Technical Services

Rick Yuse, President

Technical Services (TS), with 2007 sales of \$2.2 billion, provides technical, scientific and professional services for defense, federal and commercial customers worldwide. The business specializes in Mission Support, integrated training solutions, counter-proliferation and counter-terrorism, base and range operations, and customized engineering services.

A global workforce provides innovative solutions to ensure customer success. Major service contracts include support for Anti-Terrorism Force Protection physical security and services for U.S. naval facilities.

The contract extends the business's reach into the homeland security market.

The business continues to leverage its strengths in integrated training. In 2007, TS won the Warfighter Field Operations Customer Support contract to consolidate U.S. Army live, virtual and constructive training operations and support systems worldwide. TS was also a key player in a consortium selected as the preferred bidder for the Defence Training Rationalisation contract for the U.K. Ministry of Defence.
