These slides contain supplemental non-GAAP financial measures, including non-GAAP net income per share. The presentation of supplemental non-GAAP financial information, which is not prepared under any comprehensive set of accounting rules or principles, is not intended to be considered in isolation or as a substitute for, or superior to, the financial information prepared and presented in accordance with generally accepted accounting principles. In addition, these measures may be materially different from non-GAAP financial measures used by other companies. For a description of these non-GAAP financial measures, including the reasons management uses these measures, and reconciliations of these non-GAAP financial measures to the most directly comparable financial measures prepared in accordance with GAAP, please see the section of Wind River's earnings release dated May 29, 2008 entitled "About Non-GAAP Financial Measures", which has been furnished to the SEC with the company's Report on Form 8-K dated May 29, 2008 and is available at www.sec.gov. All non-GAAP financial measures should be read in conjunction with the comparable information presented in accordance with GAAP.
