Senior Vice President, Corporate Services  
DTE Energy

Harold Gardner, 54, is senior vice president, corporate services, at DTE Energy (NYSE: DTE), a diversified energy company involved in the development and management of energy-related businesses and services nationwide. He is responsible for DTE's supply chain, shared services, facilities and administration activities.

Gardner joins DTE Energy having previously served as vice president, marketing, sales and regulatory affairs of Michigan Consolidated Gas (MichCon), a natural gas utility serving 1.2 million customers in more than 500 communities throughout Michigan. When the former parent company of MichCon, MCN Energy Group, merged with DTE Energy in 2001, MichCon became a principal operating subsidiary of DTE Energy.

Gardner joined MCN Energy Group in 1989 as manager of corporate development. Prior to joining the gas utility and its parent company, Gardner's employment experience includes serving as director of finance for the Detroit Science Center, operating his own management consulting business, serving as business development specialist and senior financial analyst for Ford Motor Credit Co., working as a management consultant for Touche Ross and working as a loan officer for City National Bank.

Gardner earned a bachelor of arts degree in industrial management from Michigan State University and a master's degree in business administration from Harvard Business School.

Gardner is on the board of directors and finance committees of the American Red Cross-Southeastern Michigan Chapter, Matrix Human Services, and Adult Well-Being Services.
