Larry, Wittig and I have agreed that Westar will buy \$400k of a convertible preferred being offered by Topeka based QUVIS. Could you follow up with Becky on paperwork. Terms have been set and we are not lead investor. Thanks

Doug.

I need the legal name and address for Westar so I can complete the note and security agreement. Also attached in the final version for your review.

Thank you!

Becky

Doug.

After the dust settled.... we have \$400k for Westar. I will send you the final paper work by the end of the week.

Becky
