Mr. Del Weidner

REDACTED

Dear Del:

It appears that I did not receive the proper amount of interest on my May 1, 2001 loan to you. The loan was outstanding for eleven months and the interest should have been \$96,250. I received a check on January 31, 2002 in the amount of \$52,500, representing six months interest at 7%. I then received a check on May 6, 2002 for \$17,500, representing two months interest at 7%. Somewhere along the line I missed three months of interest.

Please send me a check for \$26,250 at your earliest convenience.

Sincerely,
