Albert J. Tack

General Auditor, Detroit Edison Co.

Albert J. Tack, 58, is general auditor of Detroit Edison Co., an electric utility serving 2.1 million customers in Southeastern Michigan. Detroit Edison is the principal operating subsidiary of DTE Energy Co. (NYSE: DTE), a diversified energy company involved in the development and management of energy-related businesses and services nationwide. As general auditor, Tack is responsible for assessing the company's system of internal controls, assisting the audit committee of the board of directors and advising management on control issues. He also was responsible for implementing the company's financial systems.

Tack has served in positions of increasing responsibility in Detroit Edison's financial area since joining the company in 1964. Most recently, he was assistant controller and director of corporate support and consolidations at the utility. He was named an assistant controller in 1995, and general auditor in 1997.

Tack earned a bachelor of science degree in accounting from Wayne State University. Tack is a certified internal auditor and a member of the Institute of Internal Auditors.
