

“VéloOstan’Lib” in Nancy: successful launch with 1,500 rentals in the space of 5 days

Paris, October 2, 2008 - JCDecaux SA (Euronext Paris: DEC), the No.1 outdoor advertising company in Europe and in the Asia-Pacific region, No.2 worldwide in this industry, and No.1 worldwide in self-service bicycle hire, announces that VéloOstan’Lib (the self-service bicycle hire scheme adopted by the City of Nancy) was officially launched on Saturday, September 27. The scheme attracted considerable public interest with 1,500 individual rentals in the space of five days. More than 600 long and short term subscriptions have been taken out.

VéloOstan’Lib is a network of 25 docking stations and 250 bicycles available for public use immediately. The new service will allow users to take advantage of more than 50 kilometers of dedicated lanes reserved for cyclists created within the city limits.

After dynamically pursuing the development of the self-service bicycle hire concept in France following the launch of Vélo’v in Lyon in 2005, a growing number of cities now enjoy its innovative service: Vienna (Austria), Cordoba, Gijon and Seville (Spain), Brussels (Belgium), Paris and 30 suburban cities, Marseille, Aix-en-Provence, Toulouse, Rouen, Besançon, Mulhouse, Amiens, Luxembourg and Nantes, in addition to La Plaine and Cergy-Pontoise ie 60 cities and more than 56 million individual rentals already generated. The world leader in self-service bicycle hire, JCDecaux allows users to take out a subscription for one day, one week or one year thanks to an easily accessible, exclusive electronic payment system that considerably simplifies the rental process for users.

Jean-Charles Decaux, co-CEO of JCDecaux, said : *“JCDecaux is delighted to count the urban community of Nancy among the cities that have chosen our self-service bicycle hire scheme. Thanks to this innovative solution, our company – the No.1 worldwide specialist in self-service bicycle hire – has reinvented bicycle use in urban environments based on the principle that bicycles represent a fantastic complement to the public transport system. By making it available for the inhabitants of Nancy and in the municipalities concerned by the display, we are providing an universally accessible service, and, speeding up the transformation towards a more sustainable society.”*
