more positions advocated by the parties with regard to the application of the U.S. Sentencing Guidelines.

Defendant's waiver of rights to appeal and to bring collateral challenges shall not apply to appeals or challenges based on new legal principles in First Circuit or Supreme Court cases decided after the date of this Agreement which are held by the First Circuit or Supreme Court to have retroactive effect.

This Agreement does not affect the rights or obligations of the United States as set forth in 18 U.S.C. § 3742(b), and the U.S. Attorney therefore retains his appeal rights.

8. Cooperation

(a) Terms of Cooperation

Defendant shall cooperate completely and truthfully in any trial or other proceeding arising out of any federal investigation of its current and former officers, agents, employees or other persons or entities relating to the conduct set forth in the Information. Defendant shall make reasonable efforts to facilitate access to, and to encourage the cooperation of, its current and former officers, agents, and employees for interviews sought by law enforcement agents, upon request and reasonable notice. Defendant shall also take reasonable measures to encourage its current and former officers, agents, and employees to testify truthfully and completely before any grand jury, and at any trial or other hearing, at which they are requested to do so by any government entity.

In addition, Defendant shall furnish to law enforcement agents, upon request, all documents and records in its possession, custody or control relating to the conduct that is within the scope of any ongoing grand jury investigation, trial or other criminal proceeding in the District of Massachusetts, and that are not covered by the attorney-client privilege or work product doctrine.

Provided, however, notwithstanding any provision of this Agreement, that: (1) Defendant is not required to request of its current or former officers, agents, or employees that they forego seeking the advice of an attorney nor that they act contrary to that advice; (2) Defendant is not required to take any action against its officers, agents, or employees for following their attorney's advice; and (3) Defendant is not required to waive any privilege or claim of work product protection except to the extent set forth in the succeeding paragraph.

Defendant specifically agrees to continue to waive and/or waive any attorney-client privilege and/or work product protections regarding the legality of the PLACE program and/or the decision to enter into, implement and/or continue the PLACE program as to any such advice or communications,

Defendant acknowledges that it expressly and unequivocally admits that it knowingly, intentionally and willfully committed the crime charged in the Information and is in fact guilty of that offense. Defendant agrees that it will not make statements inconsistent with this explicit admission of guilt to the crimes charged in the Information,

9. Probation Department Not Bound By Agreement

The sentencing disposition agreed upon by the parties and their respective calculations under the Sentencing Guidelines are not binding upon the United States Probation Office.

10. Fed. R. Crim. P. 11(c)(1)(C) Agreement

Defendant's plea will be tendered pursuant to Fed. R. Crim. P. 11(c)(1)(C). Defendant cannot withdraw its plea of guilty unless the sentencing judge rejects this Agreement. If the sentencing judge rejects this Agreement, this Agreement shall be null and void at the option of either the United States or Defendant, with the exception of paragraphs 12-13, which shall remain in effect.

11. Civil and Administrative Liability

By entering into this Agreement, the United States does not compromise any civil or administrative liability, including but not limited to any False Claims Act or tax liability which BPI may have incurred or may incur as a result of its conduct and its plea of guilty to the attached Information.

12. Waiver of Defenses

If this Plea Agreement or Defendant's guilty plea is not accepted by the Court for any reason, or is later withdrawn or otherwise successfully challenged by Defendant for any reason, Defendant hereby waives, and agrees it will not interpose any defense to any charges brought against it which defenses Defendant might otherwise have under any statute of limitations, the Speedy Trial Act, or the United States Constitution with respect to preindictment delay, except that Defendant may raise any such defense that Defendant may have for conduct occurring before April 1, 2003, as further described in the parties tolling agreement attached hereto as Exhibit B.

13. Withdrawal of Plea By Defendant

Should Defendant move to withdraw its guilty plea at any time, this Agreement shall be null and void at the option of the U.S. Attorney, with the exception of this paragraph. In this event, Defendant understands and agrees that the Government may pursue any and all charges that might otherwise have been brought but for this Agreement, and Defendant hereby waives, and agrees that it will not interpose, any defense to any additional charges brought against it which might otherwise have under any statute of limitations, the Speedy Trial Act, or the United States Constitution with respect to pre-indictment delay, except any such defense that Defendant may already have for conduct occurring before April 1, 2003.

14. Breach of Agreement

If the U.S. Attorney determines that Defendant has failed to comply with any provision of this Agreement, or has committed any crime following its execution of this Agreement, the U.S. Attorney may, at his sole option, be released from his commitments under this Agreement in their entirety by notifying Defendant, through counsel or otherwise, in writing. The U.S. Attorney may also pursue all remedies available to him under the law, irrespective of whether he elects to be released from his commitments under this Agreement. Further, the U.S. Attorney may pursue any and all charges which have been, or are to be, dismissed pursuant to this Agreement. Defendant recognizes that no such breach by it of an obligation under this Agreement shall give rise to grounds for withdrawal of its guilty plea. Defendant understands that, should it breach any provision of this agreement, the U.S. Attorney will have the right to use against Defendant before any grand jury, at any trial or hearing, or for sentencing purposes, any statements which may be made by it, and any information, materials, documents or objects which may be provided by it to the government subsequent to this Agreement, without any limitation. In this regard, Defendant hereby waives any defense to any charges which it might otherwise have under any statute of limitations or the Speedy Trial Act.

15. Who Is Bound By Agreement

This Agreement is limited to the U.S. Attorney for the District of Massachusetts, and cannot and does not bind the Attorney General of the United States or any other federal, state or local prosecutive authorities.

16. Corporate Authorization

Defendant shall provide to the Government and the Court a copy of a resolution of the Board of Directors of Biovail Pharmaceuticals, Inc. affirming that the Board of Directors has authority to enter into the Plea Agreement and has (1) reviewed the Information in this case and the proposed Plea Agreement; (2) consulted with legal counsel in connection with the matter; (3) voted to enter into the proposed Plea Agreement; (4) voted to authorize Biovail Pharmaceuticals, Inc. to plead guilty to the charges specified in the Plea Agreement and (5) voted to authorize the corporate officer identified below to execute the Plea Agreement and all other documents necessary to carry out the provisions of the Plea Agreement. A copy of the resolution is attached as Exhibit C. Defendant agrees that either a duly authorized corporate officer or a duly authorized attorney for Biovail Pharmaceuticals, Inc., at the discretion of the Court, shall appear

on behalf of Biovail Pharmaceuticals, Inc. and enter the guilty plea and will also appear for the imposition of sentence.

17. Complete Agreement

This letter and the attachments thereto (Exhibit A - the Information, Exhibit B - the Tolling Agreement and Exhibit C - the Corporate Resolution) contains the complete agreement between the parties to this Agreement relating to the disposition of this criminal case. No promises, representations or agreements have been made other than those set forth in this letter. This Agreement supersedes prior understandings, if any, of the parties, whether written or oral, other than those set forth in the attachments hereto. This Agreement can be modified or supplemented only in a written memorandum signed by the parties or on the record in court.

If this letter accurately reflects the Agreement between the U.S. Attorney and Defendant, please have Defendant sign the Acknowledgment of Agreement below. Please also sign below as Witness. Return the original of this letter to Assistant U.S. Attorney Sara Bloom.

**INFORMATION**

THE UNITED STATES ATTORNEY CHARGES THAT:

**PRELIMINARY ALLEGATIONS**

At all times material hereto, unless otherwise alleged:

1. Defendant **BIOVAIL PHARMACEUTICAL, INC.** (“**BPI**”), a Delaware corporation, had corporate headquarters in Morrisville, North Carolina.
- The Drug Cardizem, L.A.**

2. In January 2001, **BPI** acquired the Cardizem line of drugs from another company for \$409.5 million dollars.

3. Cardizem is the brand name of a drug known as diltiazem, which is a heart medication used to control high blood pressure.

4. In or before 2003, the patent ran out on Cardizem, the then brand name version of diltiazem, and the drug faced generic competition.

5. In the late 2002 and early 2003, **BPI** was preparing to introduce the product Cardizem, L.A. (CLA) to the market. Cardizem, L.A. was **BPI’s** proprietary name for a new 24 hour time release, or long acting (L.A.), formulation of the brand name drug Cardizem.
-

6. **BPI** began selling Cardizem, L.A. on or about March 23, 2003. At that time, the generic version of Cardizem cost about one third less than the new drug, Cardizem, L.A.

**The PLACE Program**

7. As part of their promotion of Cardizem, L.A., beginning in March 2003, **BPI** implemented a program known as the PLACE (Proving Long Acting Through Experience) program.
8. The PLACE program paid physicians and other prescribers up to \$1,000 for enrolling between 11-15 patients in the program, causing patients to fill prescriptions for Cardizem, L.A. These included prescriptions that were paid for by Medicaid.
9. The first phase of the PLACE program required the prescribing medical professionals (e.g. physicians, nurse practitioners, physician's assistants) to enroll in the program by signing a business reply card by which they agreed to participate, and by completing a 2 page, 10 multiple choice questionnaire. This questionnaire was not expected to take, and did not usually take, the prescribing professional more than 10 minutes to complete.
10. Under this initial part of the program, the prescribing medical professionals were paid \$250 if they (a) signed the business reply card and thus agreed to participate in the program and write Cardizem, L.A. prescriptions for their patients, and (b) completed this brief questionnaire.
11. A payment of \$250 for 10 to 15 minutes of these medical professionals' time exceeded the reasonable fair market value of their time.
12. In addition, if the business reply card was signed and the questionnaire completed and returned, an office manager or assistant received \$50.00. In some cases, these assistants simply put the materials in an envelope. In other cases, the assistants did nothing at this stage.
13. The payments of \$50 to these office assistants exceeded the reasonable fair market value of the assistants' actual time spent.

14. The second phase of the PLACE program provided that if the medical prescriber returned the final questionnaire, they would be paid, in addition to the initial \$250 payment, as follows:
    - (1) an additional \$250 if they enrolled between 1 and 5 patients;
    - (2) an additional \$500 if they enrolled between 6 and 10 patients; and
    - (3) an additional \$750 if they enrolled between 11 and 15 patients.
  15. These payments of \$250-\$750 exceeded the reasonable fair market value of the medical prescribers' time necessary to enroll these patients and complete the final questionnaire.
  16. In addition, if the final questionnaire was returned, the office assistant also received an additional \$100.00. This payment also exceeded the fair market value of the office assistants' time necessary to complete the program.
  17. To enroll a patient, the physician or other medicine prescriber was required to write a 30 day prescription for the patient and the patient had to fill the prescription. **BPI** provided a coupon or voucher, however, so that first thirty days of the drug would be free.
  18. The physicians and other medicine prescribers were told that in order to receive the payment they also had to track the patients experience on Cardizem, L.A. for three regularly scheduled visits. These visits were nothing more than the routine visits and required no additional work for the prescriber.
  19. **BPI** did not design or implement the PLACE program in a way calculated to provide new or meaningful scientific data about whether Cardizem, L.A. worked better than other available drugs.
  20. **BPI** employees responsible for the PLACE program reported regularly on the number of prescriptions generated by the PLACE program and congratulated those involved for their success in using the PLACE program to generate prescriptions for Cardizem, L.A.
-

21. **BPI** paid and caused full payments to be made to medical prescribers and office assistants even if the information provided in the final study questionnaire was incomplete and/or not usable.
22. According to the final study report, nearly 64 percent of the final study questionnaires were not complete or contained inconsistent data.
23. The senior management of **BPI** and **BPI's** parent company communicated to the sales force that a successful launch of Cardizem, L.A. was critical to **BPI's** success and growth as a company, as well as to their own financial well-being. On February 28, 2003, a **BPI** parent company Vice President sent an email to the sales force with respect to the launch of Cardizem, L.A. that stated:
- We have to deliver growth to Wall Street and everyone knows exactly what is expected from us. If we ever don't deliver, my net worth will shrink dramatically. I will suffer tremendously if this were to happen . . . We have made a huge upfront commitment and now we expect you (the reps) to make a commitment in return.
24. **BPI** and its parent company management also congratulated the sales team on its success in using the PLACE program to drive prescriptions for Cardizem, L.A.
25. Thus, on or about April 11, 2003, the **BPI** Product Manager in charge of the PLACE program sent an email to all district sales managers that stated:
- Congratulations on doing an incredible job with the PLACE Program. The prescription generation has been phenomenal — Currently, we have 10,505RXs!!
26. Similarly, on June 23, 2003, this **BPI** Product Manager sent another email, including higher level sales and marketing managers, as follows:
- To date, a total of 89,092 Rxs have been recorded for Cardizem LA, as of June 6<sup>th</sup> 2003. Congratulations once again on all the success the PLACE Program is having in driving prescriptions and market share!!
27. In addition, on April 5, 2003, the CEO of **BPI's** parent company responded to a report of increasing Cardizem, L.A. prescriptions from the PLACE program with the following:

This is a GREAT start. Now, who would care to venture a guess (don't we call them forecasts?) on what conversion we can expect to paying customers. I would really like to know what you think. Thanks and nice work.

28. Likewise, on April 8, 2003, the CEO of **BPI's** parent company responded to reports of 8356 faxed in prescription forms with "I have to tell you, I have NEVER seen this type of response!! CONGRATS!!!"
29. In preparing to launch Cardizem, L.A., **BPI** also contracted with R-Corp. to acquire a additional contracted sales representatives to promote Cardizem, L.A. at the time of its launch. Under the agreement, R-Corp. sales representatives were hired to help **BPI** sales representatives promote Cardizem, L.A. at its launch.
30. Prior to the launch of Cardizem, L.A., R-Corp. representatives raised a concern about whether the PLACE program complied with all laws, and specifically the Anti-Kickback laws and indicated that R-Corp. was unwilling to proceed without assurances that the program complied with the Anti-Kickback Act.
31. On or about March 21, 2003, an attorney for R-Corp. spoke with counsel for **BPI's** parent company and informed the counsel for **BPI's** parent company about R-Corp.'s internal guidelines regarding the Anti-Kickback Act, These included the following:

The purpose of the study cannot be to induce physicians to prescribe the product...

The compensation cannot take into account the volume or value of any referrals or business generated between the parties . . .

The recruitment of investigators needs to be aimed at practitioners that are experts in the field or leading researchers.

Recruitment of investigators is not to be aimed at high prescribers... Participation in the research and any payments cannot be made contingent upon a practitioner prescribing a Reliant product.

#### **The Medicaid Program**

32. Title XIX of the Social Security Act, 42 U.S.C. §§ 1396 *et seq.*, established a program to enable the states to furnish medical assistance to certain categories of persons whose

income and resources were insufficient to meet the costs of necessary medical services. Commonly called Medicaid, the program was administered by the states, but was funded jointly by the federal and state governments.

33. To participate in the Medicaid program, a state was required to develop a plan that was approved by the Secretary of Health and Human Services as meeting federal requirements. The state paid qualified providers for furnishing necessary services covered by the state plan to individuals who were eligible for medical assistance. The federal government contributed a portion of the costs that each participating state incurred in purchasing items and services from qualified providers on behalf of eligible persons. The state bore the remainder of the costs. At all times relevant hereto, Massachusetts was among the states that had Medicaid programs receiving federal funding.
34. Medicaid programs, including that in Massachusetts, were “federal health care programs” within the meaning of 18 U.S.C. § 24, in that they were public plans affecting commerce under which medical benefits, items and services were provided to individuals under the plans.
35. The federal government contributed to the costs of prescription drugs for persons who were Medicaid beneficiaries, including but not limited to persons receiving prescriptions for blood pressure treatment, such as Cardizem, L.A.
36. As discussed in this Information, prescribers D, E, G, R, S and W were each medical providers in Massachusetts who provided care and treatment for Medicaid-eligible patients for high blood pressure. Each of these prescribers prescribed Cardizem, L.A. for one or more patients who were Medicaid program beneficiaries in 2003. At all times relevant to this Information, the Medicaid program in Massachusetts reimbursed the Cardizem, L.A. prescriptions for the physicians’ Medicaid eligible patients.
37. At all times relevant to this Information, federal law provided that it was illegal to knowingly and willfully offer or pay any remuneration (including any kickback, bribe or rebate) directly or indirectly, overtly or covertly, in cash or in kind to any person to

*induce* such person to *order*, or arrange for or *recommend purchasing*, any item for which payment may be made in whole or in part under a Federal health care program.

38. **BPI** employees knew that Cardizem, L.A. prescriptions, including those induced through the PLACE program, would include prescriptions for Medicaid patients.
39. In 2003, Medicaid paid in excess of \$3 million in reimbursement for prescriptions for Cardizem, L.A. nationwide.

**COUNT ONE  
(CONSPIRACY -18 U.S.C. § 371)**

**The Conspiracy**

40. The allegations set forth in Paragraphs 1- 39 are herein realleged and incorporated by reference.
41. Commencing on or before August 2002, and continuing thereafter until in or about at least December 2003, the exact dates being unknown to the Grand Jury, in the District of Massachusetts and elsewhere, defendants

**BIOVAIL PHARMACEUTICALS INC.,**

and others known and unknown to the Grand Jury, did knowingly and willfully combine, conspire, and agree to commit an offense against the United States, to wit, 42 U.S.C. § 1320a-7b(b)(2)(A), by knowingly and willfully offering and paying remuneration, directly and indirectly, overtly and covertly, in cash and in kind, to physicians to induce them to prescribe Cardizem, L.A. for individuals, including Medicaid patients, for which payments were made in whole and in part under Medicaid and other Federal health care insurance programs.

**Purpose of the Conspiracy**

42. The purpose of the conspiracy was to target medical prescribers who were potential high prescribers of Cardizem, L.A. and to offer them payments and to pay them to induce them to prescribe Cardizem, L.A. for their patients, including their Medicaid patients.

**Manner and Means of the Conspiracy**

It was part of the conspiracy that :

43. From March 2003 through at least December 2003, **BPI** implemented the PLACE program to induce medical prescribers to prescribe Cardizem, L.A. for their patients.

44. From March 2003 through at least December 2003, **BPI** presented the PLACE program to medical prescribers and others as a scientific study of the performance of Cardizem, L.A., when the program was actually designed to induce prescribers to prescribe the product for their patients by paying prescribers up to \$ 1,000.
45. From November 2002 through at least on or about March 2003, **BPI** confirmed their objectives for the Cardizem, L.A. program to include the following:
- (1) Accelerate uptake among high prescribing PCPs;
  - (2) Engage physicians in evaluation of Cardizem [L.A.]; and
  - (3) Provide sales reps with an opportunity to reinforce/build relationships with key prescribers.
46. From March 2003 through at least December 2003, **BPI** paid the participants in the PLACE program more than the fair market value of their time in order to induce them to try Cardizem, L.A. on their patients.
47. From in or about October 2002 through on or about February 2003, **BPI** increased the payments to the physicians from the originally proposed honorarium of \$100 (or a medically relevant item) to \$300, then \$500 and then \$1,000 per prescriber.
48. In furtherance of the conspiracy, **BPI** paid the physicians up to \$1,000 for their *participation, without seeking attorney advice regarding the legality of the payments*, even though **BPI** was advised by Q-Corp., the company helping **BPI** to help design and implement the PLACE program, that **BPI** would have to consult its own attorneys as to the appropriateness and permissibility of increasing the payment to such a high honorarium.
49. From in or about March 2003 through at least July 2003, **BPI** created 25,000 PLACE kits and targeted approximately 17,000 prescribers for participation in the program and provided these target lists to their sales representatives.
50. From in or about March 2003 through at least July 2003, **BPI** targeted prescribers based upon their projected potential and likelihood of prescribing Cardizem, L.A.

51. From in or about March 2003 through at least May 2003, **BPI** falsely assured other participants, and specifically representatives of R-Corp., that the PLACE program had been reviewed by attorneys for compliance with the Anti-Kickback statutes as well as other laws, when in fact no such review had been done.
52. In or about March 2003, a Vice President of **BPI's** parent company dismissed R-Corp's concern about compliance with the Anti-Kickback Act as whining, indicated he did not really care what R-Corp had to say about it, and insisted that the program had to proceed to meet **BPI's** objectives.
53. In or about March 2003, this Vice President, when questioned further about how to deal with the objections concerning the program's potential lack of compliance with the Anti-Kickback Act, caused the program to go forward, concluding: "This is a formality anyway. The program has to proceed."
54. On or about April 10, 2003, **BPI** and a Vice President of its parent corporation signed a letter to R-Corp. in which **BPI** confirmed to R-Corp. the following:
- You have indicated, and assured us, that Biovail and [Q-Corp.] have carefully *reviewed the program from an anti-kickback perspective . . . and firmly believe* that the program does not present an unreasonable risk of enforcement action. Further, you have indicated that the program has been reviewed by expert counsel well versed in these regulatory and enforcement matters and that counsel has confirmed your position. It is on the basis of your assurances, therefore, that we have agreed to enter an agreement directly with [Q-Corp]. to implement the Project.
- You have agreed to indemnify and hold R-Corp. . . harmless from any losses . . . arising from or relating to the Project including any losses relating to any governmental or enforcement actions relating to the same.
55. On or about April 10, 2003, **BPI** executed this letter to persuade R-Corp. to go forward with the PLACE program, even though **BPI** had not obtained any review of the PLACE program's compliance with the Anti-Kickback Act, much less an expert counsel review of the PLACE program from an anti-kickback perspective.
56. From in or about March 2003 through in or about July 2003, **BPI** made the false representation that they had a legal advice as to the lawfulness of the PLACE program

from an anti-kickback perspective in order to persuade R-Corp. to proceed with the program.

57. From in or about April 2003 through at least December 2003, **BPI** caused health insurers, including federal health care programs such as Medicaid, to pay for Cardizem, L.A. prescriptions generated by the PLACE program.

**Overt Acts**

58. In furtherance of the conspiracy, and to effect its objects, **BPI** and other co-conspirators known and unknown to the Grand Jury, committed numerous overt acts, including, but not omitted to, the following:

59. On various dates between March 2003 and in or about July 2003, **BPI** enrolled and caused to be enrolled approximately 15,000 prescribers in the PLACE program, including the six prescribers identified in the chart below.

60. On various dates between March 2003 and in or about September 2003, **BPI** caused approximately 5,000 prescribers, including the prescribers identified in the chart below, to be paid \$250 for filling out the initial questionnaire.

61. On or about the dates set forth below and thereafter, **BPI** caused approximately 10,000 prescribers, including the prescribers identified in the chart below, to be paid and additional \$750 for enrolling 11-15 patients.

62. In 2003, each of the prescribers identified in the chart below prescribed Cardizem, L.A. for patients for whom the prescriptions were reimbursed by Medicaid:

Re: Biovail: Tolling Agreement on Statute of Limitations

Dear Mr. Hobart:

This letter confirms and sets forth an agreement between the Office of the United States Attorney for the District of Massachusetts and your clients, Biovail Corporation, Biovail Pharmaceuticals, Inc. and ail parents, subsidiaries, successors and assigns (hereinafter "Biovail"). The terms of the agreement arc as follows:

1. As you are aware, this Office is presently conducting a joint criminal and civil investigation of your client, Biovail, and its officers, employees and agents. That conduct includes, without limitation, allegations that Biovail and certain of its officers, employees and agents, may have violated various federal criminal statutes, including but not limited to 18 U.S.C. §371 (conspiracy to defraud the United States), 18 U.S.C. § 1341 and 1343 (mail and wire fraud), 342 U.S.C. § 1320(a)-7(b) (criminal penalties for acts involving the Medicare and State health care programs), certain civil statutes including but not limited to 31 U.S.C. § 3729 (civil False Claims Act); and certain administrative statutes such as 42 U.S.C. § 1320a-7 (exclusion) and 42 U.S.C. § 1320a-7a (civil monetary penalties), in connection with Biovail's activities in connection with the distribution, sale, marketing, approval, and promotion of the drug Cardizem, L.A.

2. In the course of our discussions, this Office has expressed its intention to afford you and your client the further opportunity to provide information to this Office which you deem relevant to matters relating to that investigation. In response, you have advised us that you intend to provide certain information to this Office, and that you wish such information be considered prior to a prosecution decision concerning potential criminal charges resulting from that investigation. You have requested further time to prepare any materials and gather information for presentation to this Office, and to consider and evaluate further information as may be provided by this Office. As a result, this Office and your client have agreed, as more fully set

---

forth below, to toll the applicable statutes of limitations for the offenses described in paragraph one for the time period April 2, 2008 through October 30, 2008 for that conduct described in paragraph one.

3. This Office and your client Biovail, hereby agree that your client will not at any time interpose a statute of limitations defense or any constitutional claim based upon pre-indictment delay to any indictment or count thereof, or to any civil complaint or count thereof, or to any administrative action, which charges or alleges that your client committed any federal offense or violation related to the conduct described in paragraph one, that includes the time period April 2, 2008 to October 30, 2008 in the calculation of the limitations period. Nothing herein shall affect, or be construed as any waiver of, any applicable statute of limitations defenses that Biovail may have with respect to the time period prior to and including April 1, 2008, and your client expressly reserves its right to raise any such defense, any provisions of this agreement notwithstanding, except to the extent that your client has waived certain statute of limitation defenses in any waiver agreement(s) with other United States Attorney’s Offices or the Department of Justice, which agreement(s) remain in effect.

4. Your client, Biovail, enters into this agreement knowingly and voluntarily. Biovail acknowledges that the statute of limitations and United States Constitution regarding prejudicial pre-indictment delay confers benefits on it, and it is not required to waive those benefits, and that Biovail is doing so after consulting with you because Biovail believes it is in its best interest to do so. Biovail also acknowledges its understanding that it may be charged with the foregoing criminal offenses and civil and administrative violations and/or any other offenses or violations at any time prior to and including October 30, 2008. Biovail further acknowledges its understanding that it may be charged with any offenses or violations not specifically described above, at any time during the relevant statute of limitations period.

5. This agreement relates only to the allegations described in paragraph one above and any charges or claims based on those allegations. This writing contains the entire agreement between this Office and your client concerning the statute of limitations with respect to these matters and can be modified or supplemented only by means of a writing signed by this Office and your client.

If your client is willing to enter into this agreement on the terms set forth above, Biovail should indicate the same by signing on the spaces provided below.

**Re:     Side Letter Agreement with Biovail Corporation**

Dear Mr. Hobart:

This letter ("Side Letter Agreement") will confirm that, in exchange for full performance of the Plea Agreement entered into by and among the United States Attorney for the District of Massachusetts ("U.S. Attorney") and your client, Biovail Pharmaceuticals Inc. ("BPI"), a copy of which Plea Agreement is attached hereto as Exhibit One, and in exchange for certain other promises made herein between and among the U.S. Attorney and your client, Biovail Corporation (collectively, Biovail Corporation and BPI as "Biovail"), the U.S. Attorney and Biovail Corporation hereby agree as follows:

a.       No Criminal Prosecution of Biovail Corporation

The U.S. Attorney hereby declines prosecution of Biovail Corporation for conduct by or attributable to Biovail Corporation that:

- (1)       falls within the scope of the Information to which BPI is pleading guilty;
- (2)       was a subject of the grand jury investigation by the U.S. Attorney in Massachusetts including allegations that Biovail directly or indirectly offered or paid remuneration, in the form of payments through a program known as the PLACE program, to customers including but not limited to physicians to induce these individuals to recommend, prescribe and/or purchase Biovail's drug Cardizem, L.A.;

The U.S. Attorney does not decline criminal prosecution of Biovail Corporation or any of Biovail's related entities for any other conduct beyond that set forth above.

---

This Side Letter Agreement is not intended to and does not affect the criminal liability of any individual.

It is understood among the parties to this Side Letter Agreement that the U.S. Attorney's promise not to prosecute Biovail Corporation is dependent upon and subject to (a) BPI's Fulfilling its material obligations in the Plea Agreement, (b) BPI and Biovail Corporation entering into a Civil Settlement Agreement acceptable to the Department of Justice prior to July 31, 2008, and (e) Biovail Corporation entering into a Corporate Integrity Agreement acceptable to the Office of Inspector General of the United States Department of Health and Human Services by no later than September 30, 2008. If any of these conditions are not met, Biovail Corporation agrees to waive any defenses regarding pre-indictment delay, statute of limitations, or Speedy Trial Act with respect to any and all criminal charges that could have been timely brought or pursued as of April 1, 2008.

b. Cooperation of Biovail Corporation

Biovail shall cooperate completely and truthfully in any trial or other proceeding arising out of any ongoing federal grand jury investigation of its current and former officers, agents, and employees. Biovail shall make reasonable efforts to facilitate access to, and to encourage the cooperation of, its current and former officers, agents, and employees for interviews sought by law enforcement agents, upon request and reasonable notice. Biovail shall also take reasonable measures to encourage its current and former officers, agents, and employees to testify truthfully and completely before any grand jury, and at any trial or other hearing, at which they are requested to do so by any government entity.

In addition, Biovail shall furnish to law enforcement agents, upon request, all documents and records in its possession, custody or control relating to the conduct that is within the scope of any ongoing grand jury investigation, trial or other criminal proceeding in the District of Massachusetts, and that are not covered by the attorney-client privilege or work product doctrine.

Provided, however, notwithstanding any provision of this Agreement, that: (1) Biovail is not required to request of its current or former officers, agents, or employees that they forego seeking the advice of an attorney nor that they act contrary to that advice; (2) Biovail is not required to take any action against its officers, agents, or employees for following their attorney's advice; and (3) Biovail is not required to waive any privilege or claim of work product protection except to the extent set forth in the succeeding paragraph.

Biovail specifically agrees to continue to waive and/or waive any attorney-client privilege and/or work product protections regarding the legality of the PLACE program and/or the decision to enter into, implement and/or continue the PLACE program as to any such advice or communications.

Biovail Corporation acknowledges that BPI expressly and unequivocally admits that it knowingly, intentionally and willfully committed the crime charged in the Information and is in fact guilty of that offense. Biovail Corporation agrees that it will not make statements inconsistent with this explicit admission of guilt by BPI to the crime charged in the Information.

c.        Who Is Bound By Agreement

This Agreement is limited to the U.S. Attorney for the District of Massachusetts, and cannot and does not bind the Attorney General of the United States or any other federal, state or local prosecutive authorities.

d.        Complete Agreement

This Side Letter Agreement and the Plea Agreement with BPI and its attachments are the complete and only agreements between the parties. No promises, agreements or conditions have been entered into other than those set forth or referred to in the above-identified documents. This agreement supersedes prior understandings, if any, of the parties, whether written or oral. This agreement cannot be modified other than in a written memorandum signed by the parties or on the record in court.

If this letter accurately reflects the agreement entered into between the U.S. Attorney and Biovail Corporation and its Board of Directors has authorized you to enter into this agreement, please sign below and return the original of this letter to Assistant U.S. Attorney Sara Miron Bloom.

Notwithstanding the above, the term “Covered Persons” does not include: (1) part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours per year, except that any such individuals shall become “Covered Persons” at the point when they work more than 160 hours during the calendar year; or (2) employees of Biovail who perform only manufacturing functions.

This definition includes, but is not limited to, the calculation and reporting of Average Sales Price (ASP), Average Manufacturer Price (AMP), Best Price (BP), and all pricing and other information reported and used in connection with reimbursement under the Federal health care programs described in this paragraph.

Any U.S. Compliance Officer shall not be or be subordinate to the General Counsel or Chief Financial Officer of Biovail.

Biovail shall report to OIG, in writing, any changes in the identity or position description of the Chief Compliance Officer or the U.S. Compliance Officer, or any actions or changes that would affect the Chief Compliance Officer’s or the U.S. Compliance Officer’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

2. *Compliance Committee.* Prior to the Effective Date, Biovail established a U.S. Healthcare Compliance Policy Committee with responsibilities relating to U.S. healthcare compliance. Each individual member of the Risk Committee shall sign a statement indicating that he or she agrees with the resolution.

At minimum, the resolution shall include the following language:

"The Risk and Compliance Committee of Biovail's Board of Directors (Risk Committee) has made a reasonable inquiry into the operations of Biovail's Compliance Program, including the performance of the Chief Compliance Officer and the compliance department. Based on its inquiry, the Risk Committee has concluded that, to the best of its knowledge, Biovail has implemented an effective Compliance Program to meet the Federal health care program requirements, FDA requirements, and the obligations of the CIA."

If the Risk Committee is unable to provide such a conclusion in the resolution, the Risk Committee shall include in the resolution a written explanation of the reasons why it is unable to provide the conclusion and the steps it is taking to implement an effective Compliance Program at Biovail.

Biovail shall report to OIG, in writing, any changes in the composition of the Risk Committee, or any actions or changes that would affect the Risk Committee's ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

B. Written Standards.

1. *Code of Conduct.* Prior to the Effective Date, Biovail developed and implemented a program to distribute a code of conduct (known as its "Standards of Business Conduct") to its employees, officers, and directors. Within 120 days after the Effective Date, Biovail shall either amend its Standards of Business Conduct to meet the requirements set forth below, or Biovail shall develop, implement, and distribute to all Covered Persons a written U.S. Healthcare Code of Conduct which meets the requirements set forth below. (For purposes of this CIA, the revised Standards of Business Conduct or the U.S. Healthcare Code, as applicable, shall be referred to as the "Code of Conduct".) - e. the right of all individuals to use the Disclosure Program described in Section III.E, and Biovail's commitment to nonretaliation and to maintain, as appropriate, confidentiality and anonymity with respect to such disclosures.

Within 150 days after the Effective Date, each Covered Person shall certify, in writing, that he or she has received, read, understood, and shall abide by Biovail's Code of Conduct. New Covered Persons shall receive the Code of Conduct and shall complete the required certification within 30 days after becoming a Covered Person or within 150 days after the Effective Date, whichever is later.

Biovail shall periodically review the Code of Conduct to determine if revisions are appropriate and shall make any necessary revisions based on such review. Any revised Code of Conduct shall be distributed within 30 days after any revisions are finalized and approved by Biovail's Board or Directors or a committee thereof. Each Covered Person shall certify, in writing, that he or she has received, read, understood, and shall abide by the revised Code of Conduct within 30 days after the distribution of the revised Code of Conduct.

2. *Policies and Procedures.* Within 120 days after the Effective Date, Biovail shall implement written Policies and Procedures regarding the operation of Biovail's compliance program and its compliance with Federal health care program and FDA requirements for activities occurring in or related to the United States market. - d. disciplinary policies and procedures for violations of Biovail's Policies and Procedures, including policies relating to Federal health care program and FDA requirements;
- e. appropriate ways to conduct Promotional and Product Services Related Functions in compliance with all applicable Federal healthcare program requirements, including, but not limited to the Federal anti-kickback statute (codified at 42 U.S.C. § 1320a-7b), and the False Claims Act (codified at 31 U.S.C. 3729-3733);

i. systems, processes, policies, and procedures relating to the development of call plans for field sales representatives (including contract sales agents) who promote, market, or sell Government Reimbursed Products in the United States. The Policies and Procedures shall require that Biovail review the call plans for its Government Reimbursed Products and the bases upon and circumstances under which HCPs and HCIs belonging to specified medical specialties or types of clinical practices are included in, or excluded from, the call plans. The Policies and Procedures shall also require that Biovail modify the call plans as necessary to ensure that Biovail is promoting its products in a manner that complies with all applicable Federal health care program and FDA requirements. Biovail’s call plan review shall occur at least annually and shall also occur each time the FDA approves a new or additional indication for a Government Reimbursed Product;

In addition, such Policies and Procedures shall ensure that sales and marketing activities are separate from research activities (e.g., clinical trial enrollment).

Within 120 days after the Effective Date, the relevant portions of the Policies and Procedures shall be distributed to all Covered Persons whose job functions relate to those Policies and Procedures. Appropriate and knowledgeable staff shall be available to explain the Policies and Procedures.

At least annually (and more frequently, if appropriate), Biovail shall assess and update, as necessary, the Policies and Procedures. If Biovail chooses to provide computer-based training, it shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

D. Review Procedures.

1. *General Description.*

- a. *Engagement of Independent Review Organization.* Within 120 days after the Effective Date, Biovail shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform reviews to assist Biovail in assessing and evaluating its Government Pricing and Contracting Functions and its Promotional and Product Services Related Functions. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

Each IRO engaged by Biovail shall have expertise in applicable Federal health care program and FDA requirements as may be appropriate to the Review for which the IRO is retained. Each IRO shall assess, along with Biovail, whether it can perform the engagement in a professionally independent and objective fashion, as appropriate to the nature of the review, taking into account any other business relationships or other engagements that may exist.

The IRO(s) shall conduct reviews that assess Biovail’s systems, processes, policies, procedures, and practices relating to Government Pricing and Contracting Functions and Promotional and Product Services Related Functions (IRO Reviews).

- b. *Frequency and Brief Description of Reviews.* As set forth more fully in Appendix B, the IRO Reviews shall consist of two components - a Systems Review and a Transactions Review. The Systems Review shall assess Biovail's systems, processes, policies, and procedures relating to the Medicaid Drug Rebate Program and the reporting of ASP for purposes of the Medicare Program and certain elements of Biovail's Promotional and Product Services Related Functions (Systems Review). As set forth in Appendix B, if there are no material changes in Biovail's relevant systems, processes, policies, and procedures, the Systems Review shall be performed for the periods covering the first and fourth Reporting Periods. If Biovail materially changes its relevant systems, processes, policies, and procedures, the IRO shall perform a Systems Review for the Reporting Period in which such changes were made in addition to conducting the Systems Review for the first and fourth Reporting Periods. The Transactions Review shall be performed annually and shall cover each of the five Reporting Periods.
- c. *Retention of Records.* The IRO and Biovail shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and Biovail) related to the reviews.

2. *IRO Review Reports.* The IRO(s) shall prepare a report (or reports) based upon each Review performed. The information and content to be included in each report is described in Appendix B, which is incorporated by reference.

3. *Validation Review.* In the event OIG has reason to believe that: (a) any IRO Review fails to conform to the requirements of this CIA; or (b) the IRO's findings or Review results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the applicable IRO Review complied with the requirements of the CIA and/or the findings or Review results are inaccurate (Validation Review). Biovail shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of Reports submitted as part of Biovail's final Annual Report shall be initiated no later than one year after Biovail's final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify Biovail of its intent to do so and provide a written explanation of why OIG believes such a review is necessary. To resolve any concerns raised by OIG, Biovail may request a meeting with OIG to: (a) discuss the results of any Review submissions or findings; (b) present any additional information to clarify the results of the applicable Review or to correct the inaccuracy of the Review; and/or (c) propose alternatives to the proposed Validation Review. Biovail agrees to provide any additional information as may be requested by OIG under this Section III.E.3 in an expedited manner. OIG will attempt in good faith to resolve any Review issues with Biovail prior to conducting a Validation Review.

However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

4. *Independence and Objectivity Certification.* The IRO shall include in its report(s) to Biovail a certification or sworn affidavit that it has evaluated its professional independence and objectivity, as appropriate to the nature of the engagement, with regard to the IRO Review and that it has concluded that it is, in fact, independent and objective.

E. Disclosure Program.

To the extent not already accomplished, within 90 days after the Effective Date, Biovail shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Chief Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with Biovail’s policies, conduct, practices, or procedures with respect to a Federal health care program or FDA requirement believed by the individual to be a potential violation of criminal, civil, or administrative law. Biovail shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. Upon receipt of a disclosure, the Chief Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Chief Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, Biovail shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Chief Compliance Officer (or designee) shall maintain a disclosure log, which shall include a record and summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews. The disclosure log shall be made available to OIG upon request.

F. Ineligible Persons.

1. *Definitions.* For purposes of this CIA:

- a. an “Ineligible Person” shall include an individual or entity who:
  - i. is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or

- ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

b. “Exclusion Lists” include:

- i. the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://www.oig.hhs.gov>); and
- ii. the General Services Administration’s List of Parties Excluded from Federal Programs (available through the Internet at <http://www.epls.gov>).

2. *Screening Requirements.* Biovail shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

- a. Biovail shall screen all prospective and current Covered Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.
- b. Biovail shall screen all Covered Persons against the Exclusion Lists within 90 days after the Effective Date and on an annual basis thereafter.
- c. Biovail shall implement a policy requiring all Covered Persons to disclose immediately any debarment, exclusion, suspension, or other event that makes that person an Ineligible Person.

Nothing in this Section affects the responsibility of (or liability for) Biovail to refrain from billing Federal health care programs for items or services furnished, ordered, or prescribed by an Ineligible Person. Biovail understands that items or services furnished by excluded persons are not payable by Federal health care programs and that Biovail may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Biovail meets the requirements of Section III.F.

3. *Removal Requirement.* If Biovail has actual notice that a Covered Person has become an Ineligible Person, Biovail shall remove such Covered Person from responsibility for, or involvement with, Biovail’s business operations related to the Federal health care programs and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the Covered Person is reinstated into participation in the Federal health care programs.

4. *Pending Charges and Proposed Exclusions.* If Biovail has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person's employment or contract term or during the term of a physician's or other practitioner's medical staff privileges, Biovail shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or any claims submitted to any Federal health care program.

G. Notification of Government Investigation or Legal Proceedings.

Within 30 days after discovery, Biovail shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Biovail conducted or brought by any U.S. based governmental entity or its agents involving an allegation that Biovail has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Biovail shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceedings, if any.

H. Reporting.

1. *Reportable Events.*

- a. *Definition of Reportable Event.* For purposes of this CIA, a "Reportable Event" means anything that involves:

  - ii. the filing of a bankruptcy petition by Biovail.

A Reportable Event may be the result of an isolated event or a series of occurrences.

b. *Reporting of Reportable Events.* If Biovail determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Biovail shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists. The report to OIG shall include the following information:

- i. a complete description of the Reportable Event, including the relevant facts, persons involved, and legal and Federal health care program authorities and/or FDA authorities implicated;

- ii. a description of Biovail's actions taken to correct the Reportable Event; and

- iv. If the Reportable Event involves the filing of a bankruptcy petition, the report to the OIG shall include documentation of the filing and a description of any Federal health care program and/or FDA authorities implicated.

2. Biovail shall not be required to report as a Reportable Event any matter previously disclosed under Section III.G above.

I. Notification of Communications with FDA.

Within 30 days after the date of any written report, correspondence, or communication between Biovail and the FDA that materially discusses Biovail's or a Covered Person's actual or potential unlawful or improper promotion of any products (including any improper dissemination of information about off-label indications), Biovail shall provide a copy of the report, correspondence, or communication to the OIG. Biovail shall also provide written notice to the OIG within 30 days after the resolution of any such disclosed off-label matter, and shall provide the OIG with a description of the findings and/or results of the matter, if any.

J. Reporting of Physician Payment

1. Posting of Payment Information

By April 30, 2010, Biovail shall post in a prominent position on its website an easily accessible and readily searchable listing of all U.S.-based physicians, U.S.-based Physician Related Entities (as defined below in Section III.J.2), or U.S.-based Product Decision-Makers (as defined below in Section III.J.2) who or which received any Payments (as defined below in Section III.J.2.) directly or indirectly from Biovail during the first three months of 2010.

After the initial posting, 30 days after the end of each subsequent calendar quarter, Biovail shall also post on its website a listing of updated information about all Payments provided during the applicable calendar year during the preceding quarter(s). No later than January 31, 2011, and each calendar year thereafter during the term of the CIA, Biovail shall also post on its website a report of the cumulative value of Payments provided to each U.S.-based physician, U.S.-based Related Entity, and/or U.S.-based Product Decision Makers during the preceding calendar year. The quarterly and annual reports shall be easily accessible and readily searchable.

Each listing shall include a complete list of all individual U.S.-based physicians, U.S.-based Related Entities and/or U.S.-based Product Decision-Makers to whom or to which

Biovail directly or indirectly made Payments in the preceding calendar quarter or year (as applicable). Each listing shall be arranged alphabetically according to the physicians’ last name, the name of the Related Entity, or the name of the Product Decision-Maker. The Payment amounts in the lists shall be reported in \$5,000 increments (e.g., \$0 - \$5,000; \$5,001- \$10,000; etc.) For each entry, the listing shall include the following information: i) physician’s or Product Decision-Maker’s full name; ii) name of Related Entity (if applicable); iii) city and state of the physician’s practice, the Related Entity, or the Product Decision-Maker (as applicable); iii) the purpose of the Payment; and iii) the aggregate value of the Payment(s) in the preceding quarter(s) or year (as applicable).

2. Definitions and Miscellaneous Provisions

Biovail shall continue to make each annual listing and the most recent quarterly listing of Payment information available on its website at least throughout the term of this CIA. Biovail shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and records related to all applicable Payments and to the annual and quarterly listings of Payments. Nothing in this Section III.J affects the responsibility of Biovail to comply with (or liability for noncompliance with) all applicable Federal health care program requirements and state laws as they relate to all applicable Payments made to U.S.-based physicians, U.S.-based Related Entities, or U.S.-based Product Decision-Makers.

If the proposed Physician Payments Sunshine Act of 2009 or similar legislation is enacted, the OIG shall determine whether the purposes of this Section III.J are reasonably satisfied by Biovail’s compliance with such legislation. In such case, and in its sole discretion, the OIG may agree to modify or terminate provisions of Section III.J as appropriate.

For purposes of this Section III.J, the term “Payments” is defined to include all payments or transfers of value (whether in cash or in kind) made to U.S.-based physicians, U.S.-based Related Entities, and/or U.S.-based Product Decision-Makers. The term Payments includes, for example, payments or compensation for services rendered, grants, fees (including data service fees, and formulary placement fees), honoraria, and payments relating to research or education. The term Payments also includes food, entertainment, gifts, trips or travel, product(s)/item(s) provided for less than fair market value; or other economic benefit. The term Payments does not include: i) samples of drug products that meet the definition set forth in 21 C.F.R. § 203.3(i), or ii) discounts, rebates, or other pricing terms.

For purposes of this Section III.J, the term “U.S.-based Related Entity” is defined to be any entity by or in which any U.S.-based physician receiving Payments is employed, has tenure, or has an ownership interest.

For purposes of this Section III.J, the term “U.S.-based Product Decision-Maker” is defined to be any individual or entity in a position to arrange for or recommend the purchasing, prescribing, ordering, or furnishing of any Government Reimbursed Product in the U.S. market, including with regard to the placement of any Government Reimbursed Product on a formulary or other preferred drug list.

3. If Biovail does not make any Payments to U.S.-based physicians, U.S.-based Related Entities, or U.S.-based Product Decision-Makers during a Reporting Period, Biovail shall not be required to post Payment information as set forth in Section III.J.1 for that Reporting Period. Instead, the Chief Compliance Officer shall certify that Biovail made no such Payments during the applicable Reporting Period. Biovail shall include such certification(s) in the applicable Annual Report(s).

K. Review of Records Reflecting the Content of Detailing Sessions.

For each Reporting Period, Biovail shall obtain non-Biovail records (e.g., Verbatims or similar records) generated by an independent entity (Survey Entity) reflecting the purported content and subject matter of detailing interactions between sales representatives and U.S.-based HCPs for up to three Covered Products (as defined below in this Section III.K.) For each Covered Product, Biovail shall contract with a Survey Entity to conduct inquiries into the content and subject matter of the detailing interactions in the United States. The OIG shall select and notify the Survey Entity of a one week period within every other quarter in the Reporting Period for which the surveys shall be conducted, beginning in the second full quarter after the Effective Date. For each Covered Product, Biovail shall obtain records reflecting the purported content and subject matter of detailing sessions during the identified week in all regions across the United States.

Prior to start of the second Reporting Period and every Reporting Period thereafter, based on information provided by Biovail and other information known to it, and after consultation with Biovail, the OIG shall select up to three Government Reimbursed Products to be the basis for the review outlined in this Section III.K and shall notify Biovail of its selection. The identified products shall be known as the “Covered Products.” The parties have already identified the Covered Products for the first Reporting Period.

Biovail shall review the records obtained from the Survey Entity and shall identify any instances in which the records appear to indicate that Covered Persons may have discussed and/or disseminated information about off-label uses of the Covered Products. Biovail shall make findings based on its review (Off-Label Findings) and shall take any responsive action it deems necessary. If necessary for purposes of its review, Biovail shall endeavor to gather additional factual information about the circumstances relating to any Off-Label Findings. As part of each Annual Report, Biovail shall provide the OIG with copies of the underlying records of the detailing interactions, a copy of Biovail’s Off-Label Findings, and a description of the action(s), if any, Biovail took in response to the Off-Label Findings.

IV. CHANGES TO BUSINESS UNITS OR LOCATIONS

A. Change or Closure of Unit or Location. In the event that, after the Effective Date, Biovail changes locations or closes a business unit or location engaged in Government Pricing or Contracting Functions or Promotional and Product Services Related Functions, Biovail shall notify OIG of this fact as soon as possible, but no later than within 30 days after the date of change or closure of the location.

B. Purchase or Establishment of New Unit or Location. In the event that, after the Effective Date, Biovail purchases or establishes a new business unit or location engaged in Government Pricing or Contracting Functions or Promotional and Product Services Related Functions, Biovail shall notify OIG no later than the date the purchase or establishment is publicly disclosed or the operation of the new business unit or location. This notification shall include the address of the new business unit or location, phone number, fax number, Federal health care program provider and/or supplier number, and the name and address of the contractor that issued each number (if applicable). Each new business unit or location and all Covered Persons at each new business unit or location shall be subject to the applicable requirements of this CIA. In the event that Biovail purchases or merges with an entity in a transaction that will result in the addition of a significant number of new Covered Persons, Biovail shall consult with OIG regarding a plan and timeline for implementing the CIA requirements with respect to those new Covered Persons. The OIG shall determine, in its sole discretion, whether to grant time extensions for the implementation of the applicable CIA requirements with respect to new business units or locations and new Covered Persons at such locations.

C. Sale of Unit or Location. In the event that, after the Effective Date, Biovail proposes to sell any or all of its business units or locations that are subject to this CIA, Biovail shall notify OIG of the proposed sale no later than the date the sale is publicly disclosed. This notification shall include a description of the business unit or location to be sold, a brief description of the terms of the sale, and the name and contact information of the prospective purchaser. This CIA shall be binding on the purchaser of such business unit or location, unless otherwise determined and agreed to in writing by the OIG.

With respect to such releases, Biovail shall have the rights set forth at 45 C.F.R. § 5.65(d).

**X. BREACH AND DEFAULT PROVISIONS**

Biovail is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations. As a contractual remedy, Biovail and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Biovail fails to establish and implement any of the following obligations as described in Section III:

  - g. a Disclosure Program;
  - h. Ineligible Persons screening and removal requirements; L notification of Government investigations or legal proceedings;
  - i. notification of Government investigations of legal proceedings;
  - j. notification of communications with the FDA as specified in Section III.I;
  - k. posting of Payment information as required by Section III.J; and
  - l. a review of records reflecting the content of detailing sessions as required by Section III.K.

2. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Biovail fails to engage an IRO, as required in Section III.D and Appendix A.

3. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Biovail fails to submit the Implementation Report or any Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Biovail fails to submit the annual IRO Review Report(s) in accordance with the requirements of Section III.D and Appendix B.

5. A Stipulated Penalty of \$1,500 for each day Biovail fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date Biovail fails to grant access.)

6. A Stipulated Penalty of \$5,000 for each false certification submitted by or on behalf of Biovail as part of its Implementation Report, Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of \$1,000 for each day Biovail fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to Biovail stating the specific grounds for its determination that Biovail has failed to comply fully and adequately with the CIA obligation(s) at issue and steps Biovail shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after Biovail receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions. Biovail may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Biovail fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after Biovail receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. *Demand Letter.* Upon a finding that Biovail has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Biovail of: (a) Biovail's failure to comply; and (b) OIG's exercise of its contractual right to demand payment of the Stipulated Penalties (this notification is referred to as the "Demand Letter").
2. *Response to Demand Letter.* Within 10 days after the receipt of the Demand Letter, Biovail shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Biovail elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Biovail cures, to OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.
3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.
4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that Biovail has materially breached this CIA, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

  - e. a failure of the Risk and Compliance Committee of the Board to issue a resolution in accordance with Section III.A.3.

Upon a determination by OIG that Biovail has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall

notify Biovail of: (a) Biovail's material breach; and (b) OIG's intent to exercise its contractual right to impose exclusion (this notification is hereinafter referred to as the "Notice of Material Breach and Intent to Exclude").

3. *Opportunity to Cure.* Biovail shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG's satisfaction that:

- a. Biovail is in compliance with the obligations of the CIA cited by OIG as being the basis for the material breach;
- b. the alleged material breach has been cured; or
- c. the alleged material breach cannot be cured within the 30-day period, but that: (i) Biovail has begun to take action to cure the material breach; (ii) Biovail is pursuing such action with due diligence; and (iii) Biovail has provided to OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If, at the conclusion of the 30-day period, Biovail fails to satisfy the requirements of Section X.D.3, OIG may exclude Biovail from participation in the Federal health care programs. OIG shall notify Biovail in writing of its determination to exclude Biovail (this letter shall be referred to hereinafter as the "Exclusion Letter"). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Biovail's receipt of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal procurement and nonprocurement programs. Reinstatement to program participation is not automatic. After the end of the period of exclusion, Biovail may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

#### E. Dispute Resolution

1. *Review Rights.* Upon OIG's delivery to Biovail of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, Biovail shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-100521. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether Biovail was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the

period of noncompliance. Biovail shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders Biovail to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Biovail requests review of the ALJ decision by the DAB. If the All decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be:

- a. whether Biovail was in material breach of this CIA;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30-day period, but that:  
(i) Biovail had begun to take action to cure the material breach within that period; (ii) Biovail has pursued and is pursuing such action with due diligence; and (iii) Biovail provided to GIG within that period a reasonable timetable for curing the material breach and Biovail has followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Biovail, only after a DAB decision in favor of OIG. Biovail’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude Biovail upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Biovail may request review of the All decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Biovail shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Biovail, Biovail shall be reinstated effective on the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

**XI. EFFECTIVE AND BINDING AGREEMENT**

Biovail and OIG agree as follows:

- A. This CIA shall be binding on the successors, assigns, and transferees of Biovail;
- B. This CIA shall become final and binding on the date the final signature is obtained on the CIA;
- C. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA;
- D. The undersigned Biovail signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatory represents that he is signing this CIA in his official capacity and that he is authorized to execute this CIA.
- E. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

## APPENDIX A

### INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

#### A. IRO Engagement.

Biovail shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct its review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify Biovail if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Biovail may continue to engage the IRO.

If Biovail engages a new IRO during the term of the CIA, this IRO shall also meet the requirements of this Appendix. If a new IRO is engaged, Biovail shall submit the information identified in Section V.A.7 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify Biovail if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Biovail may continue to engage the IRO.

#### B. IRO Qualifications.

The IRO shall:

1. assign individuals to conduct the IRO Review(s) who have expertise in all applicable Federal health care program and FDA requirements related to the Reviews. The individuals shall also be knowledgeable about the general requirements of the Federal health care program(s) under which Biovail products are reimbursed;
2. assign individuals to design and select the Transaction Review sample(s) who are knowledgeable about the appropriate statistical sampling techniques; and
3. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

#### C. IRO Responsibilities.

The IRO shall:

1. perform each IRO Review in accordance with the specific requirements of the CIA;
  2. follow all applicable Federal health care program and FDA requirements in making assessments in the IRO Reviews;
-

3. if in doubt of the application of a particular Federal health care program or FDA requirement, policy, or regulation, request clarification from the appropriate authority (e.g., CMS or FDA);
4. respond to all OIG inquiries in a prompt, objective, and factual manner; and
5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. IRO Independence and Objectivity.

The IRO must perform the IRO Reviews in a professionally independent and objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or engagements that may exist between the IRO and Biovail.

E. IRO Removal/Termination.

1. *Provider.* If Biovail terminates its IRO during the course of the engagement, Biovail must submit a notice explaining its reasons to OIG no later than 30 days after termination. Biovail must engage a new IRO in accordance with Paragraph A of this Appendix.

2. *OIG Removal of IRO.* In the event OIG has reason to believe that the IRO does not possess the qualifications described in Paragraph B, is not independent and/or objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG may, at its sole discretion, require Biovail to engage a new IRO in accordance with Paragraph A of this Appendix.

Prior to requiring Biovail to engage a new IRO, OIG shall notify Biovail of its intent to do so and provide a written explanation of why OIG believes such a step is necessary. To resolve any concerns raised by OIG, Biovail may request a meeting with OIG to discuss any aspect of the IRO's qualifications, independence or performance of its responsibilities and to present additional information regarding these matters. Biovail shall provide any additional information as may be requested by OIG under this Paragraph in an expedited manner. OIG will attempt in good faith to resolve any differences regarding the IRO with Biovail prior to requiring Biovail to terminate the IRO. However, the final determination as to whether or not to require Biovail to engage a new IRO shall be made at the sole discretion of OIG.

## APPENDIX B TO CIA

### IRO SYSTEM AND TRANSACTION REVIEWS

#### I. IRO System and Transaction Reviews — General Description

As specified more fully below, Biovail shall retain an Independent Review Organization (IRO) to perform reviews to assist Biovail in assessing and evaluating its systems, processes, policies, procedures, and practices related to Government Pricing and Contracting Functions (as defined in Section II.C.3 of the CIA) and to Promotional and Product Services Related Functions (as defined in Section II.C.5 of the CIA). To the extent that the CIA requires a review of transactions or activities, the IRO shall review transactions and activities that occur subsequent to the Effective Date of the CIA.

The IRO shall perform two types of engagements. First, the IRO shall perform two-part system reviews of: 1) Biovail's systems, processes, policies, and procedures relating to the calculation and reporting of AMP, BP, and ASP for purposes of the Medicaid Drug Rebate program and the Medicare program, respectively; and 2) Biovail's systems, processes, policies, and procedures relating to certain elements of its Promotional and Product Services Related Functions. Collectively, these reviews shall be known as the "Systems Review". Second, the IRO shall perform Transactions Reviews as described more fully below in Section III. Biovail may engage, at its discretion, a single IRO to perform the Systems Reviews and the Transactions Reviews provided that the entity has the necessary expertise and capabilities to perform both.

If, during the term of the CIA, there are no material changes in Biovail's Government Pricing and Contracting related systems, processes, policies, and procedures related to AMP, BP, or ASP or in Biovail's Promotional and Product Services Related Functions related to the items identified in Section II.B below, the IRO shall perform a Systems Review for the first and fourth Reporting Periods. If, during the term of the CIA, Biovail materially changes its Government Pricing and Contracting related systems, processes, policies, and procedures related to AMP, BP, or ASP, or its Promotional and Product Services Related Functions as they relate to the items set forth in Section II.B, the IRO shall perform a Systems Review for the Reporting Period in which such changes were made in addition to conducting the Systems Review for the first and fourth Reporting Periods.

Any additional Systems Review(s) shall consist of: 1) an identification of the material changes; 2) an assessment of whether the systems, processes, policies, and procedures already reported on did not materially change; and 3) an update on the systems, processes, policies, and procedures that materially changed.

The IRO shall conduct the Transactions Review for each Reporting Period of the CIA.

#### II. Systems Review

##### A. Systems Review - Part 1 (relating to AMP, BP, and ASP)

The IRO shall review Biovail's systems, processes, policies, and procedures (including the controls on the systems, processes, policies, and procedures) associated with the tracking,

This shall include a review of the bases upon which compensation is determined and the extent to which compensation is based on product performance;

6. Biovail's systems, processes, policies, and procedures relating to the development and review of call plans for Biovail's field sales representatives (including contract sales agents) and other personnel related to the promotion, marketing, or sale of Government Reimbursed Products in the United States. ### **III. Transactions Review**

The Transactions Review shall include a review of the following: (1) records relating to a sample of the Payments that are reported by Biovail pursuant to Section III.J of the CIA; (2) Biovail's call plans related to the promotion, marketing, or sale of Government Reimbursed Products in the U.S. and Biovail's call plan review process for Government Reimbursed Products; (3) U.S. Sampling Events as defined below in Section III.C; and (4) Inquiries reflected in Biovail's Inquiries Database. The IRO shall report on all aspects of its reviews in the Transactions Review Reports.

A. IRO Review of Payment Listings

1. Information Contained in U.S.-based Physician Payment Listings

As set forth in Section III.J of the CIA, Biovail shall post quarterly and annual listings of U.S.-based physicians, U.S.-based Related Entities and U.S.-based Product Decision-Makers who received Payments, as defined in the CIA, directly or indirectly from Biovail. For purposes of the Transaction Review, each annual listing shall be referred to as the “Payment Listing” or “Listing.” For each entry, the Listing shall include the following information: i) physician’s or Product Decision-Maker’s full name; ii) name of Related Entity (if applicable); iii) city and state of the physician’s practice, the Related Entity (as applicable), or the Product Decision-Maker; iii) the purpose of the Payment; and iii) the aggregate value of the Payment(s) in the preceding quarter(s) or year.

For purposes of the Transaction Review, the term “Control Documents” shall include all documents or electronic records associated with each Payment reflected in the Payment Listing for the sampled U.S.-based physician, U.S.-based Related Entity, and/or U.S.-based Product Decision-Maker. For example, the term, “Control Documents” includes, but is not limited to, documents relating to the nature, purpose, and amount of all Payments reflected in the Listing; contracts relating to the Payment(s) reflected in the Listing; documents relating to the occurrence of Payment(s) reflected in the Listing; documents reflecting any work product generated or service provided in connection with the Payment(s); documents submitted in connection with requests for approval for the Payment(s); and business rationale or justification forms relating to the Payment(s).

2. Selection of Sample for Review

For each Reporting Period, the OIG shall have the discretion to identify up to 75 U.S.-based physicians, U.S.-based Related Entities, and/or U.S.-based Product Decision-Makers from the applicable Listing that will be subject to the IRO review described below. Biovail may submit a written request to the OIG that the sample size should be less than 75 and the OIG shall decide, in its sole discretion, whether to grant the request. If the OIG elects to exercise its discretion to select the individuals or entities to be included in the review, it shall notify the IRO of the 75 identified U.S.-based physicians, U.S.-based Related Entities, and/or U.S.-based Product Decision-Makers subject to the IRO review. If the OIG elects not to exercise its discretion as described above, the IRO shall randomly select up to 75 (or such smaller number if approved by the OIG) U.S.-based physicians, U.S.-based Related Entities, and/or U.S.-based Product Decision-Makers to be included in the review. For each selected U.S.-based physician, U.S.-based Related Entity, and/or U.S.-based Product Decision-Maker, the IRO shall review the entry in the Listing and the Control Documents relating to Payments reflected in Listing identified by the IRO as necessary and sufficient to validate the Payment information in the Listing.

3. IRO Review of Control Documents for Selected Physicians and/or Related Entities

For each physician, Related-Entity, and/or Product Decision-Maker selected as part of the sample, the IRO shall review the Control Documents identified by the IRO as necessary and sufficient to validate each Payment reflected in the Listing to evaluate the following:

- a) Whether Control Documents are available relating to each Payment reflected in the Listing for the sampled physician, Related Entity and/or Product Decision-Maker;
- b) Whether the Control Documents were completed and archived in accordance with the requirements set forth in Biovail's policies;
- c) Whether the aggregate value of the Payment(s) as reflected in the Listing for the sampled physician, Related Entity, and/or Product Decision-Maker is consistent with the value of the Payments(s) reflected in the Control Documents; and
- d) Whether the Control Documents reflect that Biovail's policies were followed in connection with Payment(s) reflected in the Listing (e.g, all required written approvals for the activity were obtained in accordance with Biovail's policies.)

4. Identification of Material Errors and Additional Review

A Material Error is defined as any of the following:

- a) A situation in which all required Control Documents relating to Payments reflected in the Listing for the sampled physician, Related Entity and/or Product Decision-Maker do not exist and:
  - i. no corrective action was initiated prior to the selection of the sampled physicians, Related Entities, and/or Product Decision-Maker; or
  - ii. the IRO cannot confirm that Biovail otherwise followed its policies and procedures relating to the entry in the Listing for the sampled physician, Related Entity, and/or Product Decision-Maker, including its policies and procedures relating to any Payment(s) reflected in the Listing; or
- b) Information or data is omitted from key fields in the Control Documents that prevents the IRO from assessing compliance with Biovail's policies and procedures, and the IRO cannot obtain this information or data from reviewing other Control Documents.

If a Control Document does not exist, but Biovail has initiated corrective action prior to the selection of the sampled physicians, Related Entities, and/or Product Decision-Maker, or if a Control Document does not exist but the IRO can determine that Biovail otherwise followed its policies and procedures with regard to each entry in the Listing for a sampled physician, Related Entity, and/or Product Decision-Maker, the IRO shall consider such a situation to be an exception (rather than a Material Error) and the IRO shall report the situation as such. Similarly, the IRO shall note as exceptions any Control Documents for which non-material information or data is omitted.

If the IRO identifies any Material Errors, the IRO shall conduct such Additional Review of the underlying Payment associated with the erroneous Control Documents as may be necessary to determine the root cause of the Material Errors. For example, the IRO may need to review additional documentation and/or conduct interviews with appropriate personnel to identify the root cause of the Material Error(s) discovered.

**B. IRO Review of Biovail’s Call Plans and Call Plan Review Process**

The IRO shall conduct a review and assessment of Biovail’s review of call plans for Government Reimbursed Products (including call plans used by contract sales agents) as set forth in Section III.B.2.i of the CIA. Biovail shall provide the IRO with: i) a list of Government Reimbursed Products promoted, marketed, or sold by Biovail in the United States, including through any contract sales force, during the Reporting Period; ii) information about the FDA-approved uses for each such Government Reimbursed Product; and iii) the call plans for each such Government Reimbursed Product. Biovail shall also provide the IRO with information about the reviews of call plans that Biovail conducted during the Reporting Period consistent with Section III.B.2.i of the CIA and any modifications to the call plans made as a result of Biovail’s reviews.

For each call plan, the IRO shall select a sample of up to 75 of the U.S.-based HCPs and U.S.-based HCIs included on the call plan. Biovail may submit a written request to the OIG that the sample size should be less than 75 and the OIG shall decide, in its sole discretion, whether to grant the request. For each call plan, the IRO shall compare the sampled U.S.-based HCPs and U.S.-based HCIs against the criteria (e.g., medical specialty or practice area) used by Biovail in conducting its review and/or modification of the call plan in order to determine whether Biovail followed its criteria and Policies and Procedures in reviewing and modifying the call plan.

The IRO shall note any instances in which it appears that the sampled U.S.-based HCPs and U.S.-based HCIs on a particular call plan are inconsistent with Biovail’s criteria relating to the call plan and/or Biovail’s Policies and Procedures. The IRO shall also note any instances in which it appears that Biovail failed to follow its criteria or Policies and Procedures.

**C. IRO Review of the Distribution of Samples of Biovail’s Government Reimbursed Products**

The IRO shall conduct a review and assessment of the distribution of samples of Government Reimbursed Products to U.S.-based HCPs and U.S.-based HCIs. Biovail shall

provide the IRO with: i) a list of Government Reimbursed Products for which Biovail distributed samples in the United States during the Reporting Period (either directly or through a contract sales force); ii) information about the FDA-approved uses for each such sampled Government Reimbursed Product; and iii) information about Biovail's policies and procedures relating to the distribution of samples of each such Government Reimbursed Product, including Biovail's U.S. Sample Distribution Plan, if any, showing which type of samples may be distributed to U.S.-based HCPs and U.S.-based HCIs of particular medical specialties or types of clinical practices. Biovail shall also provide the IRO with information about: (1) the reviews of Sample Distribution Plans that Biovail conducted during the Reporting Period; and (2) any modifications to the Sample Distribution Plans made or corrective actions that may be taken as a result of Biovail's reviews, including investigating, documenting, resolving, and taking disciplinary action.

For each Government Reimbursed Product for which Biovail distributed samples in the United States during the Reporting Period, the IRO shall randomly select a sample of up to 75 separate instances in which Biovail provided samples of the product to U.S.-based HCPs or U.S.-based HCIs either through a sales representative or direct shipment. Biovail may submit a written request to the OIG that the sample size should be less than 75 and the OIG shall decide, in its sole discretion, whether to grant the request. Each such instance shall be known as a "U.S. Sampling Event."

For each U.S. Sampling Event, the IRO shall review all documents and information relating to the distribution of the sample to the U.S.-based HCP or U.S.-based HCI, including the sample card, direct shipment request form and/or the electronic call record. The reviewed materials shall include information about the following: 1) the quantity, dosage, and form of the Government Reimbursed Product provided to the HCP or HCI; 2) the identity and type of medical specialty or clinical practice of the HCP or HCI; 3) the identity of the field sales representative who accepted the sample request form or provided the sample to the HCP or HCI; 4) the manner and mechanism through which the sample was requested (e.g., sample card or direct shipment request form); and 5) the manner and mechanism through which the request was fulfilled (e.g., sales representative distribution or direct shipment.)

For each U.S. Sampling Event, the IRO shall evaluate whether the sample was provided to a U.S.-based HCP or U.S.-based HCI whose medical specialty or clinical practice is consistent with the uses of the product approved by the FDA and whether the sample was distributed by a Biovail representative in a manner consistent with Biovail's Sample Distribution Plan for the product(s), if any. To the extent that a sample was provided to an HCP or HCI by a Biovail representative other than a sales representative, the IRO shall contact the HCP or HCI by letter. The letter shall request that the HCP or HCI: 1) verify that he/she/it received the quantity and type of samples identified by the IRO as the U.S. Sampling Event; 2) verify that he/she/it requested the samples provided during the U.S. Sampling Event; 3) explain or confirm its type of medical specialty or clinical practice; and 4) identify the basis for requesting the sample (e.g., conversations with a Biovail sales representative, conversation with a representative of Biovail's medical services department, independent research or knowledge of the HCP or HCI, etc.)

For each U.S. Sampling Event, the IRO shall compare the medical specialty and type of clinical practice of the HCPs and HCIs that received the sample with uses of the product approved by the FDA. The IRO shall note any instances in which it appears that the medical specialty or clinical practice of the HCPs or HCIs that received a sample during a U.S. Sampling Event were not consistent with the uses of the product approved by the FDA. For each such situation, the IRO shall note the process followed by Biovail in determining that it was appropriate to provide a sample to such HCP or HCI and the basis for such determination. For each U.S. Sampling Event, the IRO shall also note any instances in which it appears that Biovail failed to follow its Sample Distribution Plan, if any, and sample policies and procedures for the product(s) provided and, if so, whether Biovail already had taken corrective action, including investigating, documenting, resolving, and taking disciplinary action, if appropriate.

D. Review of Inquiries Reflected in Inquiries Database

1. Description of Inquiries Database

As set forth in Section III.C.3.h of the CIA, Biovail, either directly or through a vendor, shall establish a database (hereafter, “Inquiries database”) to track information relating to requests for information or inquiries about Government Reimbursed Products (hereafter “Inquiries”). Specifically, Biovail shall document and record all Inquiries regarding its Government Reimbursed Products in the Inquiries Database. Biovail shall record in the Inquiries Database the following information for each Inquiry received: 1) date of Inquiry; 2) form of Inquiry (e.g, fax, phone, medical information request form); 3) name of requesting HCP or HCI; 4) nature and topic of request (including exact language of the Inquiry if made in writing); 5) an evaluation of whether the Inquiry relates to information about an off-label indication for the Government Reimbursed Product; 6) nature/form of the response from Biovail (including a record of any materials provided in response to the request); 7) the name of the U.S.-based field sales representative who called upon or interacted with the HCP or HCI, if known; and 8) the status and findings of any follow-up review conducted by Biovail in situations in which it appears that the Inquiry may have related to improper off-label promotion in the U.S..

2. Internal Review of the Inquiries Database

On a semi-annual basis, Biovail’s Chief Compliance Office or designee shall review the Inquiries Database and related information, as appropriate, and shall generate a report summarizing the items of information outlined in Section III.D.1 above for each Inquiry received during the preceding two quarters (“Inquiries Database Report”). The Chief Compliance Office or designee shall review the Inquiries Database Reports to assess whether the information contained in the report suggests that improper off-label promotion may have occurred in the U.S. in connection with any Inquiry(ies). If the Chief Compliance Office or designee, in consultation with other appropriate Biovail personnel, suspects that improper off-label promotion may have occurred in connection with any Inquiry, the Chief Compliance Office or designee shall undertake a follow-up review of the Inquiry (hereafter “Off-Label Review”), make specific findings based on the Off-Label Review, and take all appropriate corrective action (including disciplinary action of the Covered Person and reporting of the conduct, including disclosing Reportable Events pursuant to Section III.I of the CIA, if applicable).

### 3. IRO Review of Inquiries Reflected in Inquiries Database

The IRO shall select and review a random sample of up to 60 Inquiries from among the Inquiries reflected in the Inquiries Database for each Reporting Period. Forty-five of the Inquiries reviewed by the IRO shall be Inquiries for which Biovail conducted an Off- Label Review, and the other 15 shall be Inquiries for which Biovail did not conduct an Off-Label Review. Biovail may submit a written request to the OIG that the sample size should be less than 60 and the OIG shall decide, in its sole discretion, whether to grant the request. If Biovail conducted an Off-Label Review on fewer than 45 Inquiries, additional Inquiries may be selected for which an Off-Label Review was not conducted to reach a total of 60 Inquiries or such other number of inquiries as approved by OIG. For each Inquiry reviewed, the IRO shall determine:

- a) Whether each item of information listed above in Section III.D.1 is reflected in the Inquiries Database for each reviewed Inquiry; and
- b) For each Inquiry for which the Chief Compliance Office or designee conducted an Off-Label Review, the basis for suspecting that improper off-label promotion may have occurred; the steps undertaken as part of the Off-Label Review; the findings of the Chief Compliance Office or designee as a result of the Off-Label Review; and any follow-up actions taken by Biovail based on the Off-Label Review findings.

### E. Transactions Review Report

#### 1. General Elements to Be Included in Report

- a) Review Objectives: A clear statement of the objectives intended to be achieved by each part of the review;
- b) Review Protocol: A detailed narrative description of the procedures performed and a description of the sampling unit and universe utilized in performing the procedures for each sample reviewed; and
- c) Sources of Data: A full description of documentation and other information, if applicable, relied upon by the IRO in performing the Transactions Review.

- c) for each sampled physician, Related Entity, or Product Decision-Maker unit reviewed, an identification and description of all exceptions discovered. The report shall also describe those instances in which corrective action was initiated prior to the selection of the sampled individuals or entities, including a description of the circumstances requiring corrective action and the nature of the corrective action;

SETTLEMENT AGREEMENTI. PARTIES

This Settlement Agreement (“Agreement”) is entered into by and among the United States of America, acting through the United States Department of Justice and on behalf of the Office of Inspector General (“OIG-HHS”) of the Department of Health and Human Services (“HHS”) (collectively, the “United States”); and Biovail Corporation (“Biovail”), through their authorized representatives. Collectively, all of the above shall be referred to as “the Parties.”

II. PREAMBLE

As a preamble to this Agreement, the Parties agree to the following:

- A. Biovail is a Canadian company with headquarters in Mississauga, Ontario that distributes drugs.
  - B. Biovail Pharmaceuticals LLC is a limited liability company. Biovail Pharmaceuticals LLC was formerly known as Biovail Pharmaceuticals, Inc with headquarters in Bridgewater, New Jersey. Biovail Pharmaceuticals LLC and Biovail Pharmaceuticals, Inc. shall be referred to throughout the remainder of this Agreement as “BPI”.
  - C. The United States contends that Biovail submitted or caused to be submitted claims for payment to the Medicaid Program (Medicaid), Title XIX of the Social Security Act, 42 U.S.C. § 1396-1396v.
  - D. The United States contends that it has certain civil claims, as specified in Paragraph 2 below, against Biovail for engaging in the following conduct during the period from January 1, 2003 through December 31, 2004 (hereinafter the conduct described in this paragraph and subparagraphs (1) - (2) below will be referred to as the “Covered Conduct”):
    - (1) Biovail through BPI engaged in program known as the PLACE program whereby it paid physicians and other medical prescribers in order to induce them to write prescriptions for the Biovail drug Cardizem, L.A., and thereby caused false and/or fraudulent claims
-

for payment for Cardizem, L.A. to be submitted to federal health care programs.

- (2) Through the PLACE program, BPI and Biovail and others conspired to and did knowingly and willfully make payments to induce another party to recommend purchasing or ordering the drug Cardizem, L.A. in violation of 42 U.S.C. § 1320a-7b(b)(2)(B).

E. The United States also contends that it has certain administrative claims against Biovail for engaging in the Covered Conduct.

F. On or before September 15, 2009, or such other date as may be determined by the Court, BPI has agreed to enter a plea of guilty pursuant to Fed. R. Crim. P. 11(c)(1)(C) (the "Plea Agreement") to an Information to be filed in the District of Massachusetts (the "Criminal Action") that will allege violations of 18 U.S.C. § 371 and 42 U.S.C. § 1320a-7b(b)(2)(B).

G. This Agreement is neither an admission of liability by Biovail (with the exception of such admissions as BPI makes in connection with its guilty plea referenced in Preamble Paragraph F above and accepted by the Court), nor a concession by the United States that its claims are not well founded;

H. To avoid the delay, uncertainty, inconvenience, and expense of protracted litigation of the above claims, the Parties reach a full and final settlement pursuant to the Terms and Conditions below.

### III. TERMS AND CONDITIONS

1. Biovail agrees to pay to the United States two million, four hundred and four thousand, two hundred and eighty-six dollars (\$2,404,286) plus interest at the Medicare Trust Fund Rate in effect on May 1, 2008 from May 1, 2008 until the date of payment (the "Settlement Amount"). This sum shall constitute a debt immediately due and owing to the

United States upon the satisfaction of the conditions of payment set forth in this paragraph. This debt is to be discharged by payment of the Settlement Amount by electronic funds transfer pursuant to written instructions to be provided by the United States Attorney’s Office for the District of Massachusetts. Biovail agrees to make this electronic funds transfer no later than seven business days following the latest of the dates on which the following occurs: (1) this Agreement is fully executed by the Parties and delivered to Biovail’s attorneys; or (2) the date on which the Court accepts a Fed. R. Crim. P. 11(c)(1)(C) guilty plea as described in Preamble F in connection with the Criminal Action and imposes the agreed upon sentence.

If BPI’s agreed-upon guilty plea pursuant to Fed. R. Crim. P. 11(c)(1)(C) in the Criminal Action described in Preamble Paragraph F is not accepted by the Court or the Court does not impose the agreed-upon-sentence for whatever reason, this Agreement shall be null and void at the option of either the United States or Biovail. Whether the United States or Biovail exercises this option, which option shall be exercised by notifying all parties, through counsel, in writing within five(5) business days of the Court’s decision, the Parties will not object and this Agreement will be rescinded. If this Agreement is rescinded, Biovail and its subsidiary BPI, will not plead, argue or otherwise raise any defenses under the theories of statute of limitations, laches, estoppel or similar theories, to any civil or administrative claims, actions or proceedings arising from the Covered Conduct that are brought by the United States within 90 calendar days of rescission.

2. Subject to the exceptions in Paragraph 4 below, in consideration of the obligations of Biovail set forth in this Agreement, conditioned upon Biovail’s full payment of the Settlement Amount, and subject to Paragraph 12 below(concerning bankruptcy proceedings commenced, within 91 days of the effective date of this Agreement), the United States (on behalf of itself, its officers, agents, agencies, and departments) agrees to release Biovail, together with its current and former divisions, parents, direct and indirect subsidiaries, successors and assigns and their current and former directors, officers and employees, from any civil or administrative monetary claim the United States has or may have under the False Claims Act, 31 U.S.C. §§ 3729-3733; the Civil Monetary Penalties Law, 42 U.S.C. § 1320a-7a; the Program Fraud Civil-

Remedies Act, 31 U.S.C. §§ 3801-3812; or the common law theories of payment by mistake, unjust enrichment, and fraud for the Covered Conduct.

3. In consideration of the obligations of Biovail set forth in this Agreement and the Corporate Integrity Agreement (CIA) entered into between OIG-HHS and Biovail, conditioned upon Biovail’s full payment of the Settlement Amount, and subject to Paragraph 12, below (concerning bankruptcy proceedings commenced within 91 days of the effective date of this Agreement), OIG-HHS agrees to release and refrain-from instituting, directing or maintaining any administrative action seeking exclusion from the Medicare, Medicaid, or other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) against Biovail under 42 U.S.C. § 1320a-7a (Civil Monetary Penalties Law), or 42 U.S.C. § 1320a-7(b)(7) (permissive exclusion for fraud, kickbacks, and other prohibited activities), for the Covered Conduct, except as reserved in Paragraph 4, below, and as reserved in this Paragraph. The OIG-HHS expressly reserves all rights to comply with any statutory obligations to exclude Biovail from the Medicare, Medicaid, and other Federal health care programs under 42 U.S.C. § 1320a-7(a)(mandatory exclusion) based upon the Covered Conduct. Nothing in this Paragraph precludes the OIG-HHS from taking action against other entities or persons, or for conduct and practices, for which claims have been reserved in Paragraph 4, below.

4. Notwithstanding any term of this Agreement, specifically reserved and excluded from the scope and terms of this Agreement as to any entity or person (including Biovail) are the following:

- Code (Internal Revenue Code);

(a)

Any, civil, criminal or administrative liability arising under Title 26 of the United States
- (b)

Any criminal liability;
- mandatory exclusion from Federal health care programs;

(c)

Except as explicitly stated in this Agreement any administrative liability, including
- Conduct;

(d)

Any liability to the United States (or its agencies) for any conduct other than the Covered

- (e) Any liability based upon such obligations as are created by this Agreement;
- (f) Any liability for express or implied warranty claims or other claims for defective or deficient products or services, including quality of goods and services;
- (g) Any liability for personal injury or; property damage or for other consequential damages arising from the Covered Conduct;
- (h) Any liability for failure to deliver items or services due; or
- (i) Any liability of individuals (including current or former directors, officers, employees or agents of Biovail) who have received or receive written notification that they are the target of a criminal investigation, are criminally indicted or charged, or are convicted, or who have entered into or in the future enter into a statute of limitations waiver or tolling agreement with the United States relating to the Covered Conduct.

5. Biovail waives and shall not assert any defenses Biovail may have to any criminal prosecution or administrative action relating to the Covered Conduct that may be based in whole or in part on a contention that, under the Double Jeopardy Clause in the Fifth Amendment of the Constitution, or under the Excessive Fines Clause in the Eighth Amendment of the Constitution, this Agreement bars a remedy sought in such criminal prosecution or administrative action. Nothing in this Paragraph or any other provision of this Agreement constitutes an agreement by the United States concerning the characterization of the Settlement Amount for purposes of the Internal Revenue laws, Title 26 of the United States Code.

6. Biovail fully and finally releases the United States, its agencies, employees, servants, and agents from any claims (including attorney's fees, costs, and expenses of every kind and however denominated) which Biovail has asserted, could have asserted, or may assert in the future against the United States, its agencies, employees, servants, and agents, related to the Covered Conduct and the United States' investigation and prosecution thereof.

7. The Settlement Amount will not be decreased as a result of the denial of claims for payment now being withheld from payment by any government entity, Medicare carrier or intermediary or any State payer, related to the Covered Conduct; and Biovail agrees not to resubmit to any government entity, Medicare carrier or intermediary or any State payer any previously denied claims related to the Covered Conduct, and agrees not to appeal any such denials of claims.

8. Biovail agrees to the following:

(a) Unallowable Costs Defined: that all costs (as defined in the Federal Acquisition Regulations (FAR) § 31.205-47 and in Titles XVIII and XIX of the Social Security Act, 42 U.S.C. §§ 1395-1395hhh and 1396-1396v, and the regulations and official program directives promulgated thereunder) incurred by or on behalf of Biovail, its present or former officers, directors, employees, shareholders, and agents in connection with the following shall be “Unallowable Costs” on Government contracts and under the Medicare Program, Medicaid Program, TRICARE Program, and Federal Employees Health Benefits Program (“FEHBP”):

- (1) the matters covered by this Agreement and any related Plea Agreement,
- (2) the United States’ audit(s) and civil and any criminal investigation(s) of the matters covered by this Agreement,
- (3) Biovail’s investigation, defense, and corrective actions undertaken in response to the United States’ audit(s) and civil and any criminal investigation(s) in connection with the matters covered by this Agreement (including attorney’s fees),
- (4) the negotiation and performance of this Agreement and any Plea Agreement,

- (5) the payment Biovail makes to the United States pursuant to this Agreement, including any costs and attorneys fees, and
- (6) the negotiation of, and obligations undertaken pursuant to the CIA to;
  - (i) retain an independent review organization to perform annual reviews as described in Section III of the CIA; and
  - (ii) prepare and submit reports to the OIG-HHS. However, nothing in this paragraph 8(a)(6) that may apply to the obligations undertaken pursuant to the CIA affects the status of costs that are not allowable based on any other authority applicable to Biovail.

(b) Future Treatment of Unallowable Costs: These Unallowable Costs shall be separately determined and accounted for by Biovail, and Biovail shall not charge such Unallowable Costs directly or indirectly to any contracts with the United States or any State Medicaid Program, or seek payment for such Unallowable Costs through any cost report, cost statement, information statement, or payment request submitted by Biovail or any of its subsidiaries to the Medicare, Medicaid, TRICARE, or FEHBP Programs.

(c) Treatment of Unallowable Costs Previously Submitted for Payment: Biovail further agrees that within 90 days of the effective date of this Agreement it will identify to applicable Medicare and TRICARE fiscal intermediaries, carriers, and/or contractors, and Medicaid, and FEHBP fiscal agents, any Unallowable Costs (as defined in this Paragraph) included in payments previously sought from the United States, or any State Medicaid Program, if any, including, but not limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by Biovail or any of its subsidiaries or affiliates, and will request, and agree that such cost reports, cost statements, information reports, or payment requests, even if already settled, be adjusted to account for the effect of the inclusion of the Unallowable Costs. Biovail agrees that the United States, at a

minimum, will be entitled to recoup from Biovail any overpayment plus applicable interest and penalties as a result of the inclusion of such Unallowable Costs on previously-submitted cost reports, information reports, cost statements, or requests for payment.

Any payments due after the adjustments have been made shall be paid to the United States pursuant to the direction of the Department of Justice, and/or the affected agencies. The United States reserves its rights to disagree with any calculations submitted by Biovail or any of its subsidiaries on the effect of inclusion of Unallowable Costs (as defined in this Paragraph) on Biovail or any of its subsidiaries' cost reports, cost statements, or information reports. Nothing in this Agreement shall constitute a waiver of the rights of the United States to examine or reexamine the Unallowable Costs described in this Paragraph.

9. Except as otherwise expressly stated, this Agreement is intended to be for the benefit of the Parties only. The Parties do not release any claims against any other person or entity, except to the extent provided for in Paragraph 2, 6 and 10 of this Agreement.

10. Biovail agrees that it waives and shall not seek payment for any of the health care billings covered by this Agreement from any health care beneficiaries or their parents, sponsors, legally responsible individuals, or third party payors based upon the claims defined as Covered Conduct.

11. Biovail warrants that it has reviewed its financial situation and that it currently is solvent within the meaning of 11 U.S.C. §§ 547(b)(3) and 548(a)(1)(B)(ii)(I), and will remain solvent following its payment to the United States of the Settlement Amount. Further, the Parties warrant that, in evaluating whether to execute this Agreement, they (a) have intended that the mutual promises, covenants, and obligations set forth constitute a contemporaneous exchange for new value given to Biovail, within the meaning of 11 U.S.C. § 547(c)(1); and (b) conclude that these mutual promises, covenants, and obligations do in fact, constitute such a contemporaneous exchange. (a) Biovail’s obligations under this Agreement may not be avoided pursuant to 11 U.S.C. §§ 547 or 548, and Biovail will not argue or otherwise take the position in any such case, proceeding, or action that: (I) Biovail’s obligations under this Agreement may be avoided under 11 U.S.C. §§ 547 or 548; (ii) Biovail was insolvent at the time this Agreement was entered into, or became insolvent as a result of the payment made to the United States hereunder; or (iii) the mutual promises, covenants, and obligations set forth in this Agreement do not constitute a contemporaneous exchange for new value given to Biovail.

(b) If Biovail’s obligations, under this Agreement are avoided for any reason, including, but not limited to, through the exercise of a trustee’s avoidance powers under the Bankruptcy Code, the United States, at its sole option, may rescind the releases in this Agreement, and bring any civil and/or administrative claim, action, or proceeding against Biovail for the claims that would otherwise be covered by the releases provided in Paragraphs 2-3, above. Biovail, agrees that (i) any such claims, actions, or proceedings brought by the United States (including any proceedings to exclude Biovail from participation in Medicare, Medicaid, or other Federal healthcare programs) are not subject to an “automatic stay” pursuant to 11 U.S.C. Section 362(a) as a result of the action, case, or proceeding described in the first clause of this Paragraph, and that Biovail will not argue or otherwise contend that the United States’ claims, actions, or proceedings are subject to an automatic stay; (ii) that Biovail will not plead, argue, or otherwise raise any defenses under the theories of statute of limitations, laches, estoppel, or similar theories, to any such civil or administrative claims, actions, or proceeding

which are brought by the United States within 90 calendar days of written notification to Biovail that the releases herein have been rescinded pursuant to this Paragraph, except to the extent such defenses were available on August 20, 2004; and (iii) the United States has a valid claim against Biovail in the amount of \$2,404,286 plus applicable penalties under the False Claims Act and the United States may pursue its claim in the case; action, or proceeding referenced in the first clause of this Paragraph, as well as in any other case, action, or proceeding.

(c) Biovail acknowledges that its agreements in this Paragraph are provided in exchange for valuable consideration provided in this Agreement.

13. Biovail represents that Rolf Reininghaus has resigned as an officer, director or employee of Biovail. Biovail agrees that it will not employ or otherwise permit Rolf Reininghaus, directly or indirectly, to provide any services to or have any affiliation with Biovail.

14. Each Party to this Agreement will bear its own legal and other costs incurred in connection with this matter, including the preparation and performance of this Agreement.

15. Biovail represents that this Agreement is freely and voluntarily entered into without any degree of duress or compulsion whatsoever.

16. This Agreement is governed by the laws of the United States. The Parties agree that the exclusive jurisdiction and venue for any dispute arising between and among the Parties under this Agreement will be the United States District Court for the District of Massachusetts, except that disputes arising under the CIA shall be resolved exclusively under the dispute resolution provisions in the CIA.

17. This Agreement and the Plea Agreement referenced in Preamble F constitutes the complete agreement between the Parties. This Agreement may not be amended except by written consent of the Parties.

18. The individuals signing this Agreement on behalf of Biovail represent and warrant that they are authorized by Biovail to execute this Agreement. The United States signatories represent that they are signing this Agreement in their official capacities and that they are authorized to execute this Agreement.
20. This Agreement may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same agreement.
21. This Agreement is binding on Biovail’s successors, transferees, heirs, and assigns.
22. All parties consent to the United States’ disclosure of this Agreement, and information about this Agreement, to the public.
23. This Agreement is effective on the date of signature of the last signatory to the Agreement. Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this Agreement.

IN RE BIOVAIL CORPORATION  
SECURITIES LITIGATION

Master File No. 03-CV-8917 (GEL)

**STIPULATION AND AGREEMENT OF SETTLEMENT**

This Stipulation and Agreement of Settlement (the “Stipulation”) is entered into in the above-captioned action (the “Action”) by and among Lead Plaintiffs Ontario Teachers’ Pension Plan Board and Local 282 Welfare Trust Fund (“Lead Plaintiffs”) on behalf of themselves and the other members of the Class (as hereinafter defined) and Defendants Biovail Corporation (“Biovail”), and individual defendants Eugene N. Melnyk, Brian H. Crombie, John R. Miszuk, Kenneth Howling, and Rolf Reininghaus (the “Individual Defendants”) (Biovail and the Individual Defendants are collectively referred to hereinafter as the “Defendants”), by and through their undersigned respective counsel, subject to approval of the United States District Court for the Southern District of New York pursuant to Rule 23(e) of the Federal Rules of Civil Procedure.

WHEREAS:

A. Beginning on or about November 12, 2003, thirteen class action complaints were filed in the United States District Court for the Southern District of New York against certain of the Defendants. ---

Civil Action No. 03-9590 (RO); *Abrahamson v. Biovail Corp. et al.*, Civil Action No. 03-9616 (JFK); *Gokhale v. Biovail Corp. et al.*, Civil Action No. 03-9701 (GBD); *Pierce v. Biovail et al.*, Civil Action No. 03-9914 (RO); *Emery v. Biovail Corp. et al.*, Civil Action No. 03-10058 (unassigned); *Wojciechowski v. Biovail Corp. et al.*, Civil Action No. 03-10221 (HB); *Rand v. Biovail Corp. et al.*, Civil Action No. 04-00188 (unassigned). By Order Consolidating All Related Actions, Appointing Co-Lead Plaintiffs and Approving Their Selection of Co-Lead Counsel entered March 9, 2004 (“March 9, 2004 Order”), these actions, together with any subsequently filed or transferred actions on behalf of investors who purchased Biovail securities related to the claims asserted in these actions were consolidated for all purposes. The March 9, 2004 Order also appointed Ontario Teachers’ Pension Plan Board and Local 282 Welfare Trust Fund as Co-Lead Plaintiffs and approved their selection of co-lead counsel for the Action;(1)

B. On June 18, 2004, Lead Plaintiffs filed the Consolidated Amended Class Action Complaint asserting claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and Rule 10b-5 promulgated thereunder (the “First Amended Complaint”). The First Amended Complaint generally alleges violations of the federal securities laws through, among other things, misstatements and omissions by Defendants in Communications (as defined below) regarding two drugs that would be launched in 2003, Cardizem LA and Wellbutrin XL, and the projections that they gave Wall Street which were based on the successful launches of those drugs. The First Amended Complaint sought to proceed on behalf of a class consisting of all persons who purchased Biovail publicly traded common stock during the period February 7, 2003 through and including March 2, 2004, excluding certain named persons and entities;

---

(1) The March 9, 2004 Order also appointed a third lead plaintiff whose motion to voluntarily withdraw as such was granted by Order entered on April 7, 2005.

---

C. On September 28, 2004 Defendants moved to dismiss the First Amended Complaint. The motion was denied by Order entered December 22, 2004. Defendants answered the First Amended Complaint on February 4, 2005;

D. On February 28, 2006, Lead Plaintiffs' filed their motion (i) to certify the Action as a class action, (ii) to certify Lead Plaintiffs as well as Plaintiff City of Dearborn Heights Act 345 Pension System as Class Representatives, and (iii) to certify Co-Lead Counsel as Class Counsel. The motion was fully briefed and argued to the Court and was *sub judice* at the time the agreement in principle to settle the Action was reached;

E. On August 25, 2006, Lead Plaintiffs filed the Consolidated Second Amended Class Action Complaint (the "Complaint") which generally alleges, among other things, that, in Communications in connection with the launching and marketing of Cardizem LA and reporting to the public about the launch of Cardizem LA, Biovail, with the participation of the Individual Defendants issued materially false and misleading press releases and other statements, including financial statements filed with the SEC, regarding Cardizem LA and Biovail's financial condition during the Class Period in a scheme to artificially inflate the value of Biovail's common stock;

F. The Complaint further alleges that Lead Plaintiffs and the other members of the Class purchased the common stock of Biovail during the Class Period at prices artificially inflated as a result of the Defendants' dissemination in Communications of materially false and misleading statements regarding Biovail in violation of Sections 10(b) and 20(a) of the Securities Exchange Act of 1934, and Rule 10b-5 promulgated thereunder;

G. On October 20, 2006, Defendants answered the Complaint;

---

H. The Defendants deny any wrongdoing whatsoever and this Stipulation shall in no event be construed or deemed to be evidence of or an admission or concession on the part of any Defendant with respect to any claim or of any fault or liability or wrongdoing or damage whatsoever, or any infirmity in the defenses that the Defendants have asserted. The parties to this Stipulation recognize, however, that the litigation has been filed by Plaintiffs and defended by Defendants in good faith and in compliance with Federal Rule of Civil Procedure 11, that the litigation is being voluntarily settled after advice of counsel, and that the terms of the settlement are fair, adequate and reasonable. This Stipulation shall not be construed or deemed to be a concession by any Plaintiff of any infirmity in the claims asserted in the Action;

I. Plaintiffs' Co-Lead Counsel have conducted an extensive investigation and thorough discovery relating to the claims and the underlying events and transactions alleged in the Complaint, including the review of millions of pages of documents produced by Defendants and third parties and the deposing of approximately fifteen (15) fact witnesses as of the date the agreement in principle to settle was reached. Plaintiffs' Co-Lead Counsel have analyzed the evidence adduced during pretrial discovery and have researched the applicable law with respect to the claims of Lead Plaintiffs and the other members of the Class against the Defendants and the potential defenses thereto;

J. In the fall of 2005, the parties mediated before former Judge Nicholas Politan but were unable to reach an agreement to resolve the Action. In December 2007, with the benefit of the development of the Action and the extensive discovery had since the earlier mediation and with the assistance of Gary V. McGowan, Esq. acting as a mediator, Lead Plaintiffs, by their counsel, conducted discussions and arm's-length negotiations with counsel for Defendants with

respect to a compromise and settlement of the Action with a view to settling the issues in dispute and achieving the best relief possible consistent with the interests of the Class; and

K. Based upon their investigation and pretrial discovery as set forth above, Lead Plaintiffs and Plaintiffs' Co-Lead Counsel have concluded that the terms and conditions of this Stipulation are fair, reasonable and adequate to Lead Plaintiffs and the other members of the Class, and in their best interests, and have agreed to settle the claims raised in the Action pursuant to the terms and provisions of this Stipulation, after considering (i) the cash and other benefits that Lead Plaintiffs and the other members of the Class will receive from settlement of the Action, (ii) the attendant risks of litigation, including in particular the risks of establishing recoverable damages, and (iii) the desirability of permitting the Settlement to be consummated as provided by the terms of this Stipulation.

NOW THEREFORE, without any admission or concession on the part of Lead Plaintiffs of any lack of merit of the Action whatsoever, and without any admission or concession of any liability or wrongdoing or lack of merit in the defenses whatsoever by Defendants, it is hereby STIPULATED AND AGREED, by and among the parties to this Stipulation, through their respective attorneys, subject to approval of the Court pursuant to Rule 23(e) of the Federal Rules of Civil Procedure, in consideration of the benefits flowing to the parties hereto from the Settlement, that all Settled Claims (as defined below) as against the Released Parties (as defined below) and all Settled Defendants' Claims (as defined below) shall be compromised, settled, released and dismissed with prejudice, upon and subject to the following terms and conditions:

In particular, the Defendants, Released Parties and their respective counsel have no responsibility for or liability whatsoever with respect to (a) acts, omissions or determinations of Plaintiffs' Co-Lead Counsel, the Claims Administrator or the Escrow Agent in connection with the administration of the Gross Settlement Fund or otherwise; (b) the management, investment or distribution of the Gross Settlement Fund; (c) losses suffered by or fluctuations in the value of the Gross Settlement Fund; (d) payment or withholding of any Taxes, expenses or costs incurred in connection with the taxation of the Gross Settlement Fund or the filing of any related returns; (e) the Plan of Allocation; or (f) the determination, administration, calculation or payment of any claims asserted against the Gross Settlement Fund (with the exception of providing the information referenced in the following sentence). Defendants' Counsel shall cooperate in the administration of the Settlement to the extent reasonably necessary to effectuate its terms, including providing without charge all information from Biovail's transfer records concerning the identity of Class Members and their transactions.

7. Plaintiffs' Co-Lead Counsel may pay up to \$500,000 from the Settlement Amount, without further order of the Court, for the reasonable costs and expenses associated with identifying members of the Class and effecting mail Notice and Publication Notice to the Class, and the administration of the Settlement, including, but not limited to, the actual costs of publication, printing and mailing the Notice, reimbursements to nominee owners for forwarding notice to their beneficial owners, and the administrative expenses incurred and fees charged by

---

the Claims Administrator in connection with providing notice and processing the submitted claims.

**ATTORNEYS’ FEES AND EXPENSES**

8. As part of their motion for final approval of the Settlement, Plaintiffs’ Co-Lead Counsel will apply to the Court for an award from the Gross Settlement Fund of attorneys’ fees and reimbursement of expenses, including the fees of any experts or consultants incurred in connection with prosecuting the Action. Such amounts as are awarded by the Court shall be payable from the Gross Settlement Fund to Plaintiffs’ Co-Lead Counsel immediately upon award, notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, collateral attack on the Settlement or any part thereof, subject to Plaintiffs’ Co-Lead Counsel’s joint and several liability and obligation to make appropriate refunds or repayments to the Gross Settlement Fund plus accrued interest at the same net rate as is earned by the Gross Settlement Fund, if and when, as a result of any appeal and/or further proceedings on remand, successful collateral attack, or for any other reason, the Settlement is terminated or the fee or cost award is reduced or reversed. Such refunds or repayments will be made within thirty (30) days of any appeal and/or further proceedings on remand, or successful collateral attack, pursuant to which the Settlement is terminated or the fee or cost award is reduced or reversed. Plaintiffs’ Co-Lead Counsel shall allocate the attorneys’ fees amongst Plaintiffs’ Counsel in a manner in which they in good faith believe reflects the contributions of such counsel to the prosecution and settlement of the Action with Defendants. The Released Parties have no liability or obligation to Lead Plaintiffs, the other members of the Class, or Plaintiffs’ Counsel, with respect to any attorneys’ fees, costs or expenses, other than the obligation to pay

---

or cause to be paid the Settlement Amount. It is not a condition of this Settlement that any particular attorneys' fees, costs or expenses be awarded by the Court.

**DISTRIBUTION TO AUTHORIZED CLAIMANTS**

9. Plaintiffs' Co-Lead Counsel will apply to the Court, on notice to Defendants' Counsel, for an order (the "Class Distribution Order") approving the Claims Administrator's administrative determinations concerning the acceptance and rejection of the claims submitted herein and approving any fees and expenses not previously applied for, including the fees and expenses of the Claims Administrator, and, if the Effective Date has occurred, directing payment of the Net Settlement Fund to Authorized Claimants.
10. The Claims Administrator shall determine each Authorized Claimant's *pro rata* share of the Net Settlement Fund based upon each Authorized Claimant's Recognized Claim (as defined in the Plan of Allocation described in the Notice annexed hereto as Exhibit 1 to Exhibit A, or in such other Plan of Allocation as the Court approves).
11. The Plan of Allocation proposed in the Notice is not a necessary term of this Stipulation and it is not a condition of this Stipulation that any particular Plan of Allocation be approved.
12. Each Authorized Claimant shall be allocated a *pro rata* share of the Net Settlement Fund based on his, her or its Recognized Claim compared to the total Recognized Claims of all accepted claimants. This is not a claims-made settlement. The entire Net Settlement Fund shall be distributed to the Authorized Claimants. The Defendants shall not be entitled to get back any of the Gross Settlement Fund and, prior to the Settlement becoming Final, shall be limited to the termination provisions outlined in ¶ 25. The Defendants shall have no involvement in reviewing or challenging claims.
-

## **ADMINISTRATION OF THE SETTLEMENT**

13. Any member of the Class who does not submit a valid Proof of Claim will not be entitled to receive any of the proceeds from the Net Settlement Fund but will otherwise be bound by all of the terms of this Stipulation and the Settlement, including the terms of the Judgment to be entered in the Action and the releases provided for herein, and will be barred from bringing any action against the Released Parties concerning the Settled Claims.

14. The Claims Administrator shall process the Proofs of Claim and, after entry of the Class Distribution Order, distribute the Net Settlement Fund to the Authorized Claimants. Except for their obligation to pay the Settlement Amount as set forth in ¶ 4(a), and to cooperate in the production of information with respect to the identification of Class Members from Biovail's shareholder transfer records, as provided herein, Defendants and their insurers shall have no liability, obligation or responsibility for the administration or disbursement of the Gross or Net Settlement Funds pursuant to the Stipulation. Plaintiffs' Co-Lead Counsel shall have the right, but not the obligation, to advise the Claims Administrator to waive what Plaintiffs' Co-Lead Counsel deem to be formal or technical defects in any Proofs of Claim submitted in the interests of achieving substantial justice.

15. For purposes of determining the extent, if any, to which a Class Member shall be entitled to be treated as an "Authorized Claimant", the following conditions shall apply:

(a) Each Class Member shall be required to submit a Proof of Claim (see attached Exhibit 2 to Exhibit A), supported by such documents as are designated therein, including proof of the transactions claimed and the losses incurred thereon, or such other documents or proof as Plaintiffs' Co-Lead Counsel, in their discretion may deem acceptable;

---

(b) All Proofs of Claim must be submitted by the date specified in the Notice, unless such period is extended by Order of the Court. Any Class Member who fails to submit a Proof of Claim by such date shall be forever barred from receiving any payment pursuant to this Stipulation (unless, by Order of the Court, a later submitted Proof of Claim by such Class Member is approved), but shall in all other respects be bound by all of the terms of this Stipulation and the Settlement, including the terms of the Judgment to be entered in the Action and the releases provided for herein, and will be barred from bringing any action against the Released Parties concerning the Settled Claims. Provided that it is received before the motion for the Class Distribution Order is filed, a Proof of Claim shall be deemed to have been submitted when posted, if received with a postmark indicated on the envelope and if mailed by first-class mail and addressed in accordance with the instructions thereon. In all other cases, the Proof of Claim shall be deemed to have been submitted when actually received by the Claims Administrator;

(c) Each Proof of Claim shall be submitted to and reviewed by the Claims Administrator, who shall determine in accordance with this Stipulation and the approved Plan of Allocation the extent, if any, to which each claim shall be allowed, subject to review by the Court pursuant to subparagraph (e) below;

(d) Proofs of Claim that do not meet the submission requirements may be rejected. Prior to rejection of a Proof of Claim, the Claims Administrator shall communicate with the claimant in order to attempt to remedy the curable deficiencies in the Proof of Claim submitted. The Claims Administrator shall notify, in a timely fashion and in writing, each claimant whose Proof of Claim it proposes to reject in whole or in part, setting forth the reasons therefor, and shall indicate in such notice that the claimant whose claim is to be rejected has the

---

right to a review by the Court if the claimant so desires and complies with the requirements of subparagraph (e) below;

(e) If any claimant whose claim has been rejected in whole or in part desires to contest such rejection, the claimant must, within twenty (20) days after the date of mailing of the notice required in subparagraph (d) above, serve upon the Claims Administrator a notice and statement of reasons indicating the claimant’s grounds for contesting the rejection along with any supporting documentation, and requesting a review thereof by the Court. If a dispute concerning a claim cannot be otherwise resolved, Plaintiffs’ Co-Lead Counsel shall thereafter present the request for review to the Court; and

(f) The administrative determinations of the Claims Administrator accepting and rejecting claims shall be presented to the Court, on notice to Defendants’ Counsel, for approval by the Court in the Class Distribution Order.

16. Each claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to the claimant’s claim, and the claim will be subject to investigation and discovery under the Federal Rules of Civil Procedure, provided that such investigation and discovery shall be limited to that claimant’s status as a Class Member and the validity and amount of the claimant’s claim. No discovery shall be allowed on the merits of the Action or Settlement in connection with processing of the Proofs of Claim.

17. Payment pursuant to this Settlement shall be deemed final and conclusive against all Class Members. All Class Members whose claims are not approved by the Court shall be barred from participating in distributions from the Net Settlement Fund, but otherwise shall be bound by all of the terms of this Stipulation and the Settlement, including the terms of the

---

Judgment to be entered in the Action and the releases provided for herein, and will be barred from bringing any action against the Released Parties concerning the Settled Claims.

18. All proceedings with respect to the administration, processing and determination of claims described by ¶ 15 of this Stipulation and the determination of all controversies relating thereto, including disputed questions of law and fact with respect to the validity of claims, shall be subject to the jurisdiction of the Court.

19. The Net Settlement Fund shall be distributed to Authorized Claimants by the Claims Administrator after the Effective Date on notice to Defendants’ Counsel pursuant to Order of the Court.

**TERMS OF ORDER FOR NOTICE AND HEARING**

20. Concurrently with their application for preliminary Court approval of the Settlement contemplated by this Stipulation, Plaintiffs’ Co-Lead Counsel and Defendants’ Counsel jointly shall apply to the Court for entry of an Order for Notice and Hearing, substantially in the form annexed hereto as Exhibit A.

**TERMS OF FINAL JUDGMENT**

21. If the Settlement contemplated by this Stipulation is approved by the Court, counsel for the parties shall request that the Court enter a Judgment substantially in the form annexed hereto as Exhibit B.

**OPT-OUT TERMINATION RIGHT**

22. The Defendants may terminate this Settlement if Class Members who in total purchased in excess of ten percent (10%) of the shares of Biovail common stock purchased during the Class Period exclude themselves from the Class. In the event of a termination by the Defendants, this Stipulation shall become null and void and of no further force and effect and the provisions of ¶ 25 shall apply. If the Defendants elect to terminate this Settlement pursuant to

---

this paragraph written notice of such termination must be provided to Plaintiffs’ Co-Lead Counsel on or before seven (7) calendar days prior to the Settlement Fairness Hearing. Plaintiffs’ Co-Lead Counsel shall have the right to communicate with Class Members regarding their decisions to opt-out. If a sufficient number of Class Members withdraw their requests for exclusion such that the total number of remaining shares requesting exclusion falls below the ten percent (10%) threshold noted above, Plaintiffs’ Co-Lead Counsel shall so advise Defendants’ Counsel and any notice by Defendants of termination of the Settlement shall automatically and immediately become null and void.

**EFFECTIVE DATE OF SETTLEMENT, WAIVER OR TERMINATION**

23.       The “Effective Date” of Settlement shall be the date when all the following shall have occurred:
- (a)       approval by the Court of the Settlement, following notice to the Class and a hearing, as prescribed by Rule 23 of the Federal Rules of Civil Procedure; and

(b)       entry by the Court of a Judgment, substantially in the form set forth in Exhibit B annexed hereto, and the expiration of any time for appeal or review of such Judgment, or, if any appeal is filed and not dismissed, after such Judgment is upheld on appeal in all material respects and is no longer subject to review upon appeal or review by writ of certiorari, or, in the event that the Court enters a judgment in a form other than that provided above (“Alternative Judgment”) and none of the parties hereto elect to terminate this Settlement, the date that such Alternative Judgment becomes final and no longer subject to appeal or review.
24.       Defendants or Lead Plaintiffs shall have the right to terminate the Settlement and thereby this Stipulation by providing written notice of their election to do so (“Termination Notice”) to all other parties hereto within thirty (30) days of: (a) the Court’s declining to enter
-

the Order for Notice and Hearing in any material respect; (b) the Court’s refusal to approve this Settlement as set forth in this Stipulation or any material part of it; (c) the Court’s declining to enter the Judgment in any material respect; (d) the date upon which the Judgment is modified or reversed in any material respect by the Court of Appeals or the Supreme Court; or (e) the date upon which an Alternative Judgment is modified or reversed in any material respect by the Court of Appeals or the Supreme Court.

25. Except as otherwise provided herein, in the event the Settlement is terminated, then the parties to this Stipulation shall be restored to their respective status in the Action as of December 7, 2007 and, except as otherwise expressly provided, the parties shall proceed in all respects as if this Stipulation and any related orders had not been entered. Furthermore, the Escrow Agent shall pay from the Escrow Account the sum of (a) an amount equal to that portion of the Settlement Amount previously paid by Biovail and the insurers to the Escrow Agent as agent for the Class; and (b) an amount equal to any interest or other income earned thereon; less the sum of (c) an amount equal to any Taxes paid or due with respect to such income; and (d) an amount equal to costs of administration and notice actually incurred and paid or payable from the Settlement Amount, to Biovail or the insurers (as the case may be). For greater certainty, the amount to be paid to Biovail and each of the insurers will be an amount equal to the sum of each payor’s pro-rata share of (a) and (b) in the preceding sentence, less each payor’s pro-rata share of (c) in the preceding sentence. The amount in (d) shall be treated as a defense cost to be deducted from the payment due to the insurer then responsible for paying or advancing defense costs. Such payments will be made within thirty (30) days of termination. It shall be Defendants’ responsibility to timely notify the Escrow Agent what the pro-rata share of each payor was and which insurer’s payment is to be reduced by the amount in (d).

---

**NO ADMISSION OF WRONGDOING**

26. This Stipulation, whether or not consummated or terminated, and any proceedings taken pursuant to it:

(a) shall not be offered or received against any of the Defendants as evidence of or construed as or deemed to be evidence of any presumption, concession, or admission by any of the Defendants with respect to the truth of any fact alleged by any of the Plaintiffs or the validity of any claim that has been or could have been asserted in the Action or in any litigation, or the deficiency of any defense that has been or could have been asserted in the Action or in any litigation, or of any liability, negligence, fault, or wrongdoing of any of the Defendants;

(b) shall not be offered or received against any of the Defendants as evidence of a presumption, concession or admission of any fault, misrepresentation or omission with respect to any statement or written document approved or made by any of the Defendants;

(c) shall not be offered or received against any of the Defendants as evidence of a presumption, concession or admission with respect to any liability, negligence, fault or wrongdoing, or in any way referred to for any other reason as against any of the Defendants, in any other civil, criminal or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Stipulation; provided, however, that if this Stipulation is approved by the Court, the Defendants may refer to it to effectuate the liability protection granted them hereunder;

(d) shall not be construed against any of the Defendants as an admission or concession that the consideration to be given hereunder represents the amount which could be or would have been recovered after trial; and

---

(e) shall not be construed as or received in evidence as an admission, concession or presumption against Lead Plaintiffs or any of the other Class Members that any of their claims are without merit, or that any defenses asserted by the Defendants have any merit, or that damages recoverable under the Complaint would not have exceeded the Gross Settlement Fund.

**MISCELLANEOUS PROVISIONS**

27. All of the exhibits attached hereto are hereby incorporated by reference as though fully set forth herein.

28. Each Defendant contributing to the Settlement Amount warrants as to himself or itself that, as to the payments made by or on behalf of him or it to the Settlement Amount, at the time of such payment that the Defendant made or caused to be made pursuant to ¶ 4 above, he or it was not insolvent, nor will the payment required to be made by or on behalf of him or it render such Defendant insolvent, within the meaning of and/or for the purposes of the United States Bankruptcy Code, including §§ 101 and 547 thereof. This warranty is made by each such Defendant and not by such Defendant’s Counsel.

29. If a case is commenced in respect of any Defendant contributing the Settlement Amount (or any insurer contributing funds to the Settlement Amount on behalf of any Defendant) under Title 11 of the United States Code (Bankruptcy), or a trustee, receiver, conservator, or other fiduciary is appointed under any similar law, and in the event of the entry of a final order of a court of competent jurisdiction determining the transfer of money to the Gross Settlement Fund or any portion thereof by or on behalf of such Defendant to be a preference, voidable transfer, fraudulent transfer or similar transaction and any portion thereof is required to be returned and is in fact returned to such bankrupt Defendant or to the insurer who

---

contributed the funds to the Settlement Amount on behalf of the Bankrupt Defendant, and such amount is not promptly deposited to the Gross Settlement Fund by others, then, at the election of Plaintiffs' Co-Lead Counsel, the parties shall jointly move the Court to vacate and set aside the releases given and Judgment entered in favor of the Defendants pursuant to this Stipulation, which releases and Judgment shall be null and void, and the parties shall be restored to their respective positions in the litigation as of December 7, 2007 and an amount equal to the amount computed in ¶ 25 above, less any amount already in fact returned to the bankrupt Defendant or to the insurer who contributed the funds to the Settlement Amount on behalf of the Bankrupt Defendant, shall be paid to Biovail or the insurers (as the case may be).

30. The parties to this Stipulation intend the Settlement to be a final and complete resolution of all disputes asserted or which could be asserted by the Class Members against the Released Parties with respect to the Settled Claims. Accordingly, Lead Plaintiffs and Defendants agree not to make any disparaging remarks about each other in any public statements concerning this litigation or the Settlement of this litigation and Lead Plaintiffs and Defendants agree they will not assert in any forum that the litigation was brought by Plaintiffs or defended by Defendants in bad faith or without a reasonable basis. The parties hereto shall assert no claims of any violation of Rule 11 of the Federal Rules of Civil Procedure relating to the prosecution, defense, or settlement of the Action. The parties agree that the amount paid and the other terms of the Settlement were negotiated at arm's-length in good faith by the parties, and reflect a settlement that was reached voluntarily after consultation with experienced legal counsel.

31. This Stipulation may not be modified or amended, nor may any of its provisions be waived except by a writing signed by all parties hereto or their successors-in-interest.

---

32. The headings herein are used for the purpose of convenience only and are not meant to have legal effect.

33. The administration and consummation of the Settlement as embodied in this Stipulation shall be under the authority of the Court, and the Court shall retain jurisdiction for the purpose of entering orders providing for awards of attorneys' fees and expenses to Plaintiffs' Co-Lead Counsel and enforcing the terms of this Stipulation.

34. The waiver by one party of any breach of this Stipulation by any other party shall not be deemed a waiver of any other prior or subsequent breach of this Stipulation.

35. This Stipulation and its exhibits constitute the entire agreement among the parties hereto concerning the Settlement of the Action, and no representations, warranties, or inducements have been made by any party hereto concerning this Stipulation and its exhibits other than those contained and memorialized in such documents.

36. This Stipulation may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument.

37. This Stipulation shall be binding upon, and inure to the benefit of, the successors and assigns of the parties hereto.

38. The construction, interpretation, operation, effect and validity of this Stipulation, and all documents necessary to effectuate it, shall be governed by the internal laws of the State of New York without regard to conflicts of laws, except to the extent that federal law requires that federal law governs.

39. No opinion or advice concerning the tax consequences of the proposed Settlement to individual Class Members is being given or will be given by Plaintiffs' Co-Lead Counsel or counsel for the Defendants; nor is any representation or warranty in this regard made by virtue of

---

this Stipulation. Each Class Member’s tax obligations, and the determination thereof, are the sole responsibility of the Class Member, and it is understood that the tax consequences may vary depending on the particular circumstances of each individual Class Member.

40. This Stipulation shall not be construed more strictly against one party than another merely by virtue of the fact that it, or any part of it, may have been prepared by counsel for one of the parties, it being recognized that it is the result of arm’s-length negotiations between the parties and all parties have contributed substantially and materially to the preparation of this Stipulation.

41. All counsel and any other person executing this Stipulation and any of the exhibits hereto, or any related settlement documents, warrant and represent that they have the full authority to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Stipulation to effectuate its terms.

42. Plaintiffs’ Co-Lead Counsel and Defendants’ Counsel agree to cooperate fully with one another in seeking Court approval of the Order for Notice and Hearing, the Stipulation

---

and the Settlement, and to promptly agree upon and execute all such other documentation as may be reasonably required to obtain final approval by the Court of the Settlement.

IN THE MATTER OF THE SECURITIES ACT,  
R.S.O. 1990, c. S.5, as amended

-and-

IN THE MATTER OF BIOVAIL CORPORATION, EUGENE N. MELNYK,  
BRIAN H. CROMBIE, JOHN R. MISZUK and KENNETH G. HOWLING

SETTLEMENT AGREEMENT BETWEEN  
STAFF OF THE ONTARIO SECURITIES COMMISSION AND  
BIOVAIL CORPORATION

**I. INTRODUCTION**

- 1. By Notice of Hearing and related Statement of Allegations dated March 24, 2008 (the “Notice of Hearing”), the Ontario Securities Commission (the “Commission”) announced that it proposed to hold a hearing to consider whether, pursuant to s. 127 and s. 127.1(1) and (2) of the *Securities Act*, R.S.O. 1990, c. S.5, as amended (the “Act”), it is in the public interest to make certain orders against Biovail Corporation (“Biovail”), Eugene N. Melnyk (“Melnyk”), Brian H. Crombie (“Crombie”), John R. Miszuk (“Miszuk”) and Kenneth G. Howling (“Howling”) as described in the Notice of Hearing.

**II. JOINT SETTLEMENT RECOMMENDATION**

- 2. Staff of the Commission (“Staff”) agree to recommend settlement of the proceeding initiated in respect of Biovail by the Notice of Hearing in accordance with the terms and conditions set out below. Biovail agrees to the settlement on the basis of the facts agreed to in Part IV and consents to the making of an Order in the form attached as Schedule “A”.

**III. ACKNOWLEDGEMENT**

- 3. Biovail admits the facts set out in Part IV of this Settlement Agreement solely for the purposes of this Settlement Agreement. This Settlement Agreement and the
-

facts and admissions set out herein are without prejudice to Biovail in any other proceeding including, without limitation, any civil, administrative, quasi-criminal or criminal actions or proceedings that may be brought by any person or agency, whether or not this Settlement Agreement is approved by the Commission. On March 24, 2008 Biovail announced that it had resolved a proceeding issued on that day by the United States Securities and Exchange Commission involving similar issues to those raised in this proceeding.

4. Without limiting the generality of the foregoing, Staff and Biovail expressly agree that this Settlement Agreement and the facts and admissions contained in it are made without prejudice to any other respondent to this proceeding and are not intended to, and do not, bind any other respondent to this proceeding, whether in this proceeding or in any other proceeding. In particular, Staff and Biovail acknowledge that Staff intends to pursue all of the allegations raised in the Notice of Hearing against all of the remaining respondents.

#### **IV. FACTS**

5. Biovail is a reporting issuer in the province of Ontario. The common shares of Biovail are listed and posted for trading on the Toronto Stock Exchange and the New York Stock Exchange.
6. Biovail is Canada's largest publicly traded pharmaceutical company. Since the mid-1990s, Biovail's strategy has been to apply advanced drug-delivery technologies to improve the clinical effectiveness of medicines. The Company's business strategy involves commercializing these products both directly (as is the case in Canada) and through strategic partners. Its main therapeutic areas of focus have historically been central nervous system disorders, pain management and cardiovascular disease.
7. Melnyk was the Chairman of the Board of Directors of Biovail until his resignation from the Board effective June 30, 2007. From December 2001 to October 2004 Melnyk was Chairman and Chief Executive Officer of Biovail. Melnyk resigned as

CEO of Biovail on October 8, 2004. Melnyk first became a Director of Biovail in March of 1994. Melnyk became Executive Chairman of the Board of Biovail in November of 2004 and relinquished that title on June 27, 2006. Melnyk is no longer employed by Biovail and is no longer a director of Biovail.

8. Crombie was the Chief Financial Officer of Biovail from May 2000 to August 2004. He became the Senior Vice-President, Strategic Development in August 2004. Crombie is no longer employed by Biovail.
9. Miszuk was the Vice-President, Controller and Assistant Secretary of Biovail until 2008. He had held the positions of Vice-President and Controller since November of 1997, and the position of Assistant Secretary since June of 2000. Miszuk is no longer employed by Biovail
10. Howling was a Senior Vice-President and held the position of Chief Financial Officer of Biovail in 2006 and 2007. Howling was Biovail's Vice-President, Finance and Corporate Affairs from October 2004 to 2006 and Vice-President, Finance from May 2000 to October 2004. During the Material Time (as defined below), Howling also served as Biovail's head of investor relations.

#### **Overview**

11. The conduct at issue relates to Biovail's annual financial statements for the fiscal year ended December 31, 2001, interim financial statements for Q3 of 2001, Q1, Q2 and Q3 of 2002, and Q1, Q2 and Q3 of 2003, as well as conduct concerning Biovail's disclosure during that time. These time periods are referred to individually as the "Relevant Fiscal Periods" and collectively as the "Material Time".
12. As a reporting issuer in Ontario, Biovail has continuous disclosure obligations pursuant to Part XVIII of the Securities Act, R.S.O. 1990, c. S-5 as amended (the "Act"). Sections 77 and 78 of the Act and related provisions in the Regulations direct that all financial statements filed with the Commission must be prepared in accordance with generally accepted accounting principles ("GAAP") recommended

in the Handbook of the Canadian Institute of Chartered Accountants. Moreover, all financial statements and other material filed with the Commission must not be misleading or untrue or omit a fact which would render them misleading.

13. Biovail filed with the Commission during the Material Time financial statements that, while represented to be prepared in accordance with Canadian GAAP, were, to the extent described herein, not prepared in accordance with Canadian GAAP and therefore such filings were contrary to sections 77 and 78 of the Act. Further, Biovail's representations that the financial statements had been prepared in accordance with Canadian GAAP were, to the extent described below, materially inaccurate, contrary to Ontario securities law and the public interest.
14. The matters that are the subject of this Settlement Agreement fall into five general categories:
  - (a) Biovail's failure to disclose in the documents filed with the Commission which are listed in Schedule "B" hereto (Biovail's "Public Disclosure") the establishment of and its arrangements with Pharmaceutical Technologies Corporation ("PTC");
  - (b) Biovail's improper recognition in its interim financial statements for Q2 of 2003 of revenue relating to a sale of Wellbutrin XL tablets;
  - (c) Biovail's failure to correct and disclose, on a timely basis, a material error in its 2003 financial statements;
  - (d) Biovail's dissemination of incorrect statements in certain press releases in October 2003 and March 2004, in an analyst conference call held on October 3, 2003, and in investor meetings held in October 2003 relating to a truck accident; and
  - (e) Biovail's provision of materially inaccurate information to OSC Staff during a continuous disclosure review conducted in 2003 and 2004 (the "Continuous Disclosure Review").

**Biovail’s Failure to Disclose the Establishment of and its Arrangements with PTC**

**(a) The Establishment and Activities of PTC**

- 15. In 2001, Biovail sponsored the creation of a research and development vehicle, eventually incorporated as PTC. PTC was created to engage in the application of Biovail’s drug delivery technologies to the formulation and development of a portfolio of six products.
- 16. On June 28, 2001, an individual equity investor acquired 100 percent of the common shares of PTC for \$U.S. 1 million. The equity investor acted as a consultant to Biovail from November 1999 to November 2001.
- 17. On June 29, 2001, the equity investor entered into a Share Option Agreement pursuant to which the equity investor granted to Biovail an irrevocable option, exercisable at any time until December 31, 2006 and at Biovail’s sole discretion, to purchase all, but not less than all, of the outstanding common shares of PTC, at a price that increased over time.
- 18. On June 29, 2001, PTC entered into a Product Development and Royalty Agreement (“PDRA”) with Biovail. Under the PDRA, PTC contracted to develop six products owned by Biovail Laboratories Inc. (“BLI”), a Biovail subsidiary, in exchange for the receipt of royalties upon the commercialization and sale of these products. PTC was also granted a license to use certain technology owned by BLI to complete the development of the products.
- 19. During the period June 30, 2001 to December 31, 2002, PTC engaged Biovail and third party developers to carry out research and development activities for the products in question.
- 20. On December 31, 2002, Biovail acquired 100 percent of the outstanding shares of PTC for \$22,600,000, including costs of acquisition. Biovail represents that, through the acquisition of PTC, Biovail extinguished any future milestone or

royalty obligations that Biovail may have had to PTC resulting from the approval and successful commercialization of any of the products.

**(b) Biovail's Failure to Disclose its Arrangements with PTC**

21. During the period from June 2001 to December 2002 an issuer's continuous disclosure obligations included the filing of an Annual Information Form ("AIF") and an annual and interim Management's Discussion & Analysis ("MD&A") accompanying its financial statements. OSC Rule 51-501- "AIF & MD&A" set out the filing and delivery requirements of AIF and MD&A, as well as the form and content of these documents. The AIF was to be prepared in accordance with Form 44-101F1 and the MD&A was to be prepared in accordance with Form 44-101F2.
22. Pursuant to these disclosure requirements, Biovail was required to disclose, among other things, any event occurring during the reporting period that was reasonably expected to have a material effect on Biovail's business, financial condition or results of operations. Biovail filed AIFs and annual and interim MD&As during the Material Time.
23. On November 5, 2001, Biovail filed a Short Form Base Shelf Prospectus with the Canadian provincial securities commissions in relation to the potential sale of up to U.S. \$1.5 billion in any combination of common shares, debt securities and warrants. Subsequently, on November 14, 2001 and March 26, 2002, Biovail filed two Prospectus Supplements for offerings of 12.5 million common shares for U.S. \$587.5 million and U.S. \$400 million of senior subordinated notes, respectively (the "Prospectus Supplements"). All of these filings are referred to collectively as the "Prospectuses". Biovail was required to provide full, true and plain disclosure of material facts in the Prospectuses.
24. The Prospectus Supplement filed on November 14, 2001 incorporated by reference, among other things, the Q3 interim financial statements for the 2001 fiscal year. The Prospectus Supplement filed on March 26, 2002 also incorporated by reference, among other things, its press release dated February 21, 2002 containing

condensed consolidated balance sheets and income statements as at December 31, 2001.

25. The transfer of the development of the products and the related development expenses from Biovail to PTC was an event that was reasonably expected to have a material effect on Biovail's business, financial condition or results of operations and was a material fact.
26. The acquisition of PTC by Biovail was disclosed in a Form 20-F filed on May 20, 2003, which contained the annual and Q4 interim financial statements for its 2002 fiscal year. This was several months after Biovail had purchased PTC.
27. Biovail failed to disclose in its Public Disclosure during the Material Time the existence of PTC and the nature and substance of Biovail's arrangements with PTC. In so doing, Biovail violated the requirements of Ontario securities law and acted in a manner contrary to the public interest.

**Misleading Information Provided to OSC Staff during Continuous Disclosure Review**

28. During the Continuous Disclosure Review, Staff requested information from Biovail in relation to several issues, including the arrangements between Biovail and PTC.
29. A letter to Staff from Biovail dated January 28, 2003 contained the following statement: "[n]one of Biovail, nor any of its affiliates, directors or officers were involved in the formation of [PTC]". This statement was materially inaccurate. By making this statement, Biovail violated Ontario securities law and engaged in conduct contrary to the public interest.

**Improper Revenue Recognition in Q2 2003 Financial Statements — the Wellbutrin XL Bill and Hold Arrangement**

30. On July 29, 2003, Biovail released its financial results for the quarter ending June 30, 2003 (the "Q2 2003 Press Release"). These results were further disseminated in a conference call and webcast held on July 29, 2003 (the "Q2 2003 Analyst

Call”). Biovail subsequently filed financial statements for this quarter with the Commission on August 29, 2003 (the “Q2 2003 Financial Statements”).

31. The Q2 2003 Press Release, Q2 2003 Analyst Call and the Q2 2003 Financial Statements included in Biovail’s revenue for the quarter approximately U.S. \$8 million relating to a sale of Wellbutrin XL (“WXL”) tablets to GlaxoSmithKline PLC (“GSK”) that was purportedly carried out on a “bill-and-hold” basis. Inclusion of this amount in revenue for the quarter increased Biovail’s operating income by approximately U.S. \$4.4 million. The transaction did not meet all of the revenue recognition requirements under Canadian GAAP for a bill and hold arrangement. Accordingly, the inclusion of the revenue in Q2 2003 was improper.

**(a) The Wellbutrin XL Agreement**

32. On October 26, 2001, Biovail (through its subsidiary BLI) entered into a Development, License and Co-Promotion Agreement with GSK. This agreement was modified by a Memorandum of Understanding effective January 1, 2003 (together, these two documents form the “Agreement”). Under the Agreement, Biovail agreed to manufacture and supply all of GSK’s requirements for tablets of WXL.
33. Under the Agreement, Biovail was to supply GSK with WXL tablets at two price points: “trade” prices for tablets which were to be sold to the public, and “sample” prices for tablets which were to be distributed free through physicians in order to promote the tablets in the marketplace.
34. Under the Agreement, the prices were fixed for sample tablets. Prices for trade tablets were based upon a tiered percentage of GSK’s net sales of WXL, and were higher than the sample tablet prices. The Agreement contemplated that Biovail would package the trade tablets at its own expense.
35. At the time of entering into the Agreement, WXL had not been approved by the U.S. Food and Drug Administration, and thus could not be sold to the public.

36. The FDA approved WXL on August 28, 2003. This included approving the form of packaging and labelling for WXL.
- (b) GSK's Purchase Orders**
37. The Agreement did not impose an obligation on Biovail to manufacture WXL prior to FDA approval. The Agreement did not make specific provision, whether through milestone payments or otherwise, for the expenses of pre-launch manufacture of WXL. It also did not specifically contemplate a price at which pills manufactured prior to launch would be sold.
38. During 2002, Biovail and GSK representatives met to discuss the pre-launch manufacture of WXL.
39. In April 2003, GSK sent out an initial order for 30,400,000 WXL tablets, for which it proposed to pay the sample prices provided in the Agreement (the "April Purchase Order"). These tablets were requested for June delivery.
40. Throughout April, May and June 2003, GSK and Biovail representatives continued to discuss the pre-launch manufacture of WXL. The parties agreed that in addition to the April Purchase Order, GSK would place an order for WXL for which it would pay a fixed price.
41. On June 20, 2003, GSK sent Biovail a purchase order requesting 27,090,000 WXL tablets at a fixed price per tablet and a \$1.00 per bottle packaging fee (the "June Purchase Order"). The June Purchase Order replaced the April Purchase Order and therefore also contained an order for 30,400,000 WXL tablets at sample prices.

**(c) The Recognition of Revenue**

42. On June 30, 2003, Biovail invoiced GSK for a total of 18,020,244 WXL tablets at fixed trade prices for a total amount of \$8,073,051.24 (the "June Invoice"). Biovail recorded this latter figure as revenue for its fiscal quarter ending June 30, 2003. The inclusion of this revenue increased Biovail's operating income for the quarter by approximately \$4.4 million, which was a material amount.

**(d) The Purported Bill-And-Hold Arrangement**

43. The June Invoice identified by lot number the specific WXL tablets that it encompassed (the “Specified Tablets”). Biovail represents that, subsequent to June 30, 2003, it maintained the Specified Tablets in a segregated area of its warehouse in Steinbach, Manitoba, and in a designated “site” in its inventory system. Biovail did not, however, supply all of the Specified Tablets to GSK in accordance with the terms reflected on the June Purchase Order and the June Invoice.
44. On August 1, 2003 and August 22, 2003, Biovail shipped some of the Specified Tablets to GSK as sample product. By August 31, 2003 Biovail had replaced most of those Specified Tablets with new WXL tablets (the “Pill Switch”).
45. Biovail ultimately cancelled the June Invoice and re-issued a different invoice, with different lot numbers, reflecting the sale of the new WXL tablets at the fixed prices agreed in the June Purchase Order. Credit notes were issued to prevent double-billing.
46. In July 2003, during the review of Biovail’s Q2 2003 financial statements by Biovail’s auditors, Biovail was questioned about the sale of the Specified Tablets at fixed trade prices. Biovail did not, at that time, inform its auditors that the sale was conducted on a “bill and hold” basis or of the Pill Switch.
47. In early 2004, as part of their 2003 year-end audit, Biovail’s auditors questioned the WXL revenue recorded on June 30. In response, Biovail represented that the WXL arrangement had been conducted on a bill-and-hold basis. Biovail represented that it had reached an agreement with GSK prior to June 30, 2003 that the Specified Tablets would be initially segregated within its warehouse and later shipped to GSK after FDA approval was received. The auditors required Biovail to obtain confirmation of certain particulars of the bill and hold arrangement that had not been memorialized in any contemporaneous documentation. Biovail asked for and received confirmation from GSK in the form required by the auditor.

**(e) Premature Recognition of Revenue**

48. Canadian GAAP provides that in most cases, revenue is not recognized until the passing of possession of goods. In other words, in most cases, revenue should not be recognized until delivery has occurred. Delivery generally is not considered to have occurred unless the product has been delivered to the customer's place of business or to another site specified by the customer.
49. "Bill and hold" transactions, in which delivery of the goods does not immediately take place, provide an exception to general revenue recognition principles. Such transactions, however, must meet very specific accounting requirements.
50. Biovail represents that it recognized the revenue with respect to the sale of the Specified Tablets on June 30, 2003 on a "bill and hold" basis.
51. However, Biovail now acknowledges that the revenue recognition requirements, under Canadian GAAP, for a "bill and hold" arrangement were not met with respect to the Specified Tablets.
52. Accordingly Biovail should not have recognized revenue in its Q2 2003 Financial Statements from the sale of WXL pills pursuant to the purported "bill and hold" arrangement. Biovail therefore violated Ontario securities law and engaged in conduct contrary to the public interest.
53. In its Q2 2003 Press Release and Q2 2003 Analyst Call, Biovail disseminated the financial results which incorporated this improperly recognized revenue. Doing so violated Ontario securities law and was contrary to the public interest.

**Biovail's Failure to Correct and Disclose on a Timely Basis a Material Financial Statement Error — The Foreign Exchange Error**

54. On April 29, 2003 Biovail released its financial results for the quarter ending March 31, 2003 (the "Q1 2003 Press Release"). As set out above, Biovail released its financial results for Q2 2003 on July 29, 2003. On October 30, 2003 Biovail released its financial results for the quarter ending September 30, 2003 (the "Q3

2003 Press Release”). Biovail subsequently filed financial statements for the first quarter on May 30, 2003 (the “Q1 2003 Financial Statements” ), for the second quarter on August 29, 2003 (as defined above, the “Q2 2003 Financial Statements”) and for the third quarter on November 28, 2003 (the “Q3 2003 Financial Statements”).

55. Biovail failed to account properly for an obligation denominated in Canadian dollars in its Q1 2003 Financial Statements, its Q2 2003 Financial Statements and its Q3 2003 Financial Statements. Although questions regarding the proper recording of the Canadian dollar obligation had been raised by Biovail accounting personnel in early July 2003, prior to the release of its Q2 2003 financial results and the filing of the Q2 2003 Financial Statements, Biovail did not disclose the error until it issued on March 3, 2004 its earnings release for the fourth quarter 2003 and the full fiscal year ended December 31, 2003 (the “March 3, 2004 Press Release”).
56. In December of 2002, Biovail, through its subsidiary BLI, acquired the rights to certain drugs. In so doing, Biovail assumed an obligation denominated in Canadian dollars. Since Biovail reported its results in U.S. dollars, it was required to account for this obligation in its financial statements in U.S. dollars. Biovail properly accounted for this obligation in December 2002 when it converted the obligation from Canadian dollars to U.S. dollars using the then current U.S.\$/CAN\$ exchange rate (“FX Rate”).
57. Canadian GAAP requires that any outstanding balance of a foreign currency denominated obligation that is a monetary item be revalued using the FX Rate current at each balance sheet date. At March 31, 2003, however, Biovail, continued to use the FX Rate from December 2002 (the “Error”). Biovail also continued to use the FX Rate from December 2002 on June 30, 2003 and September 30, 2003. The interim financial statements for Q1, Q2 and Q3 of 2003 therefore did not accurately reflect any unrealized exchange losses or gains and the outstanding balance of the obligation.

58. In early July 2003, the Error was raised with Biovail by BLI. Biovail represents that no immediate steps were taken to analyse the issue and confirm whether the appropriate accounting treatment was being used. The interim financial statements issued for Q2 2003 and Q3 2003 continued to record the debt obligation based on the FX Rate as of December 2002.
59. In 2004, in consultation with its auditors, Biovail took steps to file restated interim financial statements for Q1, Q2 and Q3 2003. Biovail disclosed the Error in a Press Release on March 3, 2004 and filed its restated interim financial statements on May 14, 2004. As a result of the restatement, Biovail's net income decreased by U.S. \$5.4 million and \$3.9 million for the Q1 and Q2 2003 Financial Statements respectively, and increased by \$3.1 million for the Q3 2003 Financial Statements.
60. In relation to the Error, Biovail failed to promptly analyze and deal with an issue that had the potential to, and did in fact, have a material effect on their financial statements. This resulted in the material under-reporting of income in one quarter, and the material over-reporting of income in two quarters. Biovail's conduct in this regard was contrary to Ontario securities law and the public interest.

**Biovail's Statements in Press Releases — The Truck Accident**

61. Biovail made statements in press releases issued on October 3, 8 and 30, 2003 and March 3, 2004 that, in a material respect, inaccurately disclosed the implications, for Biovail, of a truck accident that occurred on October 1, 2003.
62. The press releases concerned Biovail's disclosure that its preliminary financial results for its third quarter of 2003 would be below previously issued guidance. Particulars of the statements are outlined below.

**(a) Biovail's Revenue and Earnings Expectations**

63. On February 7, 2003, Biovail publicly disclosed in a press release its revenue and earnings guidance for 2003. The revenue range projected for the third quarter of 2003 was U.S. \$260 million to U.S. \$300 million.

64. Biovail did not achieve its third quarter 2003 revenue and earnings expectations. Rather, in its October 30, 2003 press release, Biovail reported U.S. \$215.3 million in revenue for that quarter.

**(b) The October 3, 2003 Press Release**

65. In a press release issued on October 3, 2003 (the “October 3, 2003 Press Release”), Biovail stated that its preliminary results for its 2003 third quarter “will be below previously issued guidance...Contributing significantly to this unfavourable variance was the loss of revenue and income associated with a significant in-transit shipment loss of Wellbutrin XL as a result of a traffic accident ... Revenue associated with this shipment is in the range of [U.S.] \$10 to [U.S.] \$20 million”.
66. A truck carrying WXL tablets, destined for GSK’s facility in the United States, departed from Biovail’s warehouse in Steinbach, Manitoba on September 30, 2003.
67. The contractual delivery term between Biovail and GSK meant that Biovail would be entitled to recognize the revenue associated with a WXL shipment only when that shipment reached GSK’s facility.
68. The truck carrying the WXL shipment was scheduled to reach GSK’s facility after September 30, 2003. Biovail, therefore, could recognize the revenue associated with the WXL shipment only in its fourth quarter which ended on December 31, 2003.
69. On October 1, 2003, the truck carrying the WXL shipment was involved in an accident. However, given the f.o.b. destination contractual term, the truck accident had no impact on Biovail’s revenue for its 2003 third quarter.
70. The traffic accident referred to in the press release was therefore not a reason for Biovail’s failure to meet its previously issued revenue guidance for the third quarter of 2003.
71. The October 3, 2003 Press Release also stated that “[r]evenue associated with the [WXL] shipment was in the range of [U.S.] \$10 million to [U.S.] \$20 million”.

This statement was incorrect. Regardless of the truck accident, Biovail would not have been able to recognize the associated revenue until its fourth quarter for the reasons outlined above. Further, Biovail's statement that the value of the WXL shipment was U.S. \$10 million to U.S. \$20 million was materially in error. Biovail later stated in a March 3, 2004 press release, discussed below, that the "actual revenue loss" from the shipment on the truck was U.S. \$5 million.

**(c) The October 8, 2003 Press Release**

72. On October 8, 2003, Biovail issued a further press release (the "October 8, 2003 Press Release") which stated that Biovail had recovered the WXL shipment involved in the accident and that 60 percent of the shipment was saleable and might be re-shipped within 30 days. The press release went on to state "Biovail re-confirms that the sales value of these goods is within previously stated guidance".

**(d) The October 30, 2003 Press Release**

73. In its earnings press release for the third quarter of 2003 issued on October 30, 2003 (the "October 30, 2003 Press Release"), Biovail stated that "[a] late third quarter 2003 shipment of Wellbutrin XL involved in an accident outside of Chicago was returned to Biovail's facility on October 8, 2003 for inspection. No revenue was recognized from this shipment in Q3 2003."

**(e) The March 3, 2004 Press Release**

74. The March 3, 2004 Press Release stated that "Biovail announced [on October 3, 2003] that its estimated revenue from Wellbutrin XL for third quarter 2003 would be less than [U.S.] \$10 million partially as a result of the truck accident and that the loss in revenue due to the accident would be in the range of [U.S.] \$10.0 million to [U.S.] \$20.0 million". The March 3, 2004 Press Release further stated that "the actual revenue loss from the accident was determined to be [U.S.] \$5.0 million". In fact, Biovail knew that there was no revenue loss in Q3 2003 as a result of the truck accident.

75. The October 8 and October 30, 2003 Press Releases, and the March 3, 2004 Press Release continued to disseminate the prior information provided by Biovail in its October 3, 2003 Press Release and failed to correct the incorrect information previously provided to the investing public.

**(f) October 3, 2003 Analyst Call**

76. Biovail held a conference call with analysts and a webcast held on October 3, 2003 following the release of the October 3, 2003 Press Release (the “October 3, 2003 Analyst Call”). During the October 3, 2003 Analyst Call, Biovail stated that the accident would have a material negative financial impact on its third quarter revenues. Biovail further stated that the negative impact of the truck accident on revenue would be in the range of U.S. \$15 million to U.S. \$20 million.
77. During the October 3, 2003 Analyst Call, an analyst questioned whether the accident would have fourth quarter rather than third quarter implications. Biovail responded that it was purely a third quarter issue.
78. For the reasons previously described, the above statements were incorrect in a material respect.

**(g) October 2003 Investor Meetings**

79. In October 2003, Biovail held a series of meetings with investors to, among other things, deal with questions surrounding the truck accident and the related announcements that followed (the “Investor Meetings”). The Investor Meetings took place in various cities on October 10, 13, 14 and 15 of 2003. The presentation materials contained similar incorrect statements to those described above.
80. Specifically, the presentation materials included a slide with the heading “Revised third quarter guidance” which stated “Revenue and EPS effected (sic) by three items[:] 1. Wellbutrin XL shipment / traffic accident ...”. Another slide entitled “Wellbutrin XL — timing issue” stated “Impact to Q3 ... Revenue [U.S.] \$10 to [U.S.] \$20 million”.

81. In summary, in the October 3, 2003 Press Release, Biovail made the claim that a truck accident was one of the reasons for Biovail's failure to meet previously issued revenue guidance for the quarter. Also, Biovail disseminated information in its statement that the revenue associated with the WXL shipment was in the range of U.S. \$10 million to U.S. \$20 million. Biovail repeated, or implicitly reinforced these claims during the October 3, 2003 Analyst Call, and in statements made in the October 8, 2003 Press Release, the October 30, 2003 Press Release, the March 3, 2004 Press Release and the Investor Meetings.
82. Biovail should have taken greater care, from the outset, to accurately assess the revenue associated with the product on the truck, and to accurately assess whether, but for the accident, it would have been able to recognize revenue from the sale of the product on the truck in Q3. Upon learning the true state of affairs, Biovail should have clearly disclosed, at the earliest opportunity, that the truck accident was a Q4 issue. Biovail should have clearly disclosed, at the earliest opportunity, the revenue associated with the product on the truck. Biovail should have clearly disclosed, at the earliest opportunity, that previous statements suggesting that the truck accident was one of the reasons for the Q3 earnings miss, and that the revenue associated with the product on the truck was between \$10 million and \$20 million, were incorrect. By failing to do so, Biovail violated Ontario securities law and engaged in conduct contrary to the public interest.

**V. TERMS OF SETTLEMENT**

83. Biovail agrees to the terms of settlement listed below.
84. The Commission will make an order pursuant to section 127(1) and section 127.1 of the Act that:
- (a) The Settlement Agreement be approved;

Biovail Corporation, et al.*, dated March 18, 2008, Biovail has retained a consultant (the "Consultant") to conduct a comprehensive examination and review of Biovail's internal accounting controls, policies and procedures, training, ethics and compliance policies and procedures and other matters (the "Review"). The terms of reference for the Consultant are attached hereto as Schedule "C". The terms of reference for the Ontario Review are attached hereto as Schedule "D"; and
- (g) Biovail shall use its best efforts to ensure that individuals who are current or former Biovail employees, and whom Staff wishes to interview, or call to testify at the hearing in this proceeding, are made available as Staff may reasonably require. Biovail shall use its best efforts to provide such

additional documentation as Staff may reasonably require for the purposes of this proceeding.

**VI. STAFF COMMITMENT**

85. If the Commission approves this Settlement Agreement, Staff will not commence any proceeding against Biovail under Ontario securities law in relation to the facts alleged in the Notice of Hearing.
86. If the Commission approves this Settlement Agreement and Biovail fails to comply with any of the terms of the Settlement Agreement, Staff may bring proceedings under Ontario securities law against Biovail. These proceedings may be based on, but are not limited to, the facts alleged in the Notice of Hearing as well as the breach of the Settlement Agreement.

**VII. PROCEDURE FOR APPROVAL OF SETTLEMENT**

87. The parties will seek approval of this Settlement Agreement at a public hearing before the Commission according to the procedures set out in this Settlement Agreement and the Commission's Rules of Practice.
88. Staff and Biovail agree that this Settlement Agreement will form all of the agreed facts that will be submitted at the settlement hearing, unless the parties agree that additional facts should be submitted at the settlement hearing.
89. If the Commission approves this Settlement Agreement, Biovail agrees to waive all rights to a full hearing, judicial review or appeal of this matter under the Act.
90. If the Commission approves this Settlement Agreement, neither party will make any public statement that is inconsistent with this Settlement Agreement or with any additional agreed facts submitted at the settlement hearing.
91. Whether or not the Commission approves this Settlement Agreement, Biovail will not use, in any proceeding, this Settlement Agreement or the negotiation or process of approval of this agreement as the basis for any attack on the Commission's

jurisdiction, alleged bias, alleged unfairness, or any other remedies or challenges that may otherwise be available.

**PART VIII — DISCLOSURE OF SETTLEMENT AGREEMENT**

92. If the Commission does not approve this Settlement Agreement or does not make the order attached as Schedule “A” to this Settlement Agreement:
- (a) this Settlement Agreement and all discussions and negotiations between Staff and Biovail before the settlement hearing takes place will be without prejudice to Staff and Biovail; and
  - (b) Staff and Biovail will each be entitled to all available proceedings, remedies and challenges, including proceeding to a hearing of the allegations contained in the Notice of Hearing. Any proceedings, remedies and challenges will not be affected by this Settlement Agreement, or by any discussions or negotiations relating to this agreement.
93. Both parties will keep the terms of the Settlement Agreement confidential until the Commission approves the Settlement Agreement. At that time, the parties will no longer have to maintain confidentiality. If the Commission does not approve the Settlement Agreement, both parties must continue to keep the terms of the Settlement Agreement confidential, unless they agree in writing not to do so or if required by law.

**PART IX — EXECUTION OF SETTLEMENT AGREEMENT**

94. The parties may sign separate copies of this agreement. Together, these signed copies will form a binding agreement.
95. A fax copy of any signature will be treated as an original signature.

5. Pursuant to a Consent Final Judgment entered in the United States District Court for the Southern District of New York in *Securities and Exchange Commissions v. Biovail Corporation, et al.*, dated March 18, 2008, Biovail has retained a consultant (the “Consultant”) to conduct a comprehensive examination and review of Biovail’s internal accounting controls, policies and procedures, training, ethics and compliance policies and procedures and other matters (the “Review”). The terms of reference for the Consultant are attached to the Settlement Agreement as Schedule “C”. **V.**

**IT IS FURTHER ORDERED, ADJUDGED, AND DECREED** that Defendant and Defendant's agents, servants, employees, attorneys, and all persons in active concert or participation with them who receive actual notice of this Final Judgment by personal service or otherwise are permanently restrained and enjoined from violating Rule 302(b) of Regulation S-T [17 CFR § 232.302(b)] by, directly or indirectly, failing to retain for a period of five years and produce to the Commission staff upon request manually signed signature pages or other documents authenticating, acknowledging, or otherwise adopting the signatures that appear in typed form within its electronically filed annual reports on Form 20-F.

**VI.**

**IT IS FURTHER ORDERED, ADJUDGED, AND DECREED** that Defendant shall disgorge \$1, representing profits gained as a result of the conduct alleged in the Complaint, and pay a civil penalty in the amount of \$10 million pursuant to Section 20(d) of the Securities Act [ 15 U.S.C. § 77t(d)] and Section 21(d)(3) of the Exchange Act [ 15 U.S.C. § 78u(d)(3)]. Defendant shall satisfy this obligation by paying a total of \$10,000,001 within ten business days of the entry of this Final Judgment to the Clerk of this Court by means of a certified check, bank cashier's check, or United States postal money order payable to the Clerk of the Court, together

with a cover letter identifying Biovail Corporation as a defendant in this action; setting forth the title and civil action number of this action and the name of this Court; and specifying that payment is made pursuant to this Final Judgment. Defendant shall simultaneously transmit photocopies of such payment and letter to the Commission’s counsel in this action, Robert J. Keyes, U.S. Securities and Exchange Commission. New York Regional Office, 3 World Financial Center. Room 400, New York, New York 10281-1022. By making this payment, Defendant relinquishes all legal and equitable right, title, and interest in such funds, and no part of the funds shall be returned to Defendant. The Clerk shall deposit the funds into an interest bearing account with the Court Registry Investment System (“CRIS”). These funds, together with any interest and income earned thereon (collectively, the “Fund”), shall be held in the interest bearing account until further order of the Court. In accordance with 28 U.S.C. § 1914 and the guidelines set by the Director of the Administrative Office of the United States Courts, the Clerk is directed, without further order of this Court, to deduct from the income earned on the money in the Fund a fee equal to ten percent of the income earned on the Fund. Such fee shall not exceed that authorized by the Judicial Conference of the United States. Defendant shall pay post judgment interest on any delinquent amounts pursuant to 28 U.S.C. § 1961.

The Commission may by motion propose a plan to distribute the Fund subject to the Court’s approval. Such a plan may provide that the Fund shall be distributed pursuant to the Fair Fund provisions of Section 308(a) of the Sarbanes-Oxley Act of 2002. Regardless of whether any such Fair Fund distribution is made, amounts ordered to be paid as civil penalties pursuant to this Judgment shall be treated as penalties paid to the government for all purposes, including all tax purposes. To preserve the deterrent effect of the civil penalty, Defendant shall not, after offset or reduction of any award of compensatory damages in any Related Investor Action based

on Defendant’s payment of disgorgement in this action, argue that it is entitled to, nor shall it further benefit by, offset or reduction of such compensatory damages award by the amount of any part of Defendant’s payment of a civil penalty in this action (“Penalty Offset”). If the court in any Related Investor Action grants such a Penalty Offset, Defendant shall, within 30 days after entry of a final order granting the Penalty Offset, notify the Commission’s counsel in this action and pay the amount of the Penalty Offset to the United States Treasury or to a Fair Fund, as the Commission directs. Such a payment shall not be deemed an additional civil penalty and shall not be deemed to change the amount of the civil penalty imposed in this Judgment. For purposes of this paragraph, a “Related Investor Action” means a private damages action brought against Defendant by or on behalf of one or more investors based on substantially the same facts as alleged in the Complaint in this action.

VII.

**IT IS ORDERED, ADJUDGED, AND DECREED** that the Consent is incorporated herein with the same force and effect as if fully set forth herein, and that Defendant shall comply with all of the undertakings and agreements set forth therein.

VIII.

**IT IS ORDERED, ADJUDGED, AND DECREED** that this Court shall retain jurisdiction of this matter for the purposes of enforcing the terms of this Final Judgment.

IX.

There being no just reason for delay, pursuant to Rule 54(b) of the Federal Rules of Civil Procedure, the Clerk is ordered to enter this Final Judgment forthwith and without further notice.

**CONSENT OF DEFENDANT BIOVAIL CORPORATION**

1. Defendant Biovail Corporation (“Defendant”) waives service of a summons and the complaint in this action, enters a general appearance, and admits the Court’s jurisdiction over Defendant and over the subject matter of this action.
  2. Without admitting or denying the allegations of the complaint (except as to personal and subject matter jurisdiction, which Defendant admits), Defendant hereby consents to the entry of the final Judgment in the form attached hereto (the “Final Judgment”) and incorporated by reference herein, that, among other things:
    - A. permanently restrains and enjoins Defendant from violation of Section 17(a) of the Securities Act of 1933 ( “Securities Act”) [15 U.S.C. § 77q(a)], Sections 10(b), 13(a), 13(b)(2)(A), and 13(b)(2)(B) of the Securities Exchange Act of 1934 ( “Exchange Act”) [15 U.S.C. §§ 78j(b), 78m(a), 78m(b)(2)(A), and 78m(b)(2)(B)] and Rules 10b-5, 12b-20, 13a-1, and 13a-16, and Rule 302(b) of Regulation S-T [17 C.F.R. §§ 240.10b-5, 240.12b-20, 240.13a-1, 240.13a-16, and 232.302(b)];
    - B. orders Defendant to pay disgorgement in the amount of \$1;
    - C. orders Defendant to pay a civil penalty in the amount of \$10 million pursuant to Section 20(d) of the Securities Act [15 U.S.C. § 77t(d)] and Section 21(d)(3) of the Exchange Act [ 15 U.S.C. § 78u(d)(3)]; and
    - D. orders Defendant to comply with the undertakings and agreements set forth in this Consent.
-

3. Defendant acknowledges that the civil penalty paid pursuant to the Final Judgment may be distributed pursuant to the Fair Fund provisions of Section 308(a) of the Sarbanes-Oxley Act of 2002. Regardless of whether any such Fair Fund distribution is made, the civil penalty shall be treated as a penalty paid to the government for all purposes, including all tax purposes. To preserve the deterrent effect of the civil penalty, Defendant agrees that it shall not, after offset or reduction of any award of compensatory damages in any Related Investor Action based on Defendant's payment of disgorgement in this action, argue that it is entitled to, nor shall it further benefit by, offset or reduction of such compensatory damages award by the amount of any part of Defendant's payment of a civil penalty in this action ("Penalty Offset"). If the court in any Related Investor Action grants such a Penalty Offset, Defendant agrees that it shall, within 30 days after entry of a final order granting the Penalty Offset, notify the Commission's counsel in this action and pay the amount of the Penalty Offset to the United States Treasury or to a Fair Fund, as the Commission directs. Such a payment shall not be deemed an additional civil penalty and shall not be deemed to change the amount of the civil penalty imposed in this action. For purposes of this paragraph, a "Related Investor Action" means a private damages action brought against Defendant by or on behalf of one or more investors based on substantially the same facts as alleged in the Complaint in this action.

4. Defendant agrees that it shall not seek or accept, directly or indirectly, reimbursement or indemnification from any source, including but not limited to payment made pursuant to any insurance policy, with regard to any civil penalty amounts that Defendant pays pursuant to the Final Judgment, regardless of whether such penalty amounts or any part thereof are added to a distribution fund or otherwise used for the benefit of investors. Defendant further agrees that it shall not claim, assert, or apply for a tax deduction or tax credit with regard to any

federal, state, or local tax for any penalty amounts that Defendant pays pursuant to the Final Judgment, regardless of whether such penalty amounts or any part thereof are added to a distribution fund or otherwise used for the benefit of investors.

5. Defendant agrees to comply with the following undertakings:

A. Retention of a Consultant

i. Biovail shall retain, pay for, and enter into an agreement with an independent consultant (“Consultant”), not unacceptable to the Commission staff, to conduct a comprehensive examination and review of the areas specified below and to make recommendations to Biovail’s board of directors and the Commission staff. b. The policies, procedures, and effectiveness of Biovail’s regulatory and compliance functions, including the operations of any committees or other mechanisms established to review and approve transactions or for the purpose of preventing the

- c. Biovail’s training of its accounting staff concerning financial reporting and U.S. generally accepted accounting principles;
  - d. Biovail’s ethics and compliance policies, including the adequacy and effectiveness of any whistleblower procedures designed to allow employees and others to report confidentially matters that may bear on Biovail’s financial reporting obligations;
  - e. Biovail’s records management and retention policies and procedures, including without limitation such procedures with respect to e-mail and other electronically stored information;
  - f. The functioning of Biovail’s audit committee, including the audit committee’s policies and procedures and the methods for the selection of its members;
  - g. Biovail’s policies and procedures with respect to compliance with Rule 302(b) of Regulation S-T;
  - h. Biovail’s investor relations and public affairs functions, including policies and procedures designed to enhance the quality and accuracy of Biovail’s press releases, investor conference calls, and other similar public disclosures;

B. Consultant's Reporting Obligations

i. The Consultant shall issue a report to Biovail's board of directors, its audit committee, and to the Commission staff within three months of appointment, provided however, that the Consultant may seek to extend the period of review for one additional three-month term by requesting such an extension from the Commission's staff. The Commission's staff, after consultation with Biovail, shall have discretion to grant such extension for the period requested if deemed reasonable and warranted.

ii. The Consultant's report shall address the Consultant's review of the areas specified in paragraph 5.A.ii above and shall include a description of the review performed, the conclusions reached, the Consultant's recommendations for any changes or improvements to Biovail's policies and procedures as the Consultant reasonably deems necessary to conform to the law and best practices, and a procedure for implementing the recommended changes or improvements.

iii. Biovail shall adopt all recommendations contained in the Consultant's report, provided, however, that within forty-five days of its receipt of the report, Biovail shall in writing advise the Consultant and the Commission staff of any recommendation that it considers to be unnecessary or inappropriate. With respect to any recommendation that Biovail considers unnecessary or inappropriate, Biovail need not adopt that recommendation at that time but shall propose in writing an alternative policy, procedure, or system designed to achieve the same objective or purpose.

iv. As to any recommendations of the Consultant with respect to which Biovail and the Consultant do not agree, such parties shall attempt in good faith to reach an agreement within ninety days of the issuance of the Consultant's report. In the event Biovail and

the Consultant are unable to agree on an alternative proposal, Biovail shall abide by the determinations of the Consultant.

v. Biovail shall retain the Consultant for a period of twelve months from the date of appointment in accordance with paragraph 5.C below. After the Consultant’s recommendations become final pursuant to paragraph 5.B.i above, the Consultant shall oversee the implementation of such recommendations and provide a report to Biovail’s board of directors, its audit committee, and to the Commission staff twelve months after appointment concerning the progress of the implementation. If, at the conclusion of this twelve-month period, less than all the recommendations of the consultant (to the extent deemed significant by the Commission staff) have been substantially implemented for at least two successive fiscal quarters, the Commission staff may, in its discretion, direct Biovail to extend the Consultant’s term of appointment until such time as all recommendations (to the extent deemed significant by the Commission staff) have been substantially implemented for at least two successive fiscal quarters.

vi. In addition to the reports identified above, the Consultant shall provide Biovail’s board of directors, its audit committee, and the Commission staff with such documents or other information concerning the areas specified in paragraph 5.A.ii above as any of them may request during the pendency or at the conclusion of the review.

C. Terms of Consultant’s Retention

i. Within forty-five days after the date of entry of the Final Judgment, Biovail will submit to the Commission staff a proposal setting forth the identity, qualifications, and proposed terms of retention of the Consultant. The Commission staff, within thirty days of

such notice, will either (a) deem Biovail’s choice of Consultant and proposed terms of retention not unacceptable or (b) require Biovail to propose an alternative Consultant and/or revised proposed terms of retention within fifteen days. This process will continue, as necessary, until the proposed Consultant and retention terms are not unacceptable to the Commission staff.

ii. The Consultant shall have reasonable access to all of Biovail’s books and records and the ability to meet privately with Biovail’s personnel. Biovail shall instruct and otherwise encourage its officers, directors, and employees to cooperate fully with the review conducted by the Consultant, and inform its officers, directors, and employees that failure to cooperate with the review may be grounds for dismissal, other disciplinary actions, or other appropriate actions.

iii. The Consultant shall have the right, as reasonable and necessary in his or her judgment, to retain, at Biovail’s expense, attorneys, accountants, and other persons or firms, other than officers, directors, or employees of Biovail, to assist in the discharge of the Consultant’s obligations. Biovail shall pay all reasonable fees and expenses (as reasonably documented) of any persons or firms retained by the Consultant.

iv. The Consultant shall make and keep notes of interviews conducted, and keep a copy of documents gathered, in connection with the performance of his or her responsibilities, and require all persons and firms retained to assist the Consultant to do so as well.

v. If the Consultant determines that he or she has a conflict with respect to one or more of the areas described in paragraph 5.A.ii above, he or she shall delegate

his or her responsibilities with respect to that subject to a person who is chosen by the Consultant and who is not unacceptable to the Commission staff.

vi. For the period of engagement and for a period of two years from completion of the engagement, the Consultant shall not enter into any employment, consultant, attorney-client, auditing, or other professional relationship with Biovail, or any of its present or former affiliates, directors, officers, employees, or agents acting in their capacity as such, and shall require that any firm with which the Consultant is affiliated or of which the Consultant is a member, or any person engaged to assist the Consultant in performance of the Consultant’s duties under the Final Judgment not, without prior written consent of the Commission staff, enter into any employment, consultant, attorney-client, auditing, or other professional relationship with Biovail, or any of its present or former affiliates, directors, officers, employees, or agents acting in their capacity as such for the period of the engagement and for a period of two years after the engagement.

D. Fees and Expenses of Distribution

If the Commission determines that amounts paid by Biovail under the terms of the Final Judgment shall be distributed to victims of the violations alleged in the Complaint as a Fair Fund under Section 308 of the Sarbanes Oxley Act or otherwise, Biovail shall pay all fees and expenses relating to such distribution, as reasonably documented, and such fees and expenses shall not be deducted from any amount due under the provisions of the Final Judgment or from any earnings of the distribution fund that may accrue to it prior to the distribution, as interest or otherwise.

6. Defendant waives the entry of findings of fact and conclusions of law pursuant to Rule 52 of the Federal Rules of Civil Procedure.

7. Defendant waives the right, if any, to a jury trial and to appeal from the entry of the Final Judgment.

8. Defendant enters into this Consent voluntarily and represents that no threats, offers, promises, or inducements of any kind have been made by the Commission or any member, officer, employee, agent, or representative of the Commission to induce Defendant to enter into this Consent.

9. Defendant agrees that this Consent shall be incorporated into the Final Judgment with the same force and effect as if fully set forth therein.

10. Defendant will not oppose the enforcement of the Final Judgment on the ground, if any exists, that it fails to comply with Rule 65(d) of the Federal Rules of Civil Procedure, and hereby waives any objection based thereon.

11. Defendant waives service of the Final Judgment and agrees that entry of the Final Judgment by the Court and filing with the Clerk of the Court will constitute notice to Defendant of its terms and conditions. Defendant further agrees to provide counsel for the Commission, within thirty days after the Final Judgment is filed with the Clerk of the Court, with an affidavit or declaration stating that Defendant has received and read a copy of the Final Judgment.

12. Consistent with 17 C.F.R. 202.5(f), this Consent resolves only the claims asserted against Defendant in this civil proceeding. Defendant acknowledges that no promise or representation has been made by the Commission or any member, officer, employee, agent, or

representative of the Commission with regard to any criminal liability that may have arisen or may arise from the facts underlying this action or immunity from any such criminal liability. Defendant waives any claim of Double Jeopardy based upon the settlement of this proceeding, including the imposition of any remedy or civil penalty herein. Defendant further acknowledges that the Court’s entry of a permanent injunction may have collateral consequences under federal or state law and the rules and regulations of self-regulatory organizations, licensing boards, and other regulatory organizations. Such collateral consequences include, but are not limited to, a statutory disqualification with respect to membership in, or association with a member of, a self-regulatory organization. This statutory disqualification has consequences that are separate from any sanction imposed in an administrative proceeding. In addition, in any disciplinary proceeding before the Commission based on the entry of the injunction in this action, Defendant understands that it shall not be permitted to contest the factual allegations of the complaint in this action.

13. Defendant understands and agrees to comply with the Commission’s policy “not to permit a defendant or respondent to consent to a judgment or order that imposes a sanction while denying the allegation in the complaint or order for proceedings.” 17 C.F.R. § 202.5. In compliance with this policy, Defendant agrees: (i) not to take any action or to make or permit to be made any public statement denying, directly or indirectly, any allegation in the complaint or creating the impression that the complaint is without factual basis; and (ii) that upon the filing of this Consent, Defendant hereby withdraws any papers filed in this action to the extent that they deny any allegation in the complaint. If Defendant breaches this agreement, the Commission may petition the Court to vacate the Final Judgment and restore this action to its active docket. Nothing in this paragraph affects Defendant’s: (i) testimonial obligations; or (ii) right to take

legal or factual positions in litigation or other legal proceedings in which the Commission is not a party.

14. Defendant hereby waives any rights under the Equal Access to Justice Act, the Small Business Regulatory Enforcement Fairness Act of 1996, or any other provision of law to seek from the United States, or any agency, or any official of the United States acting in his or her official capacity, directly or indirectly, reimbursement of attorney's fees or other fees, expenses, or costs expended by Defendant to defend against this action. For these purposes, Defendant agrees that Defendant is not the prevailing party in this action since the parties have reached a good faith settlement.

15. In connection with this action and any related judicial or administrative proceeding or investigation commenced by the Commission or to which the Commission is a party, Defendant (i) agrees to make its employees available for interviews by Commission staff at such times and places as the staff requests upon reasonable notice, including making available in the Southern District of New York employees located in Canada, Barbados and other locations throughout the world; (ii) will accept service by mail or facsimile transmission of notices or subpoenas issued by the Commission for documents or testimony at depositions, hearings, or trials, or in connection with any related investigation by Commission staff; (iii) appoints Defendant's undersigned attorney as agent to receive service of such notices and subpoenas; (iv) with respect to such notices and subpoenas, waives the territorial limits on service contained in Rule 45 of the Federal Rules of Civil Procedure and any applicable local rules, provided that the party requesting the testimony reimburses Defendant's travel, lodging, and subsistence expenses at the then-prevailing U.S. Government per diem rates; and (v) consents to personal jurisdiction over Defendant in any United States District Court for purposes of enforcing any such subpoena.

16. Defendant agrees that the Commission may present the Final Judgment to the Court for signature and entry without further notice.

17. Defendant agrees that this Court shall retain jurisdiction over this matter for the purpose of enforcing the terms of the Final Judgment.

The Borrower agrees to provide for each Bankers' Acceptance by payment of the face amount thereof to the Administrative Agent on behalf of the BA Lender on the maturity of the Bankers' Acceptance or, prior to such maturity, on the Maturity Date; and the Administrative Agent shall remit the said amount to such BA Lender and such BA Lender shall in turn remit such amount to the holder of the Bankers' Acceptance. If the Borrower fails to provide for the payment of the Bankers' Acceptance accordingly, any amount not so paid shall be immediately payable by the Borrower to the Administrative Agent on behalf of the BA Lender together with interest on such amount calculated daily and payable monthly at the rate and in the manner applicable to Prime Rate Loans. The Borrower agrees not to claim any days of grace for the payment at maturity of any Bankers' Acceptance and agrees to indemnify and save harmless the BA Lender in connection with all payments made by the BA Lender (or by the Administrative Agent on its behalf) pursuant to Bankers' Acceptances

accepted by the BA Lender, together with all reasonable costs and expenses incurred by the BA Lender in this regard. The Borrower hereby waives any defences to payment which might otherwise exist if for any reason a Bankers' Acceptance is held by the BA Lender for its own account at maturity.

- (ii) Availability of Bankers' Acceptances. If at any time and from time to time the Agent determines, acting reasonably, that there no longer exists a market for Bankers' Acceptances for the term requested by the Borrower, or at all, the Administrative Agent shall so advise the Borrower, and in such event the BA Lenders shall not be obliged to accept and the Borrower shall not be entitled to issue Bankers' Acceptances.
- (iii) Power of Attorney. The Borrower hereby appoints each BA Lender as its true and lawful attorney to complete and issue Bankers' Acceptances on behalf of the Borrower in accordance with written (including facsimile) transmitted instructions provided by the Borrower to the Administrative Agent on behalf of such BA Lender, and the Borrower hereby ratifies all that its said attorney may do by virtue thereof. The Borrower agrees to indemnify and hold harmless the Administrative Agent and the BA Lenders and their respective directors, officers and employees from and against any charges, complaints, costs, damages, expenses, losses or liabilities of any kind or nature which they may incur, sustain or suffer, arising from or by reason of acting, or failing to act, as the case may be, in reliance upon this power of attorney, except to the extent caused by the gross negligence or wilful misconduct of the Administrative Agent or the BA Lender or their respective directors, officers and employees. The Borrower hereby agrees that each Bankers' Acceptance completed and issued and accepted in accordance with this section by a BA Lender on behalf of the Borrower is a valid, binding and negotiable instrument of the Borrower as drawer and endorser. The Borrower agrees that each BA Lender's accounts and records will constitute prima facie evidence of the execution and delivery by the Borrower of Bankers' Acceptances. This power of attorney shall continue in force until written notice of revocation has been served upon the Administrative Agent by the Borrower at the Administrative Agent's address set out in Section 9.01.
- (h) Special Provisions Regarding BA Equivalent Notes. Each Non-BA Lender will not accept Bankers' Acceptances hereunder, and shall instead from time to time make BA Equivalent Loans to the Borrower. Each BA Equivalent Loan shall be evidenced by a non-interest bearing promissory note payable by the Borrower in question to the Non-BA Lender substantially in the form of Exhibit C attached hereto, which will be purchased by the Non-BA Lender. Each BA Equivalent Note shall be negotiable by the Non-BA Lender without notice to or the consent of the Borrower, and the holder thereof shall be entitled to enforce such BA Equivalent Note against the Borrower free of any equities, defences or rights of set-off that may exist between the Borrower and the Non-BA Lender. In this Agreement, all references to a BA Equivalent Note shall mean the loan evidenced thereby if required by the context; and all references to the "issuance"

of a BA Equivalent Note by a Non-BA Lender and similar expressions shall mean the making of a BA Equivalent Loan by the Non-BA Lender which is evidenced by a BA Equivalent Note. The following provisions are applicable to each BA Equivalent Loan made by a Non-BA Lender to the Borrower hereunder:

- (i) Payment of BA Equivalent Notes. The Borrower agrees to provide for each BA Equivalent Note by payment of the face amount thereof to the Administrative Agent on behalf of the Non-BA Lender on the maturity of the BA Equivalent Note or, prior to such maturity, on the Maturity Date; and the Administrative Agent shall remit the said amount to such Non-BA Lender and such Non-BA Lender shall in turn remit such amount to the holder of the BA Equivalent Note. If the Borrower fails to provide for the payment of the BA Equivalent Note accordingly, any amount not so paid shall be immediately payable by the Borrower to the Administrative Agent on behalf of the Non-BA Lender together with interest on such amount calculated daily and payable monthly at the rate and in the manner applicable to Prime Rate Loans. The Borrower agrees not to claim any days of grace for the payment at maturity of any BA Equivalent Note and agrees to indemnify and save harmless the Non-BA Lender in connection with all payments made by the Non-BA Lender (or by the Administrative Agent on its behalf) pursuant to BA Equivalent Notes accepted by the Non-BA Lender, together with all reasonable costs and expenses incurred by the Non-BA Lender in this regard. The Borrower hereby waives any defences to payment which might otherwise exist if for any reason a BA Equivalent Note is held by the Non-BA Lender for its own account at maturity.
- (ii) Availability of BA Equivalent Notes. The Non-BA Lender shall have no obligation to issue BA Equivalent Notes during any period in which the BA Lenders' obligation to issue Bankers' Acceptances is suspended pursuant to the terms of this Agreement.
- (iii) Power of Attorney. The Borrower hereby appoints the Non-BA Lender as its true and lawful attorney to complete BA Equivalent Notes on behalf of the Borrower in accordance with written (including facsimile) transmitted instructions delivered by the Borrower to the Administrative Agent, and the Borrower hereby ratifies all that its said attorney may do by virtue thereof. The Borrower agrees to indemnify and hold harmless the Administrative Agent and the Non-BA Lender and their respective directors, officers and employees from and against any charges, complaints, costs, damages, expenses, losses or liabilities of any kind or nature which they may incur, sustain or suffer, arising from or by reason of acting, or failing to act, as the case may be, in reliance upon this power of attorney except to the extent caused by the negligence or wilful misconduct of the Administrative Agent or the Non-BA Lender or their respective directors, officers and employees. The Borrower hereby agrees that each BA Equivalent Note completed by the Non-BA Lender on behalf of the Borrower is a valid, binding and negotiable instrument of the Borrower as drawer and endorser. The Borrower agrees that the Non-BA Lender's accounts and records will constitute prima facie evidence of the execution and delivery by the Borrower of

BA Equivalent Notes. This power of attorney shall continue in force until written notice of revocation has been served upon the Agent on behalf of the Non-BA Lender by the Borrower at the Administrative Agent's address provided in Section 9.01.

- (i) Liability of Borrower. The Borrower shall be indebted upon the maturity thereof to each Lender in an amount equivalent to the full undiscounted Face Amount of each BA and BA Equivalent Note accepted and purchased by or issued to such Lender and the Borrower's obligations in that regard shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including, without limitation, the following:
  - (i) any lack of validity or enforceability of any BA or BA Equivalent Note accepted by a Lender; or
  - (ii) the existence of any claim, set-off, defence or other right which the Borrower may have at any time against the holder of a BA or BA Equivalent Note, the Administrative Agent, such Lender or any other Person, whether in connection with this Agreement or otherwise.
- (j) Presigned Drafts. To facilitate the acceptance by the BA Lenders of Bankers' Acceptances as contemplated by this Agreement, the Borrower shall at the request of the Administrative Agent (on behalf of any BA Lender) supply the Administrative Agent for such BA Lenders with such number of BAs as the Administrative Agent on behalf of the BA Lenders may from time to time request, each executed by or on behalf of the Borrower. The Administrative Agent and each BA Lender, to the extent either retain possession thereof, shall exercise such care in the custody and safekeeping of such BAs as it gives to similar property owned by it.
- (k) Prepayments. Subject to Section 2.04(l) and Article VII, no prepayment of any BA or BA Equivalent Note shall be made by the Borrower prior to the maturity date of such BA or BA Equivalent Note. Any amounts paid pursuant to the terms of this Agreement towards the prepayment of amounts to become due with respect to outstanding BAs and BA Equivalent Notes shall be deposited into the Prepayment Account (as defined below). The Administrative Agent shall apply any cash deposited in the Prepayment Account allocable to amounts to become due in respect of any BA or BA Equivalent Note on the last day of its respective Interest Period until all amounts due in respect of outstanding BAs and BA Equivalent Loans have been repaid or until all allocable cash on deposit has been exhausted. For purposes of this Agreement, the term "Prepayment Account" shall mean the Canadian dollar account established by the Borrower with the Administrative Agent and over which the Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal for application in accordance with this Section. The Administrative Agent will, at the request of the Borrower, invest amounts on deposit in the applicable Prepayment Account in short-term, cash equivalent investments selected by the Administrative Agent in consultation with the Borrower that mature on or prior to the last day of the applicable Interest Period of the BA or BA Equivalent Note to be prepaid. Interest or profits, if any, on amounts in the Prepayment Account shall be deposited in the Prepayment Account and reinvested and disbursed as

specified above. If the maturity of the Obligations hereunder has been accelerated pursuant to Article VII, the Administrative Agent may, in its sole discretion, apply all amounts on deposit in the Prepayment Account to satisfy any of the Obligations. The Borrower shall pay all income tax, if any, payable on any such interest or profits in the Prepayment Account.

- (l) Cover for BA Obligations on Default. If an Event of Default shall occur and be continuing and not waived in writing pursuant to the terms hereof, on the Business Day that the Borrower receives notice from the Administrative Agent demanding the deposit of cash collateral pursuant to this Section, the Borrower shall provide Cover to the Administrative Agent, provided that the obligation to provide such Cover shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default described in Section 7.01(i) or Section 7.01(j). The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such Cover. Other than any interest or profits earned on the investment of the deposits comprising Cover, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in the relevant account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Lenders for BA Loans or BA Equivalent Loans due or overdue for which they have not been reimbursed and, if all BA Loans and BA Equivalent Loans have been satisfied and paid in full and there are no outstanding BA Loans or BA Equivalent Loans, any remaining Cover shall be applied by the Administrative Agent to satisfy other Obligations of the Borrower under this Agreement for the benefit of the Lenders. If the Borrower is required to provide an amount of Cover hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived in writing pursuant to the terms hereof or if no Event of Default is then subsisting promptly following the maturity of the related BA or BA Equivalent Note and satisfaction in full of the relevant BA Loans and BA Equivalent Loans. The Borrower shall pay all income tax, if any, payable on any interest or profits earned on the investment of the deposits comprising Cover.

SECTION 2.05 Swingline Loans.

- (a) Subject to the terms and conditions set forth herein, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time during the Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding \$25,000,000 or (ii) the sum of the total Revolving Credit Exposures exceeding the total Commitments; provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.
- (b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent of such request by telephone (confirmed by telecopy), not later than 12:00 noon,

Toronto, Ontario time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and shall specify (i) the requested date (which shall be a Business Day), (ii) the amount of the requested Swingline Loan and (iii) whether such Swingline Loan is to be an ABR Borrowing or a Prime Rate Borrowing. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from the Borrower. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to the general deposit account of the Borrower with the Swingline Lender (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e), by remittance to the Issuing Bank) by 3:00 p.m., Toronto, Ontario time, on the requested date of such Swingline Loan.

- (c) The Swingline Lender may by written notice given to the Administrative Agent not later than 10:00 a.m., Toronto, Ontario time, on any Business Day require the Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Lender, specifying in such notice such Lender's Applicable Percentage of such Swingline Loan or Loans. Each Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Applicable Percentage of such Swingline Loan or Loans. Each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

- (a) General. Subject to the terms and conditions set forth herein, the Borrower may request the issuance of Letters of Credit for its own account, in a form reasonably acceptable to the Administrative Agent and the Issuing Bank, at any time and from time to time during the Availability Period. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.
- (b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the Issuing Bank) to the Issuing Bank and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Issuing Bank, the Borrower also shall submit a letter of credit application on the Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the LC Exposure shall not exceed \$25,000,000 and (ii) the sum of the total Revolving Credit Exposures shall not exceed the total Commitments.
- (c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one (1) year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Maturity Date.
- (d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank or the Lenders, the Issuing Bank hereby grants to each Lender, and each Lender hereby acquires from the Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, such Lender's Applicable Percentage of each LC Disbursement made by the Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment

required to be refunded to the Borrower for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

- (e) Reimbursement. If the Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 12:00 noon, Toronto, Ontario time, on the date that such LC Disbursement is made, if the Borrower shall have received notice of such LC Disbursement prior to 10:00 a.m., Toronto, Ontario time, on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 12:00 noon, Toronto, Ontario time, on (i) the Business Day that the Borrower receives such notice, if such notice is received prior to 10:00 a.m., Toronto, Ontario time, on the day of receipt, or (ii) the Business Day immediately following the day that the Borrower receives such notice, if such notice is not received prior to such time on the day of receipt; provided that the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or Section 2.05 that such payment be financed with an ABR Revolving Borrowing, Prime Rate Revolving Borrowing or Swingline Loan in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing, Prime Rate Revolving Borrowing or Swingline Loan. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the Issuing Bank or, to the extent that Lenders have made payments pursuant to this paragraph to reimburse the Issuing Bank, then to such Lenders and the Issuing Bank as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse the Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans, Prime Rate Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.
- (f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i)

any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Lenders nor the Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Bank; provided that the foregoing shall not be construed to excuse the Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by Applicable Law) suffered by the Borrower that are caused by the Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or wilful misconduct on the part of the Issuing Bank (as finally determined by a court of competent jurisdiction), the Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

- (g) Disbursement Procedures. The Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by telecopy) of such demand for payment and whether the Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the Issuing Bank and the Lenders with respect to any such LC Disbursement.
- (h) Interim Interest. If the Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the

rate per annum then applicable to Prime Rate Revolving Loans in the event that the LC Disbursement is made in Canadian dollars, and otherwise at the rate per annum then applicable to ABR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(g) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (e) of this Section to reimburse the Issuing Bank shall be for the account of such Lender to the extent of such payment.

- (i) Replacement of the Issuing Bank. The Issuing Bank may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of the Issuing Bank. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term “Issuing Bank” shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.
- (j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Lenders with LC Exposure representing greater than 51% of the total LC Exposure) demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders, an amount in cash equal to the LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Article VII. Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower’s risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the

Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with LC Exposure representing greater than 51% of the total LC Exposure), be applied to satisfy other obligations of the Borrower under this Agreement. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived.

SECTION 2.07    Funding of Borrowings.

- (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, Toronto, Ontario time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.05. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower maintained with the Administrative Agent in Toronto, Ontario and designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans or Prime Rate Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Administrative Agent to the Issuing Bank.
- (b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with the provisions of this Agreement concerning funding by Lenders and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender shall pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at a rate determined by the Administrative Agent in accordance with prevailing banking industry practice on interbank compensation. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. If the Lender does not do so forthwith, the Borrower shall pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon at the interest rate applicable to the Borrowing in question. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that has failed to make such payment to the Administrative Agent.

SECTION 2.08    Interest Elections.

- (a) Each Revolving Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of either a Eurodollar Borrowing, a BA Borrowing or a BA Equivalent Loan, shall have an initial Interest Period as

specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, a BA Borrowing or a BA Equivalent Loan, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated rateably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

- (b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Interest Election Request in a form approved by the Administrative Agent and signed by the Borrower.
- (c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:
  - (i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);
  - (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;
  - (iii) whether the resulting Borrowing is to be an ABR Borrowing, a Prime Rate Borrowing, a BA Borrowing or a Eurodollar Borrowing; and
  - (iv) if the resulting Borrowing is either a Eurodollar Borrowing or a BA Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term “Interest Period”.

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one (1) month’s duration. If any such Interest Election Request requests a BA Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of thirty (30) days.

- (d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender’s portion of each resulting Borrowing.

- (e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Revolving Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. If the Borrower fails to deliver a timely Interest Election Request with respect to a Revolving Borrowing by way of BAs or BA Equivalent Loans prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Prime Rate Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Revolving Borrowing may be converted to or continued as either a Eurodollar Borrowing or BA Borrowing, (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto, and (iii) unless repaid, each Borrowing by way of BAs or BA Equivalent Loans shall be converted to a Prime Rate Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.09 Termination and Reduction of Commitments.

- (a) Unless previously terminated, the Commitments shall terminate on the Maturity Date.
- (b) The Borrower may at any time terminate, or from time to time reduce, the Commitments; provided that (i) each reduction of the Commitments shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 and (ii) the Borrower shall not terminate or reduce the Commitments if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, the sum of the Revolving Credit Exposures would exceed the total Commitments.
- (c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments shall be made rateably among the Lenders in accordance with their respective Commitments.

SECTION 2.10 Repayment of Loans; Evidence of Debt.

- (a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each

Revolving Loan on the earlier of the Maturity Date and the date of the termination of the Commitments, and (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the earliest of the Maturity Date, the first date after such Swingline Loan is made that is the fifteenth or last day of a calendar month and is at least two Business Days after such Swingline Loan is made and the date of the termination of the Commitments; provided that on each date that a Revolving Borrowing is made, the Borrower shall repay all Swingline Loans then outstanding.

- (b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.
- (c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.
- (d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.
- (e) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

SECTION 2.11 Prepayment of Loans.

- (a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing (other than Borrowings made by way of BAs, BA Equivalent Loans or LIBOR ) in whole or in part, subject to prior notice in accordance with paragraph (b) of this Section.
- (b) The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone (confirmed by telecopy) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 11:00 a.m., Toronto, Ontario time, three Business Days before the date of prepayment, (ii) in the case of prepayment of an ABR Revolving Borrowing or a Prime Rate Revolving Borrowing not later than

11:00 a.m., Toronto, Ontario time, one Business Day before the date of prepayment or (iii) in the case of prepayment of a Swingline Loan, not later than 12:00 noon, Toronto, Ontario time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice relating to a Revolving Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Revolving Borrowing shall be in an amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Revolving Borrowing shall be applied rateably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13.

#### SECTION 2.12 Fees.

- (a) The Borrower agrees to pay to the Administrative Agent for the account of each Lender a facility fee, which shall accrue at the sum of the Applicable Rate plus the Usage Fee on the average daily amount of the Available Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which such Commitment terminates; provided, if such Lender continues to have any Revolving Credit Exposure after its Commitment terminates, then such facility fee shall continue to accrue on the daily amount of such Lender's Revolving Credit Exposure from and including the date on which its Commitment terminates to but excluding the date on which such Lender ceases to have any Revolving Credit Exposure. Accrued facility fees shall be payable in arrears on the last Business Day of March, June, September and December of each year and on the date on which the Commitments terminate, commencing on the first such date to occur after the date hereof; provided further that any facility fees accruing after the date on which the Commitments terminate shall be payable on demand. All facility fees shall be computed on the basis of a year of 365 days (or 366 days in the case of a leap year) and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).
- (b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate used to determine the interest rate applicable to Eurodollar Loans on the average daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to the Issuing Bank a fronting fee, which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Commitments and the date on which there ceases

to be any LC Exposure, as well as the Issuing Bank's standard fees with respect to the issuance, amendment, payment, negotiation, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third Business Day following such last day, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Commitments terminate and any such fees accruing after the date on which the Commitments terminate shall be payable on demand. Any other fees payable to the Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 365 days (or 366 days in the case of a leap year) and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

- (c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.
- (d) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to the Issuing Bank, in the case of fees payable to it) for distribution, in the case of facility fees and participation fees, to the Finance Parties. Fees paid shall not be refundable under any circumstances.

SECTION 2.13 Interest.

- (a) The Loans comprising each ABR Borrowing (including each ABR Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.
- (b) The Loans comprising each Prime Rate Borrowing (including each Prime Rate Swingline Loan) shall bear interest at the Prime Rate plus the Applicable Rate.
- (c) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.
- (d) In respect of each Bankers' Acceptance, a stamping fee equal to the Applicable Rate multiplied by the face amount of the Bankers' Acceptance with the product thereof further multiplied by the number of days to maturity of the Bankers' Acceptance and divided by 365, payable at the time of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Borrower acknowledges that the proceeds it will receive upon the issuance of such Bankers' Acceptance will be less than the face amount payable by it to the holder of such Bankers' Acceptance on the maturity thereof, as more particularly provided in Section 2.04);
- (e) In respect of each BA Equivalent Note, a stamping fee equal to the Applicable Rate multiplied by the face amount of the BA Equivalent Note with the product thereof further multiplied by the number of days to maturity of the BA Equivalent Note and divided by 365, payable at the time of acceptance (and for

greater certainty, in addition to paying the said stamping fee, the Borrower acknowledges that the proceeds it will receive upon the issuance of such BA Equivalent Note will be less than the face amount payable by it to the holder of such BA Equivalent Note on the maturity thereof, as more particularly provided in Section 2.04);

- (f) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, to the fullest extent permitted by Applicable Law, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section, (ii) in the case of any other amount payable in Canadian dollars, 2% plus the rate applicable to Prime Rate Loans as provided in paragraph (b) of this Section or (iii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.
- (g) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Commitments; provided that (i) interest accrued pursuant to paragraph (f) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan or a Prime Rate Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Revolving Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.
- (h) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the U.S. Base Rate and interest computed by reference to the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Prime Rate, CDOR Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.
- (i) For purposes of disclosure pursuant to the *Interest Act* (Canada), the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Loan Documents (and stated herein or therein, as applicable, to be computed on the basis of 360 days or any other period of time less than a calendar year) are equivalent are the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or such other period of time, respectively.
- (j) If any provision of this Agreement or of any of the other Loan Documents would obligate any Loan Party to make any payment of interest or other amount payable to the Lenders in an amount or calculated at a rate which would be prohibited by

law or would result in a receipt by the Finance Parties of interest at a criminal rate (as such terms are construed under the Criminal Code (Canada)) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by the Finance Parties of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to the Finance Parties under this Section 2.13, and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to the Finance Parties which would constitute "interest" for purposes of Section 347 of the *Criminal Code* (Canada). Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if the Finance Parties shall have received an amount in excess of the maximum permitted by that section of the *Criminal Code* (Canada), the Loan Parties shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from the Finance Parties in an amount equal to such excess and, pending such reimbursement, such amount shall be deemed to be an amount payable by the Finance Parties to the Borrowers. Any amount or rate of interest referred to in this Section 2.13(j) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that the applicable Loan remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of "interest" (as defined in the *Criminal Code* (Canada)) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Effective Date to the Maturity Date and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent shall be conclusive for the purposes of such determination.

#### SECTION 2.14 Alternate Rate of Interest.

If the Required Lenders determine that for any reason a market for Bankers' Acceptances does not exist at any time or the Lenders cannot for other reasons, after reasonable efforts, readily sell Bankers' Acceptances or perform their other obligations under this Agreement with respect to Bankers' Acceptances, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the Borrower's right to request the acceptance of Bankers' Acceptances shall be and remain suspended until the Required Lenders determine and the Administrative Agent notifies the Borrower and each Lender that the condition causing such determination no longer exists. If the Required Lenders determine that for any reason adequate and reasonable means do not exist for determining the Adjusted LIBO Rate for any requested Interest Period with respect to a proposed Eurodollar Loan, or that the Adjusted LIBO Rate for any requested Interest Period with respect to a proposed Eurodollar Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurodollar Loans shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a borrowing, conversion or continuation of Eurodollar Loans or, failing that, will be deemed to have converted such request into a request for a borrowing of ABR Loans in the amount specified therein.

SECTION 2.15 Increased Costs.

- (a) If any Change in Law shall:
- (i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender or the Issuing Bank; or
  - (ii) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof, except for Indemnified Taxes or Other Taxes covered by Section 2.18 and the imposition, or any change in the rate, of any Excluded Tax payable by such Lender; or
  - (iii) impose on any Lender or the Issuing Bank or the London interbank market any other condition, cost or expense affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein;
- and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or the Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or the Issuing Bank hereunder (whether of principal, interest or otherwise), then upon request of such Lender or the Issuing Bank the Borrower will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered.
- (b) If any Lender or the Issuing Bank determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's or the Issuing Bank's capital or on the capital of such Lender's or the Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the Issuing Bank, to a level below that which such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the Issuing Bank's policies and the policies of such Lender's or the Issuing Bank's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company for any such reduction suffered.
- (c) A certificate of a Lender or the Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or the Issuing Bank or its holding

company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or the Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten days after receipt thereof.

- (d) Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or the Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that such Lender or the Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Issuing Bank's intention to claim compensation therefore, unless the Change in Law giving rise to such increased costs or reductions is retroactive, in which case the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

#### SECTION 2.16 Illegality.

If any Finance Party determines that any Applicable Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Finance Party or its applicable lending office to make or maintain any Loan (or to maintain its obligation to make any Loan), or to participate in, issue or maintain any Letter of Credit (or to maintain its obligation to participate in or to issue any Letter of Credit), or to determine or charge interest rates based upon any particular rate, then, on notice thereof by such Finance Party to the Borrower through the Administrative Agent, any obligation of such Finance Party with respect to the activity that is unlawful shall be suspended until such Finance Party notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall, upon demand from such Finance Party (with a copy to the Administrative Agent), prepay or, if conversion would avoid the activity that is unlawful, convert any Loans, or take any necessary steps with respect to any Letter of Credit in order to avoid the activity that is unlawful. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted. Each Finance Party agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Finance Party, otherwise be materially disadvantageous to such Finance Party.

#### SECTION 2.17 Break Funding Payments.

The Borrower shall have no right to prepay the amount of any Borrowing hereunder in the form of a Bankers' Acceptance, a BA Equivalent Loan or a Eurodollar Loan. Subject to the foregoing, in the event of (a) the payment of any principal of any Eurodollar Loan, BA Loan or BA Equivalent Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan, BA Loan or BA Equivalent Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan, BA Loan or BA Equivalent Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(b) and is revoked in accordance therewith), or (d) the assignment of any Eurodollar Loan, BA Loan or BA Equivalent Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.20, then, in any such event, the Borrower shall indemnify and compensate each Lender for the loss, cost and expense attributable to such event and shall be obliged to comply with the provisions of this Section. In the case of a Eurodollar Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the

amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. In the event of (a) the payment of any Borrowing in the form of a Bankers' Acceptance or BA Equivalent Loan other than on the maturity date of such Bankers' Acceptance or BA Equivalent Loan (including as a result of an Event of Default), (b) the conversion of any Bankers' Acceptance or BA Equivalent Loan other than on the maturity date applicable thereto, (c) the failure to borrow, convert, continue or prepay any Bankers' Acceptance or BA Equivalent Loan on the date specified in any notice delivered pursuant hereto, or (d) the assignment of any Borrowing in the form of a Bankers' Acceptance or BA Equivalent Loan other than on the maturity date of such Bankers' Acceptance or BA Equivalent Loan as a result of a request by the Borrower pursuant to Section 2.20, then, in any such event, the Borrower shall pay to the Administrative Agent that amount equal to the face amount of any and all outstanding Bankers' Acceptances and the principal amount of any and all outstanding BA Equivalent Loans (such payments to include, without limitation, the amount or amounts required to pay (1) on maturity, the undiscounted face amount of all outstanding Bankers' Acceptances which the Finance Parties are required to honour and (2) all unpaid stamping and acceptance fees, if any, owed to the Finance Parties, such amounts (including interest earned thereon) to be held by the Administrative Agent and to be applied by the Administrative Agent to the Borrowers' indebtedness in respect of such Borrowings at the maturity or expiry date thereof. In the event that the Borrower is required to reimburse the Administrative Agent or pay any amount to the Administrative Agent on account of the indemnity contained in this Section as a result of a request by the Borrower to prepay or repay the amount of any Borrowing or otherwise, the Borrower shall be required to pay any and all amounts owing to the Administrative Agent in accordance with this Section on such terms and conditions as the Administrative Agent may reasonably require. A certificate of the Administrative Agent or any Lender setting forth any amount or amounts that such Finance Party is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Finance Party the amount shown as due on any such certificate within ten days after receipt thereof.

SECTION 2.18    Taxes.

- (a)    If the Borrower, any other Loan Party, the Administrative Agent, or any other Finance Party is required by Applicable Law to deduct or pay any Indemnified Taxes (including any Other Taxes) in respect of any payment by or on account of any obligation of a Loan Party hereunder or under any other Loan Document, then (i) the sum payable shall be increased by that Loan Party when payable as necessary so that after making or allowing for all required deductions and payments (including deductions and payments applicable to additional sums payable under this Section) the Administrative Agent or Finance Party, as the case may be, receives an amount equal to the sum it would have received had no such deductions or payments been required, (ii) the Loan Party shall make any such deductions required to be made by it under Applicable Law and (iii) the Loan Party shall timely pay the full amount required to be deducted to the relevant Governmental Authority in accordance with Applicable Law.
  
- (b)    Without limiting the provisions of paragraph (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with Applicable Law.

- (c) The Borrower shall indemnify the Administrative Agent, each Lender and the Issuing Bank, within ten days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Administrative Agent, such Lender or the Issuing Bank, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower hereunder and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or the Issuing Bank (in each case, with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender or the Issuing Bank, shall be conclusive absent manifest error.
- (d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower or other Loan Party to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.
- (e) Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Borrower is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement or under any other Loan Document shall, at the request of the Borrower, deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by Applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, (a) any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to withholding or information reporting requirements, and (b) any Lender that ceases to be, or to be deemed to be, resident in Canada for purposes of Part XIII of the ITA or any successor provision thereto shall within five days thereof notify the Borrower and the Administrative Agent in writing.
- (f) If the Administrative Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or with respect to which a Loan Party has paid additional amounts pursuant to this Section 2.18, or that, because of the payment of such Taxes or Other Taxes, it has benefited from a reduction in Excluded Taxes otherwise payable by it, it shall pay to the Borrower or other Loan Party, as applicable, an amount equal to such refund or reduction (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower or Loan Party under this Section 2.18 with respect to the Taxes or Other Taxes giving rise to such refund or reduction), net of all out-of-pocket expenses of the

Administrative Agent or such Lender, as the case may be, and without interest (other than any net after-tax interest paid by the relevant Governmental Authority with respect to such refund). The Borrower or other Loan Party, as applicable, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower or other Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender if the Administrative Agent or such Lender is required to repay such refund or reduction to such Governmental Authority. This paragraph shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person, to arrange its affairs in any particular manner or to claim any available refund or reduction.

**SECTION 2.19    Payments Generally; Pro Rata Treatment; Sharing of Set-offs.**

- (a) The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, Section 2.17 or Section 2.18, or otherwise) prior to 12:00 noon, Toronto, Ontario time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 200 Bay Street, Suite 1800, Royal Bank Plaza, South Tower, Toronto, Ontario M5J 2J2, except payments to be made directly to the Issuing Bank or Swingline Lender as expressly provided herein and except that payments pursuant to Section 2.15, Section 2.17, Section 2.18, and Section 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. For greater certainty, stamping fees in respect of Bankers' Acceptances and BA Equivalent Notes shall be received and retained by the respective Lenders which issued or accepted such Bankers' Acceptances and BA Equivalent Notes. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.
- (b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, rateably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, rateably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

- (c) If any Lender, by exercising any right of set-off or counterclaim or otherwise, obtains any payment or other reduction that might result in such Lender receiving payment or other reduction of a proportion of the aggregate amount of its Revolving Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon greater than its pro rata share thereof as provided herein, then the lender receiving such payment or other reduction shall (a) notify the Administration Agent of such fact, and (b) purchase (for cash at face value) participations in the Revolving Loans and participations in LC Disbursements and Swingline Loans of other Lenders or make such other adjustments as shall be equitable so that the benefit of all such payments shall be shared by the Lenders rateably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, (ii) the provisions of this Section shall not be construed to apply to any payment made by any Loan Party pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this Section shall apply) and (iii) the provisions of this Section shall not be construed to apply to (w) any payment made while no Event of Default has occurred and is continuing in respect of obligations of the Borrower to such Lender that do not arise under or in connection with the Loan Documents, (x) any payment made in respect of an obligation that is secured by a Permitted Lien or that is otherwise entitled to priority over the Borrower's obligations under or in connection with the Loan Documents, (y) any reduction arising from an amount owing to a Loan Party upon the termination of derivatives entered into between such Loan Party and such Lender, or (z) any payment to which such Lender is entitled as a result of any form of credit protection obtained by such Lender. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.
- (d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at a rate determined

by the Administrative Agent in accordance with prevailing banking industry practice on interbank compensation.

- (e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(c), Section 2.06(d), Section 2.06(e), Section 2.07(b), Section 2.19(d), or Section 9.03(c), then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender and for the benefit of the Administrative Agent, the Swingline Lender or the Issuing Bank to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under such Sections; in the case of each of (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.20 Mitigation Obligations; Replacement of Lenders.

- (a) If any Lender requests compensation under Section 2.15, or requires the Borrower to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.18, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.18, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.
- (b) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.18, or if any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and if a Commitment is being assigned, the Issuing Bank), which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.18, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior

thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 2.21 Returned Payments.

If, after receipt of any payment which is applied to the payment of all or any part of the Obligations, the Administrative Agent, the Issuing Bank or any Lender is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared fraudulent, set aside, determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason, then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement shall continue in full force as if such payment or proceeds had not been received by the Administrative Agent, the Issuing Bank or such Lender. The provisions of this Section 2.21 shall be and remain effective notwithstanding any contrary action which may have been taken by the Administrative Agent, the Issuing Bank or any Lender in reliance upon such payment or application of proceeds. The provisions of this Section 2.21 shall survive the termination of this Agreement.

SECTION 2.22 Defaulting Lenders.

Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

- (a) fees shall cease to accrue on the Available Revolving Commitment of such Defaulting Lender pursuant to Section 2.12(a);
- (b) the Commitment and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 9.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender;
- (c) if any Swingline Exposure or LC Exposure exists at the time a Lender becomes a Defaulting Lender then: (i) all or any part of such Swingline Exposure and LC Exposure shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent (x) the sum of all non-Defaulting Lenders' Revolving Credit Exposures plus, without duplication, such Defaulting Lender's Swingline Exposure and LC Exposure, does not exceed the total of all non-Defaulting Lenders' Commitments and (y) the conditions set forth in Section 2.01 are satisfied at such time; (ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within one Business Day following notice by the Administrative Agent (x) first, prepay such Swingline Exposure and (y) second, cash collateralize such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding; (iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to this Section 2.22(c), no Borrower shall be required to pay any fees to such Defaulting Lender pursuant to Section

2.12(b) with respect to such Defaulting Lender's LC Exposure during the period such Specified Defaulting Lender's LC Exposure is cash collateralized; (iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to this Section 2.22(c)), then the fees payable to the Lenders pursuant to Section 2.12(a) and Section 2.12(b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; (v) if any Defaulting Lender's LC Exposure is neither cash collateralized nor reallocated pursuant to this Section 2.22(c), then, without prejudice to any rights or remedies of the Issuing Bank or any Lender hereunder, all facility fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such LC Exposure) and letter of credit fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Bank until such LC Exposure is cash collateralized and/or reallocated; and (vi) the Administrative Agent shall promptly notify the Lenders of any reallocation described in this Section 2.22(c); and

- (d) so long as any Lender is a Defaulting Lender, the Swingline Lender shall not be required to fund any Swingline Loan and the Issuing Bank shall not be required to issue, extend the expiry date of or increase the amount of any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrowers in accordance with Section 2.22(c), and participating interests in any such newly issued or increased Letter of Credit or newly made Swingline Loan shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.22(c) (i) (and Defaulting Lenders shall not participate therein); and
- (e) In the event that the Administrative Agent, the Borrower, the Issuing Bank and the Swingline Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure and LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitments and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

#### SECTION 2.23 Expansion Option.

The Borrower may from time to time elect to request that the Commitments be increased in a minimum amount of \$10,000,000 (unless otherwise agreed by the Administrative Agent) so long as, after giving effect thereto and taking into account any prior increase or increases to the Commitments effected pursuant to this Section 2.23, the Commitments do not exceed \$550,000,000. The Borrower may arrange for any such increase to be provided by one or more Lenders (each Lender so agreeing to an increase in its Commitment, an "Increasing Lender"), or by one or more new banks, financial institutions or other entities acceptable to the Administrative Agent (each such new bank, financial institution or other entity, an "Augmenting Lender"), to increase their existing Revolving Commitments, or extend new Revolving Commitments, as the case may be, provided that (i) each Augmenting Lender shall be reasonably acceptable to the Administrative Agent, (ii) (x) in the case of an Increasing Lender, the Borrower, the Administrative Agent and such Increasing Lender shall execute an agreement substantially

in the form of Exhibit D hereto, and (y) in the case of an Augmenting Lender, the Borrower, the Administrative Agent and such Augmenting Lender shall execute an agreement substantially in the form of Exhibit E hereto, and (iii) any Lender approached to so increase its Commitment may elect or decline, in its sole discretion, to provide any such increase. Increases in Commitments and new Commitments created pursuant to this Section 2.23 shall become effective on the date agreed by the Borrower, the Administrative Agent and the relevant Increasing Lenders or Augmenting Lenders. The Administrative Agent shall notify the Borrower and each Lender of the effective date of any increase in the Commitments. Notwithstanding the foregoing, no increase in the Commitments (or in the Commitment of any Lender), shall become effective under this paragraph unless, (i) on the proposed date of the effectiveness of such increase, the conditions set forth in each paragraph of Section 4.02 shall be satisfied or waived by the Required Lenders and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer of the Borrower, (ii) the Administrative Agent shall have received documents consistent with those delivered on the Effective Date as to the corporate power and authority of the Borrower to borrow hereunder after giving effect to such increase and (iii) the Administrative Agent shall have received written opinions addressed to the Administrative Agent and the Lenders and dated the effective date of such increase of counsel to the Loan Parties in form and substance reasonably satisfactory to the Administrative Agent. On the effective date of any increase in the Commitments, (i) each relevant Increasing Lender and Augmenting Lender shall make available to the Administrative Agent such amounts in immediately available funds as the Administrative Agent shall determine, for the benefit of the other Lenders, as being required in order to cause, after giving effect to such increase and the use of such amounts to make payments to such other Lenders, each Lender's Applicable Percentage of each Class of outstanding Loans is equivalent to such Lender's Applicable Percentage the Commitments and (ii) the Borrower shall be deemed to have repaid and reborrowed all outstanding Revolving Loans as of the date of any increase in the Commitments (with such reborrowing to consist of the Types of Revolving Loans, with related Interest Periods if applicable, specified in a notice delivered by the Borrower in accordance with the requirements of Section 2.03). The deemed payments made pursuant to clause (ii) of the immediately preceding sentence shall be accompanied by payment of all accrued interest on the amount prepaid and, in respect of each Eurodollar Loan, BA Loan and BA Equivalent Loan, shall be subject to indemnification by the Borrower pursuant to the provisions of Section 2.17 if the deemed payment occurs other than on the last day of the related Interest Periods.

**ARTICLE III**

**Representations and Warranties**

The Borrower represents and warrants to the Lenders that:

**SECTION 3.01    Organization; Powers.**

Each of the Loan Parties is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

**SECTION 3.02    Authorization; Enforceability.**

- (a)    The Transactions are within the corporate powers of each of the Loan Parties and have been duly authorized by all necessary corporate and, if required, stockholder action. Each of this Agreement and the other Loan Documents to which it is a party has been duly executed and delivered by each Loan Party and

constitutes a legal, valid and binding obligation of each Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

- (b) The choice of governing law provisions contained in this Agreement and each other Loan Document to which any Loan Party is a party are enforceable in the jurisdictions where such Loan Party is organized or incorporated or any Collateral of such Loan Party is located. - (c) The Loan Documents to which each Loan Party is a party are in proper legal form under the laws of the jurisdiction in which each such Loan Party is organized or incorporated and existing (i) for the enforcement thereof against each such Loan Party under the laws of each such jurisdiction and (ii) in order to ensure the legality, validity, enforceability, priority or admissibility in evidence of such Loan Documents. It is not necessary to ensure the legality, validity, enforceability, priority or admissibility in evidence of the Loan Documents to which any Loan Party is a party that any such Loan Documents be filed, registered or recorded with, or executed or notarized before, any court or other authority in the jurisdiction in which any such Loan Party is organized or that any registration charge or stamp or similar tax be paid on or in respect of the applicable Loan Documents or any other document, except (i) for any such filing, registration, recording, execution or notarization that is referred to in Section 3.18 or is not required to be made until enforcement of the applicable Loan Document or (ii) to the extent the foregoing have been made or paid.

#### SECTION 3.04 Financial Condition; No Material Adverse Change.

- (a) The Borrower has heretofore furnished to the Lenders its consolidated balance sheet and statements of income, stockholders equity and cash flows as of and for the fiscal year ended 2008, reported on by Ernst & Young LLP, independent public accountants, certified by its chief financial officer. Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments.

- (b) Since December 31, 2008, there has been no material adverse change in (i) the business, assets, operations, prospects or financial condition of the Borrower and the Subsidiaries taken as a whole, (ii) the ability of the Borrower to perform its obligations under this Agreement or any other Loan Document or (iii) the rights of or benefits available to the Lenders under this Agreement or any other Loan Document

SECTION 3.05 Properties.

- (a) Each of the Borrower and the other Loan Parties has good title to, or valid leasehold interests in, all its real and personal property material to its business, except for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes.
- (b) Each of the Borrower and the other Loan Parties owns, or is licensed to use, all trademarks, tradenames, copyrights, patents and other Intellectual Property material to its business, and the use thereof by the Borrower and the other Loan Parties does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.
- (c) No Loan Party owns any freehold interest in any real estate other than the parcels which are described by their municipal addresses in Schedule 3.05.

The location of each Loan Party (for the purposes of Section 7(3) of the *Personal Property Security Act* (Ontario)) is set forth in Schedule 3.05.

SECTION 3.06 Litigation and Environmental Matters.

- (a) There are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of its Subsidiaries (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect (other than the Disclosed Matters) or (ii) that involve this Agreement or the Transactions.
- (b) Except for the Disclosed Matters and except with respect to any other matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any of its Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or

- comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability.

  - (e) There has been no escape, seepage, leakage, spillage, discharge, emission or release of Hazardous Materials at, on, under or from any property now or previously owned, leased, used or operated by the Loan Parties (or any one or more of them) that, singly or in the aggregate, have, or could reasonably be expected to have, a Material Adverse Effect.
  - (f) Each of the Loan Parties has been issued and is in compliance with all Environmental Permits, except where failure to do so could not reasonably be expected to have a Material Adverse Effect.
  - (g) No conditions exist at, on or under any property now or previously owned, leased, used or operated by the Loan Parties (or any one or more of them) which, with the passage of time, or the giving of notice or both, would give rise to liability under any Environmental Law in effect at the time, which liability could reasonably be expected to have a Material Adverse Effect.
  - (h) No Loan Party has within the immediately preceding three (3) years been convicted of an offence for non-compliance with any Environmental Laws, Environmental Permits or Environmental Orders or been fined or otherwise sentenced or settled such prosecution short of conviction.
  - (i) Each of the Loan Parties has in effect a management structure that permit it to effectively manage environmental risk and respond in a timely manner in compliance with the Environmental Laws, Environmental Orders and Environmental Permits in the event of release of Hazardous Materials in, on or under their property.

- (j) Since the date of this Agreement, there has been no change in the status of the Disclosed Matters that, individually or in the aggregate, has resulted in, or materially increased the likelihood of, a Material Adverse Effect.

SECTION 3.07 Compliance with Laws and Agreements.

Each of the Borrower and the other Loan Parties is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property including Requirements of Health Care Law and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. No Default has occurred and is continuing.

SECTION 3.08 Investment Company Status.

Neither the Borrower nor any other Loan Party is an “investment company” as defined in, or subject to regulation under, the *Investment Company Act* of 1940.

SECTION 3.09 Taxes.

Each of the Borrower and its Subsidiaries has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid, reserved for or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which the Borrower or such Subsidiary, as applicable, has set aside on its books adequate reserves or (b) to the extent that the failure to do so could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.10 ERISA.

No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than \$10,000,000 the fair market value of the assets of such Plan, and the present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than \$10,000,000 the fair market value of the assets of all such underfunded Plans.

SECTION 3.11 Withholdings.

The Borrower and its Subsidiaries has withheld all employee withholdings and has made all employer contributions to be withheld and made by it pursuant to Applicable Law on account of Canadian Benefit Plans, Canadian Pension Plans, employment insurance and employee income taxes, except for any such withholdings and contributions in an aggregate amount less than \$5,000,000.

SECTION 3.12 Canadian Pension Plan and Benefit Plans.

Schedule 3.12 lists all Canadian Benefit Plans and Canadian Pension Plans currently maintained or contributed or required to be contributed to by the Borrower and its Subsidiaries. No Canadian Pension Plan is a pension plan as that term is defined in the *Pension Benefits Act* (Ontario),

provides defined benefit entitlements to its beneficiaries, is unfunded, or funded through a letter of credit or similar instrument. The Borrower and its Subsidiaries have complied with and performed all of their material obligations under and in respect of the Canadian Benefit Plans and Canadian Pension Plans under the terms thereof, any funding agreements and all Applicable Law (including any fiduciary, funding, investment and administration obligations). All material employer and employee payments, contributions or premiums to be remitted, paid to or in respect of each Canadian Benefit Plan and Canadian Pension Plan have been paid in a timely fashion in accordance with the terms thereof, any funding agreement and all Applicable Law. All material reports and disclosures relating to the Canadian Pension Plans required by such plans and any Requirement of Law to be filed or distributed have been filed or distributed. There has been no partial termination of any Canadian Pension Plan and no facts or circumstances have occurred or existed that could result or be reasonably anticipated to result in the declaration of a partial termination of any Canadian Pension Plan under Requirements of Law which could reasonably be expected to have a Material Adverse Effect. Except as set forth on Schedule 3.12, (a) there are no outstanding disputes concerning the assets of the Canadian Benefit Plans and Canadian Pension Plans and (b) all Canadian Benefit Plans are fully insured.

SECTION 3.13    Disclosure.

The Borrower has disclosed to the Lenders all agreements, instruments and corporate or other restrictions to which it or any of its Subsidiaries is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. Neither the Information Memorandum nor any of the other reports, financial statements, certificates or other information furnished by or on behalf of the Borrower to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or delivered hereunder (as modified or supplemented by other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, with respect to projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time.

SECTION 3.14    Material Agreements.

All material agreements and contracts including Material Contracts to which the Borrower and the other Loan Parties is a party or is bound as of the date of this Agreement are listed on Schedule 3.14. Except as could not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any other Loan Party is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any material agreement to which it is a party. To the extent requested by the Administrative Agent or any Lender, all consents necessary to the granting of a security interest in the Material Contracts and to the assignment of the Material Contracts upon the occurrence of an Event of Default have been obtained. No Contracts have been entered into by the Borrower or any other Loan Party (except Material Contracts which are already covered by the immediately preceding sentence) which prohibit in accordance with their respective terms the creation of a security interest in the subject Contract, to the extent such Contract would, if terminated, either on its own or together with all other such Contracts of the Borrower and the other Loan Parties, result in the occurrence of a Material Adverse Effect.

SECTION 3.15 Solvency.

- (a) Immediately after the consummation of the Transactions to occur on the Effective Date, (i) the fair value of the assets of the Borrower and its Subsidiaries, at a fair valuation, will exceed its debts and liabilities, subordinated, contingent or otherwise; (ii) the Borrower and its Subsidiaries will be able to pay their respective debts and liabilities, subordinated, contingent or otherwise, as such debts and liabilities become absolute and matured; and (iii) the Borrower and its Subsidiaries will not have unreasonably small capital with which to conduct the business in which it is engaged as such business is now conducted and is proposed to be conducted after the Effective Date.
- (b) The Borrower shall not, nor will it permit any of its Subsidiaries to, incur debts beyond its ability to pay such debts as they mature, taking into account the timing of and amounts of cash to be received by it or any such Subsidiary and the timing of the amounts of cash to be payable on or in respect of its Indebtedness or the Indebtedness of any such Subsidiary.

SECTION 3.16 Insurance.

Schedule 3.16 sets forth a description of all insurance maintained by or on behalf of the Borrower and its Subsidiaries as of the Effective Date. As of the Effective Date, all premiums in respect of such insurance have been paid. The Borrower believes that the insurance maintained by it and its Subsidiaries is adequate.

SECTION 3.17 Capitalization and Subsidiaries.

Schedule 3.17 sets forth as of the Effective Date (a) a correct and complete list of the name and relationship to the Borrower of each and all of the Borrower's Subsidiaries, (b) subject to the notes on Schedule 3.17, a true and complete listing of each class of the authorized Equity Interests of each of the Borrowers' Subsidiaries, of which all of such issued shares are validly issued, outstanding, fully paid and non-assessable, and owned beneficially and of record by the Persons identified on Schedule 3.17, and (c) the type of entity of the Borrower and each of its Subsidiaries. - (p) any material provision of any Loan Document for any reason ceases to be valid, binding and enforceable in accordance with its terms (or any Loan Party shall challenge the enforceability of any Loan Document or shall assert in writing, or engage in any action or inaction based on any such assertion, that any provision of any of the Loan Documents has ceased to be or otherwise is not valid, binding and enforceable in accordance with its terms);

Upon the occurrence and the continuance of an Event of Default, the Administrative Agent may, and at the request of the Required Lenders shall, exercise any rights and remedies provided to the Administrative Agent under the Loan Documents or at law or equity, including all remedies provided under the UCC and the PPSA.

## **ARTICLE VIII**

### **The Administrative Agent**

Each of the Lenders, the Swingline Lender and the Issuing Bank hereby irrevocably appoints the Administrative Agent as its agent and to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof and thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Bank, and neither the Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

The bank serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity and such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business

with the Borrower or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder and without any duty to account to the Lenders.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) but the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or Applicable Law; and (c) except as expressly set forth herein, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Subsidiaries that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or wilful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of a Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition specified in this Agreement, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise communicated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or the Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or the Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Each Lender agrees to indemnify the Administrative Agent and hold it harmless (to the extent not reimbursed by the Borrower), rateably according to its Applicable Percentage (and not jointly or jointly and severally) from and against any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel, which may be incurred by or asserted against the Administrative Agent in any way relating to or arising out of the Loan Documents or

the transactions therein contemplated. However, no Lender shall be liable for any portion of such losses, claims, damages, liabilities and related expenses resulting from the Administrative Agent's gross negligence or wilful misconduct.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any of the other Loan Documents by or through any one or more sub-agents appointed by the Administrative Agent from among the Lenders (including the Person serving as Administrative Agent) and their respective Affiliates. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The provisions of this Article and the other provisions of this Agreement for the benefit of the Administrative Agent shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Notwithstanding any other provision of this Agreement, the Proceeds of Realization of the Loan Guarantees and the Collateral Documents or any portion thereof shall be applied and distributed, and the claims of the Finance Parties shall be deemed to have the relative priorities which would result in the Proceeds of Realization being applied and distributed, as follows:

- (i) firstly, to the payment of all reasonable costs and expenses incurred by or on behalf of the Administrative Agent (including all legal fees and disbursements) in the exercise of all or any of the powers granted to it hereunder or under any of the other Loan Documents and in payment of all of the remuneration of any receiver, interim receiver, receiver and manager or other Person having similar powers or authority appointed by the Administrative Agent or by a court at the instance of the Administrative Agent in respect of the Collateral or any part thereof (a "Receiver") and all costs and expenses properly incurred by such Receiver (including all legal fees and disbursements) in the exercise of all or any powers granted to it under the Loan Guarantees and the Collateral Documents;
- (ii) secondly, in payment of all amounts of money borrowed or advanced by the Administrative Agent or such Receiver pursuant to the Loan Guarantees and the Collateral Documents and any interest thereon;
- (iii) thirdly, to the payment or prepayment of the Secured Obligations (including holding as cash collateral to be applied against Secured Obligations which have not then matured) to the Finance Parties *pro rata* in accordance with the relative amount of the Secured Obligations owing to each of them; and
- (iv) the balance, if any, to the Borrower or otherwise in accordance with Applicable Law.

The Administrative Agent may at any time give notice of its resignation to the Lenders, the Issuing Bank and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor, which shall be a Lender having a Commitment to a revolving credit and having an office in Toronto, Ontario, or an Affiliate of any such Lender with an office in Toronto, Ontario.

If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications specified in the paragraph above, provided that if the Administrative Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in the preceding paragraph.

Upon a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the former Administrative Agent, and the former Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided in the preceding paragraph). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the termination of the service of the former Administrative Agent, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such former Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the former Administrative Agent was acting as Administrative Agent.

Each Lender and the Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their respective Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and the Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

Each of the Lenders hereby acknowledges that to the extent permitted by Applicable Law, any collateral security and the remedies provided under the Loan Documents to the Lenders are for the benefit of the Lenders collectively and acting together and not severally and further acknowledges that its rights hereunder and under any collateral security are to be exercised not severally, but by the Administrative Agent upon the decision of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for in the Loan Documents). Accordingly, notwithstanding any of the provisions contained herein or in any collateral security, each of the Lenders hereby covenants and agrees that it shall not be entitled to take any action hereunder or thereunder including, without limitation, any declaration of default hereunder or thereunder but that any such action shall be taken only by the Administrative Agent with the prior written agreement of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for in the Loan Documents). Each of the Lenders hereby further covenants and agrees that upon any such written agreement being given, it shall co-operate fully with the Administrative Agent to the extent requested by the Administrative Agent. Notwithstanding the foregoing, in the absence of instructions from the Lenders and where in the sole

opinion of the Administrative Agent, acting reasonably and in good faith, the exigencies of the situation warrant such action, the Administrative Agent may without notice to or consent of the Lenders take such action on behalf of the Lenders as it deems appropriate or desirable in the interest of the Lenders.

Anything herein to the contrary notwithstanding, none of the Bookrunners, Arrangers or holders of similar titles, if any, specified in this Agreement shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender hereunder.

The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

#### SECTION 9.02 Waivers; Amendments.

- (a) No failure or delay by the Administrative Agent, the Issuing Bank or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Bank and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative

Agent, any Lender or the Issuing Bank may have had notice or knowledge of such Default at the time.

- (b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender affected thereby, (iii) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender affected thereby, (iv) change Section 2.19(b) or Section 2.19(c) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender, or (v) change any of the provisions of this Section or the definition of “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Issuing Bank or the Swingline Lender hereunder without the prior written consent of the Administrative Agent, the Issuing Bank or the Swingline Lender, as the case may be.
- (c) The Lenders hereby irrevocably authorize the Administrative Agent, at its option and in its sole discretion, to release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (i) upon the termination of all Commitments, and the payment and satisfaction in full in cash and/or the cash collateralization of all Secured Obligations, (ii) constituting property being sold or disposed of if the Loan Party disposing of such property certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), and to the extent that the property being sold or disposed of constitutes 100% of the Equity Interest of a Subsidiary, the applicable Administrative Agent is authorized to release any Loan Guaranty provided by such Subsidiary, (iii) constituting property leased to a Loan Party under a lease which has expired or been terminated in a transaction permitted under this Agreement, (iv) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII or (v) to otherwise facilitate a transaction expressly permitted by this Agreement. Except as provided in the preceding sentence, the Administrative Agent will not release any Liens on Collateral without the prior written authorization of each of the Lenders, such authorization not to be unreasonably withheld; provided that, the Administrative Agent may in its discretion, release its Liens on Collateral valued in the aggregate not in excess of \$25,000,000 during any calendar year without the prior written authorization of any of the Lenders. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than

those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

SECTION 9.03    Expenses; Indemnity; Damage Waiver.

- (a)    The Borrower shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Administrative Agent, in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all out-of-pocket expenses incurred by the Administrative Agent, the Issuing Bank or any Lender, including the reasonable fees, charges and disbursements of any counsel for the Administrative Agent, the Issuing Bank or any Lender, in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.
- (b)    The Borrower shall indemnify the Administrative Agent (and any sub-agent thereof), the Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party or any Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance or non-performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation or non-consummation of the Transactions or any other transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the Issuing Bank to honour a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory whether brought by a third party or by a Loan Party and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a

court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or wilful misconduct of such Indemnatee or (y) result from a claim brought by the Borrower or any other Loan Party against an Indemnatee for breach in bad faith of such Indemnatee's obligations hereunder or under any other Loan Document, if such Loan Party has obtained a final and non-appealable judgment in its favour on such claim as determined by a court of competent jurisdiction.

- (c) To the extent that the Borrower for any reason fails to indefeasibly pay any amount required to be paid by it to the Administrative Agent (or any sub-agent thereof), the Issuing Bank or the Swingline Lender under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent (and any sub-agent thereof), the Issuing Bank or the Swingline Lender, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any sub-agent thereof), the Issuing Bank or the Swingline Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or Issuing Bank in connection with such capacity. The obligations of the Lenders under this paragraph (c) are subject to the other provisions of this Agreement concerning several liability of the Lenders.
- (d) To the fullest extent permitted by Applicable Law, neither the Borrower nor any other Loan Party shall assert, and hereby waives, any claim against any Indemnatee, on any theory of liability, for special, indirect, consequential, punitive, aggravated or exemplary damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby (or any breach thereof), the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnatee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.
- (e) All amounts due under this Section shall be payable promptly after written demand therefor. A certificate of the Administrative Agent or a Lender setting forth the amount or amounts owing to the Administrative Agent, Lender or a sub-agent or Related Party, as the case may be, as specified in this Section, including reasonable detail of the basis of calculation of the amount or amounts, and delivered to the Borrower shall be conclusive absent manifest error.

#### SECTION 9.04 Successors and Assigns.

- (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), except that (i) neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior

written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower or any other Loan Party without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

- (b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:
  - A. the Borrower, provided that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, any other assignee;
  - B. the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment of any Commitment to an assignee that is a Lender with a Commitment immediately prior to giving effect to such assignment; and
  - C. the Issuing Bank.
- (ii) Assignments shall be subject to the following additional conditions:
  - A. except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Borrower and the Administrative Agent otherwise consent, provided that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing;
  - B. each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

- C. the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500;
- D. the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more Credit Contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower, the Loan Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and Applicable Law, including federal, provincial, territorial and state securities laws; and
- E. except in the case of an assignment to a Lender, at the request of the Administrative Agent (which request shall be in its sole discretion), the Borrower shall cause its legal counsel to deliver to the assignee either an opinion in form and substance comparable (in the sole discretion of the Administrative Agent and its counsel) to the opinion delivered by the U.S. counsel of the Borrower on the date hereof or a reliance letter in form and substance satisfactory to the Administrative Agent entitling the assignee to rely on such opinion letter.

For the purposes of this Section 9.04(b), the term "Approved Fund" has the following meaning:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

- (iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.15, Section 2.17, Section 2.18, and Section 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

- (iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent, the Issuing Bank and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.
- (v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05(c), Section 2.06(d), Section 2.06(e), Section 2.07(b), Section 2.19(d) or Section 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.
- (c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent, the Issuing Bank or the Swingline Lender, sell participations to one or more banks or other entities (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to

Section 9.02(b) that affects such Participant. Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Section 2.15, Section 2.17 and Section 2.18 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.19(c) as though it were a Lender.

- (ii) A Participant shall not be entitled to receive any greater payment under Section 2.15 or Section 2.18 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.18 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.18(e) as though it were a Lender.
- (d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

#### SECTION 9.05 Survival.

All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Section 2.15, Section 2.17, Section 2.18 and Section 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

#### SECTION 9.06 Counterparts; Integration; Effectiveness; Electronic Execution.

- (a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees

payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or by sending a scanned copy by electronic mail shall be effective as delivery of a manually executed counterpart of this Agreement.

- (b) The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including Parts 2 and 3 of the Personal Information Protection and *Electronic Documents Act* (Canada), the *Electronic Commerce Act, 2000* (Ontario) and other similar federal or provincial laws based on the *Uniform Electronic Commerce Act* of the Uniform Law Conference of Canada or its *Uniform Electronic Evidence Act*, as the case may be.

#### SECTION 9.07 Severability.

Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

#### SECTION 9.08 Right of Setoff.

If an Event of Default has occurred and is continuing, each of the Lenders and each of their respective Affiliates is hereby authorized at any time and from time to time to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of any Loan Party against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender has made any demand under this Agreement or any other Loan Document and although such obligations of such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each of the Lenders and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff, consolidation of accounts and bankers’ lien) that the Lenders or their respective Affiliates may have. Each Lender agrees to promptly notify the Borrower and the Administrative Agent after any such setoff and application, but the failure to give such notice shall not affect the validity of such setoff and application. If any Affiliate of a Lender exercises any rights under this Section, it shall share the benefit received in accordance with Section 2.19(c) as if the benefit had been received by the Lender of which it is an Affiliate.

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

- (a) This Agreement shall be construed and interpreted in accordance with and governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein.
- (b) Each of the Borrower and the other Loan Parties hereby irrevocably and unconditionally submits, for itself and its property, to the non-exclusive jurisdiction of the courts of the Province of Ontario and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such Ontario court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, the Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower, the other Loan Parties or their respective properties in the courts of any jurisdiction.
- (c) Each of the Borrower and the other Loan Parties hereby irrevocably and unconditionally waives, to the fullest extent permitted by Applicable Law, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by Applicable Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.
- (d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL.

**EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.**

SECTION 9.11     Headings.

Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12     Confidentiality.

- (a) Each of the Administrative Agent, the Issuing Bank and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel, representatives and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority), (c) to the extent required by Applicable Law or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap, derivative, credit-linked note or similar transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, the Issuing Bank or any Lender on a non-confidential basis from a source other than the Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent, the Issuing Bank or any Lender on a non-confidential basis prior to disclosure by the Borrower; provided that, in the case of information received from the Borrower after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.
- (b) **EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE**

**PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL, PROVINCIAL AND STATE SECURITIES LAWS.**

- (c) **ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.**

**SECTION 9.13      Several Obligations; Non-reliance; Violation of Law.**

The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Each Lender hereby represents that it is not relying on or looking to any margin stock for the repayment of the Borrowings provided for herein. Anything contained in this Agreement to the contrary notwithstanding, neither the Issuing Bank nor any Lender shall be obligated to extend credit to the Borrowers in violation of any Applicable Law.

**SECTION 9.14      Disclosure.**

Each Loan Party and each Lender hereby acknowledges and agrees that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with any of the Loan Parties and their respective Affiliates.

**SECTION 9.15      Currency of Payment.**

- (a) All outstanding Borrowings relating to Prime Rate Loans, BA Loans, BA Equivalent Loans and LC Disbursements in respect of letters of credit issued in Canadian Dollars together with all interest and fees and other Obligations relating thereto shall accrue and be payable by the Borrower in Canadian dollars. All outstanding Borrowings relating to ABR Loans, Eurodollar Loans or LC Disbursements in respect of letters of credit issued in any other currency together with all interest and fees and other Obligations relating thereto shall accrue and be payable by the Borrower in dollars. The obligations of the Borrower and the other Loan Parties hereunder and under the other Loan Documents to make payments in dollars or in Canadian dollars, as the case may be (the “Obligation Currency”), shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent or a Lender of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent or Lender under this Agreement or the other Loan Documents. If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court

or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the “Judgment Currency”) an amount due in the Obligation Currency, the conversion shall be made, at the Administrative Agent’s quoted rate of exchange prevailing, in each case, as of the date immediately preceding the day on which the judgment is given (such Business Day being hereinafter referred to as the “Judgment Currency Conversion Date”).

- (b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, the Loan Parties each covenant and agree to pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount), as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Judgment Currency Conversion Date. Any amount due from a Loan Party under this Section 9.15 shall be due as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of any of the Loan Documents.
- (c) For purposes of determining the prevailing rate of exchange, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

SECTION 9.16 Canadian Anti-Money Laundering Legislation.

- (a) The Borrower acknowledges that, pursuant to the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) and other applicable Canadian anti-money laundering, anti-terrorist financing, government sanction and “know your client” laws (collectively, including any guidelines or orders thereunder, “AML Legislation”), the Lenders, the Issuing Bank and the Administrative Agent may be required to obtain, verify and record information regarding the Borrower and its directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Borrower, and the transactions contemplated hereby and in that regard, without limiting the generality of the foregoing, may require that the authorized signing officers of each of the relevant Loan Parties who will be signing this Agreement, and other Loan Documents (each, a “signatory”) shall have made themselves available to the Administrative Agent in person, and shall have produced to the Administrative Agent a minimum of two unexpired identification documents (at least one of which must be a birth certificate, driver’s license, passport, provincial health insurance card, if permitted by the applicable provincial law, or other government-issued document) and permitted examination and the making of copies of same with a view to the Administrative Agent gathering the full names of, and the dates of birth of each such signatory, the type of identification document examined, the reference numbers of each of the identification documents examined (collectively, the “Personal Information”) and such Personal Information (together with photocopies of each identification document examined) shall have been provided to the Administrative Agent on or prior to the closing date. The Borrower shall promptly provide all such information,

including supporting documentation and other evidence, as may be reasonably requested by any Lender, the Issuing Bank or the Administrative Agent, or any prospective assignee or participant of a Lender, the Issuing Bank or the Administrative Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

- (b) If the Administrative Agent has ascertained the identity of the Borrower or any authorized signatories of the Borrower for the purposes of applicable AML Legislation, then the Administrative Agent:
  - (i) shall be deemed to have done so as an agent for each Lender and the Issuing Bank (and to hold on behalf of the Lenders and the Issuing Bank for their review upon reasonable request from time to time), and this Agreement shall constitute a “written agreement” in such regard between each Lender, the Issuing Bank and the Administrative Agent within the meaning of the applicable AML Legislation; and
  - (ii) shall provide to each Lender and the Issuing Bank copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each of the Lenders and the Issuing Bank agrees that the Administrative Agent does not have any obligation to ascertain the identity of the Borrower or any authorized signatories of the Borrower on behalf of any Lender or the Issuing Bank, or to confirm the completeness or accuracy of any information it obtains from the Borrower or any such authorized signatory in doing so.

SECTION 9.17     USA PATRIOT ACT.

Each Lender that is subject to the requirements of the *USA Patriot Act* (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Patriot Act”) hereby notifies the Borrower that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Patriot Act.

(iv) a material breach by Dr. Squires of his duties hereunder (other than as a result of incapacity due to physical or mental impairment), except as identified in Section 7(iii) above, which breach is not remedied by Dr. Squires within 30 days after receipt of written notice from the Company specifying such breach; or

(v) Dr. Squires’ failure to comply in any material way with any of the provisions of this Agreement.

8. **Entire Agreement, Amendment and Assignment.** This Agreement (including the schedules hereto) is the sole agreement between Dr. Squires and the Company with respect to the Services to be performed hereunder and it supersedes all prior agreements and understandings with respect thereto, whether oral or written, except that certain Confidential Separation Agreement and General Release by and between the Company and Dr. Squires to be dated as of May 6, 2008 and Article Four of the Employment Agreement. No modification to any provision of this Agreement shall be binding unless in writing and signed by both Dr. Squires and the Company. All of the terms and provisions of this Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective heirs, executors, administrators, legal representatives, successors and assigns of the parties hereto, except that the duties and responsibilities of Dr. Squires hereunder are of a personal nature and shall not be assignable or delegable in whole or in part by Dr. Squires.

In no event shall Dr. Squires, directly or indirectly, designate the calendar year of payment.

(b) All reimbursements and in kind benefits provided under this Agreement shall be made or provided in accordance with the requirements of section 409A of the Code, including, where applicable, the requirement that (i) any reimbursement is for expenses incurred during Dr. Squires’ lifetime (or during a shorter period of time specified in this Agreement), (ii) the amount of expenses eligible for reimbursement, or in kind benefits provided, during a calendar year may not affect the expenses eligible for reimbursement, or in kind benefits to be provided, in any other calendar year, (iii) the reimbursement of an eligible expense shall be made on or before the last day of the calendar year following the year in which the expense is incurred, and (iv) the

**SCHEDULE B**  
**STANDARDS OF BUSINESS CONDUCT**

---

**BIOVAIL CORPORATION  
(and its Subsidiaries, Divisions, and Affiliates)**

**STANDARDS OF BUSINESS CONDUCT**

Biovail Corporation ("Biovail"), together with its subsidiaries, divisions and affiliates, places great importance on conducting its business activities in an ethical and appropriate manner. Each employee, officer and director is a reflection of Biovail, and as such, the activities and actions of every individual within Biovail must be undertaken in accordance with a high standard of ethics and integrity. As such, Biovail expects each employee, officer and director to comply with, and adhere to, these Standards of Business Conduct (the "Standards").

**CONFLICTS OF INTEREST**

Employees, officers and directors of Biovail must avoid situations where their private interests could conflict with, or even appear to conflict with, the interests of Biovail and its stockholders.

Conflicts of interest arise when an individual's position or responsibilities with Biovail present an opportunity for personal gain apart from the normal rewards of employment. They also arise when the private interests of an employee, officer or director are inconsistent with those of Biovail or create conflicting loyalties. Such conflicting loyalties can cause an employee, officer or director to give preference to private interests in situations where corporate responsibilities should come first. Employees, officers and directors must perform the responsibilities of their positions on the basis of what is in the best interests of Biovail and free from the influence of personal considerations and relationships.

In the event that any potential conflict of interest arises, the individual involved must immediately notify his or her immediate supervisor. If such individual is an officer or director of Biovail, the Executive Chairman ("Chairman"), Chief Executive Officer ("CEO") and the General Counsel, or in the absence of a General Counsel the Vice President, Associate General Counsel ("SLO") of Biovail must also be immediately notified and no further action may be taken unless authorized in writing by the Chairman and/or the CEO.

While it is not possible to detail every situation where conflicts of interest may arise, the following policies cover the areas that have the greatest potential for conflict:

**A. Trading in Biovail Securities and Use of Inside Information**

There are numerous laws in Canada and the United States (federal, provincial and state laws), to regulate transactions in corporate securities (stocks and bonds) and the securities industry. Violation of these laws may lead to civil and criminal actions against the individual and Biovail.

---

- i. Any employee, officer, director or other insider or anyone (family member, etc.) who knows of any material information (as defined below) about Biovail that has not been disclosed to the public (commonly known as “insider information”) may not engage in any transaction in Biovail’s securities until such information is disclosed to the public (whether or not there is a formal trading “black out” in place). This rule applies equally to transactions in securities of other companies. In addition, employees, officers and directors must not provide insider information to others (“tippees”) who may trade in either the securities of Biovail or the securities of other companies.

“Material information” is any information relating to the business and affairs of Biovail that would reasonably be expected to result in a change in the market price or value of Biovail’s securities. Generally speaking, material information is a matter to which an average prudent investor should be reasonably informed before a decision is made to buy or sell the security involved. Examples of such information would include annual or quarterly financial results; significant changes in management; significant shifts in operating or financial circumstances, such as major write-offs and changes in earnings projections; borrowing of a significant amount of funds; acquisitions of, or mergers with, other companies; significant new contracts or loss of business; and major new products, services or patents. This list provides examples only; many other matters may be considered material information.

Employees, officers, directors and other insiders who have questions that relate to the sale or purchase of a security under circumstances where these laws and regulations might apply should consult with the SLO, who may refer them to outside legal counsel.

- ii. In addition to the prohibition against the use of “insider” information which applies to all employees, officers and directors, the various securities laws that apply in the jurisdiction and countries in which Biovail does business place definite restrictions on the manners in which employees, officers and directors of Biovail, and their family members, their associates, etc., may engage in transactions involving the securities of Biovail. Employees, officers and directors shall comply with all laws, rules and regulations that prohibit or restrict insider trading.

Whenever there is any doubt as to whether any transactions involving Biovail’s securities would violate securities laws, employees, officers and directors should consult the SLO of Biovail. Within the framework of the foregoing policies and laws, the final decision of each employee, officer or director, with respect to securities transactions, must be his or her own.

- iii. Employees, officers, directors and other insiders shall maintain the confidentiality of information entrusted to them by Biovail or its customers (except where disclosure is authorized or legally mandated) and shall not, without proper authority, give or release to anyone not employed by Biovail, data or information of a confidential nature concerning Biovail. Disclosure of confidential information can be harmful to Biovail and could be the basis for legal action against Biovail and the individual disclosing the information. Confidential information includes all non-public information that might be of use to competitors, or harmful to Biovail or its customers, if disclosed.

- iv. Employees, officers, directors and other insiders shall not acquire any property, security or any business interest that they know Biovail has an interest in acquiring. Moreover, based on such advance information, employees, officers and directors shall not acquire any property, security or business interest for speculation or investment.
- v. Employees, officers, directors and other insiders must follow Biovail policies regarding “Blackout Periods” when Biovail’s stock may not be traded. Such policies will be communicated by the SLO from time to time and must be adhered to by all employees, officers and directors.

**B. Personal Financial Interest**

Employees, officers and directors should avoid any outside financial interests that might influence decisions or actions they have been empowered to make on behalf of Biovail. An employee, officer or director performing duties in conformity with this policy shall not have a financial interest in, indebtedness to, or a personal contract or understanding with any concern with which he or she does business on behalf of Biovail.

- i. Employees, officers or directors whose corporate duties bring them into business dealings with an organization in which they, or a member of their family, have a financial interest or to which they, or a member of their family, have any indebtedness, or a business employing a relative or close friend, must immediately notify their immediate supervisor. The employee, officer or director, in turn, cannot complete a transaction on behalf of Biovail with this organization unless properly authorized in writing from their supervisor after full disclosure of the relationship.
- ii. An employee, officer or director may not perform work or services, outside the course of their normal employment by Biovail, for an organization doing or seeking to do business with Biovail without appropriate prior written approval of their supervisor or the Board of Directors. An employee, officer or director may not be a director, officer, partner or consultant of an organization doing or seeking to do business with Biovail, nor may any of them permit their names to be used in any way indicating a business connection with such an organization, without appropriate prior written approval of their supervisor or the Board.
- iii. An employee, officer or director shall not accept for himself or herself, or for the benefit of any relative or friend, any payments, loans, services, favors involving more than ordinary social amenity, or gifts of more than nominal value from any organization doing or seeking to do business with Biovail.
- iv. The requirement of freedom from conflict of interest applies with equal force to the spouse, children and other close relatives of each employee, officer and director. This policy applies to all employees, officers and directors of Biovail with respect to all of the affairs of Biovail.

- v. Employees, officers and directors shall not (a) take for themselves personally opportunities that are discovered through the use of corporate property, information or position; (b) use corporate property, information, or position for personal gain; (c) compete with Biovail. Employees, officers and directors owe a duty to Biovail to advance its legitimate interests when the opportunity to do so arises.
- vi. Biovail may not make loans to any employee, officer or director.

**C. Outside Activities**

Employees, officers and directors should avoid outside employment or activities which would impair the effective performances of their responsibilities to Biovail, either because of excessive demands on their time, or because the outside commitments can be contrary to their obligations to Biovail

**D. Protection and Proper Use of Biovail's Assets**

All employees, officers and directors should protect Biovail's assets and ensure their efficient use. Theft, carelessness and waste have a direct impact on Biovail's profitability. All of Biovail's assets should be used only for legitimate business purposes.

**E. Fair Dealing**

Each employee, officer and director shall endeavor to deal fairly with Biovail's customers, suppliers, competitors and employees. None should take unfair advantage of anyone through manipulation, concealment, abuse of privileged information, misrepresentation of material facts, or any other unfair-dealing practice.

**2. COMPETITIVE PRACTICES**

The management of Biovail firmly believes that fair competition is fundamental to continuation of the free-enterprise system. Biovail complies with, and supports, laws of all countries that prohibit restraints of trade, unfair practices, or abuse of economic power.

Biovail will not enter into arrangements that unlawfully restrict its ability to compete with other businesses, or the ability of any other business organization to compete freely with Biovail. Biovail policy also prohibits employees, officers and directors from entering into, or even discussing, any unlawful arrangement or understanding which may affect its pricing policies, terms upon which its products and services are sold, or which might be construed as dividing customers or sales territories with a competitor.

These principles of fair competition are basic to all Biovail operations. They are integral parts of the following sections that cover Biovail's dealings with suppliers, customers and public officials.

**3. DEALING WITH SUPPLIERS**

Biovail is a valuable customer for many suppliers of goods, services and facilities. People who want to do business, or to continue to do business, with Biovail must understand that all purchases by Biovail will be made in accordance with its purchasing policy and exclusively on the basis of price, quality, service and suitability to Biovail’s needs.

**A. Reciprocity**

Biovail considers reciprocity a harmful practice and a hindrance to assuring purchase of the best available materials or services at the lowest possible prices. It will not be practiced or allowed.

Suppliers of goods and services to Biovail will not be asked to buy goods and services from Biovail in order to become or continue as a supplier.

Biovail will not attempt to influence its suppliers to purchase from customers of Biovail. When Biovail makes purchases it will not favor firms who are customers of Biovail or any of its affiliates.

**B. “Kickbacks” and Rebates**

Purchases or sales of goods and services by Biovail must not lead to employees, officers or directors, or their families, receiving any type of personal kickbacks or rebates. Employees, officers, directors, and their families, must not accept any form of “under-the-table” payment.

**C. Receipt of Gifts and Entertainment**

Even when gifts and entertainment are exchanged out of the purest motives of personal friendship, they can be misunderstood. They can appear to be attempts to bribe Biovail’s employees, officers or directors into directing business of Biovail to a particular supplier. To avoid both the reality and the appearance of improper relations with suppliers or potential suppliers, the following standards will apply to the receipt of gifts and entertainment by employees, officers and directors of Biovail:

**Gifts**

- i) Employees, officers and directors are prohibited from soliciting gifts, gratuities, or any other personal benefit or favor of any kind from suppliers or potential suppliers. Gifts include not only merchandise and products but also personal services, and tickets to theatrical and sports events. Employees, officers and directors should exercise good judgment when accepting unsolicited gifts. Employees, officers and directors are prohibited from accepting gifts of money.
- ii) Employees, officers and directors may accept unsolicited non-money gifts provided:
  - (1) They are items of nominal intrinsic value; or
  - (2) They are advertising and promotional materials, clearly marked with Biovail or brand names of the giver.

- iii) Any gift of more than nominal intrinsic value must be reported to the SLO to determine whether it can be accepted. Some gifts may be perishable so as to make their return impractical. Supervisors can permit acceptance of such gifts, but should require employees, officers and directors to tactfully inform givers that such gifts are discouraged.
- iv) In the transaction of some international business, it is lawful and customary for business leaders in some countries to give unsolicited gifts to employees, officers or directors of Biovail. These gifts can be of more than nominal value. Moreover, under the circumstances, returning the gifts or payment for them may constitute an affront to the giver. In such cases, the gift must be reported to the SLO who may permit the retaining of the gifts.
- v) In all other instances where gifts cannot be returned or may adversely affect Biovail's continuing business relationships, the SLO must be notified. They can require employees, officers and directors to transfer ownership of such gifts to Biovail.

#### **Entertainment**

- i) Employees, officers and directors shall not encourage or solicit entertainment from any individual or company with whom Biovail does business. Entertainment includes, but is not limited to, activities such as dinner parties, theater parties, and sporting events.
- ii) From time to time employees, officers and directors may accept unsolicited entertainment, but only under the following conditions:
  - (1) The entertainment occurs infrequently;
  - (2) It arises out of the ordinary course of business;
  - (3) It involves reasonable, not lavish expenditures (the amounts involved should be ones employees, officers and directors are accustomed to normally spending for their own business or personal entertainment); and
  - (4) The entertainment takes place in settings that also are reasonable, appropriate, and fitting to employees, officers and directors, their hosts, and their business at hand.

**4. DEALINGS WITH CUSTOMERS AND POTENTIAL CUSTOMERS**

Employees, officers and directors must keep all dealings with customers and potential customers fair and above board. Biovail gets business and keeps it because of the quality of its goods and services. Biovail does not give unethical or illegal rebates, kickbacks, under-the-table payments, or other similar improper favors to customers or their representatives.

The boundary line between ethical and unethical competition, or legal and illegal conduct, is not always well defined, particularly in international activities where differing local laws, customs, and practices come into play. Therefore, the following standards will serve as guides:

- a) All employees, officers and directors should make themselves aware of and fully comply with all laws, rules and regulations, whether federal, state, local or foreign, including laws governing relations with customers as well as competitors.
- b) All employees, officers and directors engaged in negotiations and contracts with foreign governments, the United States or any political subdivision thereof must also know and abide by the specific rules and regulations covering relations with such governments and their agencies.
- c) Employees, officers and directors may not give gifts to customers except items of nominal value, which fit the legal, normal, and customary pattern of Biovail's sales efforts for a particular market. Exceptions to this policy can occur in international trades where it can be legal, customary, and appropriate business practice to exchange gifts with customers. Only the CEO can authorize the giving, receiving, or exchanging of such gifts. Any gifts received by employees, officers or directors in such an exchange must be reported to the CEO for determination as to the disposition of the gifts.
- d) Entertainment for any customer must fit regular business practices. The place and type of entertainment and the money spent must be reasonable and appropriate.

**5. DEALING WITH PUBLIC OFFICIALS**

Domestic and foreign laws and regulations require Biovail to be in contact with public officials on a wide variety of matters. Employees, officers and directors who regularly make these contacts have special responsibilities for upholding Biovail's good name. The following standards relate to these special responsibilities:

- a) All employees, officers and directors who contact public officials must be familiar with lobbying laws and public disclosure requirements, particularly those that apply to registrations and filings.
- b) No employee shall make any form of payment, direct or indirect, to any public official as an inducement to procuring or keeping business or having a law or regulation enacted, defeated, or violated. This is bribery, pure and simple. It will not be tolerated.

It should be acknowledged that inherent in the current health-care regulatory environment, the definition of “form of payment” may include seemingly trivial gifts and/or favors (e.g. buying lunches, coffee, etc.).

- c) When not prohibited by law, employees, officers and directors are allowed to give to public officials gifts where the presentation and acceptance of gifts is an established custom and a normal business practice. All such gifts shall be of reasonable value and the presentation approved in advance by the CEO. Moreover, such gifts must be presented in a manner that clearly identifies Biovail and the occasion that warrants the presentation.
- d) Employees, officers and directors are also allowed to give public officials gifts in the form of product models and pictures provided the models and pictures are part of Biovail’s general marketing and public relations programs (except as noted in clause (b) above).
- e) On special ceremonial occasions, officers of Biovail may publicly give gifts of more than nominal value to public institutions and public bodies. Such gifts can commemorate special events or milestones in Biovail’s history.

These may be transmitted through public officials but the gifts are given to the public institutions and public groups they represent, not to the officials personally.

- f) From time to time employees, officers and directors may entertain public officials, but only under the following conditions:
  - i. It is legal and permitted by the entity represented by the official;
  - ii. The entertainment is not solicited by the public official;
  - iii. The entertainment occurs infrequently;
  - iv. It arises out of the ordinary course of business;
  - v. It does not involve lavish expenditures, considering the circumstances;
  - vi. The settings and types of entertainment are reasonable, appropriate and fitting to our employees, officers or directors, their guests, and the business at hand.

## **6. POLITICAL ACTIVITIES AND CONTRIBUTIONS**

### **A. Canada and the United States**

Employees, officers and directors who participate in partisan political activities must make every effort to ensure that they do not leave the impression that they speak or act for Biovail.

Biovail encourages its employees, officers and directors to participate in political activities in their own time and at their sole expense. No corporate action, direct or indirect, will be allowed

that infringes on the right of any employee individually to decide whether, to whom, and in what amount, they will make personal political contributions. The same is true of volunteer political donations of personal service time, so long as it does not interfere with the working status of employees, officers or directors.

**B. Outside Canada and the United States**

No employees, officers and directors are permitted to use Biovail’s funds, facilities, or other assets, to support either directly or indirectly any political candidates or political parties, without advance authorization in writing from their immediate supervisor and the General Counsel. The policy of Biovail is that employees, officers and directors and employees should not participate in political activities in countries of which they are not nationals. However, such persons, of course, are free to participate in political activities in countries of which they are nationals in their own time and at their own expense.

**7. DISCLOSURE**

Biovail has formed a Disclosure Committee to promote consistent practices aimed at informative, timely and broadly disseminated disclosure of Material Information to the market, external stakeholder groups and employees in accordance with all applicable legal, regulatory and stock-exchange requirements.

It is essential that the Disclosure Committee be fully apprised of all material corporate developments to be able to determine whether there is information that should be publicly disclosed, and what the appropriate timing is for release of that information. In some cases, the Disclosure Committee may determine that the information should remain confidential. If that is the case, the Disclosure Committee will determine how that information will be controlled so that it is not inadvertently released. Therefore any employee who becomes aware of information that he/she believes might be material to Biovail and/or any of its affiliates and subsidiaries he/she should advise their manager or supervisor or a member of the Disclosure Committee. Current membership of the Disclosure Committee is posted on the Biovail.com website.

This applies throughout the year, but is particularly critical when annual or quarterly financial statements and Management Discussion and Analysis (MD&A) or regulatory filings are being prepared (e.g. regulatory filings, such as the U.S. Securities and Exchange Commission, Form 20-F).

**8. PUBLIC COMMUNICATIONS**

Given the importance placed on confidentiality and the appropriate disclosures of information regarding Biovail, it is important for employees, officers and directors to ensure that care be taken with any communication regarding Biovail or its activities outside of Biovail.

**A. Designated Spokespersons**

Biovail has designated official spokespersons who are authorized to speak on behalf of Biovail, and answer questions from the news media and the investment community, about Biovail and its activities. Employees, officers and directors who have not been designated as spokespersons for Biovail are not permitted to speak on behalf of the Company to the news media or to the investment community.

**B. Media or Analyst Inquiries**

Any employee who is approached by any person asking for comment on the activities of Biovail must direct any and all such inquiries to a member of the Disclosure Committee or to a member of the Company’s Stakeholder Relations team (Corporate Communications, Investor Relations) so that an appropriate spokesperson can respond to the inquiry on behalf of Biovail.

**C. Conferences**

The Disclosure Committee should be advised of any request to present at any conference or public meeting. Certain materials prepared for any such presentation may be required to be reviewed by the Company’s Stakeholder Relations group.

**D. Electronic Communications**

Care must be taken in all instances in the use of e-mail, and other devices (e.g., Blackberrys) in communications relating to Biovail’s business. While users tend to resort to shorthand communication using these kinds of tools, those communications do form a record of those communications that may be subject to later review and disclosure. A more fulsome policy regarding electronic communications is in place (found in the Human Resources Management System Policy Binder) and should be adhered to by all employees, officers and directors.

**E. The Internet**

Biovail has instituted policies regarding the use of, and access to the Internet by employees, officers and directors. These policies include a prohibition against anyone participating in any chat rooms dedicated to Biovail or its operations or the industry at large. If any employee, officer or director becomes aware that any such chat room exists, they are asked to report the address of such site to the SLO so that it may be monitored and appropriate action may be taken.

**9. EQUAL OPPORTUNITY**

Biovail supports the principle that every individual must be accorded an equal opportunity to participate in the free-enterprise system and to develop their ability to achieve their full potential within that system.

There shall be no discrimination against any employee or applicant because of race, religion, color, sex, age, sexual orientation, national or ethnic origin, or disability (as required by law) or any other consideration prohibited by local law. All employees, officers and directors will be treated with equality during their employment without regard to their race, religion, color, sex, age, national or ethnic origin, or physical handicap, in all matters, including employment, upgrading, promotion, transfer, layoff, termination, rates of pay, selection for training and

recruitment. Biovail will maintain a work environment free of discriminatory practice of any kind.

No employee shall have any authority to engage in any action or course of conduct or to condone any action or course of conduct by any other person which shall in any manner, directly or indirectly, discriminate or result in discrimination in the course of one’s employment, termination of employment, or any related matter where such discrimination is, directly or indirectly, based upon race, religion, color, sex, age, sexual orientation, national or ethnic origin, disability, or any other consideration prohibited by law.

**10. HEALTH, SAFETY, AND ENVIRONMENTAL PROTECTION**

It is Biovail’s policy to pay due regard to the health and safety of its employees, officers, directors and others, and to the state of the environment. There are federal, provincial, state and local workplace safety and environmental laws which through various governmental agencies regulate both physical safety of employees, officers and directors and their exposure to conditions in the workplace. Should you be faced with an environmental health issue or have a concern about workplace safety, you should contact your Health and Safety Committee representative or notify Biovail management immediately.

Many countries and their regional and local governments now have complex legislation to protect the health and safety of employees, or the general public, and to prevent pollution and protect the environment. In case of violation, these laws often provide penalties for both the company involved and its executive personnel. Biovail’s SLO should always be consulted when necessary to understand or comply with such laws.

**11. WORK ENVIRONMENT**

Employees, officers and directors must treat each other with professional courtesy and respect at all times. Employees, officers and directors shall not subject any other employee to unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct which might be construed as sexual in nature, or harass others on the basis of race, disability, gender, sexual orientation or any other consideration prohibited by law. Such conduct may constitute sexual harassment or harassment under federal, provincial and state law and may be the basis for legal action against the offending employee and/or Biovail.

Employees are encouraged to report all conduct that they believe in good faith to be violations of local anti-harassment policies. To the extent permissible under local law the identity of the employees, officers or directors involved will be kept strictly confidential, and will not be revealed by Biovail’s management without the employee’s permission. The alleged harassment will be thoroughly investigated by Biovail and appropriate action will be taken. Biovail has an appropriate policy to protect employees against discrimination or retaliation as a result of such a complaint.

**12. INTEGRITY OF RECORDS AND FINANCIAL REPORTS**

It is of critical importance that Biovail’s filings with the appropriate regulatory authorities (e.g. U.S. Securities and Exchange Commission) be accurate and timely. Depending on their position with Biovail, an employee, officer or director may be called upon to provide necessary information to ensure that Biovail’s public reports are complete, fair and understandable. Biovail expects employees, officers and directors to take this responsibility very seriously and to provide prompt accurate answers to inquiries related to Biovail’s public disclosure requirements.

The integrity of Biovail’s record keeping systems will be respected at all times. Employees, officers and directors are forbidden to use, authorize, or condone the use of “off-the-books” bookkeeping, secret accounts, unrecorded bank accounts, “slush” funds, falsified books, or any other devices that could be utilized to distort records or reports of Biovail’s true operating results and financial conditions or could otherwise result in the improper recordation of funds or transactions.

**13. USE OF AGENTS AND NON-EMPLOYEES, OFFICERS AND DIRECTORS**

Agents or other non-employees cannot be used to circumvent the law. Employees, officers and directors will not retain agents or other representatives to engage in practices that run contrary to the Standards of Business Conduct or applicable laws.

**14. INTERNATIONAL OPERATIONS**

Employees, officers and directors operating outside of Canada and the United States have a special responsibility to know and obey the laws and regulations of countries where they act for Biovail. Customs vary throughout the world, but all employees, officers and directors must uphold the integrity of Biovail in other nations diligently.

**15. STANDARDS OF BUSINESS CONDUCT**

**A. Initial Distribution**

- i. Employees, officers and directors designated to receive these Standards will receive their copies immediately after publication.
- ii. Future employees, officers and directors designated to receive these Standards will receive their copies at the time they are hired.

**B. Initial Verification**

Upon receiving their copy of the Standards, employees, officers and directors current and future will:

- i. Become thoroughly familiar with the Standards.
- ii. Resolve any doubts or questions about the Standards with their supervisors.
- iii. Inform their supervisors of any existing holdings or activities that might be, or appear to be, inconsistent with, or in violation of, the Standards.
- iv. Prepare written disclosures of such information, if requested, by supervisors.
- v. Take steps to correct existing situations and bring holdings and activities into full compliance with the Standards. Such steps will be approved in writing by supervisors and will be based on the written disclosure submitted by employees, officers or directors.
- vi. Sign the verification and return it to their supervisors who will make it part of employee’s permanent corporate records.

**C. Maintaining Compliance**

- i. Employees, officers and directors have the responsibility to maintain their understanding of the Standards of Business Conduct and for following them.
- ii. Supervisors have the responsibility to maintain an awareness on the part of their employees, officers and directors of the importance of their adhering to the Standards of Business Conduct and for reporting deviations to Management.
- iii. As requested by the Board of Directors or senior management, employees, officers and directors will be asked to re-verify their understanding of the Standards of Business Conduct and their compliance with them every year as a part of Biovail’s annual reporting.
- iv. Employees, officers and directors must inform their supervisors of any changes in their holdings or activities that might be, or appear to be in non-compliance with the Standards of Business Conduct.
- v. Employees, officers and directors must prepare written disclosure of such information, if requested, by supervisors.
- vi. Employees, officers and directors must take steps to correct any such changes, if necessary, to bring holdings and activities into full compliance. Such steps will be approved in writing by supervisors and Management and will be based on the written disclosures submitted by employees, officers and directors.

**D. Audits of Compliance**

Regular audits of Biovail will include procedures to test compliance with the Standards of Business Conduct.

**16. VIOLATIONS OF STANDARDS**

Employees, officers and directors must immediately report any violations of the Standards or any violation of any applicable law, rule or regulation. Failure to do so can have serious consequences for the employees, officers or directors and for Biovail.

Employees, officers and directors, should report violations to their supervisors and/or to the Human Resources department and to the SLO or to any secure reporting hotline the company may have contracted with. When in doubt, employees should talk to their supervisors or other appropriate personnel to determine the best course of action in a particular situation.

Supervisors and the Human Resources group have the responsibility to promptly and thoroughly investigate all reports, and to report violations to the SLO.

After a violation is investigated, appropriate action will be taken promptly. Management has the right to determine the appropriate disciplinary action for a violation up to and including termination of employment. All proposed disciplinary action is subject to review by senior Management, Human Resources and the SLO.

Employees, officers and directors should be aware that, in addition to any disciplinary action taken by Biovail, violations of certain Standards may require restitution and may lead to civil or criminal action against individual employees, officers and directors and any corporation involved.

Supervisors have the responsibility of taking remedial steps to correct any operating procedures that may contribute to violations of Standards.

Retaliation in any form against an individual who reports a violation of these Standards of Business Conduct or of any law, rule or regulation in good faith, or who assists in the investigation of a reported violation, is itself a serious violation of this policy. Acts of retaliation will be disciplined appropriately and should be reported immediately to your supervisor or Human Resources.

**17. CONTINUANCE OF EXISTING PERSONNEL POLICIES, RULES AND PERFORMANCE STANDARDS**

Biovail has codified numerous personnel policies, rules and standards of employee performance, which continue in force. These Standards of Business Conduct are intended to supplement and amplify those established personnel policies, rules and standards.

It continues to be the responsibility of all employees to comply with all such policies, rules and performance standards. Additionally, all members of management are to continue making certain that employees reporting to them are made aware of established policies, rules and performance standards and comply with them.

**18. AMENDMENT, MODIFICATION AND WAIVER**

Biovail will periodically review these Standards of Business Conduct. These Standards may be amended, modified or waived by the Board of Directors and waivers may also be granted by the Nominating & Governance Committee, subject to the disclosure and other provisions of the Securities Exchange Act of 1934, and the rules there under and the applicable rules of the Toronto Stock Exchange/New York Stock Exchange. Employees, officers and directors will be fully informed of any revisions to the Standards of Business Conduct.

Any waiver of these Standards for any employee other than a director or an executive officer, may only be made by the Executive Chairman or the CEO. Any waiver of these Standards for director or an executive officer may be made only the Board of Directors or the Compensation, Nominating and Corporate Governance Committee and will be promptly disclosed to Biovail’s stockholders.

**VERIFICATION AND RECEIPT OF UNDERSTANDING**

I have received a copy of Standards of Business Conduct for BIOVAIL CORPORATION and its subsidiaries, divisions and affiliates. I understand how the Standards apply to me. I acknowledge that my receiving the Standards obligates me to follow them and I agree to abide by their conditions.

The remaining amount of such Performance RSUs shall be cancelled and forfeited on the Termination Date. Notwithstanding any provision of the Performance RSU agreement evidencing the terms of such Performance RSUs or Biovail's 2007 Equity Compensation Plan (the "2007 Equity Compensation Plan") to the contrary, in no event shall Dr. Squires be entitled to dividend equivalents under Section 5.5 of the 2007 Equity Compensation Plan, nor shall any of the provisions of Sections 5.7, 5.8 or 5.9 of the 2007 Equity Compensation Plan apply to the Performance RSUs described in this subparagraph (d).

Notwithstanding anything to the contrary in such Option agreements and such Option plans, in connection with Dr. Squires' termination of employment, the Board has caused (i) all outstanding Options that would have vested during the period beginning on the Termination Date through June 1, 2010 to become fully vested and exercisable as of the Termination Date, (ii) Dr. Squires to be treated as having "retired" (within the meaning of such term under the applicable Option plan pursuant to which the Options were granted) as of the Termination Date and (iii) the post-termination exercise period under the Options to extend from the Termination Date through June 1, 2010. Any

Options that are not vested as of the Termination Date in accordance with the foregoing provisions of this paragraph 1(f) shall be forfeited.

Except as set forth in this paragraph 2 and except for payments and benefits to which he is entitled as set forth in paragraph 1 above, Dr. Squires expressly agrees that he has been paid all remuneration owed to him as a result of Dr. Squires' employment with Biovail, or the termination of that employment. Whether or not Dr. Squires executes this Agreement, Dr. Squires shall be paid for any accrued but unused vacation days, and for previously submitted un-reimbursed business expenses (in accordance with usual Company guidelines and practices), to the extent not theretofore paid. In addition, following the Termination Date, Dr. Squires shall be entitled to receive vested amounts payable to him under the Company's 401(k) plan and other retirement and deferred compensation plans, if any, in accordance with the terms of such plans and applicable law. Except as specifically set forth herein, Dr. Squires' participation in all Biovail employee benefit plans and programs shall remain subject to the terms and conditions of such plans as in effect from time to time and Dr. Squires agrees that such terms and conditions are binding on himself and Biovail.

3. Dr. Squires, on behalf of himself, and Dr. Squires' heirs, executors, administrators, and/or assigns, does hereby **RELEASE AND FOREVER DISCHARGE** Biovail, together with its parents, subsidiaries, affiliates, predecessors, and successor corporations and business entities, past, present and future, and its and their agents, directors, members, officers, employees, shareholders, insurers and reinsurers, and employee benefit plans (and the trustees, administrators, fiduciaries, insurers, and reinsurers of such plans) past, present and future, and their heirs, executors,

Biovail (or any affiliate thereof). Nothing in this Agreement shall waive rights or claims that may arise after the date this Agreement is executed by Dr. Squires.

4. Dr. Squires hereby agrees and recognizes that Dr. Squires’ employment relationship with Biovail has been completely severed as of the Termination Date, and that neither Biovail nor the Releasees has any obligation, contractual or otherwise, to hire, rehire or re-employ Dr. Squires in the future. The parties acknowledge that the Board has appointed Dr. Squires as Chairman of the Board.

5. Dr. Squires represents that Dr. Squires does not have any lawsuits, claims, or charges pending against any of the Releasees. This Agreement is expressly conditioned upon and contingent on the truth of Dr. Squires’ representations in this Agreement.

6. Dr. Squires agrees and acknowledges that this Agreement is not, and shall not be construed to be, an admission of any violation of any federal, state, provincial or local statute, ordinance or regulation, or of any duty owed by Releasees to Dr. Squires, or of any wrongdoing to Dr. Squires by Releasees.

7. Except as set forth herein, Dr. Squires agrees not to make written or oral statements about Biovail or Releasees that are negative or disparaging. Nothing in this Agreement shall preclude Dr. Squires from communicating or testifying truthfully (a) to the extent required or protected by law, (b) to any federal, state, provincial or local governmental agency, (c) in response to a subpoena to testify issued by a court of competent jurisdiction, or (d) in any action to challenge or enforce the terms of this Agreement.

8. Dr. Squires agrees, covenants and promises that Dr. Squires has not communicated or disclosed, and shall not hereafter communicate or disclose, the terms of this Agreement, or the terms of the negotiations leading up to this Agreement, to any persons with the exception of: (a) members of Dr. Squires' immediate family, Dr. Squires' attorneys, accountants, tax, or financial advisors, each of whom shall be informed of this confidentiality obligation and shall agree to be bound by its terms; (b) to the Internal Revenue Service or state or local taxing authority; (c) as is expressly required or protected by law; or (d) in any action to challenge or enforce the terms of this Agreement provided that such disclosure is protected from public disclosure by an appropriate confidentiality order to the maximum extent permitted by applicable authority. Dr. Squires agrees to be liable for any breach of this Paragraph by the individuals identified in clause (a) above. In the event that Dr. Squires is required to disclose information protected by this Paragraph pursuant to clause (c) above, Dr. Squires agrees to notify via facsimile and U.S. Mail, and to provide a copy of any subpoena, order or written inquiry to, Biovail, 7150 Mississauga Road, Mississauga, Ontario, L5N 8M5, Attn: General Counsel, within three (3) business days of becoming aware of the need for such disclosure.

9. This Agreement constitutes the entire agreement between Dr. Squires and Biovail with respect to the subject matter hereof and supersedes all prior negotiations and agreements, whether written or oral, relating to the subject matter hereof including the Employment Agreement, except for that certain Standards of Business Conduct Agreement by and between Biovail and Dr. Squires dated December 5, 2007, that certain Confidentiality Agreement by and between Biovail and Dr. Squires dated December 5,

2007, the Chairman Agreement between Biovail and Dr. Squires dated as of May 1, 2008 and Article Four of the Employment Agreement, which Dr. Squires hereby acknowledges and agrees survive the termination of the Employment Agreement and his employment with Biovail. Dr. Squires acknowledges that neither Biovail, the Releasees, nor their agents or attorneys have made any promise, representation or warranty whatsoever, express or implied, written or oral, other than the express written representations herein. Dr. Squires agrees that this Agreement may not be altered, amended, modified, or otherwise changed in any respect except by another written agreement signed by both Dr. Squires and Biovail.

10. Dr. Squires further certifies and acknowledges that:

(a) Dr. Squires has read the terms of this Agreement and understands its terms and effects, including the fact that Dr. Squires has agreed to RELEASE AND FOREVER DISCHARGE the RELEASEES from any and all claims as set forth in Paragraph 3;

(b) Dr. Squires has signed this Agreement voluntarily and knowingly in exchange for the consideration described herein, which Dr. Squires acknowledges is adequate and satisfactory;

(c) the payments, benefits, promises and undertakings performed, and to be performed, as set forth herein exceed and are greater than the payments and benefits, if any, to which Dr. Squires would have been entitled had Dr. Squires not executed this Agreement;

(d) Releasees have advised Dr. Squires, through this document, to consult with an attorney concerning this Agreement prior to signing this Agreement;

(e) Dr. Squires has the right to consider this Agreement for a period of twenty-one (21) days from receipt prior to entering into this Agreement and Dr. Squires has signed on the date indicated below after concluding that the Agreement is satisfactory; and

(f) Dr. Squires has the right to revoke this Agreement for a period of seven (7) calendar days following Dr. Squires' execution of this Agreement by giving written notice to Biovail, 7150 Mississauga Road, Mississauga, Ontario, L5N 8M5, Attn: General Counsel, and that this Agreement shall not be effective or enforceable until this seven-day period has expired. In the event that Dr. Squires revokes this Agreement pursuant to the terms of this Section 10(f), Dr. Squires shall be required to repay to Biovail any amounts paid to Dr. Squires pursuant to Sections 1(a) and (b) within five (5) business days of the date Dr. Squires revokes this Agreement.

11. This Agreement is intended to comply with the applicable provisions of section 409A of the Code and shall be interpreted to avoid any penalty sanctions under section 409A of the Code. If any payment or benefit cannot be provided or made at the time specified herein without incurring sanctions under section 409A of the Code, then such benefit or payment shall be provided in full at the earliest time thereafter when such sanctions shall not be imposed. For purposes of section 409A of the Code, all payments to be made upon a termination of employment under this Agreement may only be made upon a "separation from service" under section 409A of the Code, each payment made under this Agreement shall be treated as a separate payment and the right to a series of installment payments under this Agreement shall be treated as a right to a series of

separate payments. In no event shall Dr. Squires, directly or indirectly, designate the calendar year of payment.

Notwithstanding the provisions of paragraph 1 above, if at the time of the Squires’ “separation from service” (as such term is defined in section 409A of the Code) the Company has securities which are publicly-traded on an established securities market and Dr. Squires is a “specified employee” (as such term is defined in section 409A of the Code) and it is necessary to postpone the commencement of any severance payments otherwise payable pursuant to this Agreement as a result of such separation from service to prevent any accelerated or additional tax under section 409A of the Code, then the Company shall postpone the commencement of the payment of any such payments or benefits hereunder (without any reduction in such payments or benefits ultimately paid or provided to Dr. Squires) that are not otherwise paid within the “short-term deferral exception” under Treas. Reg. section 1.409A-1(b)(4) and/or the “separation pay exception” under Treas. Reg. section 1.409A-1(b)(9)(iii), until the first payroll date that occurs after the date that is six (6) months following Dr. Squires’ separation from service with the Company. If any payments are postponed due to such requirements, such postponed amounts shall be paid in a lump sum to Dr. Squires, and any installment payments due to Dr. Squires shall recommence, on the first payroll date that occurs after the date that is six (6) months following the Dr. Squires’ “separation from service” with the Company. If Dr. Squires dies during the postponement period prior to the payment of the postponed amount, the amounts postponed on account of section 409A of the Code shall be paid to the personal representative of Dr. Squires’ estate within sixty (60) days after the date of the Dr. Squires’ death.

All reimbursements and in kind benefits provided under this Agreement shall be made or provided in accordance with the requirements of section 409A of the Code, including, where applicable, the requirement that (i) any reimbursement is for expenses incurred during Dr. Squires’ lifetime (or during a shorter period of time specified in this Agreement), (ii) the amount of expenses eligible for reimbursement, or in kind benefits provided, during a calendar year may not affect the expenses eligible for reimbursement, or in kind benefits to be provided, in any other calendar year, (iii) the reimbursement of an eligible expense shall be made on or before the last day of the calendar year following the year in which the expense is incurred, and (iv) the right to reimbursement or in kind benefits is not subject to liquidation or exchange for another benefit.

- 1.02               The Executive:
- (a)           shall well and faithfully serve the Corporation to the best of his ability;
  - (b)           acknowledges that his employment by the Corporation shall, unless otherwise mutually agreed to in writing, be his only occupation and that he shall devote substantially all his working time and attention during normal business hours to the performance of his duties and the observing of all reasonable instructions given to the Executive, provided, however, that the Executive may serve on the board of directors of another publicly traded company as long as such service does not impair his ability to perform his duties for the Corporation or put the Executive in conflict with respect to such duties. In addition, the Executive may serve on civic, educational, philanthropic or charitable boards or committees, or, with the prior written consent of the Board of Directors of Biovail Corporation (the “Board”), other outside corporate boards, in each case, as long as such service does not impair his ability to perform his duties for the Corporation or put the Executive in conflict with respect to such duties;
  - (c)           shall reasonably use his best efforts to promote the success of the business of the Corporation (the “Business”) now or hereafter conducted by the Corporation; and
  - (d)           shall not engage in any activity that would impair his ability to perform his duties or that shall put the Executive in conflict with respect to such duties.

## **Term of Agreement**

1.03 This Agreement shall continue in full force and effect indefinitely and until terminated by either the Executive or the Corporation pursuant to the terms hereof. The period of the Executive's employment under this Agreement, which employment commenced May 1, 2008, shall be referred to as the "Employment Term".

## **ARTICLE TWO – TERMINATION AND RESIGNATION**

### **Involuntary Termination – Either by the Corporation Without Cause or By the Executive for Good Reason**

2.01 If the Executive incurs an involuntary termination from employment with the Corporation on account of a termination by the Corporation without Cause or by the Executive for Good Reason, then, in addition to any benefits or compensation accrued, earned and due to the Executive but not yet paid as of the date that is designated by the Corporation or the Executive, as applicable, as the last day of the Executive's employment or term of office with the Corporation (the "Termination Date"), the Executive shall be eligible for the severance payments and benefits as described in this Section 2.01; provided that (i) the Executive continues to comply with the Restrictive Covenants (as defined below); and (ii) the Executive executes, and does not revoke, a written waiver and release of all claims, demands and causes of action against the Corporation and related parties in a form prescribed by the Corporation, as limited by Section 2.08 ("Release"):

(a) The Executive shall be paid a lump sum severance payment within 60 days of the Executive's Termination Date, equal to two (2) times the Executive's base salary (calculated using the Executive's annual base salary in the year in which the Executive's Termination Date occurs) plus two (2) times the Executive's target level of annual incentive compensation under the Short Term Incentive Plan (as defined in Section 3.01.B below) for the fiscal year prior to the fiscal year in which the Executive's Termination Date occurs; provided that if the Executive's termination occurs in 2008 or 2009, the foregoing calculation shall be made using the Executive's 2008 guaranteed bonus amount;

(b) The Executive shall be entitled to a pro-rated portion of the Executive's target level of annual incentive compensation under the Short Term Incentive Plan for the fiscal year in which the Executive's Termination Date occurs, based on the number of months (rounded to the next highest number for a partial month) of the fiscal year elapsed prior to the Executive's Termination Date and calculated and paid in accordance with the terms of the Short Term Incentive Plan; and

(c) Until the earlier of (i) the end of the two (2) year period following the Executive's Termination Date, or (ii) the date, or dates, the Executive is eligible to receive benefits under the same type of plan of a subsequent employer (the "Benefit Period"), the Corporation shall pay to the Executive a monthly payment on the first payroll date of each month equal to the COBRA cost of continued medical and dental coverage for the Executive and the Executive's covered dependents under the medical and dental plans of the Corporation pursuant to section 4980B of the Internal Revenue Code of 1986, as amended (the "Code"), less the amount that the Executive would be required to contribute for medical and dental coverage if the Executive were an active employee. These payments shall commence on the Corporation's first payroll date after the Executive's Termination Date and shall continue until the end of the Benefit Period (but not longer than the Benefit Period).

(d) On or after the first anniversary of this Agreement, if the Executive's termination or resignation, as applicable, under this Section 2.01 occurs within the twelve (12) month period following a Change in Control (as defined in Section 2.06(b)), any unvested equity compensation awards held by the Executive as of his Termination Date shall automatically accelerate and become one hundred percent (100%) vested and, as applicable, exercisable, as of the Executive's Termination Date; provided that any unvested equity compensation awards that vest based upon the attainment of performance criteria shall remain subject to the attainment of such performance criteria, unless the Board determines otherwise in accordance with the terms of the Equity Compensation Plan (as defined below) (or any successor plan thereto).

#### **Involuntary Termination By The Corporation For Cause Or Voluntary Resignation Without Good Reason**

2.02 If the Executive is involuntarily terminated by the Corporation for Cause or the Executive voluntarily resigns from employment without Good Reason, then the Executive shall forfeit the Executive's right to receive any salary, Short Term Incentive Plan compensation, Equity Compensation Plan compensation or other compensation that has not been fully accrued at the time the Executive's employment terminates; provided, however, that the Executive shall be entitled to receive any benefits or compensation accrued, earned and due to the Executive but not yet paid as of the Executive's Termination Date.

#### **Death or Disability**

2.03 Subject to the requirements of applicable law, the Corporation may terminate the Executive's employment if the Executive has been unable to perform the essential functions of the Executive's position with the Corporation, with or without reasonable accommodation, by reason of physical or mental incapacity for a period of six consecutive months ("Disability"). The Executive agrees, in the event of a dispute

under this Section 2.03 relating to the Executive’s Disability, to submit to a physical examination by a licensed physician mutually agreed between the Executive and the Board. Nothing herein is intended to circumvent or abridge the Corporation’s short-term disability policy or long-term disability plan. In the event the Corporation terminates the Executive’s employment pursuant to the terms of this Section 2.03, the Executive or the Executive’s estate, as applicable, shall be entitled to receive any salary, benefits or other amounts accrued, earned and due to the Executive but not yet paid as of the Executive’s Termination Date.

**Cause**

2.04 For purposes of this Agreement, Cause includes:

- (a) conviction of the Executive, or entering of a guilty plea or a plea of no contest by the Executive, with respect to a felony, any crime involving fraud, larceny or embezzlement or any other crime involving moral turpitude which subjects, or if generally known, would damage the business interests or reputation of the Corporation or any of its affiliates;
- (b) any act of fraud, misappropriation, material dishonesty, embezzlement or similar conduct involving the Corporation or any affiliates;
- (c) a material breach by the Executive of the Executive’s duties hereunder (other than as a result of Disability) which is demonstrably willful and deliberate on the part of the Executive or which is committed in bad faith or without reasonable belief that such breach is in the best interests of the Corporation;
- (d) a material breach by the Executive of the Executive’s duties hereunder (other than as a result of Disability), except as identified in Section 3.04(c) above, which breach is not remedied by the Executive within 30 days after receipt of written notice from the Corporation specifying such breach; or
- (e) the Executive’s willful failure to substantially perform his duties with the Corporation (other than any such failure resulting from the Executive’s Disability), after a written demand for substantial performance is delivered to the Executive that specifically identifies the manner in which the Corporation believes that the Executive has not substantially performed his duties, and the Executive has failed to remedy the situation within fifteen (15) business days of such written notice from the Corporation;
- (f) gross negligence in the performance of the Executive’s duties which results in material financial harm to the Corporation;
- (g) the Executive’s willful engagement in conduct that is demonstrably and materially injurious to the Corporation, monetarily or otherwise;

(h) the Executive's failure to comply in any material way with any of the provisions of this Agreement, including a failure to comply with the terms of the documents attached hereto as Schedule A and Schedule B.

#### **Good Reason**

2.05 For purposes of this Agreement, a voluntary resignation by the Executive shall be deemed to be a termination for Good Reason if:

- (a) The Corporation makes: (i) any assignment to the Executive of any duties which are materially inconsistent with the Executive's position; (ii) any material reduction in the Executive's authority, responsibilities or status; or (iii) a material reduction to the Executive's base salary;
- (b) The Executive notifies the Corporation in writing of the Executive's belief that the Corporation has taken an action identified in Section 2.05(a) within thirty (30) days of the event at issue;
- (c) The Corporation has not remedied the situation within thirty (30) days after receipt of written notice from the Executive; and
- (d) The Executive provides a Notice of Termination within thirty (30) days after the Corporation's opportunity to remedy the situation has expired.

#### **Change in Control**

- 2.06 (a) If a Change in Control (as defined below) occurs prior to the first anniversary of the date of this Agreement, the Corporation shall provide to the Executive, in addition to any benefits or compensation accrued, earned and due to the Executive but not yet paid as of the Change in Control, (a) a lump sum severance payment of two (2) times the Executive's base salary (calculated using the Executive's annual base salary in the year in which the Change in Control occurs) plus two (2) times the Executive's target level of annual incentive compensation under the Short Term Incentive Plan for the fiscal year in which the Change in Control occurs, payable within thirty (30) days of the Change in Control (provided that if the Change in Control occurs in 2008 or 2009 (and in any event, prior to the first anniversary of the date of this Agreement), the foregoing calculation shall be made using the Executive's 2008 guaranteed bonus amount), and, (b) any unvested equity compensation awards held by the Executive shall automatically accelerate and become one hundred percent (100%) vested and, as applicable, exercisable, as of the Change in Control; provided that any unvested equity compensation awards that vest based upon the attainment of performance criteria shall remain subject to the attainment of such performance criteria, unless the Board determines otherwise in accordance

with the terms of the Equity Compensation Plan (or any successor plan thereto). If the Executive incurs an involuntary termination from employment with the Corporation on account of a termination by the Corporation without Cause or by the Executive for Good Reason within six (6) months of the Change in Control, payment under this Section 2.06 shall be in lieu of any payments or benefits to which the Executive may be entitled under Section 2.01 above. This Section 2.06(a) shall expire on the first anniversary of the date of this Agreement.

(b) For purposes of this Agreement, “Change in Control” means the happening of any of the following events:

- (i) the completion of a transaction pursuant to which (A) the Corporation goes out of existence or (B) any person, or any Associate (as such terms defined in National Instrument 45-106 - *Prospectus and Registration Exemptions*, as amended from time to time, or such other successor rules, instruments or policies from time to time of Canadian provincial securities regulatory authorities which may govern trades of securities to employees, officers, directors or consultants (“NI45-106”)) or Related Entity (as such term is defined in NI45-106) of such person (other than the Corporation, any trustee or other fiduciary holding securities under any employee benefit plan of the Corporation or a Related Entity, or any company owned, directly or indirectly, by the shareholders of the Corporation in substantially the same proportions as their ownership of common shares of the Corporation) hereafter acquires the direct or indirect “beneficial ownership” (as defined by the *Canada Business Corporations Act*) of securities of the Corporation representing 50% or more of the aggregate voting power of all of the Corporation’s then issued and outstanding securities;
- (ii) the lease, exchange, license, sale or other similar disposition of all or substantially all of the Corporation’s assets in one transaction or a series of related transactions to a person, or any Associate or Related Entity of such person (other than an Associate or Related Entity of the Corporation, any trustee or other fiduciary holding securities under any employee benefit plan of the Corporation or a Related Entity, or any company owned, directly or indirectly, by the shareholders of the Corporation in substantially the same proportions as their ownership of common shares of the Corporation);
- (iii) the dissolution or liquidation of the Corporation except in connection with the distribution of assets of the Corporation to one or more persons which were Related Entities prior to such event;
- (iv) during any period of 24 consecutive months beginning on or after the date of this Agreement, the persons who were members of the Board

immediately before the beginning of such period (the “Incumbent Directors”) cease (for any reason other than death) to constitute at least a majority of the Board or the board of directors of any successor to the Corporation, provided that any director who was not a director as of the date of the Equity Compensation Plan shall be deemed to be an Incumbent Director if such director is elected to the Board by, or on the recommendation of or with the approval of, at least two-thirds of the directors who then qualified as Incumbent Directors either actually or by prior operation of the foregoing unless such election, recommendation or approval occurs as a result of an actual or threatened election contest or other actual or threatened solicitation of proxies or contests by or on behalf of a person other than a member of the Board; or

(v) a merger, amalgamation, arrangement or consolidation of the Corporation with any other corporation other than a merger, amalgamation, arrangement or consolidation that would result in the voting securities of the Corporation outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 50% of the combined voting power of the voting securities of the Corporation or such surviving entity outstanding immediately after such merger, amalgamation, arrangement or consolidation; provided, however, that a merger, amalgamation, arrangement or consolidation effected to implement a recapitalization of the Corporation (or similar transaction) in which no person (other than those covered by the exceptions in (i) above) acquires more than 50% of the combined voting power of the Corporation’s then outstanding securities shall not constitute a Change in Control.

(c) In the event any payments or benefits made to the Executive upon a Change of Control are deemed “excess parachute payments” within the meaning of Section 280G of the Code, and the Executive is subject to excise tax under Section 4999 of the Code (the “Excise Tax”) with respect to such payments, the Executive shall receive, in addition to any other payments and benefits to which he is entitled under the Agreement, an amount which, after imposition of any income, employment, excise or other taxes on such amount (including any income, employment, excise or other taxes paid on any amount due under this Section), equals the difference between the amount he actually receives after payment of all taxes including all Excise Tax and the after-tax amount he would receive if no Excise Tax were imposed on him. Notwithstanding any provision of Section 2.06 to the contrary, in accordance with the requirements of section 409A of the Code, any additional payment payable to the Executive hereunder shall be paid not later than the end of the calendar year next following the calendar year in which the Executive or the Corporation (as applicable) remits the taxes for which the additional payment is being paid.

(d) In the event a Change in Control occurs prior to the first anniversary of the date of this Agreement, the Corporation (or any successor thereto) shall establish an irrevocable rabbi trust or a similar arrangement based generally on the Internal Revenue Service’s model rabbi trust as provided in Revenue Procedure 92-64 and contribute to such trust immediately prior to the consummation of the Change in Control, an amount sufficient to cover the amounts payable to the Executive under Section 2.06(a) above, as well as the amount of any expenses (as estimated by the trustee in good faith) expected to be incurred by the trustee of such trust following the occurrence of the Change in Control.

**Notice of Termination**

2.07 Any termination of employment by the Corporation or by the Executive shall be communicated by notice of termination to the other party hereto given in accordance with Section 5.10 (a “Notice of Termination”). For purposes of this Agreement, Notice of Termination means a written notice which (a) identifies the specific termination provision in the Agreement relied upon, and (b) to the extent applicable, sets forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Executive’s employment under the provision identified, and (c)(i) in the case of a termination by the Corporation, specifies the Executive’s Termination Date which shall not be less than fifteen (15) nor more than sixty (60) days after the giving of such notice; or (ii) in the case of a termination by the Executive without Good Reason, shall not be less than ninety (90) days (but may be shorter if approved by the Corporation) after the giving of such notice.

On the date of termination or resignation, as applicable, the Executive agrees to resign all positions, including as an officer and, if applicable, as a director or member of a board of directors or committee, related to the Corporation.

**Release**

2.08 The Release identified in Section 2.01 shall not require the Executive to release any right the Executive may have to indemnification as an officer, director or employee of the Corporation (or any affiliate thereof) pursuant to the articles of incorporation or bylaws (or other governing instruments) of the Corporation (or any affiliate thereof) or any vested benefits to which the Executive may be entitled under any employee benefit plan.

**Vacation**

3.03 The Executive shall be entitled to six weeks paid vacation annually. In addition, the Executive and his family shall be eligible for one home leave annually (with such home leave counting toward the Executive’s six (6) weeks of annual paid vacation). In connection with such home leave, the Corporation shall reimburse the Executive in accordance with its expense reimbursement policies for actual and reasonable transportation costs for round-trip airfare for the Executive and his family to travel to and from Barbados by the most direct route. The Executive shall be responsible for living expenses during home leave.

3.05           The Executive shall be eligible to participate in the Corporation’s 2007 Equity Compensation Plan, as such plan may be amended or supplemented from time to time (the “Equity Compensation Plan”), in accordance with the terms of the Equity Compensation Plan, except as may be otherwise indicated in this Agreement. Contemporaneously with the date of this Agreement, the Executive shall be granted a non-qualified stock option to purchase 150,000 shares of common stock of the Corporation, subject in all respects to the terms of the Equity Compensation Plan and the agreement evidencing the terms of the stock option grant. **ARTICLE FOUR – EXECUTIVE’S OBLIGATIONS**

**Confidentiality**

4.01           Contemporaneously with the execution of this Agreement, the Executive agrees to execute and be bound by the terms of the confidentiality agreement attached hereto as Schedule A and which is incorporated by reference into this Agreement (the “Confidentiality Agreement”), which Confidentiality Agreement has been read, understood and executed by the Executive.

**Non-Competition**

4.02           The Executive acknowledges that the Corporation currently conducts Business activities in North America, Ireland, Barbados and Puerto Rico (the “Territory”). The Executive further acknowledges that, in the future, the Business

activities are expected to substantially expand territorially. Accordingly, the Executive hereby agrees and covenants that he shall not during the term of this Agreement and for a period of one (1) year following the Executive's termination from employment for any reason, directly or in any manner or in any capacity whatsoever, including without limitation, either individually, in partnership, jointly or in conjunction with any other individual, partnership, corporation, unincorporated organization, trust, joint venture, the Crown or any agency or instrumentality thereof of any juridical entity, in the Territory (excluding, as applicable, any portions of the Territory in which the Corporation is no longer carrying on business at the relevant time) or in any other regions or countries where the Corporation may be carrying on business at the relevant time:

- (a) carry on, be engaged in, take part in or be a party to any Competitive Activity, directly or indirectly; or
- (b) consult, advise, render services to, lend money, guarantee the debts or obligations of or permit the use of his name or any part thereof for any Competitive Activity.

For the purposes of this Section 4.02, a "Competitive Activity" shall be defined as any business: (i) that competes with or plans to actively compete with the Business activities of the Corporation through, but not limited to, the formulation, clinical testing, registration, manufacturing or marketing of specialty pharmaceuticals and/or drug delivery technologies in the therapeutic categories on which the Corporation is focused, which include central nervous system disorders, pain management, cardiovascular disease, type II diabetes, and any other category in which the Corporation is focused in the future and excludes areas in which the Corporation is not actively engaged at the relevant time, (ii) with which the Corporation has a product(s) licensing agreement, (iii) in which the Corporation has a minority equity interest, or (iv) with which the Corporation is at the time actively negotiating a commercial relationship.

During the continuance of his employment, the Executive shall not (other than solely as a holder of not more than three per cent (3%) of the issued and outstanding voting shares of any public corporation or as a shareholder of the Corporation, without the written approval of the board of directors of the Corporation, directly or indirectly, either individually or in partnership or in conjunction with any Person or Persons, firm, association, syndicate, company or corporation as principal, agent, director, manager, servant, shareholder or in any other manner whatsoever) carry on or be engaged in or be concerned with or interested in any business or vocation whatsoever which would be reasonably judged to be a Competitive Activity or would impede the Executive in performing his duties as outlined herein.

The Executive may at any time, or from time to time, request the Corporation to advise the Executive in writing whether or not the Corporation considers a specified business to be a Competitive Activity. Any such request shall be made by written notice to the Corporation that includes: (i) the name of the specific business unit for which the

Executive proposes to provide services; (ii) the name or names of any parent companies of such business unit; (iii) a description of the specific services which the Executive proposes to perform for such business unit; (iv) a statement as to why the Executive believes that the performance of such services shall not adversely affect the Corporation’s legitimate interests.

**Non-Solicitation and Hiring**

4.03           The Executive hereby covenants and agrees that he shall not during the term of this Agreement and for a period of one (1) year thereafter, either directly or indirectly, solicit or endeavour to solicit from the Corporation’s employees, customers or suppliers for the pharmaceutical compounds used by Biovail, and shall not for a period of one (1) year from the end of the term of this Agreement hire any of the foregoing on his own behalf or on behalf of any other entity.

4.04           The Executive acknowledges that he shall fully abide by the provisions of this Article 4.

**Injunctive Relief**

4.05           The Executive acknowledges and agrees that the agreements and covenants in this Article Four are essential to protect the business and goodwill of the Corporation and that a breach by the Executive of the covenants in Sections 4.01, 4.02 and 4.03 hereof could result in irreparable harm to the Corporation for which the Corporation could not be adequately compensated in damages and that, accordingly, the Corporation may have no adequate remedy at law if the Executive breaches such provisions. Consequently, if the Executive breaches any of such provisions, the Corporation shall have, in addition to and not in lieu of, any other rights and remedies available to it under any law or in equity, the right to obtain injunctive relief to restrain any breach or threatened breach thereof and to have such provisions specifically enforced by any court of competent jurisdiction.

**Severability of Covenants in Full or in Part**

4.06           The parties acknowledge that the provisions of Article Four hereof (the “Restrictive Covenants”) are reasonable and valid in geographic and temporal scope and in all other respects. If any court of competent jurisdiction determines that any of the Restrictive Covenants or any part thereof, is or are invalid or unenforceable, the Executive and the Corporation agree that the remainder of the Restrictive Covenants shall not be affected by the deemed invalid portions. If any court of competent jurisdiction determines that any of the Restrictive Covenants or any part thereof is unenforceable because of the duration or geographical scope of such provision, the parties hereto agree that such court shall have the power to reduce the duration or

scope of such provision, as the case may be, and in its reduced form such provision shall then be enforceable.

**Assignment of IP**

4.07           The Executive shall disclose to the Corporation any and all Intellectual Property (as described in the Confidentiality Agreement) which he may make solely, jointly, or in common with other employees during the term of his employment within the Corporation and which relates to the Business. Any Intellectual Property coming within the scope of the Business made and/or developed by the Executive while in the employ of the Corporation, whether or not conceived or made during regular working hours, and whether or not the Executive is specifically instructed to make or develop same, shall be for the benefit of the Corporation and shall be regarded as work made in the course of employment for the purposes of the *Copyright Act* (Canada) and the equivalent regulations in the United States and/or the State of New Jersey. The Executive shall assign, set over and transfer to the Corporation his entire right, title and interest in and to any and all of the Intellectual Property and to all letters patent and applications for letters patent which may be, or may have been filed and/or issued by or to him or on his behalf and the Executive agrees to execute and deliver to the Corporation any and all instruments necessary or desirable to accomplish the foregoing and, in addition, to do all lawful acts which may be necessary or desirable to assist the Corporation to obtain and enforce protection of the Intellectual Property. To the extent of any rights Executive may have with respect to the Intellectual Property which are not assignable, including but not limited to moral rights, the Executive hereby waives same. The Executive shall execute and deliver to the Corporation or its successors and assigns, such other and further assignments, instruments and documents as the Corporation from time to time reasonably may request for the purpose of establishing, evidencing, and enforcing or defending its complete, exclusive, perpetual, and world-wide ownership of all rights, titles, and copyrights, in and to the Intellectual Property, and

Executive constitutes and appoints the Corporation as agent and attorney-in-fact, with full power of substitution, to execute and deliver such assignments, instruments, documents as Executive may fail to refuse to execute and deliver, this power and agency being coupled with an interest and being irrevocable.

**Standards of Business Conduct**

4.08           The Executive acknowledges and agrees that he has read and understood and agrees to be bound by the Corporation’s Standards of Business Conduct, which is attached hereto as Schedule B.

**Human Resources Management**

4.09           The Executive acknowledges receipt of the Human Resources Management System and agrees to be bound by all of the terms, policies and procedures contained therein.

**No Conflicting Obligations**

- 4.10           The Executive warrants to the Corporation that:
- (a)           the performance of the Executive’s duties as an employee of the Corporation shall not breach any agreement or other obligation to keep confidential the Confidential Information of any third party; and
  - (b)           the Executive is not bound by any agreement with or obligation to any third party that conflicts with the Executive’s obligations as an employee of the Corporation.

**ARTICLE FIVE - INTERPRETATION AND ENFORCEMENT**

**Section 409A**

5.01           This Agreement shall be interpreted to avoid any penalty sanctions under section 409A of the Code. If any payment or benefit cannot be provided or made at the time specified herein without incurring sanctions under section 409A of the Code, then such benefit or payment shall be provided in full (to extent not paid in part at earlier date) at the earliest time thereafter when such sanctions shall not be imposed. For purposes of section 409A of the Code, all payments to be made upon a termination of employment under this Agreement may only be made upon the Executive’s “separation from service” (within the meaning of such term under section 409A of the Code), each payment made under this Agreement shall be treated as a separate payment, and the right to a series of installment payments under this Agreement shall be treated as a right to a series of separate payments. In no event shall the Executive, directly or indirectly, designate the calendar year of payment, except as permitted under section 409A of the Code.

Notwithstanding anything herein to the contrary, if, at the time of the Executive’s termination of employment with the Corporation, the Corporation has securities which are publicly traded on an established securities market and the Executive is a “specified employee” (as such term is defined in section 409A of the Code) and it is necessary to postpone the commencement of any payments or benefits otherwise payable under this Agreement as a result of such termination of employment to prevent any accelerated or additional tax under section 409A of the Code, then the Corporation shall postpone the commencement of the payment of any such payments or benefits hereunder (without

any reduction in such payments or benefits ultimately paid or provided to the Executive) that are not otherwise paid within the ‘short-term deferral exception’ under Treas. Reg. section 1.409A-1(b)(4) and/or the ‘separation pay exception’ under Treas. Reg. section 1.409A-1(b)(9)(iii), until the first payroll date that occurs after the date that is six months following the Executive’s “separation of service” with the Corporation. If any payments are postponed due to such requirements, such postponed amounts shall be paid in a lump sum to the Executive on the first payroll date that occurs after the date that is six months following Executive’s “separation of service” with the Corporation. If the Executive dies during the postponement period prior to the payment of postponed amount, the amounts withheld on account of section 409A of the Code shall be paid to the personal representative of the Executive’s estate within 60 days after the date of the Executive’s death.

All reimbursements and in-kind benefits provided under this Agreement shall be made or provided in accordance with the requirements of section 409A of the Code, including, where applicable, the requirement that (1) any reimbursement shall be for expenses incurred during the Executive’s lifetime (or during a shorter period of time specified in this Agreement), (2) the amount of expenses eligible for reimbursement, or in kind benefits provided, during a calendar year may not affect the expenses eligible for reimbursement, or in kind benefits to be provided, in any other calendar year, (3) the reimbursement of an eligible expense shall be made on or before the last day of the calendar year following the year in which the expense is incurred and (4) the right to reimbursement or in kind benefits is not subject to liquidation or exchange for another benefit.
